This revision guide provides concise coverage of the central topics within cognitive psychology, designed to help you focus on assessment and exams. The guide is organised to cater for QAA and BPS recommendations for course content. Sample questions, assessment advice and exam tips drive the organisation within chapters so you are able to grasp and marshal your thoughts towards revision of the main topics. Features focused on critical thinking, practical applications and key research offer additional pointers for you in your revision process and exam preparation. A companion website provides supporting resources for self testing, exam practice, answers to questions in the book, and links to further resources. The Cambridge IGCSE Chemistry Revision Guide supports students through their course, containing specifically designed features to help students apply their knowledge as they prepare for assessment. This Revision Guide offers support for students as they prepare for their Cambridge IGCSE Chemistry (0620) exams. Containing up to date material that matches the syllabus for examination from 2016 and packed full of guidance such as Worked Examples, Tips and Progress Check questions throughout to help students to hone their revision and exam technique and avoid common mistakes. These features have been specifically designed to help students apply their knowledge in exams. Written in a clear and straightforward tone, this Revision Guide is perfect for international learners. Presented in a structured question-and-answer format, the second book in this comprehensive reference addresses the revised syllabus of the Membership of the Royal College Surgeons' (MRCS) Objective Structured Clinical Examination (OSCE). Beneficial to MRCS OSCE candidates as well as to surgeons, doctors, and medical practitioners, this didactic guide presents approved, structured clinical-examination protocols supplemented with a clinical-examination DVD. Chapters on communication skills, ethics, and history-taking skills are also included. Cambridge International AS and A Level Physics Revision Guide matches the requirements of the Cambridge AS and A Level Physics syllabus. This Revision Guide offers support for students as they prepare for their AS and A Level Physics (9702) exams. Containing up to date material that matches the syllabus for examination from 2016 and packed full of guidance specifically designed to help students apply their knowledge in exams such as Worked Examples, Tips and Progress Check questions throughout to help students to hone their revision and exam technique and avoid common mistakes. Written in a clear and straightforward tone, this Revision Guide is perfect for international learners. The Cambridge International AS & A Level Economics Revision Guide helps students apply their knowledge, understanding and skills to succeed in their course. This endorsed Cambridge International AS and A Level Economics Revision Guide has been designed to further develop students' skills for their Cambridge International AS and A Level Economics course. Revised to meet the latest syllabus (9708) this book is packed full of guidance to reinforce students' understanding and skills to succeed in their course. Written in a clear style by an experienced examiner this Revision Guide is perfect for international learners and accompanies the Cambridge International AS and A Level Economics Coursebook (third edition). Directly matching the 9990 Cambridge syllabus, this essential resource prepares learners for assessment, whilst also embedding the high-level skills central to success in higher education. Providing guidance that helps students practice and troubleshoot their exam technique, these books send them into their exam with the confidence to aim for the best grades. - Enables students to avoid common misconceptions and mistakes by highlighting them throughout - Builds students' skills constructing and writing answers as they progress through a range of practice questions - Allows students to mark their own responses and easily identify areas for improvement using the answers in the back of the book - Helps students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter - Ensures that students maximise their time in the exam by including examiner's tips and suggestions on how to approach the questions This title has not been through the Cambridge International Examinations endorsement process. Key information required for A-Level Economics examination, condensed down and presented in diagrammatic form. **ACHIEVE ACADEMIC SUCCESS IN A-LEVEL ENGLISH LANGUAGE!** This book has been designed to help students with their study of A-Level English Language. It follows the AQA specification and scheme of assessment. It covers both exams and the non-exam assessment. The book contains: Language level information - learn and revise how to apply language levels - including lexis, semantics, pragmatics, graphology, orthography, discourse structure and phonology. Theory - learn and revise all the key concepts, ideas and theories for each topic area - the book contains **OVER 150 THEORIES!** Exam walkthrough - learn how to answer **EVERY QUESTION** on the exam. Mock exam questions - practice and test your knowledge and skills by using one of the mock questions - there are over 40 to choose from! Model essay plans - see how to plan an effective essay for every topic area. Model essays - see how an actual A* student writes essays and gets the marks. Glossary - learn and revise all the key terms you need to know - there's over 200 of them! I can offer a reduced rate for school orders - please contact me on thelexicalspectacle@gmail.com. Please note: this book is not endorsed or affiliated with AQA. The Cambridge IGCSE Biology Revision Guide supports students through their course, containing specifically designed features to help students apply their knowledge as they prepare for assessment. This Revision Guide offers support for students as they prepare for their Cambridge IGCSE Biology (0610) exams. Revision guides you can rely on: trusted by lecturers, loved by students... "I am hugely impressed by this little textbook on the substance: it does a better and clearer job at explaining key issues than many of the core texts. - Dr Eleni Frantziou, Associate Professor in Public Law & Human Rights, Durham University "The Concentrate books are my favourite revision guides as the quality of the information is always more comprehensive than others." Carly Hatchard, law student, University of Bolton "This revision guide is excellent ... I would certainly recommend it as a revision aid" - Claudia Carr, Principal Lecturer, Hertfordshire Law School, University of Hertfordshire "The Concentrate structure is extremely good, it makes it so much easier to revise ... no key information is left out, it's a great series." Emma Wainwright, law student, Oxford Brookes University "A really good overview of the key themes, tensions, and debates ... encourages students to go that bit further to increase their chances of scoring better in the assessment." - Professor Nicola Glover-Thomas, Professor of Law, University of Manchester "I have always used OUP revision and Q&A books and genuinely believe they have helped me get better grades" - Anthony Poole, law student, Swansea University "Undoubtedly a good resource ... I would certainly recommend it as additional material for modules assessed by examination." - Dr Ben Stanford, School of Law, Liverpool John Moores University "The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level" - Stephanie Lomas, law student, University of Central Lancashire Take it online: The 6th edition is available in paperback, or e-book and is supported by extensive online resources to take your learning further. Visit www.oup.com/lawrevision/ for expert revision and study advice, self-test questions and answers, flashcard key cases and glossary and outline answers to questions from the book.
