Discover the lost secrets of accomplishment and achievement! Do you want to do more, accomplish more? Of course you do, everyone does. So, what's stopping you? *Get Sh*t Done* not only shows you what's preventing you from daily achievement, it provides the tools and the strategies to help you get to where you want to be. *Get Sh*t Done* is much more than just the title of this book, it's the method that unlocks the secrets of accomplishment and achievement—the GSD Secret Formula. In this book, you will learn to identify and implement the elements of superior productivity, eliminate the causes of procrastination, and achieve the

best possible outcomes in business and in life. This valuable guide gives you a comprehensive, step-by-step plan for achieving maximum productivity. Bestselling author and "King of Sales" Jeffrey Gitomer guides you through each aspect of the GSD process, from attitude, desire, and determination, to goals, productivity, resilience, and fulfillment. Engaging and easy to read, this book shows you how to discover the best ways to invest your time into productive and profitable actions—and feel great about your achievements. Using the proven, immediately-actionable GSD Formula, you're on your way to: Doubling your achievements, your work habits, and your income Implementing simple shifts and simple actions that increase positive outcomes Recognizing the early warning signs of procrastination and reluctance Eliminating the major GSD distractions that hold you back Discovering how to select, set, and achieve your goals *Get Sh*t Done: The Ultimate Guide to Productivity, Procrastination, & Profitability* is a must-have resource for anyone who wants to never again say "I'll do it later" and just get it done. A complete guide to book marketing, from covers and blurbs to launching. Topics

covered include: -how to get an effective cover - how to write an effective blurb -how the various retailers help you sell more books -how to launch your book...and more. Middle school is a time of change, when things begin to look different and assumptions start to be questioned, and today more than ever it's tough to know what to believe. This unique and timely book won't tell you what to think—that's up to you!—but it will show you how to think more deeply about your own life and current events. Covering a wide range of subjects affecting the world today, including human and animal rights, social media, cyber bullying, the refugee crisis, and more, THINK FOR YOURSELF will help you to learn how to ask questions, analyze evidence, and use logic to draw conclusions, so you can solve problems and make smart decisions. Each chapter of the book covers one key step in the critical thinking process, and includes a real-world example to help convey the importance and relevance of every step: Ask Questions: If you want to be a critical thinker, it helps to be curious. It's normal to wonder about the world around us. Some questions are big, and some are small. Sometimes questions can spark debate and argument. All critical thinking starts with at least one question. Gather Evidence: First, find information—from making observations to interviewing experts to researching a topic online or in books. Then make connections and draw conclusions. Evaluating Evidence: Smart thinkers evaluate the importance, accuracy and

relevancy of the information they gather. Getting Curious: Consider other points of view, examine your own point of view, understand the power of emotion, and practice empathy. Draw Conclusions: The final step in the critical thinking process, this is based on reason and evidence. Revisit your original question, review the evidence and what you've learned, and consider your values. And remember: critical thinking doesn't stop when you've reached a decision. Learn how to discuss and debate other points of view. Then keep growing. Sometimes you might change your mind—that's OK, too! Featuring profiles of real-life inspiring young critical thinkers from around the world, checklists, quizzes, and activities, THINK FOR YOURSELF is a clever and fun illustrated guide that teaches middle schoolers that even young people can make a difference in the world just by thinking smart and understanding. INCLUDES: Your Turn: activities to help connect ideas to readers' lives Quizzes Profiles of inspiring young critical thinkers A Reading List for Young Thinkers Teacher's guides Plus a table of contents, index, and glossary for easy searching If you want to learn about the Taurus zodiac sign, then keep reading... Whether you're a Taurus or know one personally, you have found the book that will forever change how you view the Taurus Zodiac sign. You don't have to be an expert in astrology to understand the magnificent potential that Taurus has. The purpose of this book is to help you unlock the untapped potential passed to you from the very

