Get Smart! Sep 21 2022 Get Smart! is the new
mantra for students. With a systematic, back-to-
the-basics approach, the books in this series
aim to help students tackle crucial subjects in
school with confidence and enjoyment.
Accompanied by tables, illustrations and many
exciting exercises, the Get Smart! series gives
helpful tips and sensible advice so that students
can develop both creative and analytical skills.
Get Smart! Study Smarter is a unique guide for
students that illustrates the best methods to
adopt while doing school work. It examines
various aspects of learning and gives practical
suggestions on how to: • Manage your study
time better • Understand and learn your
lessons efficiently using methods like SQ3R •
Enhance your memory with memory aids like
Acronyms, Acrostics, Rhymes, Associations •
Prepare for exams And for those who feel that
life is all about books and lessons, Study
Smarter gives ideas on what to do to unwind in
the spare hours! Filled with helpful examples,
study plans, timetables and charts, and packed
with exciting trivia, this book aims to help
students lead a well rounded school life. Age
group of target audience (Puffin): 12+

**The League of Unexceptional Children: Get
Smart-ish** Dec 24 2022 A hilarious and action-
packed sequel to The League of Unexceptional
Children! Jonathan Murray: Twelve years old.
Wears khaki pants to tell the world he plans on
driving the speed limit when he grows up.
Saved the world once; it was probably a fluke.
Shelley Brown: Twelve years old. Narrates her
imaginary exploits as if she is the subject of a
documentary film. Saved the world once; it was
probably a fluke. The Prime Minister of the
United Kingdom has called upon Jonathan and
Shelley to catch a criminal who has stolen a
virus that makes people less smart. When the
stakes are this high, can the kids be the utterly
average spies the world needs them to be and
save the day? Embrace your unexceptional side
in this hysterically funny sequel!
**Get Smart Or Get Screwed: How to Select
the Best and Get the Most from Your
Financial Advisor** Aug 20 2022 GET SMART
or GET SCREWED: How To Select The Best and
Get The Most From Your Financial Advisor
gives you insights into the variety of financial
brokers and advisors, and the services they can
— and should — offer. It includes extensive lists
of questions you should ask and services you
should receive from an advisor, and reasons

why the brokerage industry is not serving your best interests. To ensure that you “Get Smart,” Paul helps you understand how to find and work with competent and ethical advisors, firms and products. Getting the best and most from your advisor will save you time, grow your money, and give you peace of mind. Whether you are a first-time or savvy investor, you will learn new ways to avoid the plethora of pitfalls many investors encounter. PRAISE FOR PAUL’S BOOKS “No one understands what it takes to be a successful investor better than Paul Merriman.” — Bill Schultheis, author, *The Coffeehouse Investor* “Paul has spent a lifetime learning the techniques that make him an outstanding teacher of investing. Now it’s your turn to benefit from his knowledge.” — Knight Kiplinger, Editor in Chief, Kiplinger financial media company ABOUT THE "HOW TO INVEST" series Paul A. Merriman’s HOW TO INVEST series of print and eBooks provides concise and timeless information to help you achieve a secure financial future and stress-free retirement. Each book addresses specific audiences and investment topics. The first book, *First-Time Investor: Grow and Protect Your Money* is an essential guide to building and maintaining a successful investment portfolio. All profits from the sale of this series are donated to educational nonprofit organizations. For more information, visit: PaulMerriman.com *Smart About Sharks!* Jun 06 2021 It’s time to learn about the sea’s most feared (and most

misunderstood) residents: sharks! Owen Davey returns to nonfiction to explain the mysteries of those denizens of the deep. Some deadly, some not-so-deadly, and almost all just generally misunderstood. Exciting and detailed illustrations fill the page and educate young readers about these thrilling residents of the sea! Delivering information with the same whimsical text and brash illustration that saw his previous book win the affection of the *Wall Street Journal*, *Smart About Sharks* is sure to have teeth!

Don't Get Lucky, Get Smart Oct 10 2021 With the same humor, real-world examples, and charming directness as *Why Your Life Sucks*, *Don't Get Lucky* — *Get Smart* spells out why many of us have been unlucky in love — and also offers practical ways to increase our relationship intelligence. From a self-help guru who admittedly owned a lot of unreal estate in dating hell for years, *Don't Get Lucky* distills the common reasons we all have had — or just not great — relationships, showing us how to recognize our own patterns, and ultimately how to change for the better. An original voice with highly practical information: Cohen debunks the common myths we bring to dating and offers new insight into the realities of relationships. For example, chances are your love life sucks if you often... -Mistake "hope at first sight" for "love at first sight" -Date out of desperation. People who feel desperate do desperate things — and create desperate results -Seek only *The Right Person* — which

may be a way of avoiding relationship -Get stuck on *The Wrong Person* — again and again and again

Write Now!: Book 2 Jun 18 2022 k also contains a teacher's notes section. Ages 13-15. **Solutions to GET Smart Book for Class 2** Mar 15 2022 *NUMBER SMART Quest for Discovery* Mar 03 2021

Freak the Mighty Jun 25 2020 Max is used to being called Stupid. And he is used to everyone being scared of him. On account of his size and looking like his dad. Kevin is used to being called Dwarf. And he is used to everyone laughing at him. On account of his size and being some cripple kid. But greatness comes in all sizes, and together Max and Kevin become *Freak The Mighty* and walk high above the world. An inspiring, heartbreaking, multi-award winning international bestseller.

