Here Lies My Heart Oct 23 2020 This book is for the once, never, and much married. For believers and skeptics, love's fools and love's thieves. It is for people with long memories and long histories and for people who reinvent themselves in every new town, new decade, new relationship. This book is for everyone whose heart lies where it should, where it shouldn't, and, in the end, where it must. -Amy Bloom, from the Foreword In these intensely personal essays, contemporary writers probe their experiences in and thoughts about one of our most enduring social and cultural institutions. Husbands and wives celebrate marriages that work, mourn those that don't, and write frankly about adultery. Includes essays by Mark Doty, Gerald Early, Barbara Ehrenreich, Cynthia Heimel, Vivian Gornick, Phillip Lopate, Nancy Mairs, and David Mamet.

Essays After Eighty Mar 28 2021 The former U.S. Poet Laureate contemplates life, death, and the view from his window in these "alternately lyrical and laugh-out-loud funny" essays (The New York Times). From an early age, Donald Hall dedicated his life to the written word. In his long and celebrated career, he was an accomplished poet, essayist, memoirist, dramatist, and children's author. Now, in the "unknown, unanticipated galaxy" of very old age, his essays continue to startle, move, and

delight. In *Essays After Eighty*, Hall ruminates on his past: “thirty was terrifying, forty I never noticed because I was drunk, fifty was best with a total change of life, sixty extended the bliss of fifty . . .” He also addresses his present: “When I turned eighty and rubbed testosterone on my chest, my beard roared like a lion and gained four inches.” Most memorably, Hall writes about his enduring love affair with his ancestral Eagle Pond Farm and with the writing life that sustains him every day: “Yesterday my first nap was at 9:30 a.m., but when I awoke I wrote again.”

“Deliciously readable...Donald Hall, if abandoned by the muse of poetry, has wrought his prose to a keen autumnal edge.” —The Wall Street Journal

Don't Ever Get Famous Aug 21 2020 "Kane's volume is the first to tackle the period in New York's downtown literary history most closely tied to the group of poets known as the 'Second Generation New York School' . . . [It] is a must-have for historians of American poetry in the 20th century." Publishers Weekly.

Bring Your Baggage and Don't Pack Light Oct 03 2021 The bestselling author of *American Housewife* and *Southern Lady Code* returns with a viciously funny, deeply felt collection of essays on friendship among grown-ass women. When Helen Ellis and her lifelong friends arrive for a reunion on the Redneck Riviera, they unpack more than their suitcases: stories of husbands and kids; lost parents and lost jobs; powdered onion dip and photographs you have to hold by the edges; dirty jokes and sunscreen with SPF higher than they hair-sprayed their bangs senior year; and a bad mammogram. It's a diagnosis that scares them, but could never break their bond. Because women pushing fifty won't be pushed around. In these twelve gloriously comic and moving essays, Helen Ellis dishes on married middle-age sex, sobs with a theater full of women as a psychic exorcises their sorrows, gets twenty shots of stomach bile to the neck to get rid of her double chin, and gathers up the courage to ask, "Are you there, Menopause? It's Me, Helen." A book that reads like the best cocktail party of your life, *Bring Your Baggage and Don't Pack Light* is chockablock with fabulous characters: cat-lady plastic surgeons and waterpark Adonises; bridge ladies and poker players; platinum medallion fliers and Garage Sale Swindlers; forty-year-old divorcées; fifty-year-old new moms and still-young octogenarians. Alive with the sensational humor and ferocious love for her friends that won Helen Ellis legions of fans, this book has a raw vulnerability and an emotional generosity that takes this acclaimed author to a whole new level of accomplishment.

