Step Beast Apr 17 2022 They call him Beast because he fights and f*cks like one. Because he's built like the tanks he rode in Afghanistan. Beneath Conrad "Beast" Beeston III's fierce, intense gaze, his brooding temperament, his knuckles scarred from fighting, lurks a wild man, his strong, broad back darkly inked with his own hard truths. He only has one mode, and "Beast" is it. He ripped through Tilly's life, tearing it to shreds, and then he was gone, giving a stiff middle finger to a life of entitlement. He left her like he leaves them all-with little more than a broken heart. But for Tilly, there was one more thing. He left her with an unbearable secret she's been forced to keep for years. Tilly's privileged life, after her recent graduation from Mt. Holyoke, has come to a screeching halt under tragic circumstances. Had she really believed she'd never see her Devil Dog stepbrother again? Now he's coming home-and she's forced to face his cocky smirk and arrogant swagger, to look once again into the eyes of the monster who left her. Forced to confront him, what she sees is a raw, broken, tortured man who just might be the only person she knows keeping even bigger secrets than she is. Worse, she still wants him. Even if it means breaking everything in her life wide open-even if it means unleashing the Beast.

This is the story of a woman's exquisite unfolding, as her sexual discovery and yearning for something more pushes her and her man to the edge, testing boundaries and forcing her to surrender to something much deeper than herself.-----Warnings: This title contains erotic situations, a plethora of anal sex, elements of BDSM and a menage a trois (MFM threesome) with a very lucky bellboy.-----EXCERPT:When I came out of the bedroom, he was naked on the bed, a few pillows tucked behind his head. His eyes lit up when he saw me and he let out a low whistle. “Where's the KY?” he asked.I smiled, bringing the bag out from behind my back. I was more than ready. I tossed it toward him and he caught it, opening the Ziploc bags and fishing out the tubes.He threw one back at me. “For the bathroom. Leave it on the counter.”I walked back to the bathroom, still just a little unsteady in the heels, peeking around the corner to put the KY next to the sink. When I turned back, Jack was pacing, tossing pillows around the room. He threw a bottle of KY next to the two pillows on the floor, one on each side of the bed. He put one on each night table.“What are you doing?” I put my hands on my hips and cocked my head at him.“Tactical maneuvers.” He looked over at me with a grin. “Reinforcing my supply lines.”I laughed, shaking my head. He sat on the bed, crooking his finger at me again, and with a sense of deja-vu, I came to stand between his thighs. His hands moved over my hips in the white cotton panties and then slid up to my breasts in the black lace bra, pushing my flesh up until it threatened to spill over the top.“Angel and slut.” His breath was hot against my belly as he kissed me there, and I finally understood his choice in garments. His thumbs rolled over my nipples through the lace and I sighed, arching my back toward him. He licked them through the fabric, making fat circles around and around.Slipping my hand through his hair, I pulled him closer, moving forward and sitting on his leg, rubbing my pussy over his thigh. I'd been wearing the panties less than five minutes and they were already damp. His cock was hard, brushing against the lace top of my thigh high as I ground my hips against him—the heat of it was incredible.I reached down and tugged on his shaft, rubbing my thumb over the tip, making him groan against my breasts with his face buried there. Slowly, I slid down his thigh, kneeling between his legs and looking up at him. His cock was pointing straight at my mouth, as if it knew just what it wanted, and I reached my tongue out for it, licking all around the tip, making it wet.Jack made a happy noise in his throat, looking down to see himself disappearing into my mouth. I loved sucking his cock, and I knew just what he liked, teasing and licking and even nibbling at first, just at the tip, until he started leaking pre-cum. Then I opened my mouth wide, taking him in as far as I could go, usually about halfway at first, working him deeper and deeper with every pass.I put my hands behind my back as I sucked him, crossing my arms at the wrists. It was my version of “see, no hands!” and he loved it, grabbing my hair, growling and thrusting, using my mouth and throat for his pleasure. There were times when I could, and did, do this for hours, in various positions, bringing him to a near-boiling point again and again, only to back off for a while, licking his thighs, his balls, his belly, and then starting all over.