Currents of Comedy on the American Screen Feb 02 2021 This book analyzes the evolution of film and television comedy from the 1930s through the present, defining five distinct periods and discussing the dominant comedic trends of each. Chapters cover the period spanning 1934 to 1942, defined by screwball comedies that offered distraction from the Great Depression; the suspense comedy, reflecting America’s darker worldview during World War II; the 1950s battle-of-the-sexes comedy; the shift from the physical, exaggerated comedy of the 1950s to more realistic plotlines; and the new suspense

comedy of the 1970s and 1980s, focusing on the popular “dumb cop” or “dumb spy” series along with modern remakes including 2006’s *The Pink Panther* and 2008’s *Get Smart*.

100 Tricks to Appear Smart in Meetings Jan 21 2020 Funny because it's true. From the creator of the viral sensation "10 Tricks to Appear Smart in Meetings" comes the must-have book you never knew you needed, *100 Tricks to Appear Smart in Meetings*. In it, you will learn how to appear smart in less than half the time it takes to actually learn anything. You know those subtle tricks your coworkers are all guilty of? The constant nodding, pretend concentration, useless rhetorical questions? These tricks make them seem like they know what they're doing when in fact they have no clue. This behavior is so ingrained, so subtle, and so often mistaken for true intelligence that identifying it, calling it out, or compiling it into an exhaustive digest has never been attempted. Until now. Complete with illustrated tips, examples, and scenarios, *100 Tricks* gives you actionable ways to use words like “actionable,” in order to sound smart. Every type of meeting is covered, from general meetings where you stopped paying attention almost immediately, to one-on-one meetings you zoned out on, to impromptu meetings you were painfully subjected to at the last minute. It's all here. Open this book to any page and find an easy-to-digest trick with an even easier-to-digest illustration, guiding you on: how to nail the big meeting by pacing and nodding most effective

ways to listen to your coworkers while still completely ignoring them the key to making your presentations “interactive.” If you hadn't noticed these behaviors before, you will see them now—from your colleagues, your managers, and soon yourself. Each trick is a mirror to the reality of what happens in meetings, told in the form of hilariously bad advice—advice that you might just want to take. But probably not. But maybe.

The Great Mental Models: General Thinking Concepts May 05 2021 The old saying goes, "To the man with a hammer, everything looks like a nail." But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. *The Great Mental Models: General Thinking Concepts* is the first book in *The Great Mental Models* series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather

than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. *AUTHOR BIOGRAPHY Farnam Street (FS)* is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. *AUTHOR HOME* Ottawa, Ontario, Canada

Emotional Intelligence 2.0 Dec 20 2019 Presents a step-by-step guide for increasing emotional intelligence through four core principles: self-awareness, self-management, social awareness, and relationship management. *The Watsons Go to Birmingham--1963* Apr 04 2021 Celebrate the 25th anniversary of this Newbery and Coretta Scott King Honoree about a hilarious family on a road-trip at one of the most important times in America's history. This special edition makes a perfect gift and includes bonus content! Enter the hilarious world of ten-year-old Kenny and his family, the *Weird Watsons of Flint, Michigan*. There's Momma, Dad, little sister Joetta, and brother Byron, who's thirteen and an "official juvenile delinquent." When Byron gets to be too much

trouble, they head South to Birmingham to visit Grandma, the one person who can shape him up. And they'll be in Birmingham during one of the darkest moments in America's history.

"Every so often a book becomes a modern classic almost as soon as it arrives on bookshelves. That happened in the mid-'90s when Christopher Paul Curtis released his first book, *The Watsons Go to Birmingham--1963*." -- NPR "One of the best novels EVER." -- Jacqueline Woodson, Newbery Honor and National Book Award-winning author of *Brown Girl Dreaming*

Green Recovery May 17 2022 When the economy turns rough, many companies sideline their green business initiatives. That's a big mistake. In *Green Recovery*, Andrew Winston shows that no company can afford to wait for the downturn to ease before going green. Green initiatives ratchet up your company's resource efficiency, creativity, and employee motivation. They save energy, waste, and money, preserving precious capital-and give precise focus to your innovation efforts and strategic priorities. Part manifesto and part how-to guide, this concise and engaging book provides a road map for using green initiatives to deliver short-term gains and position your company for long-term strategic growth. You'll discover how to: -Get lean: Amp up your energy and resource efficiency to survive tough times - Get smart: Use environmental data about products and supply chains for competitive advantage -Get creative: Rejuvenate your

innovation efforts by asking heretical questions such as "How might we operate with no fossil fuels?" -Get going: Engage and excite employees to solve the company's, the customer's, and the world's environmental challenges *Green Recovery* is your guide to establishing your competitive positioning in difficult times and emerging even stronger into a vastly changed economy.

