Tap into the power of graphic organizers for classroom success Veteran educator and NCTE trainer Katherine McKnight shows how students can use graphic organizers as an important tool to organize new information. Providing a visual representation that uses symbols to express ideas, concepts, and convey meaning, graphic organizers help to depict relationships between facts, terms, and ideas. The author demonstrates how graphic organizers have proven to be a powerful teaching and learning strategy. Includes 100 graphic organizers-more than any comparable book Included graphic organizers can be used before-, during-, and after-learning activities across the content areas Contains easy-to-follow

instructions for teachers on how to use and adapt the book's graphic organizers Offers strategies for teachers to create their own graphic organizers for different grade levels The author Katherine McKnight is a noted literacy educator. The Office Organizer: The Office Organizer is a to-do list notepad for tracking daily activities, events, and errands. Helps you track and remember all your daily goals. To-do list and note. You will actually look forward to scheduling your day. The perfect gift for people who need to organize themselves on a daily, weekly, or monthly basis and especially for people who like to journal. Anyone can use this to get to grips with what they want to accomplish. This planner journal makes organizing your life a whole lot easier, order yours today. Exterior Details: Unique Matte Cover Perfect Bound Size 6" x 9" Grab this book for yourself or a friend today! 58 color reproducible graphic organizers to help your students comprehend any book or piece of literature in a visual way. Our graphic organizers enable readers to see how ideas fit together, and can be used to identify the strengths and weaknesses of your students' thought processes. Our graphic organizers are essential learning tools that will help your students construct meaning and understand what they are reading. They will help you observe your students' thinking process on what you read as a class, as a group, or independently, and can be used for assessment. They include: Story Maps, Plot Development, Character Webs, Predicting Outcomes, Inferencing, Foreshadowing, Characterization, Sequencing Maps, Cause-Effect Timelines, Themes, Story Summaries and Venn Diagrams. What happens when a town has an accidental abundance of pumpkins? What do José and his well-intentioned brothers do with a mountain of pumpkins? An EXPLOSION of pumpkins? Step into Pumpkin Town and see! As a teacher, Katie McKy saw many children make mistakes. She also saw many children want to make their wrongs right. As a gardener, Katie once planted too many pumpkin seeds. She was that a good thing can be a bad thing when the vines start to grow every which way.

School Year Memory Book is a 40 page record book to keep your child's cherished school memories, from Kindergarten up to the twelfth grade. Each school year has a page dedicated to it, with questions the child can answer - from "Who are your friends?", "What do you like about school?" and even "Who is your hero". Your child changes every year and it will be fun to

look back and see what different answers you get to the same questions. There are also pages (from Kindergarten to the eighth grade) for your child to draw a picture. You can see how his/her artwork improves as they get older. There is also a page for each school year for your child to express themselves - a page to write about their memorable moments from the year. There is also a place for your child's photo for each year (a school picture would be perfect to place here). This is a cherished memory keeper that you will love to have as your child grows.
