In the 1940s and 1950s, unable to field competitive football teams of eleven boys, small high schools across the United States started playing with six, instead. Claremont, South Dakota, was one such place. Bill Welsh strode into town in 1947, started a six-man team at the high school, and six years later had racked up a national record of sixty-one consecutive victories. His career as a high-school football coach is without equal. His role as mentor, coach, and teacher influenced the lives of many young men across the state, but his legacy is the record of the Claremont Honkers and their domination of six-man football in South Dakota, North Dakota, and Minnesota. Marc Rasmussen has unveiled the many facets of Bill Welsh's life and shined a spotlight on the all-but-forgotten sport of six-man football and the all-conquering Honkers. Book jacket. The Complete Book of Ducati

Motorcycles, 2nd Edition updates the story, racing successes, and models offered by Italy's greatest motorcycle manufacturer. The Ducati 750 motorcycles were among the last pure, unadulterated sporting motorcycles built--representing a time before cost accounting and government design requirements--and have, unsurprisingly, inspired a new generation of retro classics. Stats, history, and trivia -- from the 1901 through the 2003 season -- are all included in the latest edition of this popular, low-priced reference book. This book constitutes the refereed post-conference proceedings of the 5th International Workshop on Machine Learning and Data Mining for Sports Analytics, MLSA 2018, colocated with ECML/PKDD 2018, in Dublin, Ireland, in September 2018. The 12 full papers presented together with 4 challenge papers were carefully reviewed and selected from 24 submissions. The papers present a variety of topics, covering the team sports American football, basketball,

ice hockey, and soccer, as well as the individual sports cycling and martial arts. In addition, four challenge papers are included, reporting on how to predict pass receivers in soccer. Here is the comprehensive, day-by-day reference guide to sports and recreational events (both professional and amateur) all across the country. Using the format that has made Chase's Calendar of Events one of the best-loved and most widely used reference works available, this book lists more than 6,000 ways to enjoy our national pastimes.
