Includes the proceedings of the annual meeting of the Society. Are you "High Style" or "Boho," or maybe "Happy Modern" or "Trad with a Twist"? The legendary fabrics and wallpapers house of Schumacher shows how you can use their iconic prints and patterns to create a variety of beautiful, chic interiors in the style that most suits you. \*\*\*This book is being published with three uniquely patterned covers. Customers will be shipped any of these three different covers at random\*\*\* With a focus on Schumacher's greatest contemporary patterns--everything from classic stripes and exuberant florals to edgy animal prints--this accessible and highly useful style guide is organized thematically by chapters such as "Sensual & Spare"; "Preppy"; "Ladylike"; "Exuberant"; and "Opulent," with each featuring a stunning selection of patterns along with inspiring interiors designed in the same spirit. To help readers better understand their style preferences, every chapter begins with a questionnaire, for example: "Are You an Acolyte of High Style?" "Do You Prefer a Midnight Supper to a Power Lunch?"; "Consider Jewel Tones Neutral?"; "Think Champagne Is Not Just for Special Occasions?" Page after page after page of lavish imagery and pattern details are juxtaposed alongside beautiful interiors designed by such luminaries as Miles Redd, Tom Scheerer, Amanda Lindroth, Celerie Kemble, Veere Grenney, and Mark D.

Sikes, to name a few, illustrating how Schumacher's iconic patterns can be integrated into a wide range of chic and stylish room designs. The texts provide insights and tips on how patterns can be used in your decor, along with guidance for deciding what style is best for you and your home. Full of inspiring design ideas, as well as an unparalleled resource of prints and patterns, *S Is for Style* is a visual feast of interior design for all styles and tastes. From the New York Times bestselling authors at Garden & Gun comes a lively compendium of Southern tradition and contemporary culture. The American South is a diverse region with its own vocabulary, peculiarities, and complexities. Tennessee whiskey may technically be bourbon, but don't let anyone in Kentucky hear you call it that. And while boiling blue crabs may be the norm across the Lowcountry in South Carolina and Georgia, try that in front of Marylanders and they're likely to put you in the pot. Now, from the editors of Garden & Gun comes this illustrated encyclopedia covering age-old traditions and current culture. *S Is for Southern* contains nearly five hundred entries spanning every letter of the alphabet, with essays from notable Southern writers including: Roy Blount, Jr., on humidity Frances Mayes on the magnolia Jessica B. Harris on field peas Rick Bragg on Harper Lee Jon Meacham on the Civil War Allison Glock on Dolly Parton Randall Kenan on Edna Lewis The Lee Brothers on boiled peanuts Jonathan Miles on Larry Brown Julia Reed on the Delta Multilingualism is an ever-present feature in political contexts around the world, including multilingual states and international organizations. Increasingly, consequential political decisions are negotiated between politicians who do not share a common native language. Nils Ringe uses the European Union to investigate how politicians' reliance on shared foreign languages and translation services affects politics and policy-making. Ringe's research illustrates how multilingualism is an inherent and consequential feature of EU politics—that it depoliticizes policy-making by reducing its political nature and potential for conflict. An atmosphere with both foreign language use and a reliance on translation leads to communication that is simple, utilitarian, neutralized, and involves commonly shared phrases and expressions. Policymakers tend to disregard politically charged language and they are constrained in their ability to use vague or ambiguous language to gloss over disagreements by the need for consistency across languages. The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, *The Blue Book of Grammar and Punctuation* includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, *The Blue Book of Grammar and Punctuation* offers comprehensive, straightforward instruction.
