History and Myth in Romanian Consciousness Mar 15 2022 Based on the idea that there is a considerable difference between reality and discourse, the author points out that history is constantly reconstructed, adapted and sometimes mythicized from the perspectives of the present day, present states of mind and ideologies. He closely examines historical culture and conscience in nineteenth and twentieth century Romania, particularly concentrating on the impact of the national ideology on history. Boia's innovative analysis identifies several key mythical configurations and shows how Romanians have reconstituted their own highly ideologized history over the last two centuries. The strength of History and Myth in Romanian Consciousness lies in the author's ability to fully deconstruct the entire Romanian historiographic system and demonstrate the increasing acuteness of national problems in general, and in particular the exploitation of history to support national ideology.

Bengal Nights Dec 12 2021 A semi-autobiographical romance between a French engineer and the daughter of a Hindu family with which he stayed in India. A case of East meets West with all the joys and woes that such encounters bring. For her version of the story see her novel, It Does Not Die.

În cele 336 de pagini ve?i g?si 120 de teme, un dic?ionar cu 6000 de cuvinte titlu, o scurt? gramatic? a limbii engleze ?i o serie de informa?ii utile despre ??rile în care se vorbe?te aceast? limb?. Fiecare cuvânt ?i propozi?ie sunt înso?ite de o transcriere fonetic? simplificat? pe care o poate folosi chiar ?i un încep?tor.

The Animal Orchestra Plays Mozart Aug 28 2020 Little children can discover the magic of Mozart's music by pressing the buttons to hear the tunes in this gorgeously illustrated book. The animal orchestra is touring the forest playing different pieces of Mozart's music and telling everyone a little bit about the composer as they go. This is a perfect introduction to one of the greatest composers of all time. A lovely way to introduce young children to Mozart's music, and the world of classical music in general. Contains five well-loved Mozart tunes, including the horn concerto number 4 and the piano concerto number 21. Delightful artwork of endearing animals and enchanting woodland scenes creates a book to treasure.

Essays on Terminology Nov 18 2019 A carefully selected collection of essays by the most renowned specialist in terminology in France, now published in English. The chapters deal with the origins of terminology, theoretical issues, social aspects, neologisms and evolution, lexicology and lexicography, applied issues, description and control, standardization and terminology in Le Grand Robert. It contains the revised and translated chapters of Rey's famous La Terminologie — noms et notions and other recent articles in English. This book is essential reading for terminology theorists and practitioners and will serve as elementary reading in Terminology training. It includes a complete bibliography of Alain Rey's writings.

Super Minds Level 1 Workbook with Online Resources May 25 2020 Super Minds is a seven-level course for young learners. Super Minds, from a highly experienced author team, enhances your students' thinking skills, improving their memory along with their language skills. This Level 1 Workbook includes exercises to develop creativity, cross-curricular thinking with fascinating 'English for school' sections and lively stories that explore social values. For each Student's Book page, this Workbook features a page of activities. Students also have access to an online platform with games and supplementary grammar, vocabulary and reading activities. All the students' online work can be tracked and reviewed by the teacher. Includes full-colour picture dictionary!

Noul Dictionar Universal al limbii romane Feb 14 2022 Un instrument de lucru indispensabil tuturor celor interesați de cunoașterea lexicului limbii române și de folosirea corectă a acestuia. Cuprinde 78 961 de articole (145 904 de sensuri), în care se regăsesc cuvintele uzuale din limba română, numeroase neologisme, arhaisme, regionalisme, precum și termeni din toate domeniile vieții științifice, culturale, economice și sociale. Informația, enciclopedică și lingvistică în aceeași măsură, este prezentată în articole concise și clare. Dicționarul valorifică tradiția lexicografică românească, pe care autorii o îmbogățesc, introducând noi cuvinte și sensuri, reformulând sau completând multe definiții din dicționarele deja existente. „Unul dintre marile merite și puncte de originalitate ale acestui dicționar este ilustrarea consecventă a cuvintelor și a sensurilor în context, prin citate literare și enunțuri construite, căci majoritatea dicționarelor noastre literare ofereau, din rațiuni de economie de spațiu, doar definiția, nu întotdeauna suficientă pentru o bună înțelegere a utilizării cuvântului.“ Rodica Zafiu

Teaching Modern Languages Apr 04 2021 Modern language classrooms are currently dominated by the communicative method of language teaching. This reader draws together recent and newly commissioned papers to show the origins of communicative methodology, how it has developed, what its research justification is and how it can most effectively be used in the classroom. Various chapters examine the particular challenges of differentiation, teaching grammar, encouraging pupils to use the target language together and teaching a foreign language to children with special educational needs. The final section discusses ways of developing creativity in the modern languages classroom through the use of drama, creative writing and role play. Anyone involved in teaching modern languages will find this reader a rich source for reflection and good practice.