depths of the earth. We'll explore the various traits, the synchronization of relationships, and the magical role the Taurus plays in our universe. In this book you will: Learn the origins of the Taurus sign Figure out the common unconscious mistakes that may be affecting your life Learn how to tackle your negative traits with careful guidance Discover how to deliver sound advice Learn how Taurus children behave, what affects them the most, and how to help them excel Discover how to review your previous behavior as a Taurus and unlock secret doors to your future Learn how to navigate relationships as a Taurus or as their partner Discover what is keeping you from getting the best career of your life Discover the most suitable professions that can make your life more fulfilling Read tips on how to improve your workflow and daily routine Explore creative outlets that can help you discover new passions in life and arts Creativity, love, stability, and aptitude are all great qualities passed down to Taurus from the planet Venus, making you a great lover and friend. These qualities, coupled with this book, will help you build a foundation to push you, as a Taurus, to excel and flourish. If you are a Taurus interested in learning more about your sign, or if you know a Taurus and want to know more about them, then this is the book for you. Click the "add to cart" button to discover new insights and secrets about the Taurus! The Ultimate Guide to Chart Patterns is your 'cheat sheet' for making technical trading decisions.

Learn to spot trends and act on them intelligently. This book has everything you need: *An introduction to chart patterns and why they can take your trading to the next level*21 detailed chart patterns with a historical example for every chart*Exit and entry suggestions*Chart pattern trading tips*An introduction to the powerful Raindrop Chart Patterns from Trendspider.comBuyers and sellers for each trade execution are always equal, it's the price that changes. Every chart tells a visual story of the battle between buyers and sellers at different price levels. Their decisions create patterns that start to show the current path of least resistance. This book is intended to be a road map for seeing the patterns that emerge on charts. Using chart patterns will give you an edge because they'll help you trade in the direction of least resistance, profit from momentum, see the potential for a reversal in price action and create good risk/reward ratios upon entry. This edge will show good levels for entries that allow a stop loss to limit a losing trade, but give enough room for a trailing stop or profit target to create a large winning trade. By finding the best price zones on a chart, you'll be able to execute the best asymmetrical risk trades and be more profitable over time. From Steve Burns of NewTraderU.com: "Over the last several years, I've enjoyed getting to know, and working with Atanas Matov. He has remained one of my most popular guest writers on NewTraderU.com, and his insight on technical

indicators, how to identify and trade a trend and his chart pattern knowledge are invaluable to traders worldwide. After the launch of the incredibly successful, Ultimate Price Action Trading Guide, we knew we wanted to team up again. This chart pattern book is our combined effort to bring a clear and concise explanation of chart patterns to help you recognize charts and build pattern recognition."About the Authors: Steve Burns started investing in 1993 and trading his own accounts in 1995. It was love at first trade. A natural teacher with a unique ability to cut through the bull and make complex ideas easy to understand, Steve wrote New Trader Rich Trader and started New TraderU.com in 2011. Since then, Steve and his wife Holly have written 19 books and published 8 eCourses on NewTraderUniversity.com. Follow Steve on Twitter, Instagram, LinkedIn@SJosephBurnswww.NewTraderU.com www.NewTraderUniversity.comAtanas Matov a.k.a. Colibri Trader (@priceinaction on Twitter) started his trading career as a retail trader in the early 2000's. After a few years of trading and investing his own funds, he won the KBC stock market challenge and shortly afterwards started working for a leading prop trading house in London. Currently he is trading his own account and trying to help other traders through his trading blog and social media. Major part of Atanas's philosophy is in giving back and helping others achieve their trading goals. In his own words: "Judge

your trading success by the things you have given up in order to get where you are now!"Follow Atanas on Twitter @priceinactionwww.colibritrader.com Bestselling author and noted cryptozoologist Loren Coleman set out on the ultimate mission: to uncover the fun and intriguing phenomena that exist right here in the United States. In Mysterious America, a fun and compulsively readable guidebook to America's most popular local legends, he prepares readers for their own adventure -- where to find the unbelievable spectacles on their journey, including: Phantom panthers haunting eastern North America Bay State ghosts and spirits Mad gassers in Illinois Champ, the famous Lake Champlain monster The Minnesota Iceman The Missouri Momo and the infamous Eastern Bigfoot And many more! Coleman's witty insight and astonishing experiences will captivate followers of Charles Fort and just-plain-curious readers alike. For, as Coleman frankly reveals, these strange creatures and unimaginable wonders may lie just beyond your own backyard.... Profiles such popular mobile video games as Minecraft, Clash of Clans, and Hearthstone, and breaks down how to dominate even the trickiest games and levels. Traces Batman's entire career, with full details of his incredible adventures and battles, his allies, loves, and formidable array of enemies. DC's Dark Knight first emerged from the shadows in the pages of Detective Comics in 1939, when young Bruce Wayne vowed to avenge his parents' murder and fight for justice

