In 2020, Penguin Random House Mexico published *El Poder de Poder* (The Power of Empowerment) by Paula Santilli, Mónica Bauer and Marty Seldman. Paula is CEO of Pepsico Latin America, a top female CEO in Latin America and selected as one of Forbes 100 Most Powerful Women in the World. At the time, Mónica was her head of public affairs and communication. Recently, she was promoted to a similar role at Pepsico worldwide headquarters. Since that book was published, the authors have delivered speeches, workshops and seminars to thousands of women around the world. The positive responses encouraged them to bring out an enhanced English edition full of case studies, dozens of practical skills and techniques, self assessments and inspirational profiles of 9 international female leaders. In their new book, *Power, Presence and Protection*, they are joined by Jovita Thomas-Williams, a senior Human Resource executive at Massachusetts General Hospital. Over many years Jovita has taught the 12 Rules to both women and men of color. She shares her insights in a powerful chapter, "The 12 Rules for Women of Color." When you read *A Woman's Guide to Power, Presence, and Protection*, you will: ? Sharpen your knowledge about power, and how power shapes what gets rewarded and recognized in your organization. ? Detect to protect: learn how to "see it coming" and protect yourself from power plays, stolen credit, tarnished reputation, and marginalization. ? Create a fair, accurate picture of your contributions, talent and potential. ? Demonstrate the right kind and

amount of self promotion to keep the pace and progression of your career on a positive trajectory.? Master the verbal and nonverbal aspects of Executive Presence so that you and your ideas will receive serious consideration.? Learn the basic practices of "healthy selfishness" to preserve your time and energy and set yourself up for success. A practical, user-friendly guide for women seeking focus and calm in the midst of life's storms. Overwhelmed by the demands of family, work, and multiple responsibilities, many women find themselves feeling scattered, and distracted. In this eye-opening book, co-founder and CEO of the Mindsight Institute, Caroline Welch takes readers on a mindfulness journey to help them de-stress and cultivate inner peace. According to Welch, you do not need countless hours sitting in silence to be more present in your life--the key is to practice mindfulness wherever you are and whenever you can. The Gift of Presence guides readers in developing four innate capacities we all possess that will allow us to become more resilient and centered in our lives--even when life is throwing all that it has at us: Presence: the ability to remain firmly in the present moment; to be fully aware of what's happening as it's happening. Purpose: the personal meaning that gets us going and gives direction to our lives. Pivoting: an openness to change that allows you to switch direction if that is what is needed. Pacing: the awareness that it is impossible to do everything we want or need to do all at once; the ability to take life one step at a time. This life-changing book reveals that you already hold in your hands the keys to a more harmonious life--you simply need to look within. Women's Voices in Management examines a wide array of women's voices across different geo-political, social and organizational contexts in management. Extant research provides clear evidence on gendering in organizations throughout all the ranks including top management. This innovative study analyses the presence of Ovid in contemporary women's writing through a series of insightful

case studies of prominent female authors, from Ali Smith, Marina Warner, and Marie Darrieussecq, to Alice Oswald, Saviana Stănescu, and Yoko Tawada. Using Ovid in their engagements with a wide range of issues besetting our twenty-first century world - homelessness, refugees, the financial crisis, internet porn, anorexia, body image - these writers echo the poet's preoccupation in his own work with fleeting fame, shape-shifting, and the dangers of immediate gratification, and make evident that these concerns are not only quintessentially modern, but also peculiarly Ovidian. Moving beyond the concern of second-wave feminism with recovering silenced female voices and establishing a female perspective within canonical works, the volume places particular emphasis on the intersections between Ovid's imaginative universe and the political and aesthetic agenda of third-wave feminism. Focusing on its subjects' socially and politically charged re-shapings, re-imaginings, and receptions of Ovid, it not only demonstrates the extraordinary plasticity of his writing, but also of its myriad recastings and re-contextualizations within contemporary culture (in terms of genre alone, the works discussed included translations, poetry, plays, novels, short stories, and memoirs). In so doing, it not only offers us a valuable perspective on the work of the selected female authors and a new and vital landmark in the history of Ovidian reception, but also reveals to us an Ovid who remains our contemporary and an enduring source of inspiration. Open your eyes to the wonder God has waiting for you. In the midst of our busy schedules and the constant distractions our culture offers us, it can be difficult to feel God and see the way he's working in our lives. He is the creator of the universe, the author of salvation, the beginning and end of everything that is--but that doesn't mean he's far away. The truth is, God is revealing himself to us all the time, in even the littlest details of our everyday. If we can only slow down and open our eyes to see it, we can begin to catch glimpses of him wherever

