Timmie assumes that this event is somehow connected to his winning streak during the fart skateboard competition where El Ninjo, his fart dog, was still the one who made the skateboarding powered by Ninja Farts a reality. Timmie remembers a weird dream that he experienced during this competition and somehow his dreams became reality. Who knows maybe El Ninjo is transmitting the powers over to him which is a pretty scary thought because that would make El Ninjo a non unearthy dog! All Timmie knows is that this must have happened in China or Tokio where the universal energies of Martial Arts kept hitting him the most. Anyways, this is material is reserved for a future fart story because all Timmie Guzzmann can think about is the urge to countdown to Christmas the coolest way. It is not up to him to fully understand what has happened to

him, but he knows that he can control his own destiny with farts. All he cares for right now is that some invisible powers must have heard his prayers and made his dreams and wishes become a crazy reality over Christmas time. Timmie won't give you more hints because he does not want to ruin the fun for everybody: Here is just a short snapshot of the fart doors that you'll want to open on each new December day and as you are counting down to Christmas day! Following him & count down to Christmas: * Christmas Countdown Fart 7: Not For The Faint Of Heart * Christmas Countdown Fart 9: Pumpnickel Pungent Fart Recipe * Christmas Countdown Fart 11: Ziplock Bag Fart Recipe * Christmas Countdown Fart 22: Epic Sorbitol Christmas Mints more... "The United States Code is the official codification of the general and permanent laws of the United States of America. The Code was first published in 1926, and a new edition of the code has been published every six years since 1934. The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress, Second Session, the last of which was signed by the President on January 15, 2013. It does not include laws of the One Hundred Thirteenth Congress, First Session, enacted between January 2, 2013, the date it convened, and January 15, 2013. By statutory authority this edition may be cited "U.S.C. 2012 ed." As adopted in 1926, the Code established prima facie the general and permanent laws of the United States. The underlying statutes reprinted in the Code remained in effect and controlled over the Code in case of any discrepancy. In 1947, Congress began enacting individual titles of the Code into positive law. When a title is enacted into positive law, the underlying statutes are repealed and the title then becomes legal evidence of the law. Currently, 26 of the 51 titles in the Code have been so enacted. These are identified in the table of titles near the beginning of each volume. The Law Revision Counsel of the House of Representatives continues to prepare legislation

pursuant to 2 U.S.C. 285b to enact the remainder of the Code, on a title-by-title basis, into positive law. The 2012 edition of the Code was prepared and published under the supervision of Ralph V. Seep, Law Revision Counsel. Grateful acknowledgment is made of the contributions by all who helped in this work, particularly the staffs of the Office of the Law Revision Counsel and the Government Printing Office"--Preface.
