Alice + Freda Forever is a gut-wrenching story of love, death, and the dangers of intolerance."—Bustle In 1892, America was obsessed with a teenage murderess, but it wasn't her crime that shocked the nation—it was her motivation. Nineteen-year-old Alice Mitchell had planned to pass as a man in order to marry her seventeen-year-old fiancée Freda Ward, but when their love letters were discovered, they were forbidden from ever speaking again. Freda adjusted to this fate with an ease that stunned a heartbroken Alice. Her desperation grew with each

unanswered letter—and her father's razor soon went missing. On January 25, Alice publicly slashed her ex-fiancée's throat. Her same-sex love was deemed insane by her father that very night, and medical experts agreed: This was a dangerous and incurable perversion. As the courtroom was expanded to accommodate national interest, Alice spent months in jail—including the night that three of her fellow prisoners were lynched (an event which captured the attention of journalist and civil rights activist Ida B. Wells). After a jury of "the finest men in Memphis" declared Alice insane, she was remanded to an asylum, where she died under mysterious circumstances just a few years later. Alice + Freda Forever recounts this tragic, real-life love story with over 100 illustrated love letters, maps, artifacts, historical documents, newspaper articles, courtroom proceedings, and intimate, domestic scenes. Her hot-as-sin enemy just turned out to be an angel in disguise. Holy hell... High school history teacher April Carter never asked to be a guardian. But when she wakes up in the afterlife as an angel-in-training with Damian as her mentor, things go from bad to worse. She had enough of the insufferable man in life. Now... She might as well be in hell. Damian plans to help April cross over and be done with her. Being assigned as her trainer is the last thing he needs. She's sassy and strong-willed, and she's ignited a fire in his soul he didn't think could ever burn again. But April isn't cut out to be an angel. Can Damian teach her the ways of the guardians? Or will her headstrong ways be the end of them both? If you like steamy romance with alpha heroes, you'll love this enemies-to-lovers paranormal romance. An anthology of the smart, literate gay magazine that also manages to be very fun and very dirty. In this meaty package, BUTT editors Gert Jonkers and Jop van Bennekom select the best images and interviews from more than a decade in print, including sexy pictures and candid interviews with such spectacular men as Gore Vidal, François Sagat, ... Cat Butt Coloring and Activity Book is packed with 45 scenes to color in and 20 hilarious activities, all featuring felines and their behinds proudly on display. With hilarious (and cute!) line drawings of cats with their hindquarters proudly on display, this adult coloring and activity book full of cat butts is as clever and carefree as its featured felines. Color in lasers shooting from an intergalactic cat butt, or a chill skater cat that isn't ashamed to hold his tail a little too high. Filled with hours of entertainment, this is a cat butt bonanza every cat lover can get behind.

- Filled with word searches, crosswords, and word scrambles—even pin the tail on the cat butt
- Packed with funny yet bizarrely cute line drawings
- The perfect way to pay homage to our furry friends' backsides

Anyone who is a cat lover—and all too familiar with a feline's tendency to show off its tush—will love this humorous book. Cat Butt Coloring and Activity Book is an updated and expanded edition, including 45 drawings and 20 activities with more detailed artwork and, of course, more cat butts.

- Scribble away your stress and unleash all the colors of your creativity.
- Perfect as a gift for cat lovers who have an irreverent sense of humor
- Great for those who loved The Farting Animals Coloring Book by M T Lott, Why Cat Why: A Coloring Book Explaining Cats by Theo Nicole Lorenz, and Pooping Animals: A Funny Coloring Book for Adults by Honey Badger

Coloring An illustrated activity book featuring the adorable, fluffy corgi bum What's floofy, boopy, splooty, and driving people wild? Corgi butts. Corgis have been breaking the Internet with their heart-shaped bottoms and woeful glances since the dawn of online. Now, finally, The Little Book of Big Corgi Butts will be the first-ever illustrated ode to the world's favorite dog booty. Part activity book, part homage, this book is a delightful dose of much-needed comfort and cuteness. The Little Book of Big Corgi Butts offers all the charming, escapist fun that anxious adults need today, as well as a stress-relieving, hands-on experience anyone can enjoy. Are broken roads worth traveling? As the daughter of a hard working single mother, Mallory James is very familiar with struggle. Loneliness becomes a common theme in her life, especially because she suffers with issues such as low self-esteem, poor body image, and a lack of confidence. She's more than happy to be the wallflower who hides away from the world that intimidates her, especially when in high school. Brent Grayson is a

