Join the brave man cub Mowgli as he grows up in the jungle, befriending unforgettable characters such as Bagheera the panther and Baloo the bear. But the law of the jungle is cruel—what will it take for Mowgli to become a man? This endearing tale has been retold and adapted with new illustrations, making it perfect for younger readers aged 4+. Foreword by Minette Shepard The enchanting story of some of the most beloved characters in English children's literature—Winnie-the-Pooh and his friends from the Hundred Acre Wood, Piglet, Eeyore, Tigger, Kanga, Roo, Christopher Robin, and more—and the remarkable partnership between a writer and an illustrator that brought them to life, told for the first time in this beautiful volume illustrated with more than 125 full-color images from the Pooh series, never-before-seen sketches, artwork, family photographs, and memorabilia. Winnie-the-Pooh and his friends have enthralled generations of children and have become some of the world's most beloved characters. But before their adventures were captured in many millions of books published in nearly fifty languages, they started life in the 1920s as the product of a unique collaboration between author A. A. Milne and illustrator E. H. Shepard. They wove images and text together in a way that was utterly original for the time. It was a process that Shepard relished; he continued to create artwork for new editions until his death in 1976 at the age of ninety-six. This lovingly designed, full-color volume, which includes a foreword from Shepard's granddaughter, tells the story behind this remarkable partnership, and traces the evolution of Shepard's work, from his first tentative sketches to the illustrations we know and love, including the characters' later incarnations by the artists at Walt Disney Studios. A stunning and rare collection, filled with some never-before-published sketches and the first illustration of Pooh, *The Art of Winnie-the-Pooh* is a treasure trove of early art and an exclusive behind-the-scenes peek at the creation of Pooh bear and Hundred Acre Wood—direct from the artist's estate—that is sure to become a cherished keepsake for devoted fans and readers who grew up with these timeless characters. In the vein of Philippa Gregory, *The King's Daughter* is a superb historical novel of the Jacobean court that will thrill historical fiction fans everywhere. Combining fascinating fact with ingenious fiction, Christie Dickason, the acclaimed author of *The Firemaster's Mistress*, tells the spellbinding story of Princess Elizabeth, daughter of James I, and her determined efforts to avoid becoming her father's pawn in the royal marriage market. Baron von Bubbles, aka "Bub," is the self-proclaimed cutest pug on the planet! Things he loves: fashion, peanut butter, and his human, Bella. Things he does NOT love: Nutz the squirrel, baths, and the rain. When Bella enters the Spirit of the Inventor Challenge, Bub helps her craft the best project ever. But what happens when Nutz gets on Bub's nerves and makes him ruin Bella's project? If Bub wants to make it up to his girl, he'll have to stand up to Nutz -- and the rain -- once and for all. With four-color artwork throughout, this funny and charming diary-format chapter book is perfect for anyone who believes a furry pal is the best kind of friend.

Roni Werkudoro dan Rita Wulandari adalah pasangan suami-istri sosialita kaya raya yang membentuk biro detektif swasta "R&R" guna menangani berbagai kasus kriminal istimewa yang tak tersentuh oleh hukum yang berlaku. Ada dua kasus kriminal istimewa dalam novel ini, yaitu pembunuhan miliuner Horatio Cruz di kapal pesiar Enigma saat liburan pergantian tahun baru serta kasus satu lagi berupa pembunuhan pengusaha salon dan spa Lily Malino. Mampukah Roni dan Rita memecahkan dua kasus ini? Atau akankah mereka berdua sekadar menjadi bahan tertawaan rakyat akibat status mereka sebagai detektif sosialita? Temukan jawabannya dalam novel ini!

Buku Persembahan Penerbit PrenadaMediaGroup This popular series about three unlikely best friends is brimming with charm, humor, and heart. After a magical summer living on a peach orchard, carefree Murphy, perfect Leeda, and big-hearted Birdie confront a series of breakups, makeups, and takeoffs. They may have to leave one another, along with the orchard that brought them together. But despite their heartbreak, this year's bittersweet endings could lead to the sweetest of new beginnings.