we are and whatever our circumstances may be. In *A Minute of Presence for Women*, spend a year retreating with God--and awaken your heart to his wonder all around you. The presence of women in Congress is at an all-time high -- approximately one of every five members is female -- and record numbers of women are running for public office for the 2018 midterms. At the same time, Congress is more polarized than ever, and little research exists on how women in Congress view their experiences and contributions to American politics today. Drawing on personal interviews with over three-quarters of the women serving in the 114th Congress (2015-17), the authors analyze how these women navigate today's stark partisan divisions, and whether they feel effective in their jobs. Through first-person perspectives, *A Seat at the Table* looks at what motivates these women's legislative priorities and behavior, details the ways in which women experience service within a male-dominated institution, and highlights why it matters that women sit in the nation's federal legislative chambers. It describes the strategies women employ to overcome any challenges they confront as well as the opportunities available to them. The book examines how gender interacts with political party, race and ethnicity, seniority, chamber, and district characteristics to shape women's representational influence and behavior, finding that party and race/ethnicity are the two most complicating factors to a singular narrative of women's congressional representation. While congresswomen's perspectives, experiences, and influence are neither uniform nor interchangeable, they strongly believe their presence matters in myriad ways, affecting congressional culture, priorities, processes, debates, and outcomes. Everyone, regardless of position or personality, can strengthen their presence. *The Power of Presence* shows how. When some people speak, everyone listens. When they need commitment to projects, others jump on board. They just seem to have that indescribable “presence”--a subtle magnetic field around them

wherever they go that signals authority and authenticity and attracts disciples with ease. Wouldn't it be incredible if doors opened as effortlessly for you? How amazing would it be if you could command the room like they do? You don't have to wonder; you can make it happen! Filled with strategies, exercises, and personal stories from years spent coaching leaders, communications expert Kristi Hedges explains how to: Build relationships based on trust Rid yourself of limiting behaviors Embody the values you are trying to convey Explore how others see you and correct misperceptions Communicate in way that inspire The key is to cultivate the communication aptitude, mental attitude, and unique leadership style needed to connect with and motivate others. Everyone recognizes a commanding presence when they see it, and soon they'll see it in you! Many of us experience being overly sensitive and more reactive than we'd like to be throughout the day at work, but why? When we are overly reliant on external validation and reactive to external pressures--driven by fear of judgment, criticism, and failure--we lose our composure. The good news is, like any important skill, composure is something you can learn and cultivate by creating strong personal boundaries, building confidence, developing self-awareness, and aligning yourself and your values. This is what is explored profoundly in this book. Drawing on more than twenty years of experience as corporate executives, executive coaches, and their expertise in neurolinguistics and trauma and PTSD therapy, Kate Purmal and her colleagues Lee Epting and Joshua Isaac Smith deliver a unique approach to navigating work environments that don't feel psychologically safe. Using proven techniques, Composure shows how you can compose yourself to elevate your presence at work, at home, and, ultimately, within yourself. Stop Underestimating Yourself. You are capable of far more than you know. The most successful women are often not the most talented, the most gifted, or even the most experienced. What these

women have is a knack for communicating that opens doors and gives them influence. Gleaning from powerful research, bestselling author and life strategist Valorie Burton unearths practical insights you can put to work in your life immediately. Scientific studies are proving what the ancient wisdom of Scripture has shown all along: The power of life and death lies in the very words you speak. Let Valorie teach you how to... recognize the nuances in speech that can mean the difference between success and failure increase your influence by changing what you think and say in critical moments speak accurately about yourself so you don't sabotage your most meaningful goals boost your confidence by making simple tweaks to your everyday speech Your words are powerful tools. It's time to use them to build the life you really want. Are you "leadership material?" More importantly, do others perceive you to be? Sylvia Ann Hewlett, a noted expert on workplace power and influence, shows you how to identify and embody the Executive Presence (EP) that you need to succeed. You can have the experience and qualifications of a leader, but without executive presence, you won't advance. EP is an amalgam of qualities that true leaders exude, a presence that telegraphs you're in charge or deserve to be. Articulating those qualities isn't easy, however. Based on a nationwide survey of college graduates working across a range of sectors and occupations, Sylvia Hewlett and the Center for Talent Innovation discovered that EP is a dynamic, cohesive mix of appearance, communication, and gravitas. While these elements are not equal, to have true EP, you must know how to use all of them to your advantage. Filled with eye-opening insights, analysis, and practical advice for both men and women, mixed with illustrative examples from executives learning to use the EP, Executive Presence will help you make the leap from working like an executive to feeling like an executive. "Personal presence is difficult to define but easy to recognize. People with presence carry themselves in a way

