A powerful collection of novellas by four leading African-American women writers, each tackling the terror of domestic violence. In Other People's Skin, Tracy Price-Thompson and TaRessa Stovall, along with writers Elizabeth Atkins and Desiree Cooper, took on intra-racial prejudice. The second book in their successful Sister4Sister Empowerment Series once again offers

hope and healing, this time from the nightmare of abuse. In Desiree Cooper's *Breakin' It Down*, a highly successful talk show host, haunted by the abandonment and self-loathing she felt as a child, is shocked to find herself inflicting the same abuse she experienced on her seven-year-old daughter. Tracy Price-Thompson's *Brotherly Love* goes deep into the disturbing relationship between a beautiful, accomplished teenage girl and the seemingly dutiful brother who raised her after their parents' death. TaRessa Stovall's *Breakin' Dishes* reveals the turmoil behind the scenes of a picture-perfect marriage as an angry wife beats her cheating husband. And in Elizabeth Atkins's *The Wrong Side of Mr. Right*, an outwardly beaming bride-to-be comes to terms with the inner turmoil brought on by her emotionally abusive fiancé. In all four novellas, redemption and hope appear when a pair of blue suede shoes enters each woman's life, helping her to overcome her challenges and stop the cycle of abuse. A raw, engaging, and enlightening collection from beginning to end, *My Blue Suede Shoes* is as informative as it is entertaining. (Music Minus One). Every generation faces unique challenges. The first-century Church had Caesar's lions and the Colosseum. And, while it might seem like an unlikely comparison, the challenge of living with popular culture may well be as serious as persecution was for the saints of old. Today we witness the tremendous power of pop culture to set the pace and priorities of our lives. We simply cannot afford to be indifferent about culture's influence—nor can we escape it, glibly condemn it, or Christianize it. Cultural expert Ken Myers helps us to engage pop culture from a historical and experiential perspective so that we can live in it with wisdom and discernment. **The Beatles: Music Roots delves into the influences behind the Fab Four's early hits, analysing and teaching you to play the songs that Lennon and McCartney learned, played and loved. Each song is arranged for piano, voice and guitar, accompanied with extensive notes on its history and recording. Through these songs we uncover the story of British post-war youth demanding a musical revolution and finding through American Soul, R&B**

and Rock 'n' Roll. The Beatles would revolutionise popular music, but they first learned their craft from the dazzling electric guitar of Les Paul and the soulful struggles of Ray Charles; the anarchistic rock of Little Richard and harmonious hope of The Miracles. All of these artists played their part in The Beatles phenomenon. This book explains why. Excerpt: "Blue Suede Shoes" is a rock and roll standard written and first recorded by Carl Perkins in 1955 and is considered one of the first rockabilly (rock and roll) records and incorporated elements of blues, country and pop music of the time. Perkins original version of the song was on the Cashbox Best Selling Singles list for 16 weeks, and spent 2 weeks in the No. 2 position. Elvis Presley performed his version of the song three different times on national television. It was also recorded by Buddy Holly and Eddie Cochran among many others. Shoes in Elvis exhibit similar to those that inspired the song Johnny Cash planted the seed for the song in the fall of 1955, while Perkins, Cash, Elvis Presley, and other Louisiana Hayride acts toured throughout the South. Cash told Perkins of a black airman whom he had met when serving in the military in Germany. He had referred to his military regulation air shoes as "blue suede shoes." Cash suggested that Carl write a song about the shoes. Carl replied, "I don't know anything about shoes. How can I write a song about shoes?" When Perkins played a dance on December 4, 1955, he noticed a couple dancing near the stage. Between songs, Carl heard a stern, forceful voice say, "Uh-uh, don't step on my suedes!" Carl looked down and noted that the boy was wearing blue

suede... (Instrumental Folio). The King of Rock 'n' Roll lives! And he's Josh's dad. When 13-year-old Josh finds out that he has to stay with his dad in Chicago for a few months, he's not too thrilled. But when he arrives at the airport, he's simply devastated. His father—who used to be a scatterbrained but pretty normal shoe salesman—has become . . . Elvis. Well, a sideburnwearing, hip-twisting, utterly-embarrassing Elvis impersonator. Josh is determined to keep his dad's identity a secret, but on his very first day at his new school, a note appears on his locker. It's signed Elvisly Yours, and instead of a name, a sneering purple smiley face. The secret is out, and when his dad is invited to perform at a special 50s concert at his school, Josh is forced to take drastic action. From award-winning author Shelley Pearsall comes a hilarious novel about discovering the important (and sometimes painful) difference between who you want to be—and who you really are. "Alternately wry, silly, thoughtful and laugh-out-loud funny."—BookPage This memoir by Black 47 front man Larry Kirwan begins in Wexford and traces the impact on a young Kirwan of his Irish Republican grandfather, his mysterious and

