This book covers a part of Diann and Calebs lives and tackles more studies into the dangers of wizardry and witchcraft. It has new stories about Calebs adventures like in the first book of The Caleb, A Christian Dog. Some stories are ongoing. All the books of The Caleb series tie into each other with this book. Writing books is hard for me because I cannot clearly see. It is impossible to remember lost poems, so you will be getting new poems. The poem Forgiveness is in all my books. Some are new, and there are duplicated pictures of Caleb and other slogans. It is my hope that this book will bring you the much-needed scripture and teachings of the Bible, which will further your walk with Jesus. Caleb and I have learned so much about walking the talk that we teach you by writing this and the other books of the series. This book has ongoing instructions about why and how to avoid demonic happenings and attacks from Satan. Most of this book is nonfiction, but the fiction stories are just as amazing. I feel that by not attempting to write this book for the third time would be to cheat my readers of valuable information about the kingdom of God. It covers new topics left off from books 2 and 3. I pray you will enjoy this book as much as people have said they did with the first four. Lots of love and prayer have gone into the creation of all my books for you, but this one has been the hardest to write so far. The first book of the series is for adults and children. Book 2 is a high school-level Bible study. Book 3 is for college, and book 5 is your doctorate level. Book 4 is found on another source and is a colored paperback. It is different from the other books and is more for the collector of the series. It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. ABOUT THE BOOK: It all begins in a small village called High Rock, which is nestled in the middle of Mount Triune. Caleb, high priest and worship leader for the people of High Rock, serves only the Timeless-One and hates all evil. In this time and place that is unknown to the world, all that is good is at war with all that is evil. Caleb and his holy regime battle the forces of evil with the use of the Spirit sword, praise and worship, and the most intimate form of prayer called heart-linking. Within this book are just a few of Caleb's encounters with the dark forces that roam this world. We call these collections The Caleb Chronicles. **** ABOUT THE AUTHOR: Pastor D. W. Riffe is a passionate writer, songwriter, musician, and poet. He studies the Bible daily and seeks to put God first in everything he does. With his family's encouragement and support, he has achieved his dream of getting these stories published, a memorial to his son Caleb. Riffe lives in Purdy, Missouri, with his wife and family. pastordwriffe@yahoo.com Like a vehicle or bicycle pedal, Prayer can be said to be the spiritual pedal of the believer. The pedal is used for accelerating a vehicle by getting more gasoline to the engine. Many believers are decelerating, and some have come to a stop, and are grounded because they have taken their foot off the spiritual pedal (prayer). As you read his book, your prayer life will be strengthened because you will learn how to pray strategically, improve your

communication with God, grow to become a spiritual giant in the body of Christ, and help strengthen other believers by teaching them how to pray strategically. Occasionally a book comes along that doesn't just challenge you but changes you - Hunger is that book! Parents will learn key principles to pray for their child in the important areas of: Health Educational excellence and development Acceptance of Christ and resolve to serve God Favor Promotion and Influence It's time parents stop losing their kids to the temptations and pressures of this world and start raising young men and women who set the standard of godly, successful influencers who inspire change in their surroundings. An inspiration for the creation of houses of prayer around the world, The Grace Outpouring is a captivating account of spiritual renewal on a Welsh hillside. When Roy Godwin turned his back on a lucrative consulting job to lead the quiet retreat center Ffald-y-Brenin in West Wales, he wasn't sure what was next. Then God showed up. In the years since the Godwins welcomed their first surprise guests to Ffald-y-Brenin, God has drawn thousands of seekers to this converted hill-farm with a tangible presence of healing and power. Along with its accompanying study guide, The Grace Outpouring offers fascinating stories of God's work on a remote hillside as well as inspiring insight into how God can work in readers' own communities. Caleb knew he would follow the teachings and the love of the Lord soon after he gave John the basket full of bread and fish. Later he came to realize that this man named John was very close to the Messiah, the One they called Jesus. Like his father, Caleb was a simple fisherman, having the skills taught to him as he worked on the Sea of Galilee. However, his father taught him more than fishing during the times in the boat. He could hear the Love of the Lord from his father as he spoke to him about the Father's Word, and the ways of the Son. After the accident on the Sea of Galilee that took his father home to the Lord, Caleb at the age of seventeen started dreaming of the Messiah. He would wake to his mother and younger brother watching over him waiting to hear more of his dreams. As he explained how Jesus offered him the Crown of Thorns he realized he was being given a great journey, and he could feel through the love of the Father that he would receive help during this journey that would take him far from his home of Bethsaida in search of the Crown. One of the most difficult things for Christians nowadays is being able to effectively pray for themselves and loved ones or say a simple prayer for others when they are asked to do so. Not being able to say a simple prayer is making many believers not to pray, even when they have the intention. Targeted prayer is designed to help and guide the Christian believer pray effectively and be on point when praying. Targeted prayer is; on point prayer. Each chapter has prayer points coupled with related Bible Scriptures to help the believer pray in-line with the Word of God. A beloved musician shares her heart-wrenching story about how an abusive relationship helped her realize the importance of gaining freedom, letting go of expectations, and embracing the beautiful reality of who you already are. Unspoken expectations surround us. In culture, in the church, and in general. If they weren't pushed on you as a child, you're now scrolling through them as an adult. And, by the way, are you really in counseling this early in your marriage? The expectations surrounding us, particularly women, are ridiculous. What if we didn't try to fulfill them and instead started believing the promises Jesus fulfilled? What if we didn't cave to the expectation to look and behave how people want us to, and started looking at ourselves the way God sees us? What if we didn't do everything the way we've always been told it has to be done, and started walking in bold, audacious faith? In *Over It*, Kelsey Taylor Grimm doesn't show her best and hide the rest. Through the transparent telling of her own story, from an extensive, sexually and emotionally abusive relationship, to her ascension in the music industry, she invites you into her living room to talk through the ridiculous expectations of who you're supposed to be, and encourages the reader to embrace the beautiful realities of who you already are. Through examining the teachings of Jesus Christ and the Old Testament prophets, Elizabeth Dankaro hands you the keys to biblical prayer while unlocking the answer to these essential questions and more: How can I be sure that my prayers are answered? How do we remove all frustrations in this realm? *SpillWay* is the story of one family's journey with God in the world of a traumatic brain injury. Along with offering experiences following their sons brain injury, this true story also offers encouragement to trust God in whatever stormy circumstances the reader finds themselves in. When there is no evidence of what tomorrow holds, the book encourages one to put their trust in the one who holds tomorrow. God is revealed in some of the most difficult times when the answers to your prayers are not the answers you hoped for. *SpillWay* is an opportunity to see God as a refuge in times of trouble. Updated and Expanded Edition of a Landmark Text on an Urgent Topic Now updated and expanded, this landmark text reveals God's purposes for his covenant people in these times--and how this revelation is impacting the church. Unlike

