*Mother Earth, Mother Africa & African Indigenous Religions* Jan 27 2021 Africans embrace all of life, the humanity of each person, the world, and the creation of God. Consequently, African indigenous education reflects the completeness of life itself. The various chapters in this volume recount religious events and experiences from individual perspectives as they are unfolding on the continent. The different voices show how modernity, colonisation, urbanisation, Christianity, and technology have sidelined beliefs and practices of African traditional religions (ATRs) to the detriment of the environment. This volume brings together voices from leading proponents of ATRs and African religious heritage to help us appreciate how values are richly entrenched in African religious life. It demonstrates the detailed richness of ATRs and culture and showcases how far the academic study of ATRs in Africa has come, and calls for a concerted effort through partnership between various actors to ensure environmental sustainability.

*The Art of Noise* May 11 2022 THE ART OF NOISE offers an unprecedented collection of insightful, of-the-moment conversations with twenty-seven great British songwriters and composers. They discuss everything from their individual approaches to writing, to the inspiration behind their most successful songs, to the techniques and methods they have independently developed to foster their creativity. Contributors include: Sting \* Ray Davies \* Robin Gibb \* Jimmy Page \* Joan Armatrading \* Noel Gallagher \* Lily Allen \* Annie Lennox \* Damon Albarn \* Noel Gallagher \* Laura Marling \* Paul Weller \* Johnny Marr \* and many more Musician-turned-author Daniel Rachel approaches each interview with an impressive depth of understanding—of the practice of songwriting, but also of each musician's catalog. The result is a collection of conversations that's probing, informed, and altogether entertaining—what contributor Noel Gallagher called "without doubt the finest book I've ever read about songwriters and the songs they write." The collected experience of these songwriters makes this book the essential word of songwriting—as spoken by the songwriters themselves.

*The Conjugal Dictatorship of Ferdinand and Imelda Marcos* Sep 15 2022 Primitivo "Tibo" Mijares was Ferdinand Marcos's prized "media czar" and chief propagandist until his defection in 1975. In 1972, Tibo moved to the Marcos-controlled Daily Express and assumed the presidency of the National Press Club of the Philippines and chairperson of the Media Advisory Council, effectively becoming--in his own words--"the sole conduit between the military government and the practicing media." In 1975, Tibo defected. He knew too much and so informed a Congressional Committee in the United States, in June 1975. Despite Marcos's efforts to stop its publication, *The Conjugal Dictatorship* was published in 1976. A year after the publication of the book, Tibo was never heard from again and was declared legally dead years later. Tibo's youngest son, Luis Manuel, was abducted, tortured, and later found murdered and mutilated in 1977, as a result of the publication of *The Conjugal Dictatorship*. He was 16 years old.

**Power of Prayer** Jul 01 2021 What is more important in this life than prayer? Prayer is our connection with God--our strength, our bridge to heaven! It is when "men begin to call upon the name of the Lord" that they find Him. We are told that He "hearest prayer." What a promise the is! As we pray, the Holy Spirit Himself unites in our petitions and "maketh intercession for us." We are not alone in the battle of life; all heaven is on our side! Each of these 80 sections (containing one to three pages each) are compiled from Ellen G. White's writings. Her quotes bring together in one book all that she had to say on prayer. Topics include: "The

Privilege of Prayer," "The Early and Latter Rain," "Goals for Prayer," and "Prayer Defeats Satan."

**A Biblical Way of Praying the Mass** Aug 22 2020 How many times have you attended Mass and desired that it more fully touched your heart? You find that everyday worries and to-do lists distract from its prayers, the readings vanish from memory, and even the consecration and Communion pass by in a moment. Too often, the Mass feels like a missed opportunity for grace. To help you fully tap into the abundance of grace offered at the Holy Sacrifice of the Mass, Fr. Timothy Gallagher resurrects here the teachings of Venerable Bruno Lanteri. A holy priest seeking to root himself in prayer during the turbulence of war and persecution in northern Italy, Venerable Bruno developed a biblical way of praying the Mass that transforms it into a true prayer of the heart. Fr. Gallagher discovered this method of praying the Mass forty-five years ago, and it has been a blessing for him ever since. He now shares this method with you. Through a selection of biblical figures, he invites you live each part of the Mass with these figure’s sentiments and hearts. In these pages he shows you how to: Humbly seek forgiveness like the tax collector Give glory to God like the angels Listen to God’s Word with the hunger of a disciple Profess the Faith with the courage of the martyrs Receive communion with the heart of a lover Go forth from the Mass with the zeal of an Apostle To fruitfully pray the Mass from the heart is a gift of grace. The biblical way of praying the Mass method is a means to dispose your soul to receive this grace. Combined with spiritual exercises and reflections – and full-color images of sacred art – you’ll find this book to be a great gift to not only grow in prayer during Mass, but in your spiritual life.

**Oneness Pentecostals and the Trinity** Jun 19 2020 What's special about Oneness Pentecostals? In this penetrating analysis of Oneness theology and practice, Gregory Boyd reveals the experience of four years of personal involvement in a Oneness church.