Ten legendary princesses of Malaysia - some are mythical fairy princesses whose stories are as wonderful and romantic as any of the princess stories from around the world. One, Hang Li Po came from a far off land and her retinue of young beauties are believed to be the far distant mothers of the Nonya. Others were real historical figures although their stories have been embellished over the years as they were passed down from generation to generation. But all have fired our imagination with tales of their beauty, bravery, wisdom and spirit. Author Raman has done some serious research and Emila Yusof's detailed illustrations are simply delightful. When it comes to sex, Barbara Keesling knows what she's talking about. A noted sex therapist, sex surrogate and professor of sexuality, she was featured in Playboy magazine in a special photo layout. In Talk Sexy to the One You Love, Keesling shows readers a new way to heat up their lovemaking without special toys, gadgets or superhuman agility. According to Keesling, the voice can be an incredibly potent erotic tool. The right words at the right time can start a fire burning inside that feels like it will never go out. To help readers hone their skills, she provides special exercises that allow them to vocalize sexual fantasies, have fun using enticing adjectives and read aloud sexy bedtime stories. Moving from tame icebreakers to bona fide ice melters, these safe yet stimulating lessons are just what the doctor ordered for a more electrifying love life. Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold,

sometimes brutal irony of Crane's narrative voice. An explosive novel of betrayal and blood vengeance featuring Seattle detective J.P. Beaumont. There are those who don't deserve to live—and the corpse floating in Elliott Bay may have been one of those people. Not surprisingly, many individuals, too many in fact, are eager to take responsibility for the brutal slaying of the hated biotech executive whose alleged crimes ranged from the illegal trading of industrial secrets to rape. For Seattle Detective J.P. Beaumont—who's drowning in his own life-shattering problems—a case of seemingly justifiable homicide has sinister undertones, drawing the haunted policeman into a corporate nightmare world of double deals, savage jealousies, and real blood spilled far too easily, as it leads him closer to a killer he's not sure he wants to find. Bella must go on a special quest for a magical crystal in order to save her beloved Glimmer in the fourth book in the Unicorn Magic series! After a sparkly visit with her cousin, Violet, Bella is having a fun time at a party her parents are throwing in honor of Violet's visit. But there is one unexpected guest—Bella's aunt, Queen Fire, who rules over the Dark Forest. It turns out there is a magical crystal hidden deep inside Crystal Castle, and Queen Fire wants Bella to find it and bring it to her. It holds special memories that her aunt wants to have back, and if Bella can't complete her request, Queen Fire will take Glimmer away! Can Bella figure out how to find the crystal and save Glimmer? After injuring himself during a diving meet while thinking about the girl of his dreams, Jonah Black tries to recover while struggling with his relationship with his real-life friend Posie, his second junior year, and his family. A classic Agatha Christie short story, available individually for the first time as an ebook. A BEST OF THE MONTH SELECTION BY OPRAH MAGAZINE AN NPR BEST BOOK OF 2021 "An eminent South Korean talent makes her American debut in this poignant watercolor of a novel . . . Kim is a writer on the move." —O, The Oprah Magazine Ae-ran Kim's My Brilliant Life explores family bonds and out-of-the-ordinary friendships, interweaving the past and present of a tight-knit family, finding joy and happiness in even the most difficult times. Areum lives life to its fullest, vicariously through the stories of his parents, conversations with Little Grandpa Jang—his sixty-year-old neighbor and best friend—and through the books he reads to visit the places he would otherwise never see. For several months, Areum has been working on a manuscript, piecing together his parents' often embellished stories about his family and childhood. He hopes to present it on his birthday, as a final gift to his mom and dad; their own falling-in-love story. Through it all, Areum and his family will have you laughing and crying, for all the right reasons. "This novel snuck up on me and captured my heart." —Margarita Montimore, USA Today bestselling author of Oona Out of Order At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Bartleby is a newly-hired scrivener who initially produces great work but slowly reduces his output, declining assignments and responding with: "I would prefer not to." Despite his poor performance, his boss struggles to reprimand the eccentric character. A Manhattan lawyer decides to hire a third scrivener called Bartleby to help manage his growing workload. Yet, the quiet unassuming man soon becomes a source of contention. At first, Bartleby is an active