Twelve-year-old Jeremiah “Jem” Coulter knows that Goldtown, California, has seen the last of the gold rush. But the flecks of gold he and an old prospector, “Strike,” find in their played-out claim on Cripple Creek spur Jem’s hope of striking it rich. In the meantime, he and his sister, Ellie, sell frog legs and firewood to bring in extra cash. When Jem’s father accepts a job as sheriff of lawless Goldtown, Jem is suddenly saddled with an additional responsibility—to run their broken-down ranch. He faces a hard path as he tries to be a man and make his father proud, but then Cripple Creek mysteriously dries up and Strike suddenly disappears. Jem is determined to find out why. Can anything be worse than being a sheriff’s kid? Will outlaws use his father’s badge for target practice? Is that silver star just a target . . . or truly a badge of honor? Readers ages 8 to 14 fell in love with Susan Marlow’s Circle C Adventures. Now the same adventurous spirit and historical lure are back in a brand new series featuring a new cast of characters and exciting escapades. As educational as it is entertaining, the Goldtown Adventures series is one the whole family will enjoy. The last person Philadelphia homicide detective Matt Payne expected to hear from again was Texas Ranger Jim Byrth, with whom he’d broken a Mexican human trafficking ring. But Byrth isn’t making a social call. He’s found a connection between the Mexican drug cartels and the Russian mob. Russian girls are being smuggled through the Caribbean to work in the U.S. as prostitutes, and some of them are dying or just disappearing. The trail leads right to Philadelphia, where teenage girls are being lured from foster homes, police sources are turning up dead, and the lone living witness—the daughter of a prominent family—has gone into hiding. It’s up to Matt Payne and his Texas Ranger partner to find her—and hope like hell they get to her first.... He’s a strong man who loves his work and his land, but even a cowboy needs help when things get out of hand. Sheriff’s Deputy Hayden Yates has worked hard to gain the respect and admiration of her fellow law enforcement officers. She’s succeeded so well, in fact, that she’s become just one of the guys. As her friends slowly begin to meet their soul mates, Hayden longs to be seen as a desirable woman, and not the tomboy she’s always been. No slouch when it comes to attracting the opposite sex, cowboy Boone Hatcher might want to give it a rest for a while, especially after his last girlfriend accuses him of domestic abuse. Deputy Yates sees right through his ex’s ruse—and Boone sees right through Deputy Yates. Hayden might seem all business, but her need for justice comes from a heart that beats with pure passion. A few dates turn into something more, and as the couple’s relationship deepens, so do the threats from his ex. It’s up to Hayden to convince Boone the danger is real...before jealous antics escalate to

deadly obsession. ** Justice for Boone is the 6th book in the Badge of Honor: Texas Heroes Series. Each book is a stand-alone, with no cliffhanger endings. --- Read what others are saying about New York Times bestselling author, Susan Stoker: "Riveting action and characters you'll love!" The last person Philadelphia homicide detective Matt Payne expected to hear from again was Texas Ranger Jim Byrth, with whom he'd broken a Mexican human trafficking ring. But Byrth isn't making a social call. He's found a connection between the Mexican drug cartels and the Russian mob. Russian girls are being smuggled through the Caribbean to work in the U.S. as prostitutes, and some of them are dying or just disappearing. The trail leads right to Philadelphia, where teenage girls are being lured from foster homes, police sources are turning up dead, and the lone living witness—the daughter of a prominent family—has gone into hiding. It's up to Matt Payne and his Texas Ranger partner to find her—and hope like hell they get to her first.... Summer is winding down for Emerson, an almost-12-year-old boy raised with computers and video games who's been spending the vacation with his Navajo grandfather at sheep camp. Suddenly Grandpa Charlie is bitten by a rattlesnake, and Emerson, who has only driven around the lonely mesa, must now drive his grandfather to the E.R. in Shiprock. Left on his own when the hospital decides to keep Grandpa overnight, Emerson becomes caught up with a ring of thieves when he discovers a bag of native jewelry and war medals they had stolen—including a gold medallion belonging to a Navajo code talker. Introduction to the morning corn pollen ceremony makes Emerson determined to try harder to walk in beauty. But the gang knows he has something they want, and are determined to find where it is. Escaping the thieves and trying to help the police catch them draws Emerson deeper into the traditional ways of the reservation's people. But as the time draw near for his mother to take him home again, new dangers threaten, leading to a meeting with the old Code Talker, whose courage, intelligence, and honor make him proud to share his Navajo heritage. Books 1-4 in the Badge of Honor: Texas Heroes Series Justice for Mackenzie Daxton Chambers, a member of the oldest and most distinguished law enforcement agency in the state of Texas, never understood why people killed. But this new case, where someone was kidnapping and burying women alive, is a