that turns heads. When they talk, people listen. When they ask, people answer. When they lead, people follow. Personal presence can help you get a date, a mate, a job, or a sale. It can help you lead a meeting, a movement, or an organization. Presence is not something you're born with—anyone can learn these skills, habits, and traits. Award-winning speaker and consultant Dianna Booher shows how to master dozens of small and significant things that work together to convey presence. She details how body language, manners, and even your surroundings enhance credibility and build rapport. You'll learn to use voice and language to demonstrate competence, deliver clear and memorable messages, and master emotions. You'll learn to think strategically, organize ideas coherently, and convey to others genuine interest, integrity, respect, and reliability. Take her self-assessment to measure your progress. With Dianna Booher's expert, entertaining advice, you can have the same kind of influence as the most successful CEOs, celebrities, and civic leaders. " BRING THE TECHNIQUES OF THE STAGE TO THE BOARDROOM. For more than a decade, Belle Linda Halpern and Kathy Lubar have applied the lessons and expertise they have learned as performing artists to the work of their company, The Ariel Group. Halpern and Lubar have helped tens of thousands of executives at major companies around the country and the globe, including General Electric, Mobil Oil, Capital One, and Deloitte. In Leadership Presence, they make their time-tested strategies available to everyone, from high-profile CEOs to young professionals seeking promotion. Their practical, proven approach will enable you to develop the skills necessary to inspire confidence, command respect, build credibility, and motivate others. Halpern and Lubar teach you: • How to handle tough situations with heightened confidence and flexibility • How to build your relationships to enhance collaboration and business development • How to express yourself dramatically and motivate

others • How to integrate your personal values into communication to inspire others and become a more effective leader Learning the skills of the true performance experts, readers will understand why Leadership Presence is the key to dynamic and authentic leadership. Get the Key to the Boardroom with Powerful Executive Presence! “This book can be a key aid in helping you make it to the next level! Great coaching for anyone who is even thinking of becoming an executive!” Marshall Goldsmith, New York Times bestselling author of What Got You Here Won’t Get You There “On the corporate battlefield a true leader’s success is based upon his or her ability to communicate effectively, persuade others to follow a goal, and execute it. This leads to success for all. When the stakes are high, you’re well advised to read this book first.” Scott A. Gaines, vice president, Hertz Corporation “If you are seriously looking to be perceived in the light you choose, Executive Presence is the book that not only answers the question, but shows you how to apply the answers.” Kevin Hogan, author of The Psychology of Persuasion “Harrison Monarth is a first-rate thinker who writes as clearly as he thinks. No matter where you are on the career ladder, Executive Presence will put you a step ahead of your competition.” T. Scott Gross, author of Positively Outrageous Service “Most people know that to move up in your career, you need to have self-awareness and the ability to manage the perceptions of those whose opinions count. . . . Executive Presence is your comprehensive guide to help you become more proficient at self-marketing and the art of ethical persuasion to achieve your personal and professional goals.” Larina Kase, PsyD, MBA, author of The Confident Leader and coauthor of the New York Times bestseller The Confident Speaker About the Book An expert in coaching high-level players in the art of perception management, Harrison Monarth reveals the critical difference between CEOs and those of us who wish to be CEOs. It’s not a matter of intelligence, connections, or luck. It

can be summed up in two words: executive presence. While most of us toil in obscurity and expect great things to follow, those on the path to corporate leadership spend their time perfecting the types of leadership communication skills that generate respect and get others to share their vision. They use these skills to establish how they are perceived by others and to manage their reputation throughout the organization. In other words, these soon-to-be top players have developed the presence of an executive through careful image management—and they make sure they have the goods to back it up. In *Executive Presence*, Monarth shows how you can seize control of your own career using the same skills. Inside, he explains how to: Accurately “read” people and predict their behavior Influence the perceptions of others Persuade those of opposing views to your side Create and maintain a personal “brand” Manage and control your online reputation Perform damage control when things go wrong Monarth’s conclusions aren’t based solely on his keen insight and extensive experience; they’re the result of the latest scientific research in interpersonal communication and human behavior. Talent and skills are important, but they alone won’t take you to the top of your organization. People reach highly influential positions because they deeply understand the power of perception and know how to leverage it in their favor. The good news is, anyone with the will to succeed can do it. *Executive Presence* provides all the techniques you need to take your career to the highest level of any organization. Breaking through glass ceilings in the workplace is dangerous business. There is now an easier (and safer) way for women to rise and succeed professionally. *The Glass Elevator: A Guide to Leadership Presence for Women on the Rise* shares the 9 critical skills that will enhance your ability to engage, connect, and influence in the workplace. Have you been holding yourself back by: - Not speaking up at meetings when you have value to add? - Failing to promote yourself to seniors in the

