Recensioni di libri (1950-1959) A Companion to
Anticlassicisms in the Cinquecento

Questo volume – che inaugura la pubblicazione in formato elettronico delle Opere complete di Bruno Leoni – include tutte le 408 recensioni scritte per la rivista “Il Politico” nel corso di un decennio (1950-1959). A sorprendere non è soltanto l'elevato numero di recensioni, ma anche la diversità degli argomenti trattati: dalla psichiatria all'arte, dalla

religione alla letteratura, dall'archeologia alle civiltà orientali, dalla storia all'architettura, oltre naturalmente alla politica, all'economia e al diritto. Si tratta di un testo utile per due motivi in particolare. Da un lato per capire meglio il pensiero di Leoni, poiché in queste recensioni i suoi riferimenti culturali vengono esplicitati e si chiarisce bene quale fosse la sua concezione della politica, della filosofia e della società. Dall'altro esso consente di farsi un'idea sugli argomenti di cui (non) si discuteva in Italia negli anni Cinquanta. "Il Politico" - fondato dallo stesso Leoni nel 1950 - fu infatti un mirabile tentativo di innovare la cultura italiana e in queste recensioni, che sono per la maggior parte di libri stranieri, l'Autore suggerisce traduzioni e propone idee e argomenti in Italia allora poco conosciuti, o spesso conosciuti male. Le recensioni non sono mai banali, e anzi vi emerge con chiarezza quali siano le valutazioni, le idee e in generale il pensiero di Leoni. Fare esplorazioni in campi così diversi e saperne trarre vantaggio nell'elaborazione di idee nel proprio settore di ricerca richiede indubbiamente un'intelligenza e una cultura fuori dall'ordinario. Ma questo era il suo approccio metodologico: le scienze umane gli apparivano intimamente connesse e solo da una loro trattazione comune era convinto di poter trovare la soluzione ai problemi sociali. The volume *The Italian Method of la drammatica: its Legacy and Reception* includes the long and complex investigation to identify the Italian acting-code system of the drammatica used by nineteenth-century Italian actors such as Adelaide Ristori, Giovanni Grasso, Tommaso Salvini, Eleonora Duse. In particular, their acting inspired Stanislavsky who reformed twentieth-century stage. The declamatory code of

the *drammatica* was composed by symbols for notation of voice and gesture which Italian actors marked in their prompt-books. The discovery of the *drammatica*'s code sheds new light on nineteenth-century acting. Having deciphered the phonetic symbols of the code, Anna Sica has given birth an investigation with a group of outstanding scholars in an attempt to explore the *drammatica*'s legacy, and its reception in Europe as well as in Asia. At this stage new evidence has emerged proving that, for instance, the symbol used by the *drammatica* actors to sign the *colorito vocale* was known to English actors in the second half of the nineteenth century. By noting how Adelaide Ristori passed on her art to Irving's actress Genevieve Ward, and how Stanislavsky, almost aflame, moulded his system from Duse's acting, an unexplored variety in the reception of the *drammatica*'s legacy is revealed. This volume discusses perspectives on cosmopolitanism, as well as concepts and the work of key figures. For example, it examines educational, philosophical and historical perspectives, deals with such issues as citizenship, internationalism, patriotism, globalization, hegemony and many other topics. It brings together works on Alain Badiou, Giorgio Agamben, Ernesto Laclau, Bruno Latour and Homi Bhabha with works on Whitman, Kant, Martha Nussbaum, Thomas Pogge, Onora O'Neill and Philippe Van Parijs. The book engages in the new dialogue on cosmopolitanism from a variety of outlooks. It advances that dialogue and problematizes it through as yet unexplored paths. Its chapters respond to the intricacies of current discourses on cosmopolitanism and related notions and take into account both affirmative and negative stances

to cosmopolitanism and its educational significance. Overall, the book relies on such stances as background material in order to transcend them and offer fresh perspectives on cosmopolitan stakes. It makes use of a recent tendency in political philosophical and cultural-critical debates that opens a possibility of more nuanced approaches to old '-isms'. Includes section "Reviews".

The commedia dell'arte, the improvised Italian theatre that dominated the European stage from 1550 to 1750, is arguably the most famous theatre tradition to emerge from Europe in the early modern period. Its celebrated masks have come to symbolize theatre itself and have become part of the European cultural imagination. Over the past twenty years a revolution in commedia dell'arte scholarship has taken place, generated mainly by a number of distinguished Italian scholars. Their work, in which they have radically separated out the myth from the history of the phenomenon remains, however, largely untranslated into English (or any other language). The present volume gathers together these Italian and English-speaking scholars to synthesize for the first time this research for both specialist and non-specialist readers. The book is structured around key topics that span both the early modern period and the twentieth-century reinvention of the commedia dell'arte. This comprehensive resource covers all elements of design relating to man's best friend. As dogs share our lives, it makes sense that they also share the best that design can offer. This book gives readers an elegant and entertaining overview of the finest doggie accoutrements. Feast your eyes on dog toys, leads, dishes, kennels, carriers and baskets. Of course, let's not forget grooming aids and

dog clothing! From traditional to modern, there's design here to suit every canine personality. Manuela von Perfall is a freelance writer for a range of lifestyle magazines and book publishers. She has compiled books on topics as diverse as Italian design and the cultural history of perfume. She lives with her many dogs on Lake Ammer, and organizes an annual festival on the grounds of Greifenberg castle for dog lovers. A must-have for all dog lovers

