Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Prepared by Dale Klooster and Warren Allen, this best-selling, educational, general ledger package introduces students to the world of computerized accounting through a more intuitive, user-friendly system than the commercial software they'll use in the future. In addition, students have access to general ledger files with information based on problems from the textbook and practice sets. This context allows them to see the difference between manual and computerized accounting systems firsthand, while alleviating the stress of an empty screen. Also, the program is enhanced with a problem checker that enables students to determine if their entries are correct and emulates commercial general ledger packages more closely than other educational packages. Problems that can be used with Klooster/Allen are highlighted by an icon. The

benefits of using Klooster/Allen are that: -Errors are more easily corrected than in commercial software. -After the course ends, students are prepared to use a variety of commercial products. -Inspector is found on the IRCD, and allows instructors to grade students' work completed in Klooster/Allen's General Ledger software. Prepared by Dale Klooster and Warren Allen, this best-selling, educational, general ledger package introduces students to the world of computerized accounting through a more intuitive, user-friendly system than the commercial software they'll use in the future. In addition, students have access to general ledger files with information based on problems from the textbook and practice sets. This context allows them to see the difference between manual and computerized accounting systems firsthand and includes a problem checker. Problems that can be used with Klooster/Allen are highlighted by an icon. Gain a solid foundation in the core accounting concepts as you develop a true appreciation for why accounting is important to business and a prosperous society with Warren/Reeve/Duchac's CORPORATE FINANCIAL ACCOUNTING, 14E. This latest edition clearly demonstrates how accounting is more than just data and black and white rules. Instead, you see how accounting provides key information used to make critical business decisions. A new chapter schema provides context that emphasizes how each chapter's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture throughout the text by connecting journal entries to the

accounting equation. Readers also gain critical practice in making business decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The traditional working papers include problem-specific forms for preparing solutions for Exercises, A& B Problems, the Continuing Problem, and the Comprehensive problems from the textbook. These forms, with preprinted headings, provide a structure for the problems, which helps students get started and saves time. New to this edition: All forms have been updated to coincide with core text changes. Close the gap between homework and exam performance with Warren/Reeve/Duchac's ACCOUNTING 26E! Market-leading ACCOUNTING has been on the forefront of innovation and change based on the needs of today's teaching and learning environment. Warren/Reeve/Duchac's ACCOUNTING 26E helps elevate student thinking with content that addresses each stage of the learning process from motivation to mastery. It motivates students to learn, provides practice opportunities to better prepare for exams, and helps students achieve mastery with tools to help them make connections and see the big picture. The Complete Learning System in ACCOUNTING is built around the way students use textbooks to learn, study and complete homework, allowing them to achieve ultimate success in this course. Content updates involve the inclusion of the new revenue recognition standard and a greater emphasis on service companies in the managerial accounting

chapters. The end goal of Warren/Reeve/Duchac's ACCOUNTING learning system is to elevate thinking and create more empowered and prepared students--ready to take on the rest of their educational and career goals.
