Let Love Rule Apr 04 2021 THE NEW YORK TIMES BESTSELLER "I see my story as a suite of songs that have a magical connection." Let Love Rule is a work of deep reflection. Lenny Kravitz looks back at his life with candor, self-scrutiny, and humor. "My life is all about opposites," he writes. "Black and white. Jewish and Christian. The Jackson 5 and Led Zeppelin. I accepted my Gemini soul. I owned it. I adored it. Yins and yangs mingled in various parts of my heart and mind, giving me balance and fueling my curiosity and comfort." Let Love Rule covers a vast canvas stretching from Manhattan's Upper East Side, Brooklyn's Bedford-Stuyvesant, Los Angeles's Baldwin Hills and Beverly Hills, and finally to France, England, and Germany. It's the story of a wildly creative kid who, despite tough struggles at school and extreme tension at

home, finds salvation in music. We see him grow as a musician and ultimately become a master songwriter, producer, and performer. We also see Lenny's spiritual growth—and the powerful way in which spirit informs his music. The cast of characters surrounding Lenny is extraordinary: his father, Sy, a high-powered news executive; his mother, Roxie Roker, a television star; and Lisa Bonet, the young actress who becomes his muse. The central character, of course, is Lenny, who, despite his great aspirational energy, turns down record deal after record deal until he finds his true voice. The creation of that voice, the same voice that is able to declare "Let Love Rule" to an international audience, is the very heart of this story. "Whether recording, performing, or writing a book," says Lenny, "my art is about listening to the inspiration inside and then sharing it with people. Art must bring the world closer together."

Let Them Eat Chaos Feb 20 2020 Kate Tempest's powerful narrative poem--set to music on her album of the same title, shortlisted for the Mercury Music Prize--illuminates the lives of a single city street, creating an electric, humming human symphony. Let Them Eat Chaos, Kate Tempest's long poem written for live performance and heard on the album release of the same name, is both a powerful sermon and a moving play for voices. Seven neighbors inhabit the same London street, but

are all unknown to each other. The clock freezes in the small hours, and one by one we see directly into their lives: lives that are damaged, disenfranchised, lonely, broken, addicted, and all, apparently, without hope. Then a great storm breaks over London, and brings them out into the night to face each other, giving them one last chance to connect. Tempest argues that our alienation from one another has bred a terrible indifference to our own fate, but she counters this with a plea to challenge the forces of greed which have conspired to divide us, and mend the broken home of our own planet while we still have time. *Let Them Eat Chaos* is a cri de cœur, a call to action, and a powerful poetic statement.

[Let Me Tell You about Jasper . . .](#) May 25 2020

Bestselling author of *And the Good News Is...* Dana Perino is back with stories of friends, family, and how America's love for a dog named Jasper is a place where even political opponents can find common ground. Dana Perino is a popular and beloved host on Fox's *The Five*, with over two million followers on social media. While readers admire Dana for her charm, warmth, and insight, she also knows who the real star in her family is: her Vizsla, Jasper-A.K.A. America's Dog. In this new book, Dana tells stories about life and politics-and how dogs can transcend rancor and partisanship. She also talks about how dogs bring families together -like Dana's own, from her career in Washington through her life as a TV star. In addition to all the fun and

fabulous dog tales, LET ME TELL YOU ABOUT JASPER... will be fully illustrated with hilarious photoshops so clever they will make you laugh out loud. These photoshops bring Jasper's adventures to life through pop culture, art, sports and history.
