Land of Erde Feb 09 2022 Within the

Land of Erde, a child is born. His name is Vandor Leshing. Weary of the wickedness, his grandfather (aforetime known as the Bladesman, former Auctoritas of the Sealed in Kirche of Signum) moved his family to Nesal long before the days of his grandson, having faced the servants of Darkness many times as one who served King Salvare. Will Vandor face the loss of his love, while his friend embraces the dark sorcery, as turmoil within the city and signs throughout Erde seem to point toward the prophecies of the coming Ekleipsis? Rubicund, the Dragon, has surfaced with the

pale Piradad, and has come to give life unto the fallen wicked one. Jagare, son of the late Galtare, grandson of the betrayer Judarius, has recovered from his deadly wound and prepares his army of Gottlos and Ubils to contend against all of Erde. All must take the mark and bow in allegiance or face death. No soul is safe from the arm of Darkness as it stretches forth even unto the secret city of the dwarfs. Their only hope is to endure until the Daegsteorra. Witnesses have declared the imminent return of King Salvare, lending encouragement to many of the souls in hiding. Groups disperse in search

and rescue of those who were left behind, pleading to all who will come, as the battle rages on against the forces of Darkness. The army of Rubicund surfaces to destroy the inhabitants of Erde. If Jagare rises to power in Signum, while his army secures a perimeter of evil, is there any hope for King Salvare and his people at the time of the Andeis? What shall be the fate of the souls of the Land of Erde?

Apprentices have been vanishing without a trace—and someone on the Council could be involved. Alex has no evidence, no witnesses, and no suspects. All he knows is that someone is keeping tabs on him. Harboring His Mate (Taron & Onyx) Jan 08 2022

Onyx: I'm a city wolf—a damaged and injured one at that. Obviously, the absolute last place I should be when I'm in heat is in the

middle of the woods with unmated male shifters in the wild able to scent me. But here I am, running for my life. I'm not used to anyone being nice to me, let alone helping me. Even being the daughter of a pack alpha doesn't keep you safe when you're the lone freak in your pack who can't shift. I'm being hunted out here in the woods, and yet somehow I feel safe on the doorstep of the big, brusque stranger who offers me sanctuary. Taron isn't like any of the shifters I grew up around. He's a bear shifter for one—an alpha, no less—with a protective streak a mile wide...for me. Taron: Not much to say. I knew from

the moment Onyx found herself trying to escape her troubles in my woods. It hit me like a damn freight train. The she-wolf was my mate.

Meaning she was mine to heal. And mine to protect at all costs. Previously published as Ride The Wicked Woodsman (c) 2015 with revisions throughout, newly added content, and a different extended ending.