The Outsiders May 25 2020 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed

young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Too Smart Jan 01 2021 Who benefits from smart technology? Whose interests are served when we trade our personal data for convenience and connectivity? Smart technology is everywhere: smart umbrellas that light up when rain is in the forecast; smart cars that relieve drivers of the drudgery of driving; smart toothbrushes that send your dental hygiene details to the cloud. Nothing is safe from smartification. In *Too Smart*, Jathan Sadowski looks at the proliferation of smart stuff in our lives and asks whether the tradeoff—exchanging our personal data for convenience and connectivity—is worth it. Who benefits from smart technology? Sadowski explains how data, once the purview of

researchers and policy wonks, has become a form of capital. Smart technology, he argues, is driven by the dual imperatives of digital capitalism: extracting data from, and expanding control over, everything and everybody. He looks at three domains colonized by smart technologies' collection and control systems: the smart self, the smart home, and the smart city. The smart self involves more than self-tracking of steps walked and calories burned; it raises questions about what others do with our data and how they direct our behavior—whether or not we want them to. The smart home collects data about our habits that offer business a window into our domestic spaces. And the smart city, where these systems have space to grow, offers military-grade surveillance capabilities to local authorities. Technology gets smart from our data. We may enjoy the conveniences we get in return (the refrigerator says we're out of milk!), but, Sadowski argues, smart technology advances the interests of corporate technocratic power—and will continue to do so unless we demand oversight and ownership of our data.

[Get Smart!](#) Jan 25 2023 Discover the secrets for how to think and act like the most successful people in the world and reap the rewards! In today's constantly changing world, you have to be smart to get ahead. But the average person uses only about two percent of their mental ability. How can we learn to unleash our brain's full potential to maximize our opportunities,

like the most successful people do? In *Get Smart!*, acclaimed success expert and bestselling author Brian Tracy reveals simple, proven ways to tap into our natural thinking talents and abilities and make quantum leaps toward achieving our dreams. In this indispensable guide, you'll learn to:

- Train your brain to think in ways that create successful results
- Recognize and exploit growth opportunities in any situation
- Identify and eliminate negative patterns holding you back
- Plan, act, and achieve goals with greater precision and speed

Whether you want to increase sales, bolster creativity, or better navigate life's unexpected changes, *Get Smart!* will help you tap into your powerful mental resources to obtain the results you want and reap the rewards successful people enjoy.

[Playing to Get Smart](#) Jan 13 2022 Practicing what it preaches, *Playing to Get Smart* will be a playful reading experience for teachers and parents alike. With jokes, riddles, and stories sprinkled throughout, the authors show how important play is for children of all ethnic and socioeconomic groups, from birth to age 8. This provocative challenge to teachers and parents of young children demonstrates why play is the most effective way for children to develop critical life skills such as thinking creatively and social problem solving. It explains why teachers need to provide opportunities for quality play and why parents need to understand the benefits of play for their children.

New York Magazine Oct 18 2019 New York

magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Screening American Nostalgia Jul 27 2020

This book examines American screen culture and its power to create and sustain values. Looking specifically at the ways in which nostalgia colors the visions of American life, essays explore contemporary American ideology as it is created and sustained by the screen. Nostalgia is omnipresent, selling a version of America that arguably never existed. Current socio-cultural challenges are played out onscreen and placed within the historical milieu through a nostalgic lens which is tempered by contemporary conservatism. Essays reveal not only the visual catalog of recognizable motifs but also how these are used to temper the uncertainty of contemporary crises. Media covered spans from 1939's *Gone with the Wind*, to *Stranger Things*, *The Americans*, *Twin Peaks*, the *Fallout* franchise and more.

your life and much more. The only stress management book you will ever need!

Single Season Sitcoms of the 1990s Aug 28

2020 During the "Must See TV" 1990s, Americans enjoyed such immensely popular sitcoms as *Friends*, *Seinfeld*, *Home Improvement* and *The Drew Carey Show*. Shows that did not make the ratings cut numbered in the hundreds--the emergence of new networks and cable channels airing original programming resulted in a vast increase in short-lived sitcoms over the previous decade. Some of these "flops" were actually quite good and deserved a better fate. The author revisits them--along with the "dramedies" of the day--with detailed entries providing production and broadcast information, along with critical analyses, and recollections by cast and crew members. A subsection highlights sitcoms that returned for an abbreviated second season. Dozens of cast and crew photographs are included.

Superbrain Dec 12 2021 How to study like a superhero. The highly acclaimed book *The Research Virtuoso* helped high school and college students maximize their studying potential. Now, this second collaboration with The Toronto Public Library challenges younger students to develop the skills they need to become "lifelong super-learners." Each of the four chapters focuses on specific skills, including organization, research, and navigating the online world. Also included are profiles of real-life super-learners, quizzes, and

a full-page comic-style illustration that highlights the chapter themes. Researched and written by two professional librarians, Superbrain has a superhero theme woven throughout, and features wacky and exuberant art. With its bright and energetic design, this book is a go-to reference for teachers, librarians, and students everywhere.
