All may be for naught, however, if the allies fail to respond to the fact that one within their ranks is losing her mind. From the #1 New York Times bestselling author of the *Belegariad* and *Mallorean* series comes the first novel in a series imbued with magic and adventure. Sparhawk, Pandion Knight and Queen's Champion, returned to Elenia after ten years of exile, only to find his young Queen Ehlana trapped in a block of ensorcelled crystal. Only the great sorcery of Sephrenia, ageless instructor of magic, kept her alive—but the spell would last only a year, and its cost was tragically high. Now a Prince Regent ruled Elenia, the puppet of Annias, ambitious Primate of the Church who planned to seize power over all the land. As Sparhawk and Sephrenia set out to find a cure for Ehlana, Sephrenia revealed that there was only one person in the west who could defeat the evil plots against Ehlana. That person was Sparhawk. As the bestselling *THE Mallorean* series continues, Garion is pursuing Zandramas, in the form of a great dragon flying over them, across the known world. With the forces of evil threatening on both sides, Garion still had to get to the Place Which Is No More, as the Seeress of Kell had warned, but they had no idea where that might be.... The complete, classic *Elenium Trilogy*, the story of the Pandion Knight Sparhawk and his horse Faron, a sleeping queen, and the legendary jewel that can save her . . . The complete, classic *Tamuli Trilogy*, the story of Prince Sparhawk, a queen taken captive, and the ultimate battle to save her . . . Here David Eddings' bestselling *The Malloreon* continues as the epic quest begins, across new lands and among strange peoples. A magnificent fantasy of men, Kings, sorcerers, and Gods caught up in a death struggle between two ancient, warring Destinies—the culmination of a seven-thousand-year war of Good and Evil. The infant son of Garion and Ce'Ndra had been foully kidnapped. Now they began the great quest to rescue the child, with the immortal Begarath the Sorcerer, his daughter Polgara the Sorceress, and inevitably the little Drasnian, Silk. Guided by the Orb of the God Aldur, their way led through the foul swamps of Nyissa, then into the lands of the Murgos. And at the end, they must face a horrible danger—to themselves and to all mankind. For the Dark Prophecy had not vanished when Garion slew the evil God Torak. Instead, it had fled to Zandramas, who was now the Child of Dark. Dark and Light still contended for mastery, and Zandramas planned to use the child in some rite and the Sardion Stone to insure that the Dark would triumph. If they could not be at that impossible place when Zandramas arrived, they would lose—forever. Now for the first time in one thrilling volume—the three magical novels that make up David Eddings' epic fantasy *The Elenium*. In an ancient kingdom, the legacy of one royal family hangs in the balance, and the fate of a queen—and her empire—lies on the shoulders of one knight. Sparhawk, Knight and Queen's Champion, has returned to Elenia after ten years of exile, only to find young Queen Ehlana trapped in a crystalline cocoon. The enchantments of the sorceress Sephrenia have kept the queen alive—but the spell is fading. In the meantime, Elenia is ruled by a prince regent, the puppet of the tyrannical Annias, who vows to seize power over all the land. Now Sparhawk must find the legendary *Bhelliom*, a sapphire that holds the key to Ehlana's cure. Sparhawk and his companions will face monstrous foes and evil creatures on their journey, but even greater dangers lie in wait: for dark legions will stop at nothing to reach the radiant stone, which may possess powers too deadly for any mortal to bear. Here David Eddings

continues his bestselling *The Malloreon*, taking the quest across a strange continent and among stranger peoples struggling over the religion of a dead God. A story of ancient, opposing Destinies, battling for control of all men. Zandramas had stolen King Garion's infant son and fled to use the child in some ritual that would make the Dark Destiny supreme. Garion and his friends had followed, but now they were captives of Zakath, Emperor of Malloreon, who, while friendly, stubbornly refused to let them leave. Meanwhile, a horde of demons was ravaging the cities through which they must travel. Zandramas was escaping further toward her goal. And the Seeress of Kell revealed that they must be at the ancient palace of Ashaba within a matter of days or Zandramas would win by default. Then a horrible, fatal plague struck the city of Mal Zeth, closing it against all traffic in or out.