in crime-ridden, corrupt Gotham City. Includes information on the Dark Knight, including how he was created and evolved over the decades, this in-world celebration of DC's most popular Super Hero explores his motives and drives, his incredible array of weapons and vehicles, his "family" of allies, and his formidable rogues gallery, including The Joker, Catwoman, Harley Quinn, The Riddler, Penguin, Bane, Scarecrow, Killer Croc, and many more. This definitive volume brings Batman's thrilling story right up to date with full details of his exploits in recent DC storylines such as Rebirth, Dark Nights: Metal and Dark Nights: Death Metal. Featuring a detailed timeline of key events in the life of Bruce Wayne aka Batman, *Batman: The Ultimate Guide* is packed with spectacular full-color artwork from the original comics and is a dream purchase for the Dark Knight's legion of fans all over the world.

Create Focused Social Media Campaigns Tailored to Your Business Ultimate Guide to Social Media Marketing takes readers through a 360-degree perspective of social media marketing in businesses, from strategy to tactics, from organic to paid, from B2B to B2C, encompassing all of the current networks. Topics include: Why businesses need to embrace social media marketing Understanding today's social networks from big ones like Facebook and YouTube to emerging platforms Learning how to craft your business's social media strategy using today's formats How to leverage images and video in your social media outreach Leveraging chat bots,

paid social media, and influencer marketing Building your business social marketing team Measure your social media outreach progress and improve your performance over time What does it mean to be fair? Why do we feel unfairness so strongly? What has happened to us today that we spend more time condemning each other's views than giving each other a fair hearing? The idea of fairness is one of the most commonly-expressed concepts, not only in English but many other languages, yet nobody ever stops to think what it really means. We all simply take the word 'fair' for granted. In this polemical guide to fairness, Ben Fenton explains the meaning of the word, how it fits into our genetic make-up within the deepest recesses of our brains and why we need our innate sense of fair play now more than ever. Fenton explores the idea that the unconscious procedure that humans go through in deciding fairness is the vital balancing act between competition and cooperation, the two driving forces that have made us the super-species of Planet Earth. He describes the neurology, anthropology, psychology, history and future of fairness and looks at how it affects our lives through politics, law, sex, religion, race, sport, business and even war. As a reporter of thirty years' experience, Fenton brings all his skills to bear in a lively and challenging description of the profound inner meaning of a throwaway phrase and why it matters so much to every single person in the world to seek To Be Fair. A decade-by-decade history celebrating the much-

loved Marvel characters, the Guardians of the Galaxy. This beautiful book, illustrated with Marvel comic art, covers everything you need to know about the popular anti-heroes - from their first appearance in 1969 to their reincarnation in 2008. *Marvel's Guardians of the Galaxy: The Ultimate Guide to the Cosmic Outlaws* examines iconic Guardians of the Galaxy characters like Groot, Gamora and Star-Lord, while showcasing key Marvel Comics issues and exploring iconic storylines. Packed with information on allies, like Captain America and The Thing, enemies, such as the Badoon and the Universal Church of Truth, locations, and much more, *Marvel's Guardians of the Galaxy: The Ultimate Guide to the Cosmic Outlaws* is a must-have for fans of Marvel comics. © 2016 MARVEL With *The Ultimate Guide to Astrology*, leading astrologer and Instagram star Tanaaz Chubb (@foreverconscious) presents a modern and accessible approach to astrology with an emphasis on the signs and the planets. *How To Get Connected with More than 300 Million Customers* This popular title delivers an in-depth guide to targeting, reaching, and gaining ideal customers using the latest updates on LinkedIn. LinkedIn expert Ted Prodromou offers a wealth of no- or low-cost methods for maximizing this dynamic resource. Following his lead, readers learn to link with the most effective connections for greater exposure. Updates in this edition include: Staying up-to-date with LinkedIn Contacts, Pulse, and