100 Essays I Don't Have Time to Write Feb 19 2023 "One hundred incisive, idiosyncratic essays on life and theater from a major American playwright "Don't

send your characters to reform school!" pleads Sarah Ruhl in one of her essays. With titles as varied as "On Lice" to "On Sleeping in Theaters" and "Motherhood and Stools (The Furniture Kind)," these essays are artful meditations on life in the arts and joyous jumbles of observations on everything in between. The pieces combine admonition, celebration, inquiry, jokes, assignments, entreaties, prayers, and advice: honest reflections distilled from years of working in the theater. They offer candid accounts of what it is like to be a mother and an artist, along with descriptions of how Ruhl's children's dreams, jokes, and songs work themselves into her writing. 100 Essays is not just a book about the theater. It is a map of a very particular artistic sensibility and a guide for anyone who has chosen an artist's life"--

I Don't Want to Die Poor Jul 12 2022 One of NPR's Best Books of 2020 One of Time's 100 Must-Read Books of 2020 From the New York Times bestselling author of *I Can't Date Jesus*, which Vogue called "a piece of personal and cultural storytelling that is as fun as it is illuminating," comes a wry and insightful essay collection that explores the financial and emotional cost of chasing your dreams. Ever since Oprah Winfrey told the 2007 graduating class of Howard University, "Don't be afraid," Michael Arceneaux has been scared to death. You should never do the opposite of what Oprah instructs you to do, but when you don't have her pocket change, how can you not be terrified of the consequences of pursuing your dreams? Michael has never shied away from discussing his struggles with debt, but in *I Don't Want to Die Poor*, he reveals the extent to which it has an impact on every facet of his life—how he dates; how he seeks medical care (or in some cases, is unable to); how he wrestles with the question of whether or not he should have chosen a more financially secure path; and finally, how he has dealt with his "dream" turning into an ongoing nightmare as he realizes one bad decision could unravel all that he's earned. You know, actual "economic anxiety." *I Don't Want to Die Poor* is an unforgettable and relatable examination about what it's like leading a life that often feels out of your control. But in Michael's voice that's "as joyful as he is shrewd" (BuzzFeed), these razor-sharp essays will still manage to make you laugh and remind you that you're not alone in this often intimidating journey.

No You Don't Jun 18 2020 This collection of raw, honest, emotional essays describe the pitfalls and joys of an autistic life. The author is a popular autistic blogger and her title essay, No You Don't, won her a loyal readership who admired her courage to share some of the darkest, most difficult times in her life. This collection includes that essay and one other popular essay that was published on her blog, Unstrange Mind, but all the rest of the writing in this book is new and has never been seen in print before -- on her blog or elsewhere. While this book contains reflections on some of the harsher aspects of living an autistic life, the overall tone is upbeat and hopeful. This book is not an exposé; the author describes it as a love song to the world. She expresses that her hope in writing is to help bridge the social gap between autistic people and non-autistic people and to help parents by showing them her story in hopes that a glimpse of one autistic life, viewed across the life span from childhood to middle age, will help validate and support parents in making wise choices in the confusing and difficult journey of mentoring their own children into becoming the strong and happy adults they are meant to be.

***Do You Believe in Rock and Roll?* Jan 18 2023** Since its release in 1971, Don McLean's song "American Pie" has become an indelible part of U.S. culture. It has sparked countless debates about the references within the lyrics; been celebrated as a chronicle of American life from the late 1950s through the early 1970s; and has become iconic itself as it has been remade, parodied, and referenced within numerous texts and forums. This volume offers a set of new essays that focus on the cultural and historical significance of the song. Representing a variety of perspectives and fields of study, the essays address such topics as historical and literary interpretations of the song's lyrics, its musical qualities, the commentary