often absent deep-sea sailing father and his first bandleader Elvis Murphy. These influences propelled him to the Dublin of the early 70s and later Kirwan emigrated to New York, where he eventually formed the political rock band Black 47. He gives a dry-eyed and unsparing account of the tumultuous trajectory of Black 47 and of the band's ongoing political commitment and opposition to the war in Iraq. artistic representation of some of their favorite song titles, including Little RED Corvette, BLUE Suede Shoes, and PINK Moon, just to name a few. Put on your blue suede shoes and get ready for another addition to the Who Was...? series! The King could not have come from humbler origins: Born in Tupelo, Mississippi, during the Depression, he grew up with the blues music of the rural South, the gospel music of local churches, and the country-western classics. But he forged a sound all his own—and a look that was all his own, too. With curled lip, swiveling hips, and greased pompadour, Elvis changed popular music forever, ushering in the age of rock and roll. Geoff Edgers's fascinating biography of this icon of American pop culture includes black and- white illustrations on nearly every spread. (Faber Piano Adventures). A collection of rock and roll classics from the '50s and '60s. The selections offer fun and excitement at the lessons, while still providing practice in the basics. "Making money, making music is an alternative music business text, providing an entrepreneurial toolbox, based on historical analysis, trends, and patterns in music enterprise. It begins by introducing core principles and processes and shows how to apply them adaptively to new contexts, so that students gain a deeper understanding not only of how things work in the

music business, but why. By applying essential concepts to a variety of real-life situations, students improve their capacity to critically analyze, solve problems, and even predict where music and money will converge in a rapidly evolving culture and marketplace."--Provided by publisher. He wrote the songs that made rock immortal--including the all-time classic "Blue Suede Shoes." Now, in a book that "reads like timeless Southern fiction" (Washington Post Book World), Carl Perkins beautifully tells his story. From a life beset with tragedies--including the suicide of his brother--Perkins emerges as a man made stronger through trial and sustained by his lifelong love affair with music. of photos. "Charlie Parker, Composer is the first assessment of a major jazz composer's oeuvre in its entirety. Providing analytical discussion of each of Parker's works, this study combines music-theoretical, historical, and philosophical perspectives. A variety of analytical techniques are brought to bear on Parker's compositions, including application of a revised Schenkerian approach to the music that was developed through the author's prior publications. After a review of Parker's life emphasizing his musical training and involvement in composition, the book proceeds by considering the types of Parker pieces as categorized by overall form and harmony and the amount of preplanned music they contain. The historical circumstances of each piece are reviewed, and, in some cases, sources of the ideas of the most important tunes are explored. The introduction

includes a discussion of the ontology of a jazz composition. The view is advanced that the Western concept of a music composition needs to be expanded to embrace practices typical of jazz composition and forming a significant part of Parker's work. While focusing on Parker's more conventional tunes, the book also considers his large-scale melodic formulas. Two formulas in particular are arguably compositional, since they are repeated in subsequent performances of the same piece. As part of the research for this book, all of Parker's copyright submissions to the Library of Congress were examined and photographed. The book reproduces the four of them that were copied by Parker himself"-- (Instrumental Folio). Flutists will love this giant collection of 130 popular solos!