workplace? - Shying away from challenges because you lack confidence? - Neglecting your networking inside and outside the company? - Living in a state of overwhelm at home and work? The author - one of New York's leading Executive Coaches - will teach you how to stop retreating and start ascending, employing the same expertise she uses to help her executive clients rise to the top. With Ground Floor Quizzes, Elevator Workouts, and Power Profiles of women leaders, this engaging book helps you master the must-have skills that will propel you upward. Pursue your professional aspirations one floor at a time by riding The Glass Elevator. A leading executive coach pinpoints three vital traits necessary to advance your career In Getting Ahead, one of the top 50 executive coaches in the United States, Joel Garfinkle reveals his signature model for mastering three skills to take your career to the next level: Perception, Visibility, and Influence. The PVI-model of professional advancement will teach you to: (1) Actively promote yourself as an asset and valuable person inside the organization, (2) Increase your visibility to gain others' recognition and appreciation for your efforts and (3) Become a person of influence who makes key decisions inside the organization. Getting Ahead will put you ahead of the competition to become a known, valued, and desired commodity at your company. For more than two decades, Joel Garfinkle has worked closely with thousands of executives, senior managers, directors, and employees at the world's leading companies, and has authored 300 articles on leadership Offers detailed guidance on how to increase exposure, boost visibility, enhance perceived value for your organization, and ultimately achieve career advancement Explains how to get your name circulating among higher levels of management so others know you, see your results, and acknowledge the impact you bring to the company You know you've got what it takes to lead. But are you going to get a shot at the job you deserve? When it comes to women getting

to the top, experience and qualifications simply aren't enough. Without 'executive presence' - a perception that demonstrates you're in charge or deserve to be - your career path will eventually be blocked. So if you're aiming for the head of the table, not just any seat, managing your executive presence is the 'It' factor that puts you in the running. Being perceived as a leader makes the difference between successfully advancing through the ranks vs. just plateauing. This factor holds true far more for women. In this engaging and insightful "bible" for women on the rise, executive coach and corporate communications expert Coni Judge, PhD draws on the latest research and over 20 years working with some of the world's biggest companies. Filled with eye-opening insights, analysis and practical advice, Coni will help you be seen as having what it takes to be a true leader. The most comprehensive Executive Presence resource targeted at helping women, you'll learn Coni's breakthrough 'Five Facets' model and how to: - Take command while being likeable and authentic - Build effective relationships that lead to being promoted - Look like a leader and avoid common image mistakes many women make - Project competence and inspire confidence through body language and personal energy - Tackle difficult conversations with your boss and subordinates - Manage corporate social protocols with ease - Navigate potential leadership obstacles that only women face: including motherhood, mean girl syndrome, and relationships A recognized leader in the emerging field of executive presence for women, Coni Judge, PhD, M.S.S., is the founder of Eden Communication Strategies and Eden Image Consulting. For more than 20 years, she's worked with companies, entrepreneurs and business leaders globally on change and transformation. Find Coni at [www.linkedin.com/in/conijudge](http://www.linkedin.com/in/conijudge) and download bonus materials at [www.coni.london](http://www.coni.london). Yet they have hardly been empirically investigated. This book analyzes the changes in the representation of women

in Iranian cinema since the 1960s, and investigates the reasons and motives for this. Iranian cinema, both before and after the Islamic Revolution, has been closely monitored by the ruling power, and has been utilized to relay messages and information that comply with the ruling ideology. However, it was only after the 1979 Revolution and the subsequent legitimization of cinema by the Islamic rule that cinema became widely accessible to the general public. Within this context, this book explores the changing roles of women in film production and their representation in films made between the 1960s and 2000s. Although some aspects of women's lives became stricter after the revolution, it was in the late 1980s that women took a prominent role both behind and in front of the camera for the first time. It is demonstrated here that such shifts were due to several factors, including factionalism within the Islamic Republic, shifts in the Iranian film industry, and the emergence of a group of highly educated film production teams, in addition to the fuller integration of women into the film industry, which is analyzed in particular detail. This study explores a number of representative female-centric films, with a focus on their cultural, social and cinematic contexts. Discussing these films with respect to the representation of women, it uses textual analysis as its base methodology. Interviews conducted with filmmakers and people active in the industry also serve to place the films into their historical, social, and political context. In this inspiring 30-day devotional from Navigator author Cynthia Heald, women of all ages will be encouraged to draw closer to God by embracing His relentless, passionate pursuit of those He loves. Strong Bible teaching, compelling insights, and personal stories will encourage you to think deeply about your identity in Christ. As you take time daily to rest in God, find peace, and revive your spirit, you will grow your relationships with others—and with God. One of the most hotly-contested debates in contemporary democracy revolves around issues of political presence, and