whole new level of depravity. As a Texas Ranger, it's his job to keep San Antonio safe, but the killer always seems to be one step ahead of him. Meeting Mackenzie, and finding out just how perfect she is for him, wasn't part of Dax's plan...but he'll be damned if he's going to walk away from the most interesting and fun woman he's met in a long time. Unfortunately, anyone Dax cares about is suddenly in danger. It'll take every ounce of knowledge he's gained from years in law enforcement to keep Mack alive. Justice for Mickie For Cruz Livingston, becoming an FBI agent is a lifelong dream, guarding the streets of San Antonio a calling. His latest assignment-infiltrating the Red Brothers Motorcycle Club-will help stem the flow of illegal drugs brought into the city by the violent gang. He expects the job to be dangerous. He doesn't expect to meet the woman of his dreams while undercover. Mickie Kaiser is refreshingly sweet, but her sister is intimately involved with the RBMC's president. Cruz can't afford to come clean about his double life without putting his operation in danger, but as violence creeps ever closer to Mickie, his priority becomes crystal clear. Cruz will do anything to keep Mickie alive...even if it means losing her love. Justice for Corrie Blind since birth, Corrie Madison relies on her other sharpened senses in her job as a chiropractor. Never did she imagine she'd have to depend on them to identify a killer. But when a man enters her practice, murdering everyone in his path, Corrie is the only witness-putting her directly in the killer's crosshairs. Officer Quint Axton wasn't looking for love, or even a relationship, until he meets Corrie. She's everything he wants-if he can keep her alive long enough to explore their mutual attraction. The threats on Corrie's life are escalating. Surely a blind person is helpless against a ruthless killer? Hardly. Corrie is about to prove that disabled does not equal defenseless. Justice For Laine Reluctantly taking her best friend's place at a photo shoot, realtor Laine Parker expects to assist the photographer for the day...not drool over the volunteer model, Westin King. The Texas Ranger and real-life cowboy is hot-on-hot sexy, from the tips of his boots to the top of his Stetson. Despite her visceral reaction to the man, the last thing Laine expects is a whirlwind romance-but that's exactly what she gets. Wes has been around the block enough to know what he wants, and he wants Laine. He wastes no time showing her how he feels...but he may never get the chance to tell her. Laine has disappeared, and it will take every connection Wes has-and a little help from a mangy stray-to get her back in his arms. In this exciting new series, W.E.B. Griffin reveals a city police force with all the authentic detail and drama that made THE CORPS and BROTHERHOOD OF WAR phenomenal bestsellers. Here is an explosive novel of the men and women behind the badge--a unique brotherhood of courage, loyalty, and trust. Facing a desperate public, a hostile press, and reluctant witnesses, they must stop a new reign of violence--a terrifying spree of kidnapping and rape that has plunged the entire city in fear... A Philadelphia narcotics cop is shot dead in his home. A bar owner's wife and partner are gunned down during an attempted robbery. And in a beautiful mansion, a young woman dies of a heroin overdose. At first the crimes seem unconnected. But these four deaths are about to trigger a massive convergence of corruption, cops, and the mob that could tear the Philadelphia Police Department apart from the inside out. All the way to the top... Walter L. Harris, Jr. fulfilled a lifelong dream of becoming a Detroit police officer on September 19, 1994. For the next nine-and-a-half years, he served meritoriously in some of Detroit's most dangerous precincts and units, including vice. He joined the Executive Protection Unit (EPU) and served for five years with Chief of Police Isaiah McKinnon, Mayor Dennis Archer, and finally Mayor Kwame Kilpatrick. Badge of Honor: Blowing the Whistle, Walter Harris's first book, is a chronicle of his service in law enforcement and a testament to the honor and integrity that he brought to the badge. It also offers a thoughtful guide to anyone in government or the private sector who might consider blowing the whistle on corruption. W.E.B. Griffin has captured a worldwide audience with his stunning novels of men and women of outstanding courage. BROTHERHOOD OF WAR revealed the drama and challenge of army life...THE CORPS explored the proud tradition of the Marines...Now BADGE OF HONOR takes you behind the scenes of today's urban police force. A brutal Mafia slaying rocks the city of Philadelphia when the only living witness is revealed--a wealthy debutante involved with the targeted mobster. One of the suspects is a cop, Matt Payne, who unwittingly takes on the ultimate battle between organized crime, upper-class power...and his own police force.

