The Negro Motorist Green Book Sep 21 2022 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

History of Shanghai Jul 07 2021 Dear Traveler, Welcome to the WanderStories™ History of Shanghai as told by the best local guide. Welcome to Shanghai, the largest city proper in both China and the world. It is one of the major financial centers for Asia and home to one of the world's busiest ports. Its history goes back for thousands of years, though it is perhaps not until the last thousand or so that Shanghai has been of any significance except to its inhabitants. For centuries a major administrative, shipping, and trading town, Shanghai grew in importance in the 19th century due to European recognition of its favorable port location and economic potential. The city was one of several opened to foreign trade following the British victory over China in the First Opium War, which allowed the establishment of the Shanghai International Settlement. The city then flourished as a center of commerce between East and West, and became the undisputed financial hub of the Asia Pacific in the 1930s. Today, Shanghai is a popular tourist destination. It has been described as the showpiece of the booming economy of China. There is only one thing to do now – visit! We, at WanderStories™, are storytellers. We don't tell you where to eat or sleep, we don't intend to replace a typical travel reference guide. Our mission is to be the best local guide that you would wish to have by your side when visiting the sights. So, we meet you at the sight and take you on a tour. A Travel Guide to Life Apr 16 2022 For the many inspired by Anthony DeStefano's A Travel Guide to Heaven -a remarkable tour of the pleasures God has in store for us in the next and everlasting life-more inspiration is here in A TRAVEL GUIDE TO LIFE, offering an enlightening tour of the kind of deeply meaningful and happy life we can live here on earth. DeStefano outlines the path that can lead each and every one of us to renewed faith, understanding and fulfillment. With simplicity, honesty and a personal and practical look at the challenges God places before us, he outlines a reassuring and hopeful framework for living the life God has designed for us all ... even if we're not sure (yet) that we're true believers. DeStefano offers hope and optimism to everyone-committed Christians as well as struggling doubters, agnostics and even atheists-whether we've lived exemplary lives or are sinners who've lost all hope, whether we're struggling to keep a roof overhead and food on the table or are seemingly successful and surrounded by material wealth. This frank and inspiring guide incorporates that crucial element so often missing from other self-help and personal development books about living a happy life: spirituality and a living, working faith in God. Clear and basic "Lifetime Principles" are at its heart, to be followed whenever we are ready to begin, no matter the lives we've lived, no matter the baggage we carry, no matter the faith we've had (or lacked) up until now: Accept yourself as one person - body, mind and spirit, all connected and interrelated - the way God created you. Make a decision to start over - you can do it any time, on one tiny part of life or everything in it - and begin living the way God intends. Take action - start with just one small step and each successive one will be easier - following the example God gave us as Jesus moved from infancy to manhood and wisdom, His momentum growing step by step. Put God first - most importantly of all - wholeheartedly if you can, or hesitatingly if your heart still harbors doubt. DeStefano's personal no-holds-barred yet joyful style is always positive, always encouraging. Travelers who take this incredible journey with him will come to truly understand that when we take up the crosses in our lives - the whole of our lives, the good and the not-so-good - and follow God, He will transform it all, making everything brand new and granting us the strength, peace and happiness for which we yearn. So take heart. Take hold of the powerful path open to you on the pages of A TRAVEL GUIDE TO LIFE. And take your place in God's happy universe, living out the humble requests asked in the prayer taught by Jesus Himself: "...Thy will be done, on earth as it is in heaven."

Atlas Obscura Jan 01 2021 It's time to get off the beaten path. Inspiring equal parts wonder and wanderlust, Atlas Obscura celebrates over 700 of the strangest and most curious places in the world. Talk about a bucket list: here are natural wonders—the dazzling glowworm caves in New Zealand, or a baobab tree in South Africa that's so large it has a pub inside where 15 people can drink comfortably. Architectural marvels, including the M.C. Escher-like stepwells in India. Mind-boggling events, like the Baby Jumping Festival in Spain, where men dressed as devils literally vault over rows of squirming infants. Not to mention the Great Stalacpipe Organ in Virginia, Turkmenistan's 40-year hole of fire called the Gates of Hell, a graveyard for decommissioned ships on the coast of Bangladesh, eccentric bone museums in Italy, or a weather-forecasting invention that was powered by leeches, still on display in Devon, England. Created by Joshua Foer, Dylan Thurau and Ella Morton, ATLAS OBSCURA revels in the weird, the unexpected, the overlooked, the hidden and the mysterious. Every page expands our sense of how strange and marvelous the world really is. And with its compelling descriptions, hundreds of photographs, surprising charts, maps for every region of the world, it is a book to enter anywhere, and will be as appealing to the armchair traveler as the die-hard adventurer. Anyone can be a tourist. ATLAS OBSCURA is for the explorer.