The ideal gift for all aficionados of canine culture 350 colour photos 70.13 [Italiano]: Il presente lavoro costituisce una biografia intellettuale di Jacques-André Naigeon (1735-1810), importante figura del secolo dei Lumi francese. Biografo e primo editore di Diderot, Naigeon fu testimone privilegiato delle innumerevoli vicende politiche, sociali e culturali che sconvolsero la società francese. Ateo convinto, editore infaticabile, fine conoscitore della letteratura clandestina, il giovane Naigeon fece in tempo a collaborare agli ultimi volumi dell'Encyclopédie e a partecipare, con il barone d'Holbach, alla propagazione di numerosi scritti eterodossi, materialisti e ferocemente anticlericali; dopo la Rivoluzione - la quale lo spinse alla riflessione ma non ad un'attività politica propriamente detta - fu integrato dalla cultura "ufficiale" tramite l'elezione presso l'Institut de France: ma nonostante alcuni lavori editoriali di grande pregio, Naigeon resterà esclusivamente la testimonianza vivente di una stagione culturale ormai irripetibile ./[English]:This work aims at being an intellectual biography of Jacques-André Naigeon (1735-1810), an important figure of French Enlightenment. Not only was he very close to Diderot - of whom he was biographer and editor - but he was also a privileged witness of the countless

political, social and cultural events that led to the French Revolution. Besides being a convinced atheist, a tireless publisher, a fine connoisseur of Clandestine literature, Naigeon had the opportunity to collaborate in writing the last volumes of the Encyclopédie and to participate in the propagation of heterodox, materialistic and fiercely anti-clerical writings. After the Revolution - at the beginning of which he tried in vain to make himself heard by the Assemblée Nationale - he was then integrated into the "official" culture through the election at the Institut de France: however, even if he is the author of some prestigious works, Naigeon remains exclusively the living testimony of a now unrepeatable cultural season. 'Anticlassicisms,' as a plural, react to the many possible forms of 'classicisms.' In the sixteenth century, classicist tendencies range from humanist traditions focusing on Horace and the teachings of rhetoric, via Pietro Bembo's canonization of a 'second antiquity' in the works of the fourteenth-century classics, Petrarch and Boccaccio, to the Aristotelianism of the second half of the century. Correspondingly, the various tendencies to destabilize or to subvert or contradict these manifold and historically dynamic 'classicisms' need to be distinguished as so many 'anticlassicisms'. This volume, after discussing the history and possible implications of the label 'anticlassicism' in Renaissance studies, differentiates and analyzes these 'anticlassicisms.' It distinguishes the various forms of opposition to 'classicisms' as to their scope (on a scale between radical poetological dissension to merely sectorial opposition in a given literary genre) and to their alternative models, be they authors (like Dante) or texts. At the same

time, the various chapters specify the degree of difference or erosion inherent in anticlassicist tendencies with respect to their 'classicist' counterparts, ranging from implicit 'system disturbances' to open, intended antagonism (as in Bernesque poetry), with a view to establishing an overall picture of this field of phenomena for the first time. A brief biography of the priest, philosopher, and theologian. This collection of essays explores the reception of classics and translation from modern languages as two different, yet synergic, ways of engaging with literary canons and established traditions in 20th-century Italy. These two areas complement each other and equally contribute to shape several kinds of identities: authorial, literary, national and cultural. Foregrounding the transnational aspects of key concepts such as poetics, literary voice, canon and tradition, the book is intended for scholars and students of Italian literature and culture, classical reception and translation studies. With its two shifting focuses, on forms of classical tradition and forms of literary translation, the volume brings to the fore new configurations of 20th-century literature, culture and thought. As a writer, Carlo Levi has had the misfortune to be known as the author of one book, *Christ Stopped at Eboli*, the account of his years of internal banishment by the Fascist authorities to a remote village in the south of Italy. That book was recognised as a masterpiece of anti-Fascist literature and as a sensitive investigation of the way of life of a people at the margins of European civilisation. It enjoyed enormous success in the post-war period not only in Italy but also in Britain and the USA, and has been continuously in print since its first publication. However, Levi was also a painter of some

repute, a novelist, a journalist, a critic of art and society, a political commentator, and above all, a wholly idiosyncratic travel writer whose reports on the countries and regions he visited, including Sicily, Sardinia, Germany, the USSR and India, were also reflections on Italy. This book attempts to assess the totality of Levi's achievement. Come scrittore, Carlo Levi ha avuto la sfortuna di essere celebrato come autore di un libro solo, Cristo si è fermato ad Eboli, la narrativa dei suoi anni di confino nel Mezzogiorno sotto il regime fascista. Sin dal momento della sua pubblicazione nel primo dopoguerra, questo libro è stato riconosciuto come capolavoro della letteratura anti-fascista e come indagine penetrante della cultura di un popolo ai margini della civiltà europea. Comunque, Levi fu anche pittore di grande talento, romanziere, critico d'arte, critico della società, commentatore politico e viaggiatore-scrittore di libri di viaggi sui generis. I suoi articoli, che poi divennero libri, sui paesi e sulle regioni che visitò - la Sicilia, la Sardegna, la Germania e l'India - si rivelarono anche riflessioni sulla condizione dell'Italia. Questa raccolta di saggi è una rivalutazione della totalità delle opere di Carlo Levi. Drawing on archive materials collected worldwide, the present study aims at revising the contemporary reading of the preparation period of Vatican II, in particular concerning the catholic debate on revelation theology and the development of biblical exegesis. The present book is the second volume of "Mantua Humanistic Studies" series, which is devoted to collect studies, proceedings, and papers in the field of Humanities. Table of Contents: An essay on compared Anglophone communication: speaking Glob(al Engl)ish, by Sabrina

Mazzara. Modernismo artistico e letterario: il caso di "In Parenthesis" (1937) di David Jones, by Virginia Vecchiato.