Please Don't Sit on My Bed in Your Outside Clothes Dec 05 2021 “[A]nother hilarious essay collection from Phoebe Robinson.” —The New York Times Book Review “Strikes the perfect balance of brutally honest and laugh out loud funny. I didn’t want it to end.” —Mindy Kaling, New York Times bestselling author of *Why Not Me?* With sharp, timely insight, pitch-perfect pop culture references, and her always unforgettable voice, New York Times bestselling author, comedian, actress, and producer Phoebe Robinson is back with her most must-read book yet. In her brand-new collection, Phoebe shares stories that will make you laugh, but also plenty that will hit you in the heart, inspire a little bit of rage, and maybe a lot of action. That means sharing her perspective on performative allyship, white guilt, and what happens when white people take up space in cultural movements; exploring what it’s like to be a woman who doesn’t want kids living in a society where motherhood is the crowning achievement of a straight, cis woman’s life; and how the dire state of mental health in America means that taking care of one’s mental health—aka “self-care”—usually requires disposable money. She also shares stories about her mom slow-poking before a visit with Mrs. Obama, the stupidly fake reassurances of zip-line attendants, her favorite things about dating a white person from the UK, and how the lack of Black women in leadership positions fueled her to become the Black lady boss of her dreams. By turns perceptive, laugh-out-loud funny, and heartfelt, *Please Don’t Sit on My Bed in Your Outside Clothes* is not only a brilliant look at our current cultural moment, it's also a collection that will stay with readers for years to come.

Seeing in Spanish Oct 11 2019 *Seeing in Spanish* brings together 22 chapters which

share a focus on aspects of visual cultures from the Spanish speaking world. Together these chapters address film, photography, cover art, body art, posters, television, architecture, ekphrasis, biography, murals, graffiti, and digital photo-montage. Between *Don Quixote* and *Daddy Yankee*, the essays move from the seventeenth century to the present and traverse Europe, the Americas, and cyberspace. The book is divided into five sections. The first of these, on Spain, includes chapters on the representation of women on LP covers in Spain in the 60s and 70s; portrayals in Spanish cinema of Saint Teresa; Luis Buñuel's adaptation of *Tristana*; urban and rural space in recent Spanish documentary film; Catalan television; fine art in *Don Quixote*; and visions of adoption in three narratives by Spanish writers and filmmakers. The second section, on Mexico and Peru, includes chapters on the fragmentary body in images of Mexico; the art of Abraham Ángel; Jesús Ruiz Durand's agrarian reform posters; Diego Rivera's murals; and the role of artistic production in staging the 2006 Oaxaca conflict. The third section, on Cuba, looks at the portrayal of women and of children in recent cinema from the island. It also examines Nancy Morejón's celebration of the life and art of exiled Cuban artist Ana Mendieta. Section four includes chapters on Chile and Argentina. It addresses street art and graffiti; new forms of publishing; Chilean cinema after Pinochet; and Violeta Parra's appliqué and collage works. Section five embraces Colombia, Bolivia, and virtual spaces. The contributions to this last section of the book examine childhood in Colombian cinema; the online creativity of pro- and anti-fans of reggaeton; and the photographic diaries of T. Ifor Rees, the UK's first ambassador to Bolivia. In addition to the geo-political structure which underpins the book's five sections, the introduction suggests pathways through the contributions focussed on public art and graffiti, women, children, cyberspace and diplomacy, and reconstruction and disintegration. *Seeing in Spanish* includes 50 illustrations—stills from films, photographs, reproductions of paintings, and screen grabs from the internet—which complement the chapters' analyses of aspects of Hispanic visual cultures. To aid accessibility, footnotes throughout the book provide English translations of all references from texts in other languages. Taken together, the book's 22 chapters make a valuable contribution to the existing literature on figures like *Don Quixote* and Saint Teresa. They also break new ground in approaches to novel areas of scholarship such as sleeve design, artisanal book production, and digital image manipulation. The book will appeal to students and scholars of Spain and Latin America as well as to a general readership with an interest in the visual cultures of the Spanish speaking world.

