From Mary Kay Andrews, the New York Times bestselling author of Hello, Summer, comes a novella celebrating the magic of Christmas and second chances in The Santa Suit. When newly-divorced Ivy Perkins buys an old farmhouse sight unseen, she is definitely looking for a change in her life. The Four Roses, as the farmhouse is called, is a labor of love—but Ivy didn't bargain on just how much labor. The previous family left so much furniture and so

much junk, that it's a full-time job sorting through all of it. At the top of a closet, Ivy finds an old Santa suit—beautifully made and decades old. In the pocket of a suit she finds a note written in a childish hand: it's from a little girl who has one Christmas wish, and that is for her father to return home from the war. This discovery sets Ivy off on a mission. Who wrote the note? Did the man ever come home? What mysteries did the Rose family hold? Ivy's quest brings her into the community, at a time when all she wanted to do was be left alone and nurse her wounds. But the magic of Christmas makes miracles happen, and Ivy just might find more than she ever thought possible: a welcoming town, a family reunited, a mystery solved, and a second chance at love. The holidays are a time of reflection and gratitude--a time to look back on life and give thanks for the people in it. Douglas Pagels' *A Special Christmas Blessing* is the perfect way to share warm and wonderful Christmas wishes with someone who has been and will always be special to you. These heartfelt hopes and blessings will remind your friends and loved ones that the true gifts of the holidays are not the ones you discover beneath the Christmas tree, but the hope, peace, understanding, and love you give and receive all year long. As a thoughtful present or a personal keepsake, this book is one way to keep Christmas in your heart and in the heart of someone you care about every day. Organization and simplification expert Marcia Ramsland tackles the holidays with an eight-week plan designed to make Christmas a season of celebration, not stress. Most people begin to prepare for Christmas as soon as Thanksgiving is over, which can create great stress since Thanksgiving happens at a different time every year. However, Halloween is consistently eight weeks before Christmas, so beginning then ensures enough time to prepare and plan for both Christmas and Thanksgiving and to make this a season of joy for yourself and your family. This planner addresses all the details of the busy holiday season, including buying, wrapping, and sending presents, sending Christmas cards, home decorations, and cooking and baking. What sets this planner apart is a day-by-day plan that breaks every task into manageable pieces and a daily devotional journal that keeps the reader focused on the reason for all the activity, encouraging a spirit of praise, not panic.

Beloved author-illustrator Patricia Polacco's holiday story is a wonderful ode to the magic of family, Christmas, and giving the right kind of gifts—gifts filled with love. Richie and Trisha want to buy Christmas gifts for their family, but they don't have enough money. Enter Kay Lamity, a new housekeeper . . . but is that all she is? She comes into their lives like a whirlwind, brimming with positive energy and a can-do attitude. Kay not only straightens them out when it comes to whether or not Santa Claus is real, she teaches them something about gifts: the just-good-enough kind that come from the pocketbook and the unforgettable kind that come from the heart. Because of Kay, Trisha and Richie—and the family—have a Christmas morning they will never forget. Celebrating the joy of homemade gifts, Patricia Polacco introduces readers to a new character who is truly a force of nature in this story reminiscent of Christmas Tapestry and An Orange for Frankie. This is a magical Christmas story the author swears is true, right down to the sleigh tracks on the farmhouse roof! Turner Classic Movies presents a bucket list of the best and most beloved holiday films of all time, complete with spirited commentary, behind-the-scenes stories, and photos spanning eight decades of Christmastime favorites. and exist across many genres. Some, like *It's a Wonderful Life* and *A Christmas Story*, are perennials, while others, such as *Die Hard*, have only gradually become yuletide favorites. But they all have one thing in common: they use themes evoked by the holiday period - nostalgia, joy, togetherness, dysfunction, commercialism, or cynicism - as a force in their storytelling. !--EndFragment--

Michael and Megan Fitzgerald are siblings who share a terrifying past. Both adopted, and now grown—Michael is a long-haul truck driver, Megan a college student majoring in psychology—they trust each other before anyone else. They've had to. Their parents are public intellectuals, an Ivy League clinical psychologist and a renowned psychiatrist, and they brought up their adopted children in a rarefied, experimental environment. It sheltered them from the world's harsh realities, but it also forced secrets upon them, secrets they keep at all costs. In Los Angeles, Detective Garrett Dobbs and FBI Agent Jessica Gimble have joined forces to work a murder that seems like a dead cinch. Their chief suspect is quickly identified and apprehended—but then there's another killing just like the one they've been investigating. And another. And not just in Los Angeles—the spree spreads across the country. The Fitzgerald family comes to the investigators' attention, but Dobbs and Gimble are at a loss—if one of the four is involved, which Fitzgerald might it be? From coastal California to upstate

New York, Dobbs and Gimble race against time and across state lines to stop an ingenious and deeply deranged killer—one whose dark and twisted appetites put them outside the range of logic or experience. Best friends Audrey Barrett and Eve Dawson are looking forward to celebrating Christmas in postwar America, thrilled at the prospect of starting new traditions with their five-year-old sons. But when the 1951 Sears Christmas Wish Book arrives and the boys start obsessing over every toy in it, Audrey and Eve realize they must first teach them the true significance of the holiday. They begin by helping Bobby and Harry plan gifts of encouragement and service for those in their community, starting by walking an elderly neighbor's yellow Lab--since a dog topped the boys' wish list for Santa. In the charming tale that follows, Audrey and Eve are surprised to find their own hearts healing from the tragedies of war and opening to the possibility of forgiveness and new love.