whether the fair representation of disadvantaged groups requires their presence in elected assemblies. Representation as currently understood derives its legitimacy from a politics of ideas, which considers accountability in relation to declared policies and programmes, and makes it a matter of relative indifference who articulates political preferences or beliefs. But what happens to the meaning of representation and accountability when we make the gender or ethnic composition of elected assemblies an additional area of concern? In this innovative contribution to the theory of representation - which draws on debates about gender quotas in Europe, minority voting rights in the USA, and the multi-layered politics of inclusion in Canada - Anne Phillips argues that the politics of ideas is an inadequate vehicle for dealing with political exclusion. But rejecting any essentialist grounding to group identity or group interest, she also argues against any either/or choice between ideas and political presence. The politics of presence then combines with contemporary explorations of deliberative democracy to establish a different balance between accountability and autonomy. Series description Oxford Political Theory presents the best new work in contemporary political theory. It is intended to be broad in scope, including original contributions to political philosophy, and also work in applied political theory. The series contains work of outstanding quality with no restriction as to approach or subject matter. The series editors are David Miller and Alan Ryan. `the latest, thoughtful contribution in Anne Phillip's ongoing enquiry into issues of equality, gender and democracy...an excellent contribution to democratic theory'. Political Studies Find your signature voice People are drawn to and influenced by leaders who communicate authentically, connect easily with people, and have immediate impact. So how do you become one of them? How can you learn to “own the room”? This book will help you develop your leadership presence. According to Amy Jen Su and Muriel

Maignan Wilkins, leadership presence is the ability to consistently and clearly articulate your value proposition while influencing and connecting with others. They offer a simple and compelling framework, as well as practical advice about how you can develop your own personal presence. No matter where you sit in an organization, you can “own the room” if you are able to do two things well: first, demonstrate your authentic value and distinction, and second, connect to others in a positive way. Leaders who are able to be authentic while connecting with and impacting others have what the authors call a “signature voice”—a means of self-expression that is uniquely and distinctly their own. Once you discover and express your own signature voice, you’ll be ready to take your leadership presence to the next level. Filled with real-life stories and examples, *Own the Room* demystifies the concept of presence and gives you the tools you need to identify and embrace your unique leadership voice—and have a greater impact on the world around you. **MORE THAN HALF A MILLION COPIES SOLD:** Learn the simple techniques you'll need to approach your biggest challenges with confidence. Have you ever left a nerve-racking challenge and immediately wished for a do over? Maybe after a job interview, a performance, or a difficult conversation? The very moments that require us to be genuine and commanding can instead cause us to feel phony and powerless. Too often we approach our lives' biggest hurdles with dread, execute them with anxiety, and leave them with regret. By accessing our personal power, we can achieve "presence," the state in which we stop worrying about the impression we're making on others and instead adjust the impression we've been making on ourselves. As Harvard professor Amy Cuddy's revolutionary book reveals, we don't need to embark on a grand spiritual quest or complete an inner transformation to harness the power of presence. Instead, we need to nudge ourselves, moment by moment, by tweaking our body language, behavior, and mind-

set in our day-to-day lives. Amy Cuddy has galvanized tens of millions of viewers around the world with her TED talk about "power poses." Now she presents the enthralling science underlying these and many other fascinating body-mind effects, and teaches us how to use simple techniques to liberate ourselves from fear in high-pressure moments, perform at our best, and connect with and empower others to do the same. Brilliantly researched, impassioned, and accessible, *Presence* is filled with stories of individuals who learned how to flourish during the stressful moments that once terrified them. Every reader will learn how to approach their biggest challenges with confidence instead of dread, and to leave them with satisfaction instead of regret. "Presence feels at once concrete and inspiring, simple but ambitious — above all, truly powerful." —New York Times Book Review

Executive presence matters. When 400 CEOs were asked how they choose next-level leaders, 89% of them said they looked for one critical trait—executive presence. This quality is crucial for professional success. In *Executive Presence*, Joel Garfinkle shows you how to step into your power, convey confidence, and lead with conviction. As you rise in your organization, your executive presence must keep pace with your growth. The higher the stakes, the more you need that power and presence. Using extensive original research gleaned from studying executive presence for more than 15 years, Joel has uncovered the 9 essential qualities of executive presence. His 3x3 Executive Presence Model doesn't just explain executive presence for the modern leader—it walks you step by step through exercises and strategies for cultivating each essential element. Methodically explaining how to master each one, he equips you with a personalized plan for growth, demystifies what executive presence is, and debunks misconceptions that hold you back. This book provides the blueprint for how to master 3 key executive presence domains. 1. Radiate gravitas. 2. Act with authority. 3. Express yourself fully. In *Executive*