member of the team yet one day he refuses to complete an assignment, setting an unusual precedent. He continues to refuse work, which confuses the lawyer and frustrates his peers. Bartleby's passive attitude is indicative of a larger issue his boss has yet to uncover. Herman Melville delivers a simple story about a man who follows his own path. He chooses not to engage with work or society as a whole. It's an examination of passive resistance in a modern world fueled by compliance and consumerism. With an eye-catching new cover, and professionally typeset manuscript, this edition of Bartleby, The Scrivener: A Story of Wall Street is both modern and readable. Perempuan Bisa Apa? In this landmark book, esteemed Buddhist teacher Sylvia Boorstein addresses this incisive question in a warm, delightful and personal way. With the same down-to-earth charm and wit that have endeared her to her many students and readers, Boorstein shows how one can be both an observant Jew and a passionately committed Buddhist. She's a friendly voice on the phone. But can you trust her? The people who call End of the Line need hope. They need reassurance that life is worth living. But some are unlucky enough to get through to Laura. Laura doesn't want them to hope. She wants them to die. Laura hasn't had it easy: she's survived sickness and a difficult marriage only to find herself heading for forty, unsettled and angry. She doesn't love talking to people worse off than she is. She craves it. But now someone's on to her--Ryan, whose world falls apart when his pregnant wife ends her life, hand in hand with a stranger. Who was this man, and why did they choose to die together? The sinister truth is within Ryan's grasp, but he has no idea of the desperate lengths Laura will go to... Because the best thing about being a Good Samaritan is that you can get away with murder. Revised edition: This edition of The Good Samaritan includes editorial revisions. Preserved in music, dance, and art—as well as in ritual, tribal law, and mythology—the fighting arts of the Indonesian archipelago play a central role in Indonesian culture. The Martial Arts of Indonesia is a heavily illustrated and well-researched work from revered martial arts scholar and teacher Donn F. Draeger. Draeger offers an expert's perspective on the story of Indonesia's martial culture, providing a comprehensive introduction to the sophisticated forms of empty-hand combat. These acrobatic fighting styles like Pencak Silat—which was granted World Cultural Heritage status by UNESCO in 2019—and Kuntao are growing in popularity around the world. This book also has extensive information on traditional Indonesian weapons including: Keris: A dagger with a waved blade and pistol-grip handle Kujang: A sickle-shaped dagger with a distinctive curve Rencong: An L-shaped knife with a slightly curved blade Draeger shows how these unique Indonesian forms are related to

their mainland cousins, provides a historical context for their development, and describes the various combat methods employed throughout Indonesia. This edition includes a new foreword by Gary Nathan Gartenberg, the world's leading expert on Indonesian martial arts, which explains the lasting importance of this classic study of an ancient martial tradition. With over 400 photos and illustrations of moves and weapons that showcase the intricacies of the Indonesian fighting forms, *The Martial Arts of Indonesia* is an indispensable addition to any martial artist's library. The Melowies finally start the Art of Powers class which teaches them to strengthen the power they were born with. Clio, having been left at Destino when she was born, does not know the realm she is from and does not know what her power is. She must take lessons in all of the realms in order to find out which she belongs to. Clio learns she is not the first Melowy to be unsure of her Realm. Hidden in away in a book she finds a page that makes her jump: "Such a power will not appear for many years; not until the arrival of a Melowy whose realm will not be known, who will be found..." The rest of the book is destroyed. Clio sees Eris casts a spell that weakens Kora's powers so that she can surpass her in class. Kora and Clio work together to stop Eris and ruin her plan. Kora receives the highest marks, using her Winter Realm power to create a beautiful ice sculpture of Clio for class. Caterer Faith Fairchild has a bad feeling about her father-in-law's decision to celebrate his seventieth birthday with a family reunion ski week at the Pine Slopes resort in Vermont -- the Fairchilds' favorite getaway since Faith's husband, the Reverend Thomas Fairchild, was a toddler. At first her unease seems unfounded -- until Faith comes across a corpse on one of the cross-country trails, the apparent victim of a heart attack. Then one catastrophe follows another: the mysterious disappearance of the Pine Slopes' master chef, a malicious prank at the sports center, a break-in at the Fairchild condo, the sabotage of a chairlift. And when a fatal "accident" with the snow-making machines stains the slopes blood