Stephen Crane's immortal masterpiece about the nightmare of war was first published in 1895 and brought its young author immediate international fame. Set during the Civil War, it tells of the brutal disillusionment of a young recruit who had dreamed of the thrill and glory of war, only to find himself fleeing the horror of a battlefield. Shame over his cowardice drives him to seek to redeem himself by being wounded—earning what he calls the “red badge of courage.” Praised for its psychological insight and its intense and unprecedented realism in portraying the experience of men under fire, *The Red Badge of Courage* has been a beloved bestseller for more than a century. Just as with his remarkable military novels, millions of readers have been captured by the rich characters and vivid realism of W. E. B. Griffin's police dramas. “Griffin has the knack,” writes *The Philadelphia Inquirer*. He “sets his novel before you in short, fierce, stop-for-nothing scenes. Before you know it, you've gobbled it up.” Now, in *Final Justice*, Detective Matt Payne of the Philadelphia police department—newly promoted to sergeant and assigned to Homicide—finds himself in the middle of three major assignments. The first case, a fatal shooting at a fast-food restaurant, seems simple, but rapidly becomes complicated. The second, a rape that tumbled into murder, begins complicated and only gets more so, as it becomes apparent that the crime may be part of a disturbing, and escalating, pattern. The third is the most bizarre, as Payne becomes involved with a local figure who long ago fled the country, leaving behind the mummified body of his girlfriend in a trunk. Ever since, the murderer has been sending taunting postcards from his safe haven—but all that may be about to change. Weaving in and around this already hectic schedule are the visit to Philadelphia of the self-absorbed star of a series of improbable police movies, who wants Payne to show him “the real stuff,” and the appearance in Payne's life of two very different women. Either one of them alone would be enough to set his head spinning, but together . . . this might be the most complicating thing of all. Filled with color and detail and plots as real as the headlines, this is a riveting novel of the men and women who put their lives on the line, from the cop on the beat to the commissioner himself. It's a story of fears, dangers, courage, loyalty, and genuine heroism: storytelling at its best. W.E.B. Griffin's bestselling series, *THE CORPS* and *BROTHERHOOD OF WAR*, have captured the pride and glory of the military community. Now he reveals a city police force with the same unique blend of realism, drama, and action. Here are the brave men and women behind the badge as you've never seen them before—their hopes and fears, their courage and heroism, sparked by a single, shocking event: the killing of a cop in the line of duty. “Combes Badge of Honor” is a true story of chronicle moments of my experience over a period of time, paying special attention to my work as a peace officer and an instance when, “I risked my profession for a justifiable cause.” It is a story of a lone survivor that seeks to characterize a “political hierarchy” and “to bring light to a horrible dishonor committed against what we so dearly love, our freedom.” As I consider some of the people and events seemingly influencing my perspective, I also highlight qualities relating to loyalty and belief in various forms. A brutal crime...A group of urban terrorists...An investigation of dirty cops...The leads in these supposedly unconnected cases have become tangled in some very ugly--and dangerous--knots. Now Special Operations detective Matt Payne and his colleagues find themselves fearing not only for their jobs, but also for their very lives... Why is experienced FBI agent Sarah Roberts starting over as a small-town beat cop? She has to be working undercover. Stuck with the job of training her, police officer Nick Matthews knows exactly who Sarah is spying on: him. If he ever wants to live down his past, he'll train her well, but won't say one word beyond the manual. Yet it is Sarah's past that comes crashing down on them. And trusting his new partner becomes a matter of life and death—and love. W.E.B. Griffin has captured a worldwide audience with his stunning novels of men and women of outstanding courage. *BROTHERHOOD OF WAR* revealed the drama and challenge of army life...*THE CORPS* explored the proud tradition of the Marines...Now *BADGE OF HONOR* takes you behind the scenes of today's urban police force. A brutal Mafia slaying rocks the city of Philadelphia when the only living witness is revealed--a wealthy debutante involved with the targeted mobster. One of the suspects is a cop, Matt Payne, who unwittingly takes on the ultimate battle between organized crime, upper-class power...and his own police force. A political assassin is ready to make his move. The police department's