David Eddings returns to *The Elenium*, the splendid fantasy series that began with the thrilling novels *Diamond Throne* and *Ruby Knight*. Finally the knight Sparhawk had come to possess Bhellion, legendary jewel of magic that alone could save Queen Ehlana from the deadly poison that had felled her father. Sparhawk and Sephrenia, ageless instructor in Styric magics, made haste to free Ehlana from the crystalline cocoon that had preserved her life while they desperately sought a cure. But Bhellion carried dangers of its own. Once the stone came into his hands, Sparhawk found himself stalked by a dark, lurking menace. Whether the foul Zemoch God Azash was behind this threat, or some other enemy, even Sephrenia could not say—only that the sapphire rose held powers too dangerous for any mortal to bear. Restoring Queen Ehlana would be only the beginning of Sparhawk's mission. With the aid of four stalwart knights, one from each Militant Order, he must thwart Ehlana's prisoner, the Primate Annias, in his plot to assume the throne of the Church. For as Archprelate, Annias would serve his secret master, Azash, and deliver up to the dread God the one thing Azash thirsted for—Bhellion itself!

Sparhawk's epic quest comes to a riveting conclusion in *Book Three of The Tamuli*. The Pandion Knight Sparhawk had bested the massed forces of the God Cyrgon upon the field of battle. But victory turned to ashes when the foul God's minions kidnapped Sparhawk's wife, the beautiful Queen Ehlana. Sparhawk must surrender Bhellion, the awesome jewel of power—or Ehlana would die. But Cyrgon's lackeys had misjudged their foe. Sparhawk fought on, and none of his companions flinched from the awesome struggle, though each must vanquish forces of evil from Tamuli's dark past, and from fetid places beyond human ken. Still, the full magnitude of their peril was yet to be revealed . . . Cyrgon had dared the unthinkable: He had called forth Kleal, Bhellion's opposite, to rend the very world asunder. Thus, as it had ever been decreed, would Bhellion and Kleal contend for the fate of this world—even as the man Sparhawk must finally face the God Cyrgon, in mortal combat and alone . . .

The *Elenium* series, which began in *Diamond Throne*, continues against a background of magic and adventure. Ehlana, Queen of Elenia, had been poisoned. A deep enchantment sustained her life, but only while the

Knights aiding it still lived—and already they were dying, one each month. Then Sparhawk, Knight and Queen's Champion, learned that the cure for the poison was the Bhellion, the great jewel lost when Sarak of Thalesia had died in battle, five hundred years before. Sparhawk and his companions set forth to find King Sarak's grave by raising ghosts of those who had perished in that ancient battle. The Seeker, an insectile monster spawned of the evil God Azash, hounded their every step. Still Sparkawk pressed on, driven by desperate need. They had to find Bhellion before his queen could perish. They must not fail!

The #1 New York Times bestselling sequel to *Words of Radiance*, from epic fantasy author Brandon Sanderson at the top of his game. In *Oathbringer*, the third volume of the New York Times bestselling *Stormlight Archive*, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization.