Presence, you'll learn how to: - Radiate the commanding, self-assured presence of a high-level leader. - Bring power, conviction, and a strong point of view to your presentations. - Move from passivity and self-doubt to self-assurance and bold decision-making. - Exude a professional magnetism that influences others at every level. - Cultivate and leverage charisma in all your interactions. - Communicate in a clear, crisp, and concise way. Maybe you've come across the term "executive presence" in HBR, but you couldn't adequately define it-let alone begin to grow it. This book will change that. As you delve into the lessons from Executive Presence, you'll join top-ranking organizational leaders who know how to influence others and drive extraordinary results. Whether you're a rising star or CEO, Executive Presence will guide you in leading a high-performing team. Moving from passivity and self-doubt to self-assurance and bold decision-making, you'll become the high-impact leader who propels your organization forward. Executive Presence is for women, people of color, and other employees from marginalized groups who are too often underappreciated, which causes companies to miss out on their full range of talent. By cultivating executive presence, women and any overlooked employees can smash through the glass ceiling and gain the recognition they deserve. If you're in one of these demographics, growing your executive presence will allow you to leap over the barriers you may encounter in your career. What's the key differentiator between this Executive Presence book and its competitors (Sylvia Ann Hewlett's Executive Presence: The Missing Link Between Merit and Success, Paul Aldo's Understanding Executive Presence, Debra A. Benton's Executive Presence for the Modern Leader, and Harrison Monarth's Executive Presence, Second Edition)? The 3x3 Executive Presence Model provides a clear, structured blueprint for developing the most important facets of executive presence. Learn about the 3 domains - gravitas, authority, and

expression - that act as the foundational pillars holding up the 9 executive presence competencies. Lead with charisma and confidence. Many leaders consider "executive presence" a make-or-break factor in high-powered promotions. But what is this elusive quality, and how do you develop it? This book explains how to build the charisma, confidence, and decisiveness that top leaders project. Whether you're delivering a critical presentation or managing a hectic meeting, you'll be inspired to approach the situation with new strength. This volume includes the work of: Deborah Tannen Amy J. C. Cuddy Amy Jen Su This collection of articles includes "Deconstructing Executive Presence," by John Beeson; "How New Managers Can Send the Right Leadership Signals," by Amy Jen Su; "To Sound Like a Leader, Think About What You Say, and How and When You Say It," by Rebecca Shambaugh; "Connect, Then Lead," by Amy J. C. Cuddy, Matthew Kohut, and John Neffinger; "The Power of Talk: Who Gets Heard and Why," by Deborah Tannen; and "Too Much Charisma Can Make Leaders Look Less Effective," by Jasmine Vergauwe, Bart Wille, Joeri Hofmans, Robert B. Kaiser, and Filip De Fruyt. HOW TO BE HUMAN AT WORK. The HBR Emotional Intelligence Series features smart, essential reading on the human side of professional life from the pages of Harvard Business Review. Each book in the series offers proven research showing how our emotions impact our work lives, practical advice for managing difficult people and situations, and inspiring essays on what it means to tend to our emotional well-being at work. Uplifting and practical, these books describe the social skills that are critical for ambitious professionals to master. Who's pulling for you? Who's got your back? Who's putting your hat in the ring? Odds are this person is not a mentor but a sponsor. Mentors can build your self-esteem and provide a sounding board—but they're not your ticket to the top. If you're interested in fast-tracking your career, what you need is a sponsor—a senior-

level champion who believes in your potential and is willing to advocate for you as you pursue that next raise or promotion. In this powerful yet practical book, economist and thought leader Sylvia Ann Hewlett—author of ten critically acclaimed books, including the groundbreaking *Off-Ramps and On-Ramps*—shows why sponsors are your proven link to success. Mixing solid data with vivid real-life narratives, Hewlett reveals the “two-way street” that makes sponsorship such a strong and mutually beneficial alliance. The seven-step map at the heart of this book allows you to chart your course toward your greatest goals. Whether you’re looking to lead a company or drive a community campaign, *Forget a Mentor, Find a Sponsor* will help you forge the relationships that truly have the power to deliver you to your destination. This book looks at the representation of female characters in French comics from their first appearance in 1905. Organised into three sections, the book looks at the representation of women as main characters created by men, as secondary characters created by men, and as characters created by women. It focuses on female characters, both primary and secondary, in the francophone comic or *bande dessinée*, as well as the work of female *bande dessinée* creators more generally. Until now these characters and creators have received relatively little scholarly attention; this new book is set to change this status quo. Using feminist scholarship, especially from well-known film and literary theorists, the book asks what it means to draw women from within a phallogentric, male-dominated paradigm, as well as how the particular medium of *bande dessinée*, its form as well as its history, has shaped dominant representations of women. This is the first book to study the representation of women in the French-language drawn strip. There are no other works with this specific focus, either on women in Franco-Belgian comics, or on the drawn representation of women by men. This is a very useful addition to both general discussions of French-language comics, and to

