The Strange and Beautiful Sorrows of Ava Lavender Apr 29 2021 A 2015 William C. Morris YA Debut Award Finalist
Magical realism, lyrical prose, and the pain and passion of human love haunt this hypnotic generational saga. Foolish love appears to be the Roux family birthright, an ominous forecast for its most recent progeny, Ava Lavender. Ava — in all other ways a normal girl — is born with the wings of a bird. In a quest to understand her peculiar disposition and a growing desire to fit in with her peers, sixteen-year old Ava ventures into the wider world, ill-prepared for what she might discover and naive to the twisted motives of others. Others like the pious Nathaniel Sorrows, who mistakes Ava for an angel and whose obsession with her grows until the night of the summer solstice celebration. That night, the skies open up, rain and feathers fill the air, and Ava's quest and her family's saga build to a devastating crescendo. First-time author Leslye Walton has constructed a layered and unforgettable mythology of what it means to be born with hearts that are tragically, exquisitely human.

The Price Guide to the Occult Feb 20 2023 From the author of *The Strange and Beautiful Sorrows of Ava Lavender* comes a haunting maelstrom of magic and murder in the lush, moody Pacific Northwest. When Rona Blackburn landed on Anathema Island more than a century ago, her otherworldly skills might have benefited friendlier neighbors. Guilt and fear instead led the island's original eight settlers to burn "the witch" out of her home. So Rona cursed them. Fast-forward one hundred—some years: All Nor Blackburn wants is to live an unremarkable teenage life. She has reason to hope: First, her supernatural powers, if they can be called that, are unexceptional. Second, her love life is nonexistent, which means she might escape the other perverse side effect of the matriarch's backfiring curse, too. But then a mysterious book comes out, promising to cast any spell for the right price. Nor senses a storm coming and is pretty sure she'll be smack in the eye of it. In her second novel, Leslye Walton spins a dark, mesmerizing tale of a girl stumbling along the path toward self-acceptance and first love, even as the Price Guide's

malevolent author — Nor's own mother — looms and threatens to strangle any hope for happiness.