Bring Your Baggage and Don't Pack Light Sep 02 2021 The bestselling author of *American Housewife* and *Southern Lady Code* returns with an “inspiring, hilarious, straight-to-the-point” (Entertainment Weekly) collection of essays on friendship among grown-ass women. When Helen Ellis and her lifelong friends arrive for a reunion on the Redneck Riviera, they unpack more than their suitcases: stories of husbands and kids, lost parents and lost jobs, powdered onion dip and photographs you have to hold by the edges, dirty jokes and sunscreen with SPF higher than they hair-sprayed their bangs senior year, and a bad mammogram. It's a diagnosis that scares them, but could never break their bond. Because women pushing fifty won't

be pushed around. In these twelve gloriously comic and moving essays, Helen Ellis dishes on married middle-age sex, sobs with a theater full of women as a psychic exorcises their sorrows, gets twenty shots of stomach bile to the neck to get rid of her double chin, and gathers up the courage to ask, "Are you there, Menopause? It's Me, Helen." A book that reads like the best cocktail party of your life, *Bring Your Baggage and Don't Pack Light* is alive with the sensational humor and ferocious love for her friends that won Helen Ellis legions of fans. You Don't Have to Like Me Jul 20 2020 "Hilarious...[Nugent] documents her journey to feminism while skewering misogynist tropes and delivering some painful truths."—Publishers Weekly (starred review) "Feminist" is not a four-letter word, but Alida Nugent resisted it for a long time. She feared the "scarlet F" being thrust upon her for refusing to laugh at misogynistic jokes at parties; she withered under the judgmental gaze of store clerks when buying Plan B, and she swore that she was "not like other girls." But eventually, like so many of us, she discovered that feminism is an empowering identity to take on. It's okay to criticize beauty standards but still love dark lipstick, investing in female friendships is the most rewarding thing ever, and no woman should feel pressured to eat an "unseasoned chicken breast the size of a deck of playing cards" as every sad dinner for the rest of eternity. With sincerity, intelligence, and wit, Nugent invites readers in to her most private moments of personal growth. From struggling with an eating disorder for most of her teen years to embracing all aspects of her biracial identity, she tackles tough topics with honest vulnerability making it a perfect gift for teens and young adults. Smartly-written, unapologetic, and laugh-out-loud funny, *You Don't Have to Like Me* is perfect for readers of Roxane Gay, Rebecca Solnit, and Sloane Crosley.

Write All These Down Oct 15 2022 Joseph Kerman is one of the most eminent, wide ranging, and readable of today's writers on music. Admirers of his many books - on musicology, opera, Beethoven, and Elizabethan music - will find much to interest them in this collection of essays, taken from general journals, such as the Hudson Review and the New York Review of Books, as well as more specialized publications. Included are several well-known pleas addressed by Kerman to his professional colleagues in an effort to get them to adopt a more critical orientation for their work. Other essays range from a moving account of William Byrd as a spokesman for the beleaguered Elizabethan Catholic minority to a discerning analysis of Beethoven's famous obsession with the key of C minor. The controversial tenets of Kerman's classic *Opera as Drama* (1956) are reaffirmed in essays on *Don Giovanni*, *The Magic Flute*, *Tristan und Isolde*, *Ernani*, and *I Lombardi*. Beautifully written, this book offers challenging models for a humane

and historically informed music criticism.

***Don't Let It Get You Down* Aug 13 2022** A “brutal, beautifully rendered” (The New York Times Book Review) collection of essays that offers poignant reflections on living between society’s most charged, politicized, and intractable polar spaces—between black and white, rich and poor, thin and fat. Savala Nolan knows what it means to live in the in-between. Descended from a Black and Mexican father and a white mother, Nolan’s mixed-race identity is obvious, for better and worse. At her mother’s encouragement, she began her first diet at the age of three and has been both fat and painfully thin throughout her life. She has experienced both the discomfort of generational poverty and the ease of wealth and privilege. It is these liminal spaces—of race, class, and body type—that the essays in *Don't Let It Get You Down* excavate, presenting a clear and nuanced understanding of our society’s most intractable points of tension. The twelve essays that comprise this collection are rich with “gorgeous prose” (Nadia Owusu, author of *Aftershocks*) and are as humorous and as full of Nolan’s appetites as they are of anxiety. The result is lyrical and magnetic. In “On Dating White Guys While Me,” Nolan realizes her early romantic pursuits of rich, preppy white guys weren’t about preference but about self-erasure. In the titular essay “Don’t Let it Get You Down,” we traverse the cyclical richness and sorrow of being Black in America as Black children face police brutality, “large Black females” encounter unique stigma, and Black men carry the weight of other people’s fear. In “Bad Education,” we see how women learn to internalize rage and accept violence to participate in our own culture. And in “To Wit and Also,” we meet Filliss, Grace, and Peggy, the enslaved women owned by Nolan’s white ancestors, reckoning with the knowledge that America’s original sin lives intimately within our present stories. Over and over again, Nolan reminds us that our true identities are often most authentically lived not in the black and white, but in the grey of the in-between. Perfect for fans of *Heavy* by Kiese Laymon and

