Discover today's quick, practical, proven guide to overcoming "killer" management problems and succeeding brilliantly as a leader! Unlike other management books, The Truth About Managing People, Fourth Edition is 100% practical and completely based on tested evidence, not mere anecdote or opinion. Top management author Stephen P. Robbins has distilled thousands of research studies, meta-analyses, and Big Data investigations into a set of 63 proven, tested solutions for today's make-or-break management challenges. Each solution is presented quickly and concisely, in just 2-3 pages, so you can absorb them fast, and use them immediately. Robbins' fully updated truths cover every key aspect of management, including hiring the right people and building winning teams; designing high-productivity jobs and rewarding the right behaviors; managing diversity, change, conflict, turnover, and staff cuts; overcoming self-serving bias, groupthink, and digital distractions, and much more. This edition adds

nine all-new chapters, covering the crucial importance of people skills, building emotional intelligence, loyalty expectations, employee engagement and mentoring, managing face-to-face vs. virtual teams, overcoming the downsides of teams, handling unacceptable workplace behavior, promoting creativity and innovation, and more. Whatever your management role, Robbins has compiled indispensable practical truths you can and will apply, every single day. Focuses on giving undergraduate business and management students the best possible foundation for developing their knowledge of management, and for understanding how to apply the ideas they come across to handle the challenges that managers face. "With a renewed focus on skills and careers, the new edition of this bestselling text can help better prepare your students to enter the job market. Management, Thirteenth Edition vividly illustrates effective management theories by incorporating the perspectives of real-life managers. Through examples, cases, and hands-on exercises, students will see and experience management in action, helping them understand how the concepts they're learning actually work in today's dynamic business world"--From publisher's description. This isn't just "someone's opinion"...It's the first, definitive, evidence-based guide to effective management. In *The Truth About Managing People...and Nothing but the Truth*, Robbins delivers principles you can rely on throughout your entire management career--regardless of your organization, role or title. This is a management book that cuts through the soft opinion and conjecture books that have dominated the business shelves in recent years and shows what management researchers know actually works, or doesn't work, when it comes to managing people. Drawing on the author's 30+ years of research and textbook writing experience, Robbins has distilled the results of thousands of research studies on human behavior into over 60 proven "truths" that can transform how you manage people--and the results that are achieved. The author provides guidance to you organized around key, human-behavior-related problem areas that managers face (hiring, motivation, leadership, communication, team building, conflict management, job design, evaluating performance and coping with change), along with guidance to help you apply the information and improve your managerial effectiveness. Over the past decade, management practice has gone through dramatic changes. Workforce diversity, downsizing, reengineering, total quality management, outsourcing, and rediscovering the importance of satisfying the customer, all has a significant impact on Human Resources. The new Sixth Edition of De Cenzo/Robbins' *Human Resource Management* features a current, real-world perspective that gives readers a crystal-clear picture of what today's HRM is really like. Emphasizing the

application of theory, the Sixth Edition carefully integrates real examples with the most up-to-date information available. Introduction to management and organizations -- Management history -- Organizational culture and environment -- Managing in a global environment -- Social responsibility and managerial ethics -- Managers as decision makers -- Foundations of planning -- Strategic management -- Organizational structure and design -- Managing human resources -- Managing teams -- Managing change and innovation -- Understanding individual behavior -- Managers and communication -- Motivating employees -- Managers as leaders -- Introduction to controlling -- Managing operations. Whether the topic is understanding e-business, six sigma, workplace violence, knowledge workers, Internet job searches, or visionary leadership, Stephen Robbins and David DeCenzo cover it thoroughly and in a way that truly captures the issues facing managers in the twenty-first century. Its not enough just to know about management you have to possess the skills to match! With Robbins and DeCenzos new edition, youll learn so much about the real world of management, including: *Why Amazon.com is revolutionizing the book-selling industry *How SiloCaf, a coffee bean processing plant, uses sophisticated technologically-based controls to enhance productivity and ensure consistent quality in its work *Why companies like London Fog are struggling to survive *How teams at Hewlett-Packard redesigned a production process, cut waste, controlled costs, and increased productivity *New techniques that can make a university more efficient and responsive to its students With a renewed focus on job-relevant skills, the newest edition of this bestselling text helps management and non-management students alike better prepare to enter the workforce. Management, 15th Edition, Global Edition, vividly illustrates effective management theories by incorporating the perspectives of real-life managers. Through examples, cases, and hands-on exercises, students will see and experience management in action--helping them develop the specific skills that employers are looking for and understand how the concepts they're learning about actually work in today's dynamic business world. "This course and this book are about management and managers. Managers are one thing that all organizations--no matter the size, kind, or location--need. And there's no doubt that the world managers face has changed, is changing, and will continue to change. The dynamic nature of today's organizations means both rewards and challenges for the individuals who will be managing those organizations. Management is a dynamic subject, and a textbook on it should reflect those changes to help prepare you to manage under the current conditions. We've written this 14th edition of Management to provide you with the best possible

understanding of what it means to be a manager confronting change and to best prepare you for that reality. But not every student aspires to a career in management. And even if you do, you may be five or ten years away from reaching a managerial position. So you might rightly feel that taking a course in management now may be getting ahead of the game. We hear you. In response to these concerns, we've added new material to this book that is important and relevant to everyone working in an organization--manager and non-manager alike. Our "Workplace Confidential" pages identify, analyze, and offer suggestions for dealing with the major challenges that surveys indicate frustrate employees the most. You should find these pages valuable for helping you survive and thrive in your workplace. Surprisingly, this topic has rarely been addressed in business programs. Inclusion in an introductory management course appeared to us to be a logical place to introduce these challenges and to provide guidance in handling them"-- Robbins Management: The Essentials covers the concepts essential to management in the 21st century in a fresh, lively format that's perfectly suited to a typical university semester. The second edition features new and in-depth coverage of sustainability, ethics and corporate social responsibility and new case studies from local and international businesses. For courses in Principles of Management or Introduction to Management. Robbins and Coulter's best-selling text demonstrates the real-world applications of management concepts and makes management come alive by bringing real managers and students together. As it successfully integrates the various functions of management, the book establishes a dialogue with managers from a variety of fields.

Robbins/DeCenzo is a brief, paperback text that gives readers more depth and breadth with practical tools to practice their management skills than any other textbook. The eighth edition contains a self-contained section on developing management skills and includes new exercises, modules, and boxes. " This is the eBook version of the printed book. This Element is an excerpt from The Truth About Managing People (9780132346030), by Stephen P. Robbins. Available in print and digital formats. The secret to doing performance evaluations: how to make them more effective and less painful. A number of years ago, Holiday Inn built an advertising campaign around the slogan "The best surprise is NO surprise!" That slogan would also make good advice to managers when it comes to giving annual performance reviews. Few managers

enjoy doing this. Why? There seem to be at least three reasons... For Principles of Management courses. This Global Edition has been edited to include enhancements making it more relevant to students outside the United States. The practical tools of management presented through in-depth practice. Robbins/DeCenzo is the best-selling, brief, paperback text that gives students more depth and breadth of practical tools to practice their management skills than any other textbook. New author Mary Coulter brings a fresh perspective to the already best-selling duo of Stephen Robbins and David DeCenzo. Accompanied by mymanagementlab See the hands in the air, hear the roar of discussion be a Rock Star in the classroom. mymanagementlab makes it easier for you to be a Rock Star in the classroom by helping you hold students accountable for class preparation, and getting students engaged in the material through an array of relevant teaching and media resources.