Publisher programs Expansion of premium accounts to help optimize business profiles, stand out in search results, and track impact How to implement new features like Showcase and Company Updates pages for extended presence in newsfeeds and with followers Smarter LinkedIn Search that saves time and money with customized, comprehensive results Other important topics covered include: Techniques and tips to easily navigate LinkedIn's interface Time saving tips on finding and matching data from businesses and people Expert guidance on super-charging a business or individual profile Insider advice on getting found through LinkedIn and maximizing search Professional instruction on promoting a LinkedIn profile The latest information is illustrated with current snapshots, fresh examples, and case studies, along with new techniques to easily maneuver LinkedIn's interface. Every female athlete, her coaches, parents, teachers, and administrators will find Stop The Drama! invaluable as they navigate the stormy waters of team conflict and strive to reach their full potential, on and off the field, and beyond: We are failing young women by not providing them the skills they need to deal with conflict in a productive way. They aren't taught the communication skills needed to have tough conversations, work through issues, and move on. They aren't held accountable to owning their feelings and speaking directly to the person with whom they have an issue. Sadly, the negative communication of cattiness and

drama is encouraged and glorified on reality TV. This doesn't serve women well in college and it isn't doing them any favors in the corporate world. Young women need a new set of communication skills to transform the way they handle conflict. To break the cycle of using drama to deal with conflict, young women need to understand the process of developing a team communication fingerprint, addressing existing issues, agreeing on how to work through problems in the future and how to hold each other accountable (to not use gossip, backstabbing, and catty behavior). It isn't easy, but it is possible. In this book, you are going to find tips, ideas, and thought-starters to help you do just that: Stop The Drama! Revised edition of the author's Ultimate guide to search engine optimization. What do the world's most successful enterprise sales teams have in common? They rely on MEDDICC to make their sales process predictable and efficient. MEDDIC with one C was initially created by Dick Dunkel in 1996 when he was at PTC. Since then MEDDIC has evolved to be better known as MEDDICC or MEDDPICC and has proliferated across the world being the go-to choice for elite enterprise sales organizations. If you ever find yourself feeling any of the following symptoms with your deal, you could benefit from MEDDICC: Your buyer doesn't see the value of your solution? (aka they think you are expensive) You are unable to find, articulate and quantify Pain You don't have a Champion or at the very least a Coach helping you

navigate and sell You find yourself unable to gain access to people with power and influence You don't know how the customer makes decisions You don't know who is involved in the decision-making process You find yourself surprised by things that come up in the sales process The decision criteria seem to move throughout the process, and you're constantly playing catch up Your Competition is landing strikes against you that you neither see coming nor are able to defend You lose track of where you stand in your deals Whether you are an individual contributor or a sales leader embracing MEDDICC will help you to beat those symptoms and take back control of your deal. Historically, learning MEDDICC has relied upon hands-on training, but now you can learn MEDDICC from an expert who uses it every day. The Book deconstructs MEDDICC into easy to understand and implement steps. Breaking down every letter of the acronym into actionable insights complemented by commentary on how MEDDICC can help sales organizations to revolutionize their sales execution and efficiency. In the words of the original creator of MEDDIC, Dick Dunkel: Whether you are an individual contributor or sales leader, my advice is that you should start to implement MEDDICC into what you do straight away. Embrace MEDDICC, and you and your team will more clearly understand the WHY to your process, and you'll begin to execute your customer interactions with more purpose and achieve better results. And like so