discussions of women's comics, which are focused on comics by women only. As it is written in English, and due to the popularity of comic art in Britain and the United States, this book will primarily appeal to an Anglo-American market. However, the cultural and gender studies approach this text employs (theoretical frameworks still not widely seen in non-Anglophone studies of the bande dessinée) will ensure that the text is also of interest to a Franco-Belgian audience. With a focus on an art-form which also inspires a lot of public (non-academic) enthusiasm, it will also appeal to fans of the bande dessinée (or wider comic art medium) who are interested in the representation of women in comic art, and to comics scholars on a broad scale. Shital Kakkar Mehra, India's leading Executive Presence coach and bestselling author, has trained numerous CEOs and star performers over the last two decades. In this book, she has shared her proven POISE formula for success; tools to help you maximize your potential and fast-track your career to the coveted role of a CEO. Executive Presence is the mysterious 'it' factor in leadership. How do you present yourself? Are you assertive? Do you inspire confidence? How do you engage with stakeholders? Crack the code on Executive Presence with: Physical Presence: Refine body language skills. Online Presence: Build your global personal brand. Influencer Presence: Master executive maturity; learn to 'speak up'. Stage Presence: Inspire teams with effective public-speaking skills. Engagement Presence: Build strong and diverse networks Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually

designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*. "This splendid reference describes every woman in Jewish and Christian scripture . . . monumental" (Library Journal). In recent decades, many biblical scholars have studied the holy text with a new focus on gender. *Women in Scripture* is a groundbreaking work that provides Jews, Christians, or anyone fascinated by a body of literature that has exerted a singular influence on Western civilization a thorough look at every woman and group of women mentioned in the Bible, whether named or unnamed, well known or heretofore not known at all. They are remarkably varied—from prophets to prostitutes, military heroines to musicians, deacons to dancers, widows to wet nurses, rulers to slaves. There are familiar faces, such as Eve, Judith, and Mary, seen anew with the full benefit of the most up-to-date results of biblical scholarship. But the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names. Combining rigorous research with engaging prose, these articles on women in the Hebrew Bible, the Apocryphal/Deuterocanonical Books, and the New Testament will inform, delight,

and challenge readers interested in the Bible, scholars and laypeople alike. Together, these collected histories create a volume that takes the study of women in the Bible to a new level. Sunny Taylor is an American nurse who hides behind a mask of crisp professionalism at a Finnish convalescent hospital called Suvanto. On a late-summer day, a new patient arrives on Sunny's ward, and soon Suvanto's reliable calm begins to show signs of strain. As summer turns to fall, and fall to a long, dark winter, the escalating menace of *Your Presence Is Requested at Suvanto* - Maile Chapman's astonishing debut novel - builds to a terrifying conclusion. #1 New York Times bestselling author Karen Kingsbury shares a collection of inspiring true stories from women whose faith has sustained them through monumental trials. For mothers, wives, sisters, and friends, this book will uplift the hearts of its readers through accounts of faith proving triumphant over any obstacle. The book that cracks the code on executive presence: what it is, why it matters, and how you can achieve it. You know it when you see it. That rare combination of qualities that makes a truly great leader. Until now, executive presence has been hard to define and even harder to develop. But after years of extensive research, executive coach and bestselling author Suzanne Bates and her team have identified the 15 traits you need to be all the leader you can be. Using the research-based, scientifically-grounded Bates Executive Presence Index—Bates ExPITM—you can assess your ability to influence results and maximize your impact, scientifically and systematically. With this proven approach, you can: \* Develop your presence in and out of the boardroom \* Engage, inspire, align, and move others to act and succeed \* Strengthen teams, drive change, and lead with incredible confidence \* Make a real and lasting impact on your company, your career, and your life Bates' groundbreaking approach to enhancing executive presence is not a one-size-fits-all plan. Since every leader is different, the book shows you how to measure your

individual qualities using a three-dimensional model of your character, substance, and style. You'll discover how perceptions of 15 distinct facets of your leadership style, such as authenticity, integrity, composure, vision, and intentionality, are proven to help you drive results. . You'll learn how to leverage your strengths, improve your weaknesses, and develop an executive presence that is uniquely your own. Whether you're taking on a new executive position, facing new and exciting challenges, trying to build better and stronger team, or developing new emerging leaders within your organization, All the Leader You Can Be has all the guidance you need to achieve extraordinary executive presence. Reach your professional goals with strategies for building executive presence Whether you want to land a new job, succeed in your current role, secure a promotion, or change career paths, having up-to-date leadership skills is essential. Executive Presence for the Modern Leader is full of expert guidance and actionable steps for progressing in your career. You'll build the skills necessary to be more memorable, credible, and confident in the workplace. Skill-building exercises--Strengthen your executive presence with thought-provoking writing prompts, business etiquette exercises, and more. A modern, inclusive approach--Read real stories about diverse leaders who embody executive presence at different stages of their careers. Take your leadership skills to the next level and thrive at work. "What do the feasts of the liturgical year look like when seen from the perspective of women? How do traditions become enriched when we remember the women who have handed them down? From "Clare and Clairol" to "The Making of