Looks at the history of rockabilly music, profiling such greats as Elvis, Jer Lee Lewis, Malcolm Yelvington, and Roy Hall. Memphis, Tennessee. The early 1950s. The Mississippi rolls by, and there's a train in the night. Down on Beale Street there's hard-edged blues, on the outskirts of town they're pickin' hillbilly boogie. At Sam Phillips' Sun Records studio on Union Avenue, there's something different going on. "Shake it, baby, shake it!" "Go, cat, go!" "We're gonna rock..." This is where

rock 'n' roll was born-the record company that launched Elvis Presley, Jerry Lee Lewis, Johnny Cash, Roy Orbison, and Carl Perkins. The label that brought the world, "Blue Suede Shoes," "Whole Lotta Shakin' Goin' On," "Breathless," "I Walk the Line," "Mystery Train," "Baby, Let's Play House," "Good Rockin' Tonight." Good Rockin' Tonight is the history, in words and over 240 photographs, of Sam Phillips' legendary storefront studio, from the early days with primal blues artists like Howlin' Wolf and B.B. King to the long nights in the studio with Elvis and Jerry Lee. As colorful and energetic as the music itself, it's a one-of-a-kind book for anyone who wants to know where it all started. From Johnny Ace to the Zombies, covering R&B, Pop, Country, and everything in between. Take the challenge-- you'll be amazed at what you know, didn't know, or have forgotten. A photographic collection that provides an all-access pass to the personal and professional world of Elvis Presley, as photographed by Thom Gilbert, whose stunning photos of Elvis artifacts reveal the man behind the legend. Behind-the-scenes images of Elvis's personal memorabilia, jewelry, clothing, and cars, plus interior images from his homes and birthplace are paired with portraits of friends, fellow musicians, co-stars, and fans, whose memories and anecdotes create a remarkable picture of this extremely generous and talented man. Deep in the woods of Wisconsin, little Mary Martin has been missing for five weeks. Meanwhile, city girl Clare Paxton thinks she's destined

for boredom when she returns home to Danfield, Wisconsin, to care for her lonely mother. But when a little girl goes missing, leaving only her tiny blue shoes behind in the dark northern forest, Clare can't idly stand by as local police fumble the case. Handsome police chief Jared Grady seems far more interested in keeping watch on Clare's meddling than searching for the girl, and no one in town seems to care that there could be a kidnapper in their midst—or worse. Why would the townspeople of Danfield allow little Mary's case go cold? As Clare's investigation heats up, she discovers more than she might have hoped about her small-town neighbors. And she may be Mary Martin's only hope of returning home safe and sound. (E-Z Play Today). A comprehensive collection of 59 songs, including: Blue Suede Shoes * Can't Help Falling In Love * Hound Dog * In the Ghetto * Love Me Tender * and many more. companion that explains the reason why the voice heard over the speakers still carries such resonance. Dozens of rare images accompany this engaging text. Parsing the works of the experimental music pioneer Robert Wannamaker's monumental two-volume study explores the influential music and ideas of American composer, theorist, writer, performer, and educator James Tenney. Delving into the whole of Tenney's far-ranging oeuvre, Wannamaker provides in-depth, aurally grounded analyses of works linked to the artist's revolutionary theories of musical form, timbre, and harmonic perception. Volume 1, Contexts and Paradigms, chronologically surveys Tenney's creative development and output. Wannamaker begins each section with biographical, aesthetic, and technical context that illuminates a distinct period in Tenney's career. From there, he analyzes a small number of pieces that illuminate the concerns, characteristics, and techniques that emerged in Tenney's music during that time. Wannamaker supplements the text with musical examples, graphs, and diagrams while also drawing on unpublished material and newly available primary sources to flesh out each work and the ideas that shaped it. A landmark in experimental music scholarship, *The Music of James Tenney* is a first-of-its-kind consideration of the experimental music titan and his work. The function of print resources as instructional guides and descriptors of popular music pedagogy are addressed in this concise volume. Increasingly, public school teachers and college-level

faculty members are introducing and utilizing music-related educational approaches in their classrooms. This book lists reports dealing with popular music resources as classroom teaching materials, and will stimulate further thought among students and teachers. It focuses on the growing spectrum of published scholarship available to instructors in specific teaching fields (art, geography, social studies, urban studies, and so on) as well as on the multitude of general resources (including biographical directories and encyclopedias of artist profiles). Building on two recent publications: Teaching with Popular Music Resources: A Bibliography of Interdisciplinary Instructional Approaches, Popular Music and Society, XXII, no. 2 (Summer 1998), and American Culture Interpreted through Popular Music: Interdisciplinary Teaching Approaches (Bowling Green State University Popular Press, 2000), this volume focuses on the growing spectrum of published scholarship that is available to instructors in specific teaching fields (art, geography, social studies, urban studies, and so on) as well as on the multitude of general resources (including biographical directories and encyclopedias of artist profiles).