many others before, you will begin to reap the rewards of having a well-qualified pipeline of opportunities with clearer paths to success. - Dick Dunkel, MEDDIC Creator. **THE BOOK ALL MEDICAL STUDENTS SHOULD READ BEFORE THEY CHOOSE A MEDICAL SPECIALTY!** A true “must read” for medical students who have not yet selected a specialty, this acclaimed resource delivers a well-researched insider’s look into the complex issues surrounding this important decision. Supported by first-hand knowledge, useful facts and statistics - plus the author’s personal experience and gut-level reports from current students - this unique guide provides everything necessary to compare specialties and make a confident decision. The *Ultimate Guide to Choosing a Medical Specialty, Fourth Edition* is divided into two sections: Part 1 *Planning Your Medical Career*, delves into the main issues surrounding the choice of your medical specialty. These 12 chapters provide everything you need to begin making this major decision - from how to research each specialty to how to apply for residency. Part 2 *Specialty Profiles*, features chapters devoted to the 21 major specialties, and provides important information such as salary, employment data, and match statistics. **FEATURES:** • An “insider’s look” into different areas of medicine—with specialty chapters written by physicians just out of residency training • Profiles of the major medical specialties, including those to which medical students may receive little exposure, such as

radiation oncology • A concise up-to-date guide to the residency application and matching process • A special chapter with explicit advice to help medical students maximize their success in obtaining a residency position in each field • Special inserts—“Vital Signs” and “The Inside Scoop”—provide easy-to-read factoids like salary information and match statistics. Dynamic and entertaining, this movie guide brings depth to the martial arts films of the 1970s, with more than 2,000 titles from 14 countries broken down into lively reviews, detailed discussions, and meticulous references. With an engaging introduction to kung-fu cinema, this examination then launches into a collection of more than 500 martial arts reviews that include the movie name, time, and place of theatrical release, director name, list of principal actors, fight instructors, and interesting tidbits about the film. Each entry also includes statistics such as the number and length of training and fight sequences. Complete indexes are also featured, listing actors and movies by their English variations as well as countries of origin. Both a fun read and an accurate resource, this handbook is a must-have for movie fans and martial artists alike. From America’s foremost chess coach and game strategist for Netflix’s *The Queen’s Gambit* comes a comprehensive guide covering all aspects of the game, to improve your technique whether you are a newcomer or a longtime fan. One of America's best-known chess masters, Bruce Pandolfini has helped

millions learn the intricacies of chess through his acclaimed books and workshops. In this exciting volume, he presents a complete overview of the entire game and its culture. Structured as a dialogue between a beginning student and an expert teacher, Pandolfini's *Ultimate Guide to Chess* takes the student step-by-step from fundamentals to advanced, highly strategic play. Combining easy-to-follow diagrams with trenchant and up-to-date analysis, Pandolfini puts a new twist on accepted chess theory, offering a seamless beginning-to-end approach, including: • a short introductory history of the game • the moves, rules, and contemporary notation forms • the basic principles of chess • how to develop an opening repertoire • the art of tactical play • pattern recognition and memory aids • traps and pitfalls to be avoided • middlegame play, strategy, and planning • defense and counterattack • transitions to the endgame and the endgame itself • computers and the future of chess • the best websites for playing chess online With Pandolfini's expert insight into the history and modern world of chess, as well as several appendices to enhance play and appreciation, Pandolfini's *Ultimate Guide to Chess* makes the perfect gift for players of all ages and will be the benchmark title for chess players for years to come. **Publisher's Note:** Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. Learn

Real FAQs The book contains 187 Frequently Asked Questions -real questions asked by real singers of rock, pop, soul, metal, jazz - all contemporary genres. Each question has been carefully matched to an expert in the field. Now singers have at their fingertips insights on everything from rescuing their voice to promoting their music. The Ultimate How-To Manual for Singers With 18 information-packed chapters, focused actions and myriads of questions answered and leading experts, The Ultimate Guide to Singing promises to be the leading resource for singers who want to develop their voice and their career. What Others Are Saying: "In an ever-changing industry, to succeed, singers and bands have to know HOW. This book is IT." —Jeannie Deva, Celebrity Voice and Performance Coach "Finally: a book which will help you on ALL levels to be the singer you've always wanted to be." —Mary Hammond, Leading educator and vocal coach for Coldplay and many other star acts "Most singing books I've read have been annoyingly out of date, but I'm excited to have this modern "vocalists' bible" to refer to whenever I'm facing a real day-to-day problem as a professional voice artist." —Shlomo, World