red, Faith realizes she'll have to work fast to solve a murderous puzzle -- because suddenly not only are the reunion and the beloved resort's future in jeopardy . . . but Faith's life is as well. *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. "Dan Neuharth's book demystifies much within our pasts that can hurt our intimate relationships in ways we may not even realize. *If You Had Controlling Parents* helps spark understanding and acceptance across generations." — John Gray, Ph.D., author of *Men Are from Mars, Women Are from Venus* Do you sometimes feel as if you are living your life to please others? Do you give other people the benefit of the doubt but second-guess yourself? Do you struggle with perfectionism, anxiety, lack of confidence, emotional emptiness, or eating disorders? In your intimate relationships, have you found it difficult to get close without losing your sense of self? If so,

you may be among the fifteen million adults in the United States who were raised with unhealthy parental control. In this groundbreaking bestseller by accomplished family therapist Dan Neuharth, Ph.D., you'll discover whether your parents controlled eating, appearance, speech, decisions, feelings, social life, and other aspects of your childhood—and whether that control may underlie problems you still struggle with in adulthood. Packed with inspiring case studies and dozens of practical suggestions, this book shows you how to leave home emotionally so you can improve assertiveness, boundaries, and confidence, quiet your "inner critics," and bring more balance to your moods and relationships. Offering compassion, not blame, Dr. Neuharth helps you make peace with your past and avoid overcontrolling your children and other loved ones. The third installment in fan-favorite author Rachel Hawthorne's Dark Guardian paranormal romance trilogy, featuring Connor, from Dark Guardian #2. Connor has watched for years while the other Dark Guardians have undergone their transformations into wolves. What he doesn't understand is why he's not feeling any of the inner stirrings that they have. The only stirrings that he feels are for Brittany—he's certain that she's his destined mate. Which makes it all the more devastating when the first full moon after his eighteenth birthday passes and he doesn't transform. He's just desperate enough to become a wolf that he'll go to extremes he never thought possible. . . and put all the Dark Guardians in incredible danger. But does he really need to change to keep Brittany's love? From bed partners . . . Two years ago, while on assignment for the Crown, darkly handsome Garrett Burke left Lady Ivy Wentworth sleeping naked in his bed as he went in search of the missing Martello diamonds. After apprehending the dastardly thief, he intended to spend the rest of his life in the arms of the auburn-haired beauty. But when the case came to a shocking and dangerous end, Garrett was certain he'd been betrayed . . . To partners in crime Ivy once loved Garrett with a virtuous heart, but these days she can barely stand him. Arriving at a deserted estate on a mysterious errand, she never expected to see him again, nor feel the same ecstasy she once did at his touch. Now, joined with him in the search for the legendary jewels, she is willing to risk everything. Everything, that is, except her heart . . . From the New York Times bestselling author of Dirty Blonde comes a fast-paced thriller in which a young law professor must unravel a conspiracy to see justice done Law professor Natalie Greco's life is going according to plan, with a boyfriend handpicked by her father and tenure status only a review board away.