Bad Feminist by Roxane Gay, Don't Let It Get You Down delivers a “deeply personal insight” (Layla F. Saad, *New York Times* bestselling author of *Me and White Supremacy*) on race, class, bodies, and gender in America today.

Don't Call Me Princess Feb 24 2021 The *New York Times* bestselling author of *Girls & Sex* and *Cinderella Ate My Daughter* delivers her first ever collection of essays—funny, poignant, deeply personal and sharply observed pieces, drawn from three decades of writing, which trace girls’ and women’s progress (or lack thereof) in what Orenstein once called a “half-changed world.” Named one of the “40 women who changed the media business in the last 40 years” by *Columbia Journalism Review*, Peggy Orenstein is one of the most prominent, unflinching feminist voices of our time. Her writing has broken ground and broken silences on topics as wide-ranging as miscarriage, motherhood, breast cancer, princess culture and the importance of girls’ sexual pleasure. Her unique blend of investigative reporting, personal revelation and unexpected humor has made her books bestselling classics. In *Don't Call Me Princess*, Orenstein’s most resonant and important essays are available for the first time in collected form, updated with both an original introduction and personal reflections on each piece. Her takes on reproductive justice, the infertility industry, tensions between working and stay-at-home moms, pink ribbon fear-mongering and the complications of girl culture are not merely timeless—they have, like Margaret Atwood’s *The Handmaid’s Tale*, become more urgent in our contemporary political climate. *Don't Call Me Princess* offers a crucial evaluation of where we stand today as women—in our work lives, sex lives, as mothers, as partners—illuminating both how far we’ve come and how far we still have to go.

Cervantes and Modernity Nov 16 2022 Graf argues that the doubts expressed by both historicists and postmodernists regarding the progressive nature of *Don Quijote* are exaggerated. Neither do interpretations that abstain from this debate by emphasizing authorial ambivalence or positioning the novel at a crossroads seem as responsible as they once did. Beyond these skeptical and neutral alternatives, there are key steps forward in Cervantes's worldview. These four essays detail *Don Quijote*'s anticipations of many of the same ideas and values that drive today's multiculturalism, feminism, secularism, and materialism. An important thesis here is that the Enlightenment remains the best vantage point from which to appreciate the novel's relation to the discourses of such movements. Thus Voltaire's *Candide* (1759), Feijoo's *Defensa de las mujeres* (1726), and Hobbes' *Leviathan* (1651) are each shown to be logical extensions of some of Cervante's most fundamental propositions. Finally, this book will still be of interest to specialists immune to the ideological anxieties arising from debates over notions of modernity. Graf also

explores the interrelated meaning of a number of Don Quijote's symbols, characters, and episodes, pinpoints several of the novel's most important classical and medieval sources, and unveils for us its first serious English reader.

Don't Come Back Apr 28 2021 In this collection of linked lyrical and narrative essays, experimental translations, and reinterpreted myths, Lina Maria Ferreira Cabeza-Vanegas launches into an exploration of home and identity, family history and belonging, continually examining what it means to feel familiarity but never really feel at home. **Don't Come Back** intermixes translations of Spanish adages and adaptations of major Colombian myths with personal essays about growing up amidst violence, magic, and an unyielding Andean sun. Home is place and time and people and language and history, and none of these are ever set in stone. Attempting to reconcile the irreconcilable and translate the untranslatable--to move smoothly and cohesively between culture, language, and place--Ferreira Cabeza-Vanegas is torn between spaces, between the aunt who begs her to return to Colombia and the mother who tells her, "There's nothing here for you, Lina. Don't come back." **Don't Come Back** is an exploration of home and identity that constantly asks, "If you really could go back, would you?"