wealthy, bold, sexy, and confident star athlete who can land any woman he wants. However, outward appearances can often be deceiving. Though he's a bully with a bad attitude, an odd and seemingly unlikely bond begins after they meet in kindergarten, and continues well into adulthood. Then everyday life happens... Their paths split and a decision must be made. Will Brent and Mallory successfully navigate the roads they're on, or give up and search for a different route all together? My life is split into two parts-then and now. Then: I was a wife. Married to a man who was my world and the father of my child. Then, one day, half of my heart was ripped out of my chest. Now: I'm a widow. A single mom who has spent the last nine months trying like hell not to drown in an ocean of grief. I survive in the in-between, but surviving isn't the same as living, and I'm not sure what living looks like anymore. That is, until Jase Turner, my older brother's best friend and my former crush, comes back into my life. We're two people tethered together by strands of similar sorrow. My husband had my past. Jase wants my future. And maybe where forever ends is just a different beginning. This hilarious book starts at the end. The rear end that is. Everyone has a butt is all about butts. It answers all those nagging questions you've always had about butts. How many ways can you say butt? What is the purpose of a butt? Are there different kinds of butts? Hipster Porn examines models of gay hipster masculinity through the lens of the gay fanzine Butt. The book reconstructs an important chapter of recent gay and queer history in order to make sense of the cultural shifts of the last 20 years in the contemporary gay world. Butt exemplifies the changing nature of gay contemporary masculinity as it marked the beginning of a new era of queer fanzines such as They Shoot Homos Don't They?, Kink, Kaiserin, and Meat reflecting a specific cosmopolitan gay lifestyle in the West of the 2000s. The new forms of masculinity and sexuality demanded new ways of thinking about gender and desire. Hipster Porn takes the aesthetics of Butt to find a way of critiquing and rearticulating key concepts from gender, queer and affect theory, and delivers new accounts of subjectivity and sociality as they apply to queer media culture. This book is suitable for researchers in gender studies, queer and masculinity studies, cultural studies, media studies, and sociology. The best of the first 5 years of BUTT: Adventures in 21st century gay subculture Since its first legendary issue in 2001, international quarterly magazine BUTT has been bringing together groups of young alternative gay guys all around the world, connecting fashion, sex, and art with a good sense of irony. Shed unwanted pounds and keep them off ONCE AND FOR ALL with Run Your Butt Off!, a back-to-basics, test panel-approved weight-loss plan and beginners' running program that yields sustainable, healthy results. So what are we waiting for????? Let's take our pens out and rub our tips together! Unconventional--yet effective--parenting strategies, carefully curated by the creator of the popular podcast The Longest Shortest Time Some of the best parenting advice that Hillary Frank ever received did not come from parenting experts, but from friends and podcast listeners who acted on a whim, often in moments of desperation. These "weird parenting wins" were born of moments when the expert advice wasn't working, and instead of freaking out, these parents had a stroke of genius. For example, there's the dad who pig-snorted in his baby's ear to get her to stop crying, and the mom who made a "flat daddy" out of cardboard and sat it at the dinner table when her kids were missing their deployed military father. Every parent and kid is unique, and as we get to know our kids, we can figure out what makes them tick. Because this is an ongoing process, Weird Parenting Wins covers children of all ages, ranging in topics from "The Art of Getting Your Kid to Act Like a Person" (on hygiene, potty training, and manners) to "The Art of Getting Your Kid to Tell You Things" (because eventually, they're going to be tight-lipped). You may find that someone else's weird parenting win works for you, or you might be inspired to try something new the next time you're stuck in a parenting rut. Or maybe you'll just get a good laugh out of the mom who got her kid to try beets because...it might turn her poop pink. An epic lunch period leads to a fateful showdown as small, skinny seventh-grader Sam's former best friend--now a popular athlete--promises to beat Sam up at recess in exactly thirty-three minutes. Not afraid to speak his mind or make a scene, Nathaniel Kelly has made a name for himself as country music's ultimate bad boy. Covered in tattoos, singing songs about drugs, drinking and heartache, Nate acts more like an out of control rock star than the grandson of one of the genres most influential and legendary stars. Every man wants to be him. Every woman wants just one night with the hard-rocking country rebel. Except me. I just want to know that the boy I used to love is happy and that I didn't break his heart in vain. That's why I buy every magazine that even mentions his name; at least, that's the story I tell myself. When my friends gave me a birthday present any fan would die for, I was suddenly face-to-face with the man I never thought I'd see again. My body wasn't supposed to react to him the way it did. And, Nate sure as hell wasn't supposed to look at me the way he used to. Can someone you loved as a teenager really have a hold on your heart twelve years later? Is it ever too late to say you're sorry and make up for past wrongs? I'm about to find out. The stinky scoundrels from international bestsellers THE DAY MY BUTT WENT PSYCHO! And ZOMBIE BUTTS FROM URANUS! Are back—and determined to wipe away the earth! Zack Freeman (and his butt) have twice saved the world from total reek-dom. But now the young butt-fighter faces his nastiest challenge yet: Hundreds of thousands of Great White Butts attacking the earth with giant brown blobs are about to cause Buttageddon. In order to stop them, Zack will have to hitch a ride in a time-traveling buttmobile, back to the reign of the prehistoric buttosaurus. Can Zack battle the Tyrannosore-arses, juggle a giant arseteroid, and put the butts-gone-bad back in their place? Or will the entire world be abutterated? There are no mistakes in love. Captain of the soccer team, president of the Debate Club, contender for valedictorian: Taylor's always pushed herself to be perfect. After all, that's what is expected of a senator's daughter. But one impulsive decision—one lie to cover for her boyfriend—and Taylor's kicked out of private school. Everything she's worked so hard for is gone, and now she's starting over at Hundred Oaks High. Soccer has always been Taylor's escape from the pressures of school and family, but it's hard to fit in and play on a team that used to be her rival. The only person who seems to understand all that she's going through is her older brother's best friend, Ezra. Taylor's had a crush on him for as long as she can remember. But it's hard to trust after having been betrayed. Will Taylor repeat her past mistakes or can she score a fresh start? Praise for Jesse's Girl: "A fun, sexy, suck-me-in read." -Katie McGarry, author of Nowhere But Here and Pushing the Limits "An absorbing story...highly enjoyable." -Kirkus "Inspires as it entertains." -Publishers Weekly The inventive young hero from the bestselling I Need a New Butt! is back and this time he has accidentally glued a serving tray to his behind — and he's tickled pink!