Loopstation Champion and Guinness World Record holder Contributors Include: Kimbra – Grammy Award winning artist David Frangioni – engineer to Ozzy Osbourne, Steven Tyler and more... Content That Moves Your Voice Forward This is the only book you’ll ever need to stay in control of every area of your singing life. From finding fans to using the flange effect – it’s all here. Chapters include: Vocal Technique in the Trenches Recording Your Voice Your Vocal Effects Creating an Unforgettable Vocal Connection Promotion and Social Media Making Money at Live Gigs Millions compete for exposure on Google and Bing but 99% of them fail to get results. As the founder of leading digital intelligence firm AdGooroo, search advertising authority Richard Stokes is in a unique position to reveal what’s going wrong and provide solutions to fix it. Using proven strategies from today’s search advertising elite, discover how to drive significantly more traffic to your site, dramatically increase click-through rates, steal impressions from competitors, boost your conversions, and increase your sales by unbelievable amounts. Since the previous edition, there have been a number of

revolutionary changes in paid search. First, we are increasingly searching from our cell phones rather than desktop computers. Second, Google is no longer the only game in town. Bing now accounts for 30 percent of all U.S. searches. Finally, "search extensions" have become a powerful new technique you can use to collect phone numbers and email addresses with your ads, limit your ads to certain times of day, deliver coupons to nearby customers, and even provide handy "call me" buttons that are displayed only on cell phones. In this new edition, Stokes details all this and more. Think you have mastered The Legend Of Zelda Think again! It's Dangerous to go alone. Take this.... This unofficial guide as over 150 pages of everything you need to know to become the hero that saves Hyrule. Find every heart piece, secret caves and detailed strategies on how to beat each boss in every dungeon. This is the game that started it all! Reel in the Profits with YouTube YouTube delivers more than a billion minutes of streaming content to 1.3 billion active users every day. That's equivalent to one-third of all internet users and at least a billion reasons to start creating videos that promote your business, brand, products, and services today. Entrepreneur Magazine's Ultimate Guide to YouTube for Business is the video marketing blueprint you need to create videos that educate, entertain, and inspire viewers to take action. You'll learn how to plan, edit, promote, and share your videos with the public, as well as how to leverage YouTube's tools to help spotlight your business and your products without spending a fortune. From video production to promotion, this guide shares the battle-tested strategies and tried-and-true advice from successful YouTube experts to help you: Set up your channel and become a YouTube Partner to start monetizing your videos Create a virtual community that uses and loves your products Cater your videos to your target audience at every stage—pre-

production, production, post-production, and promotion Drive traffic to your channel, website, or social media with optimized video titles, tags, playlists, and more Promote your YouTube videos using Facebook, Twitter, Google+, and other social sites Make a video go viral with the help of blogs, websites, and other online resources Find out what a YouTube channel can do for you as you learn to create your channel, leverage it as a marketing tool, and maximize your return on investment. Now even more complete, with updated lists of available resource materials, this manual is your access guide to home schooling-maximizing our family life while providing a quality education for your children. If you're considering homeschooling, this book is a must-read before you decide; and if you've been at it for awhile, it's a fresh perspective, with plenty of tactics for renewing your energy and motivating your kids. With wit and wisdom gleaned from years of experience, Debra Bell sets forth a compelling vision for the joys of home-based learning and the essential tools for success. The CD-ROM contains the complete text of the book, plus website links and a search engine. Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or access to any online entitlements included with the product. This is a one-of-a-kind single source compendium of employment advice for residents looking for their first job and physicians looking to make career changes. For

the first time, important issues such as geographic considerations, partnerships, salaries, legalities, starting an effective job search, interviewing tips, contract negotiation, are all discussed in detail by someone who's been there and lived it.