He really did. But she didn't move her hand away. Instead she began inching it slowly upward and he held his breath, his eyes half-closed and glazed over. He didn't know how long it took for her to reach his crotch. Half an hour? An hour? It was an agonizingly slow progression, but he didn't dare move. On the screen, Brando and the girl had found a myriad of ways to have sex, only making things worse off-screen. Henry was so turned on he thought he just might come in his pants when he felt her long, red fingernails graze over his erection through his jeans.When he pressed his hips up toward her hand, he heard her swallow, her palm resting now against his zipper. Her face was turned toward the screen, as if the movie and whatever Brando was doing with a stick of butter was the most interesting thing she'd ever seen, but she was exploring the outline of his cock with her fingers in the dark. He wanted to touch her, too, but he didn't want to break the spell they were under, was too afraid she would stop, say no.He let out a soft cry when she rubbed her thumb over the head of his dick through the denim. She shifted in her seat, crossing and uncrossing her legs, and he could hear her breath coming faster, almost as fast as his. He let his knees fall further open, feeling her thigh brush his. Her sweet, bare leg. He glanced down and saw that her skirt was up, far up over her knees, up the long, slim expanse of her thigh.She was too sexy for words.His eyes searched for her hemline, but it just kept going up and up, the folds of her skirt finally tucked into the V of her crotch. It was then that he realized where her other hand was. The thought of her touching herself, right there next to him in the dark, made his cock swell in response. He slowly covered her hand, the one cupping his erection, with his own. She whimpered when he did that and he saw her close her eyes as he rocked up against her, with her.Then she searched for and found his zipper. She inched it down, not even unsnapping his jeans, just sliding her hand into the opening to feel him through his boxers.

His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine."You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering."I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both."I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access.He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt.He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers.Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat.He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.

The Real Mother Goose Jan 26 2023 ~*~*~2010 EPIC AWARD FINALIST!~*~*~Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-----EXCERPT:"Peep!" The voice shook the room and the startled girl looked up as Mother came in. "Do you know where your sheep are now?"~*~*~"No, Mother." The girl looked up from her position, kneeling on the floor, her blue eyes wide. "I penned them before I left, I swear it."Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes."You are a pretty little one," Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. "Sometimes I think you're just playing dumb."~*~*~"No, Mother," Peep implored, shaking her head. "I penned them, I promise you."~*~*~"Is that so?" Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access.Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor:"Mother, please," Peep pleaded. "I will go tend them, if you let me."Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection."Please," Peep pleaded again, her eyes downcast. "I'll be a good girl."~*~*~"Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will."Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped."No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep, who's lost her sheep, and doesn't know where to find them."Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall."Peep's little puss," Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. "I love peeping at Peep's little puss." Mother giggled, wiggling her fingers through and finding the girl's clit. "Oh, Mother!" Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

A man who, by reputation, is one of Scotland's cruelest lairds in over a century.But what choice does she have, with her father dead and her uncle now married to his brother's widow, putting him in charge of not only the Blackthorne fortune, but Sibyl's future as well?Then her betrothed turns out to actually be far worse than his reputation, so headstrong Sibyl decides life as a peasant, or even death, would be preferable to a future with such a despicable man, and makes plans to run away.On an organized hunt for wolves—or, as the Scots call them, wulvers—Sybil escapes her fiancé's clutches, only to find she's run into something far more untamed and dangerous in the middle of the woods.When a big, brawny, long-haired man, who only speaks to her in Gaelic and calls himself Raife, simply picks her up and carries her off with him into the Scottish wild, Sibyl knows she's in trouble.When he takes her to a place no human has ever been, she knows she's gone over the edge.And when he, at last, marks her as his own, she discovers that only one wild heart can claim another.