Don't Save Anything Mar 08 2022 "In **Don't Save Anything . . .** Kay Eldredge Salter assembles her late husband's bread-and-butter journalism—yet how delicious good bread and butter can be! . . . As always, Salter emphasizes simple, vivifying details." —Michael Dirda, *The Washington Post* One of the greatest writers of American sentences in our literary history, James Salter's acute and glimmering portrayals of characters are built with a restrained and poetic style. The author of several memorable works of fiction—including *Dusk and Other Stories*, which won the PEN/Faulkner Award—he is also celebrated for his memoir *Burning the Days* and many nonfiction essays. In her preface, Kay Eldredge Salter writes, "Don't Save Anything is a volume of the best of Jim's nonfiction—articles published but never collected in one place until now. Though those many boxes were overflowing with papers, in the end it's not really a matter of quantity. These pieces reveal some of the breadth and depth of Jim's endless interest in the world and the people in it . . . One of the great pleasures in writing nonfiction is the writer's feeling of exploration, of learning about things he doesn't know, of finding out by reading and observing and asking questions, and then writing it down. That's what you'll find here." This collection gathers Salter's thoughts on writing and profiles of important writers, observations of the changing American military life, evocations of Aspen winters, musings on mountain climbing and skiing, and tales of travels to Europe that first appeared in *The New Yorker*, *Esquire*, *People*, *Condé Nast Traveler*, the *Aspen Times*, among other publications.

What My Mother and I Don't Talk About Nov 04 2021 ONE OF NPR'S BEST

BOOKS OF 2019 *Most Anticipated Reads of 2019 by Publishers Weekly, BuzzFeed, The Rumpus, Lit Hub, The Week, and Elle.com* Fifteen brilliant writers explore what we don't talk to our mothers about, and how it affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize what she was actually trying to write: how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. The outpouring of responses gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. While some of the writers in this book are estranged from their mothers, others are extremely close. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in breaking the silence. Acknowledging what we couldn't say for so long is one way to heal our relationships with others and, perhaps most important, with ourselves. Contributors include Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.

The author has taken this information and expanded his own perspectives and experiences in a way for others to easily understand. A glossary is added with definitions to ideas to help with reading. The books summarized are books that the author needed to read for classes while attending college. The interesting part is how someone that has lived in Canada, America, and China explains his non-traditional views with such ease. The author is not coming from one specific cultural perspective, but rather an out-of-the-box view on all aspects that incorporate travel, money, and duty. Without any barriers on his thoughts, the author takes the reader for a ride through emotional and insightful adventures. Without needed to take too much time, the book easily makes information available and easy to pick up. One by One, the Stars Jan 06 2022 A tireless and discerning advocate for contemporary practitioners of creative nonfiction, Ned Stuckey-French was at the center of every national discussion about the genre. He greatly contributed to our scholarly understanding of the history of the essay and was working on his first essay collection when he died of cancer in 2019. That collection, *One by One, the Stars*, presents new, highly personal essays tracing Stuckey-French's childhood in Indiana and a burgeoning interest, during adolescence, in politics and social justice to his life as a father, teacher, and writer. Thematic threads connect these elements, and foremost is his growing commitment to activism on behalf of the disadvantaged, overlooked, or threatened. The volume also features some of Stuckey-French's "greatest hits" as a public scholar and writer, including "Don't Be Cruel: An Argument for Elvis," "Our Queer Little Hybrid Thing: Toward a Definition of the Essay," and his popular essay on his Facebook addiction—for which he was widely known. Along the way, his stories and reflections offer fascinating and timely insights into family dynamics, history, politics, ecology, social justice, and literature. All of it is infused with Ned Stuckey-French's guiding spirit, full of curiosity, compassion, and conviction.