Love: An ABC," Fragments of Real Presence offers us a landscape of insights throughout the liturgical calendar. Each fragment is a different kind of meditation - a hymn, a theological reflection, a historical discussion, a poem - giving us new ways to see with the eyes of women past and present. From their experience, our own spiritual experience of the traditions and the possibilities for the future will be enhanced and deepened."--BOOK JACKET. Contains seven essays. Three of them use only pictures. Examines the relationship between what we see and what we know. From the female soldiers of Abu Ghraib prison to Palestinian women suicide bombers, women and their bodies have been "powerful weapons" in the Afghanistan and Iraq wars. Kelly Oliver reveals how the media and the George W. Bush administration used metaphors of weaponry to describe women and female sexuality and forge a link between vulnerability and violence. Oliver analyzes the discourse surrounding women, sex, and gender and the use of women to justify America's decision to go to war. She also considers the cultural meaning, or lack of meaning, that lead female soldiers at Abu Ghraib to abuse prisoners "just for fun," and the commitment to death made by women suicide bombers. She examines the pleasure taken in violence and the passion for death and what kind of contexts creates them. Oliver concludes with a diagnosis of our fascination with sex, violence, and death and its relationship with live news coverage and embedded reporting, which naturalizes horrific events and stymies critical reflection. Leadership presence doesn't come with a title or promotion - good leaders develop presence over time. Leadership presence is how you show up and contribute to meetings, and whether or not you can project confidence and poise under pressure - do you already have a presence? Leadership presence is that elusive "we know it when we see it" quality. You may have a leadership title or tremendous leadership potential, but that alone does not give you presence. Being perceived as a leader when

interacting with customers, peers or executives is the essence of leadership presence. Your leadership presence is evaluated by others based on how you show up and contribute in meetings, how well you project confidence and keep poise under pressure and whether you can engage others in ways that are authentic, empathetic and motivational. Stand Out walks you through achieving this presence so you get that next promotion and give your career that extra boost. Stand Out explains that the goal of leadership presence is to align other people's impression of you with your best authentic self. Body language expert and executive coach Carol Kinsey Goman teaches the five essential skills needed: composure, connection, confidence, credibility and charisma. She also explains how leadership presence is different for women, how nonverbal communication builds or destroys presence and why self-promotion is essential. This book shows aspiring and experienced leaders alike how to more positively influence the impression they make on others. Whether he's conscious of it or not, a man's mother is the model for just about every relationship with a woman he has for the rest of his life. Sometimes it's obvious (just ask his wife or girlfriend), sometimes it's more subtle, but when you see it, it becomes crystal clear. For fifteen years, this book has helped men understand their mothers' pervasive influence over the way they relate to women—both the positive and negative aspects of it. But more than that, it has helped thousands of men break free of old relationship patterns. Gurian gives men a wealth of practical exercises and meditations they can use to recognize their mothers' influence in relationships, and to establish a healthy and rewarding new basis for relationships that will benefit themselves and the women in their lives as well. This new edition of the book formerly titled Mothers, Sons, and Lovers includes a new preface and study questions by the author. Lead Like A Woman guides women to see more of who they really are, and get more of what they truly want, helping

women uncover the stories and blocks that hold them back, and giving them the tested roadmap and tools to create the career and life they long for. If you are a woman seeking more confidence, to build your personal brand, find a mentor or sponsor, or create a wellbeing plan that works, this book will help. It's for you if your goal is to step into your presence and personal power and become the authentic leader you have always wanted to be. And it's for you if you finally want to unhook yourself from the stories that hold you back, and get the roadmap to live and lead like you long to. For leaders, this book will provide the searing insights you need to understand the professional woman's journey, as well as provide tools and coaching for you to become a leader who can actually make a positive impact for women at work. With each chapter including a "For Leaders" coaching section, this book will prove invaluable in your own journey to help unlock women's potential-and your own. The Lead Like A Woman journey fuses the latest research from positive psychology, neuroscience, gender science, leadership development, and wellbeing, with real stories of what it's like to work in a world that is still dominated by masculine modes of leadership and success. Sharing cutting-edge models on authentic leadership, how to understand gender mindsets, and leverage feminine traits to lead and live better, it will forever change the way you view your career, your leadership, and your life.