The Sybian Club Mar 16 2022 Tasha convinces her husband, Max, to buy her a Sybian, but he only agrees if she can come up with a business plan to pay for it. Determined to keep her promise, she creates The Sybian Club and begins bringing women to the basement room set up just for her new toy. It becomes so popular, she has to enlist the help of new friend, Ashley, to keep up with the demand, and the women enjoy an exciting ride as the business thrives. But Tasha has developed feelings for Ashley, and doesn't know how to tell her husband that she wants to add more to their sex life than just a new toy.Warnings: This title contains erotic situations, a menage a trois (MFF threesome), lesbian and anal sex and a "marital aid" that will put vibrators to shame!-----EXCERPT:"Our bodies are like fine tuned machines," Tasha said, picking up a remote and sitting next to her guest. "We need all sorts of revving up and tinkering with to get to our destination, you know what I mean?"Kim cleared her throat and couldn't help but smile. "Yeah, sure."~*~*~"And it isn't always easy to be interested, when you're already tired, and you've spent all day picking up after the kids and cooking dinner..." Tasha went on, and Kim stared at her, nodding encouragement. "It isn't easy, especially when... well, you know most guys... I mean, some of them... the numbers on the clock don't even change by the time they're done, right?"Kim let out a sigh of relief. She knew Nicki must have told this woman everything. "I just need time, you know? Like... some build up..."Tasha nodded sympathetically. "Or... you need a ride on the Sybian." She started the video, and Kim sat, transfixed. They had tried all sorts of things, including watching porn together, to get her interested in sex again, and this was rather tame in comparison. But there was something about it... the look of sheer ecstasy on the woman's face! It made her feel weak and a little dizzy just watching."Does it feel as good as it looks?" Kim asked, feeling a tingle between her legs.Tasha smiled. "Better. Ready to try it?"Kim was already toeing off her shoes and pulling her sweats and panties down over her hips, unmindful of stretch marks or her cesarean scar. Tasha didn't even raise an eyebrow when she stripped off her hoodie, too, unhooking her bra and letting her breasts, full and slightly pendulous from still nursing her six month old, swing free. She climbed up onto the machine completely nude, except for a pair of purple socks."Can I have that one?" Kim asked, pointing to the life-like penis. Her eyes were bright, and whatever nervousness she'd been experiencing had been replaced by anticipation.Tasha fitted the insert onto the machine and squirted a little clear lubricant down the shaft. "These are the controls, like you saw in the video. This one is vibration, this one is rotation."Kim looked down at the box in her hand, suddenly doubtful that it could do any more than the hundred other sex toys they had tried over the years. Still, the look on the woman's face in the video kept coming back to her. What the hell? It's worth a shot. She positioned herself over the plastic cock, using the black box in front of the Sybian to steady herself as she slid down onto the slick length of it."Once you get the hang of the controls, I can go, if you want me to," Tasha said.Kim flicked the switch marked "vibration," smiling at the sensation between her thighs. "Mmm... nice."Tasha sat down in the chair, smiling. "The good thing about the Sybian is that you don't really even need a lot of foreplay... it takes you right there."

Yank (Coming of Age New Adult College Romance) Dec 25 2022 NEW YORK TIMES BESTSELLING and AWARD WINNING AUTHOR SELENA KITT - OVER 2 MILLION BOOKS SOLD! ----- David has been brightening up his gray Surrey, England days with the magazine collection hidden in the shed but when he finds that their American foreign exchange student, Dawn, has discovered his magazines, things really begin to heat up. David's is supposed to be looking for a job, but Dawn has the week off and is determined to work on her tan. Distracted David finds himself increasingly tempted by their seductive foreign exchange student, who makes it very clear what she wants. In spite of the Study Abroad program's strict policy against fraternizing, Dawn's teasing ways slowly break down the barrier between them until they both give in to their lust. But what are they going to do about the feelings that have developed between them in the meantime? NOTE: Previously titled Foreign Exchange, this is a slightly less naughty, but no less sexy re-telling--updated and redressed for your reading pleasure. EXCERPT: "David?" I woke up with a grunt, hearing my name being hissed from beside the bed. It was dark, but I could make out her outline in the moonlight coming through the window. She was on her hands and knees, crawling toward me. "Dawn?" I felt her find the bed with a thud. "Ow." She whimpered. "Christ!" I reached for her, groping in the dark. My hand found her arm, helping her up into the bed. "What are you doing?" "Ta," she said, thanking me. I could smell the alcohol on her now. "It's a long way when you're legless." "Shhhh!" I looked toward my door. I was listening for my Mum or Dad but didn't hear them. "C'mon, let's get you to bed." "That's where I am." She crawled up against me in the dark and pressed me down, snuggling up against my bare chest. "Hey, you sleep naked! When did you start that?" "Since I was fourteen," I whispered. "Keep your voice down, Dawn." "I am." She kissed my shoulder. "You feel good." "Okay." I tried to untangle her limbs from mine. "You are pretty well lashed, and I think this is a bad idea. C'mon, let's go." "Noooo!" She slid her bare foot up the inside of my calf. She'd lost her heels somewhere, I noticed, but