only clue is a single, perfectly typed bomb threat. And worse yet, the police aren't sure they can trust their own people. In a few short days, the corruption of one cop--and the madness of an assassin--could blow the whole city sky high... TRINITY STREET WEST RANK HAD ITS PRIVILEGES... But they didn't include getting involved with a subordinate. Police chief Miguel de los Reyes had worked with Sergeant Kit Walker for years, but never this closely. Now he found himself looking for excuses to be near her, to touch her...and to ravish her irresistible mouth with his. All Kit had ever wanted was to be a cop. There was no room in her life for love. But she couldn't deny the racing of her pulse whenever Miguel was near. Still, even if Miguel felt the same about her, it wasn't exactly the wisest career move to fall for the chief of police. TRINITY STREET WEST Where danger lies around every corner—and the biggest danger of all is falling in love. Ellie is a wonderful daughter. Born and raised by two military parents who spent their entire careers climbing the ladder of success and the one thing that Ellie knows and understands is the idea of being a military brat. She jokes about it but realizes that it is a difficult situation to be raised in. She was taught, or quickly learned not to create relationships with people and not to get attached because at any point in time she could be moving. In her lifetime she lived in over thirteen different countries with her mother and her father and never stayed in the same place more than a few years. In the reflection of her life she realizes that she is too young to be alone for the rest of her life. She embarks on a scary mission of discovering the person she can still create herself to be. The only relationships that she really forged were that between her mother and her father. So, when the time came that they both passed away she realized that her life had become a series of organized daily events mirroring that of someone in the military, even though she wasn't. She has no friends, she has no family, and she is struggling right now to figure out how she can begin to live a normal life since she had never experienced living one. This is a coming of age story about a young woman who realizes that being a military brat, while a badge of honor, can also be a lifelong challenge. Walter L. Harris, Jr. fulfilled a lifelong dream of becoming a Detroit police officer on September 19, 1994. For the next nine-and-a-half years, he served meritoriously in some of Detroit's most dangerous precincts and units, including vice. He joined the Executive Protection Unit (EPU) and served for five years with Chief of Police Isaiah McKinnon, Mayor Dennis Archer, and finally Mayor Kwame Kilpatrick. Badge of Honor: Blowing the Whistle, Walter Harris's first book, is a chronicle of his service in law enforcement and a testament to the honor and integrity that he brought to the badge. It also offers a thoughtful guide to anyone in government or the private sector who might consider blowing the whistle on corruption. Hadley has worked her butt off to earn her title as Potentate of Atlanta. All that's left for her is the gauntlet. A show of prowess for the citizens of Atlanta. A taste of what their new POA can do. She's ready to dazzle them and bring home the prize. Until an old friend gets kidnapped. The price of his freedom? Her flunking the gauntlet. Either she gives up on her dream or her friend. For Hadley, there's only once choice. The dramatic New York Times-bestselling adventure in W.E.B. Griffin's Badge of Honor series about the Philadelphia police force. Having investigated his share of gruesome murders, Philadelphia Homicide Sergeant Matt Payne is beginning to think nothing can shock him—until the case of a young socialite's death lands on his desk. The Camilla Rose Morgan he'd known as a teenager was beautiful and brilliant—how was it possible she'd