Legendary Bastards of the Crown Series Rook the Ruthless is one of the bastard triplets of the king. In vengeance against the father who ordered them killed as babies, he now lives in hiding in the catacombs, working with his small army and brother to raid the king. But when Lady Calliope stumbles into his lair with only kindness and light in her heart, he starts to question his dark ways. Can a ruthless man who lives amongst the dead be brought back to the light by a woman full of life before it's too late? While most continents float freely on the face of Mother Sea, the Land of Dhrall survives anchored by the will of the Gods. All Gods, Elder and Younger, share the people and the land of Dhrall equally. But the one place they never enter is The Wasteland: a barren and hideous wilderness ruled by the Vlagh--a god-like creature whose young are evil spawn. Now, as the Elder Gods are about to transfer their power to the Younger Gods, the Vlagh plans to take advantage of their weakened state and neutralize them, eventually conquering the world. To do so, it is breeding a terrible force borne of monsters and demons. But one ray of hope shines through the darkness: four children called the Dreamers. They alone hold the power to change the course of history...and stop the Vlagh in its quest for total world domination. Bestselling authors David and Leigh Eddings welcome readers back to the time before The Belgariad and The Malloreon series. Join them as they chronicle that fateful conflict between two mortally opposed Destinies, in a monumental war of men and kings and Gods. When the world was young and Gods still walked among their mortal children, a headstrong orphan boy set out to explore the world. Thus began the extraordinary adventures that would mold that youthful vagabond into a man, and the man into the finely honed instrument of Prophecy known to all the world as Belgarath the Sorcerer. Then came the dark day when the Dark God Torak split the world asunder, and the God Aldur and his disciples began their monumental labor to set Destiny aright. Foremost among their number was Belgarath. His ceaseless devotion was foredoomed to cost him that which he held most dear—even as his loyal service would extend through echoing centuries of loss, of struggle, and of ultimate triumph. The quest for the jewel of life continues. Time is running out for the poisoned Queen Ehlana. If she is to be saved Sparhawk must find the only cure a powerful artefact called the Bhelliom before it's too late. But finding the rose-shaped sapphire is no simple task. No one has set eyes upon it since it was lost in the heat of a legendary battle. To make matters worse, Sparhawk and his allies are not the only party questing to find the jewel. Flush from their narrow victory over the horrific Vlagh, Longbow and his companions are drawn to a pastoral territory in south Dhrall, confident that they will thwart the next assault by their inhuman foe. But on the border of the Wasteland, the Vlagh is breeding a monstrous new army of venomous bat-bugs and armored spiders. These grotesque legions threaten to overwhelm the allies, who are further shocked by a prophecy delivered by the Dreamers: an invasion by a new, second army. A force of armed acolytes approaches to plunder this unspoiled land in a global holy war. Now farmers and hunters, soldiers and

madmen, mortals and gods-all charge to a battle that will decide the fate of the world. Eleven years after being crowned King of Riva, Garion again finds himself a pawn caught between two ancient prophecies with the fate of the world resting upon him. Join David and Leigh Eddings on a fascinating behind-the-scenes tour of the extensive background materials they compiled before beginning the masterpiece of epic fantasy unforgettably set down in *The Belgariad* and *The Malloreon* and their two companion volumes, *Belgarath the Sorcerer* and *Polgara the Sorceress*. The beloved Sparhawk undertakes a perilous new quest in the Tamuli series from New York Times bestselling author David Eddings. Danger stalked Queen Ehlana's realm. It began with peasants whispering that the bloody heroes of old would rise again. Soon outlaw bands were ravaging the hill country, while the Trolls disappeared from their icy northern haunts—and none could say where they had gone. Then came an ambassador from the far-off Tamul empire, begging aid. Monsters, ancient warriors, and foul magics were tearing their empire apart. Sparhawk, Ehlana's champion and Prince Consort, was the Emperor's last hope, for surely the knight who had killed the evil God Azash could prevail against the terror in Tamuli. Thus did Sparhawk and his Queen begin the perilous trek to the far-distant empire of the east. With them journeyed a handful of trusted companions: the stalwart champions of the four Militant Orders, the knight Berit, Mirtai the giantess, Princess Danae, and the young thief Talen. At the journey's end waited a glittering court seething with corruption, treachery—and the greatest danger Sparhawk would ever face! Garion the farm boy did not believe in magic dooms, but then he did not know that soon he would be on a quest of unparalleled magic and danger when the dread evil God Torak was reawakened.