Ruth in the Old Testament, many of us have turned our backs on the Jewish people, the relatives of the Messiah, and we share the collective guilt for centuries of their persecution. These pages remind us that now, more than ever, we must confess, embrace, and intercede for the chosen people of God, aligning our prayers with God's plan. Once again, Israel and her people are center stage at a crucial moment in world history, and this book shows why the church must effect reconciliation and why our prayers are vital in this hour. If we will make the same covenant pledge to Israel that Ruth made to Naomi, the church will never be the same! Teach your children big ideas with simple language Boys and girls, from 5 to 8 years of age, will love the fun world of Cassie and Caleb, two energetic and inquisitive children discovering the beauty of God's wonderful design. Through twenty beautifully illustrated short stories, followed by an interactive time between parent and child, your children will learn: The creational principle that "God created man in his own image . . . male and female he created them" (Genesis 1:27) is extraordinary! That Jesus is in all of Scripture. The Bible is not a collection of disconnected stories; it is the one big story of the Triune God redeeming His people. God's Word is our authority and His Glory is our purpose. That when we belong to Jesus we belong to His covenant family, the Church. A Biblical framework for living and thinking. The authors do not underestimate the power of the Holy Spirit in the heart and mind of a child. This book intentionally uses the rich language of faith, and then builds meaning around the words and concepts as the stories proceed, providing children the words of life. To pray means to communicate with God. That can mean thanking Him, praising Him, confessing something you've done wrong, or expressing a need you have. It can even mean just talking to Him as you would to a friend. Learning how to pray is really about developing a relationship with God. Relationships are built on moments of connection. Those moments of connection bond you to another person, and many of them center on communication - the words you say and the way you say them. But how do you do that with the God of the universe? This book is a collection of 365 powerful prayers. In this book, the author helps you complete the three steps of the creative process: Ask, Believe and Receive. You ask your Lord every day through a positive emotional prayer, and during the whole day, your mind dwells in the belief that your prayer would be accepted. And finally, you receive what you have asked for as you make it your habit to be in constant touch with your God for just less than five minutes (in case you a super-busy person). At the age of sixteen, Caleb lost his father to an accident while fishing on the Sea of Galilee. Now at the age of seventeen, Caleb has taken responsibility for supporting his mother and younger brother. As his dreams and visions of the Lord continue, Caleb through prayer decides to accept the Lord's calling and locate the crown of thorns. He knows it will be a long journey filled with perils and tribulations; however, he also knows this journey will be filled with the love of the Lord as he meets new friends and is given the opportunity to spread the word to the lost. His brother wishes to join him; however, he is at too young of an age, and his mother grows concerned, knowing the dangers he will face. Her faith in the Lord and in her son will not stop him from seeing the miracles through his own eyes as he accepts the calling. The prayers provided in this book have been developed during personal prayer times with God, generational prayer sessions, the prompting of the Holy Spirit, and revelation through dreams and times of meditation. It is my hope that they will help the reader to achieve greater and greater levels freedom in and through Jesus Christ. They are prayers to repent of not only our own sins, but the sins of our ancestors that affect us today. I encourage you all to allow the Holy Spirit to lead you as you pray through these prayers.

This newly revised, 738 page study of prayer is everything you would ever want to know about prayer. Its fifty-two chapters, arranged in alphabetical order, include forty prayer topics and a five chapter survey of the prayers of the Bible. With its detailed table of contents, this book would make an excellent resource for your own Bible study on prayer. There is nothing else like it! One orphaned boy.