jumped to her death from her own balcony? Her brother tells Payne she'd tragically been battling a lifetime of mental demons, and there is plenty of evidence of it, but still...something just doesn't sit right. The more Payne digs, the more complications he discovers. Reputations are on the line here, and lives—and if Payne doesn't tread carefully, one of them may be his own. Murders are on the rise in Philadelphia-but no one seems to mind because the victims are all fugitives with histories of heinous sex crimes against women and children. Worse for Homicide Sergeant Matt Payne, the main suspect is leaving evidence for police to find. But when copycat killings start popping up due to vigilante groups dealing out their own justice, Payne must find out who's behind the chaos before the violence overtakes the city. Just as with his remarkable military novels, millions of readers have been captured by the rich characters and vivid realism of W. E. B. Griffin's police dramas. "Griffin has the knack," writes The Philadelphia Inquirer. He "sets his novel before you in short, fierce,

stop-for-nothing scenes. Before you know it, you've gobbled it up." Now, in *Final Justice*, Detective Matt Payne of the Philadelphia police department—newly promoted to sergeant and assigned to Homicide—finds himself in the middle of three major assignments. The first case, a fatal shooting at a fast-food restaurant, seems simple, but rapidly becomes complicated. The second, a rape that tumbled into murder, begins complicated and only gets more so, as it becomes apparent that the crime may be part of a disturbing, and escalating, pattern. The third is the most bizarre, as Payne becomes involved with a local figure who long ago fled the country, leaving behind the mummified body of his girlfriend in a trunk. Ever since, the murderer has been sending taunting postcards from his safe haven—but all that may be about to change. Weaving in and around this already hectic schedule are the visit to Philadelphia of the self-absorbed star of a series of improbable police movies, who wants Payne to show him “the real stuff,” and the appearance in Payne’s life of two very different women. Either one of them alone would be enough to set his head spinning, but together . . . this might be the most complicating thing of all. Filled with color and detail and plots as real as the headlines, this is a riveting novel of the men and women who put their lives on the line, from the cop on the beat to the commissioner himself. It’s a story of fears, dangers, courage, loyalty, and genuine heroism: storytelling at its best. Inspired by true stories of the Cambridge Fire Department Rescue Company Philadelphia Homicide Sergeant Matthew Payne is paired with a Texas Ranger to bring down a murderer with Mexican cartel connections. The odd couple of the Philly cop and the Texas lawman must run down the killer and his gang-before the body count rises again. Fifth in the Badge of Honor series. The robbery ended in murder, the killers claimed to be terrorists, and the only cooperative witness feared for his life. Police officer Matt Payne knew the dangers of his profession--but never thought that he himself would be the one who needed protection...In *BADGE OF HONOR*, W.E.B. Griffin reveals the explosive world of law enforcement with the same power and authenticity that made his *BROTHERHOOD OF WAR* and *THE CORPS* series nationwide bestsellers. The dramatic New York Times–bestselling adventure in W. E. B. Griffin’s *Badge of Honor* series about the Philadelphia police force. In Philadelphia—already suffering among the country’s worst murder rates—homicide is at an all-time high. With each violent crime, tension builds between the police department, the mayor’s office, and the Citizens Oversight Committee. The most vocal activist, reformed drug dealer Reverend Josiah Cross, places the blame, and with it a target, squarely on the back of twenty-seven-year-old homicide sergeant Matt Payne. Now Payne must navigate death threats and misdirected public outrage to follow a strange pattern of seemingly unrelated killings. If he can’t find his way through, it could spell an end to his reputation, his work—and maybe even his life.

Thank you for reading **Broken Trust Badge Of Honor Series 13**. As you may know, people have look numerous times for their favorite novels like this *Broken Trust Badge Of Honor Series 13*, but end up in infectious downloads.
