Music: A Concise and Thoroughly Practical Course of Instruction in the Art of Singing by Note In every tone there is length, pitch, power and quality. The duration of a tone is called length. The highness or lowness of a tone is called its pitch. The loudness or softness of a tone is called its power. The character of a tone is called its quality. Norm - The difference between a flute tone and a Violin tone is a difference of quality. The same voice can make a joyful tone and a sad tone, a clear tone and a Sombre tone; and these are differences, not of length, pitch or power, but of quality.