Clitics in Phonology, Morphology and Syntax Dec 20 2019 This book contains fourteen articles that reflect current ideas on the phonology, morphology, and syntax of clitics. It covers the forms and functions of clitics in various typologically diverse languages and presents data from, e.g. European Portuguese, Macedonian, and Yoruba. It extensively deals with the prosodic structure of clitics, their morphological status, clitic placement, and clitic doubling. The form and behavior of clitics with respect to tonal phenomena and in verse are discussed in two articles (Akinlabi & Liberman, Reindl & Franks). Other articles address the prosodic representation of clitics in Irish (Green), the differences in the acquisition of clitics and strong pronouns in Catalan (Escobar & Gavarro), the similarities between clitics and affixes or words in Romance and Bantu languages (Cocchi, Crysmann, Monachesi, Ortman & Popescu), the semantics of clitics in the Greek DP and in Spanish doubling (Alexiadou & Stavrou, Uriagereka), and complex problems concerning verbal clitics in Romanian and Balkan languages (Legendre, Spencer, Tomic).

Inside Journalism May 17 2022 First published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.

50 de idei geniale Jun 18 2022 Motorul cu aburi, tiparul, sistemul bancar, vaccinul, telefonul, internetul... puteși să vă imaginați lumea fără ele? 50 de idei geniale este o fascinantă colecție de descoperire a celor mai importante idei pe care le-au avut vreodată oamenii. John Farndon a apelat la o serie de experți, care au căzut de acord în privința unei liste cu 50 de idei, de la cele elementare, cum ar fi roata, până la cele mai pretențioase, cum ar fi teoria cuantelor. După ce lista a fost finalizată, autorul a configurat un site și i-a invitat pe vizitatori să voteze ideea pe care o considerau ei cea mai importantă. În fruntea listei s-a situat internetul. Dar este el oare mai important decât democrația sau decât abolirea sclaviei? Ce s-ar fi ales de umanitate fără foc, vaccinuri, agricultură sau canalizare? Fără roată, civilizația modernă ar fi practic imposibilă, dar și capitalismul și căștoria ne-au schimbat radical modul de viață. Fiecare dintre aceste idei este importantă și a avut un impact uriaș asupra omenirii. Scopul cărții nu este să ne ofere răspunsuri, ci să ne provoace curiozitatea și să ne facă să medităm la ceea ce contează cu adevărat – care sunt ideile de care avem nevoie și care sunt cele de care ne putem lipsi. Trecerea în revistă a celor 50 de idei geniale mai are un scop, cel de a glorifica ingeniozitatea, bogăția de idei strălucite pe care le-au avut oamenii de-a lungul secolelor.

Assessment in Speech and Language Therapy Jan 21 2020 What assessment tests are available to speech therapists? How are they best used? Originally published in 1993, Assessment in Speech and Language Therapy was designed to guide speech therapists in choosing the most appropriate assessments for evaluation, monitoring and intervention at the time. By providing guidance on defining the issues in assessment, it shows how to make sure that the process will produce a result relevant to the therapist's own needs and those of his or her clients. The major issues involved are discussed in detail, in particular how to make sure that assessments are relevant to individual needs. This title will be invaluable to all speech therapists and clinical psychologists working in this area.

Enciclopedia română Apr 16 2022

Diary of a Short-sighted Adolescent Jul 07 2021 The short-sighted adolescent is a passionate reader who takes various cultural figures as models, trying to emulate both their lives or their works. The pupil protagonist is a poor student, who likes science and reads a lot of books, sometimes staying up all night to do so. At the age of 17, he decides to write a novel to demonstrate to his teachers that he is not as mediocre as his other classmates, and that he is prepared to give up everything he holds dear in order to do so. The novel is written in a number of notebooks - the 'diary' of the title - but our myopic hero ultimately fails 3 subjects and has to repeat the school year. Set in the Romanian capital in the early 20th century, from the perspective of a schoolboy's diary of his daily life, - his teachers, his classmates' academic and amorous rivalries, his first sexual experiences - we are introduced to the themes of religion, self-knowledge, erotic sensibility, artistic creation and otherness, ideas which would preoccupy him until the end of his life. Diary of a Short-Sighted Adolescent was written by the young Mircea Eliade - one of Romania's greatest writers and intellectuals. The book can be viewed as an early 20th century 'Catcher in the Rye', and allows us an intimate view of the developing genius, whose literary output has been neglected in the English language for too long.