I could feel the skirt and blouse pressed against me, her body full and warm underneath, flushed from the alcohol. "Don't make me go." "I think you'd better." I tried to sit, but she was clinging to me too tightly. "I'll scream," she whispered into my ear, her breath hot against my neck. "You will not." I edged my way out from under her. I heard her intake of breath and knew she really meant to do it. What was wrong with her? Panicked, I rolled onto her, finding her mouth with my hand in the dark and pressing it there, hard. "Button it!" I hissed, feeling her wiggling and squirming underneath me. Her skirt was riding high up and I felt her bare thighs against mine, her skin like velvet. "Unbutton it," she murmured when I moved my hand away from her mouth, her fingers working her blouse from top to bottom between us. (Edited by Selena Kitt, stories by Molly Wens, Giselle Renarde, Amicus, Sabb, Rachelle Le Monnier, Kiki Howell, Sommer Marsden, Vicki Paradise, Jennifer Campbell, Dakota Trace, Marshall Ian Key and Karena Colcroft)-----EXCERPT (From "Spring Fever" by Giselle Renarde): Connor released a lever and the seat sloped into the trunk. So this is why people buy hatchbacks... "You want to...?" His voice was neither deeply masculine nor lilyingly feminine. It was just Connor. "So badly..." I told him, turning his skirt until the zipper at the side faced the front. Pressing a bewildered Connor down into the slanted seat, I unzipped. He took off his glasses. "Oh my God, Connor, you have the most beautiful eyes. You have no idea." Under the silk hose, he wore these old school panties like frilly boy shorts. Luckily the zipper on his tweed skirt was long enough that I could pull down his silky drawers and pull out his elusive cock. It jerked forward in my hand. As I slipped on the condom, his pink-nailed fingers strayed under the cover of my thong. They slid slowly against my pussy lips until I lunged at Connor's mouth, sucking the breath from his lungs. "God, you're a good kisser, Connor." He might have returned the compliment, had I let him up for air. I climbed on top of Connor dressed as a woman and eased him into my wet cunt. This was beyond my wildest fantasies, beyond anything I could have dreamed up. Kissing his mouth as I thrust my clit against his pelvis, I floated atop the pillowy paunch and big boobs concealed by a pink sweater. Grasping my ass, he massaged that yielding flesh in circular motions. I found the lever and pulled the seat upright, or nearly so. Wrapping my little bunny legs around his core, I moved on him slower and slower until I could feel every inch of his hard cock against every cell of my cunt. Arms around his neck, I lifted my body and descended, lifted and dropped. We stopped kissing. He looked down at me and I up at him, our magnetic noses touching. His face was bright pink under the foundation and his eyes sparkled blue. I was breathing so hard my lungs seemed to take up half my body while Connor's cock took up the other half. "I haven't been this happy since... I don't know," I wheezed, unable to break away from his penetrating gaze. "You make me so, so, so happy, Connor." The more I focused on my breath, the more rooted I became in the idea of Connor as the mighty oak in the sky that was me. He was yielding and powerful. I kissed him again, madly, pulling him into me, against me, everywhere at once. His hands were on my back, on my ass, squeezing, pressing as his tongue fought wildly against mine. My whole body quaked as my cunt latched onto the stake driving through it. It was Connor. Everything was Connor. My core leapt and locked and I fastened myself to him like an insane koala bear as he whined and yelped and threw his head over my shoulder.

Power Play: The Complete Collection Feb 03 2021 Selena Kitt's *Power Play*—where those uber-hot alpha authority figures take full advantage of their status to strike up all sorts of sexy naughtiness with their subordinates! Kelsey and the Executive: Kelsey never dreamed her first job out of college with her bachelor's degree in hand would be as a secretary. Still, she's grateful to have any job at all, with the economy at a standstill, and she consoles herself that she is, after all, an "executive" secretary to one of the most powerful men in the country. Oliver Pierce turns out to be a harsh taskmaster, and while her friends wonder how Kelsey got the job at all, with such a thin resume, Kelsey doesn't have to wonder. It becomes quite clear very quickly that her lack of experience is exactly what Oliver Pierce was looking for, and she finds herself utterly seduced, happy to be his perfect blank slate, ready to be shaped and molded and made completely his. Katie and the Dom: Katie has a secret wish—she wants to be a submissive. She dreams of being a man's sex slave—forced, bound, gagged, taken and used for a man's pleasure. But single, sedate, librarian Katie doesn't run in those circles and has no idea how to make that happen, until she sees an ad on Craigslist. Her friend, Lori, tells her it's too dangerous, and she's right. Her first Dom, Patrick, is woefully inexperienced, but thankfully, Liam interrupts his little brother's attempts. And that's when Katie locks eyes with the most dangerous man she'll ever meet. Liam is a true Dom, and he wants Katie, perhaps even more than she wants him. Emily and the Priest: Her first year away from home at Catholic college has been a disaster for shy, awkward Emily, falling in with the wrong crowd, just trying to fit in with the other girls. When Father Mark, the campus psychologist, takes her under his wing, she's more than grateful, and under his tutelage, Emily blossoms into ripe, luscious fruit, just ready to be plucked. By the time Father Mark realizes his mistake, it's too late—Emily has fallen for him, and he for her. God help them both. Ivy and the Cop: Ivy's car has broken down in the middle of the night in the middle of nowhere on the way back from a summer babysitting job, her cell phone forgotten on her dresser at home, and she's never been so grateful to see flashing lights in her rearview mirror. The rugged, gorgeous cop who comes to her rescue is sympathetic, inviting Ivy into the front seat of his cruiser where he intends to call for a tow-truck. But before he can get that far, their incessant flirting leads to Ivy's confession that she's always had a thing for cops, and officer Paxton declares himself off-duty—so he can play out Ivy's fantasy with her over the hood of the police cruiser. Bailey and the Professor: Bailey's graduate science classes are much harder than she expected them to be, and strict, young Professor Jacobs, in particular, seems out to get her, finding minute mistakes in her work, making her re-do assignments she's already meticulously completed. When he forces her to start staying late in the lab, Bailey complains to her roommate that she's about ready to quit school altogether, but what she doesn't know is that her stern professor has a carnal lesson he's waiting to teach her. Bailey is about to discover that she and Professor Jacobs share a great deal of "chemistry" together! Jodie and the Billionaire: A trip to Vegas for her best friend's bachelorette party is the perfect break from her high stress job, and it serves to be lucky for Jodie, when handsome millionaire Dorian Cole asks her to roll dice for him at the craps table. Always lucky with dice, Jodie wins him two-hundred-thousand dollars. Grateful, Dorian offers to tip her, but Jodie refuses, ready to go off with her friends to a night on the town. And that's when Jodie gets a real life indecent proposal—an invitation to be the billionaire's "date" for the weekend. Looking into the man's darkly seductive eyes—how could she possibly say no? Donnie and the Maid: Divorced Donnie hasn't had it easy since his wife abandoned him for a six-figure income with the richest man in the county, taking their daughter with her. He knows he's a bit of a daydreamer—a writer, a poet—who just can't be bothered with real world things like preparing meals or cleaning toilets. When his twelve-year-old daughter complains that Dad's house is "grody" and tells him, "Mom keeps threatening to call social services," Donnie breaks down and hires a housekeeper. Sexy little Elena is a godsend, in more ways than one, descending on his house with a feather duster and a skirt so short it takes his breath away. And while Donnie struggles to keep his lust—and his growing feelings—in check, Elena finally makes it clear that he's more than welcome to service the new maid!