See, it's great for sliding down hills, surfing big waves, and other booty-full fun and games. Now all his friends want one too! Another cracked farce from the cheeky team of Dawn McMillan and Ross Kinnaird. The practical walking program that takes readers from flabby to fit in 12 weeks with a variety of walks and easy-to-incorporate lifestyle changes. This simple plan teaches readers how to incrementally build their walking speed so that they lose weight faster. Developed by former Prevention fitness director and walking expert Michele Stanten, *Walk Your Butt Off!* will not only get complete beginners started with a walking program but will also help the more than 100 million Americans who already walk for exercise to break through plateaus and boost their results. Readers will also come to view walking as an athletic endeavor and see their workouts as an inviolable part of their day. And, at no more than 30 minutes each, these daily walks can fit into even the busiest schedule. Paired with simple nutrition secrets from renowned sports nutritionist Leslie Bonci, this easy step-by-step guide to permanent weight loss is suitable for everyone. "Winning, cheeky, and illuminating....What appears initially as a folly with a look-at-this cover and title becomes, thanks to Radke's intelligence and curiosity, something much meatier, entertaining, and wise." -The Washington Post "Lively and thorough, *Butts* is the best kind of nonfiction." -Esquire, Best Books of 2022 So Far A "carefully researched and reported work of cultural history" (The New York Times) that explores how one body part has come to mean so much—now one of the most anticipated books of 2022. Whether we love them or hate them, think they're sexy, think they're strange, consider them too big, too small, or anywhere in between, humans have a complicated relationship with butts. It is a body part unique to humans, critical to our evolution and survival, and yet it has come to signify so much more: sex, desire, comedy, shame. A woman's butt, in particular, is forever being assessed, criticized, and objectified, from anxious self-examinations trying on jeans in department store dressing rooms to enduring crass remarks while walking down a street or high school hallways. But why? In *Butts: A Backstory*, reporter, essayist, and RadioLab contributing editor Heather Radke is determined to find out. Spanning nearly two centuries, this "whip-smart" (Publishers Weekly, starred review) cultural history takes us from the performance halls of 19th-century London to the aerobics studios of the 1980s, the music video set of Sir Mix-a-Lot's "Baby Got Back" and the mountains of Arizona, where every year humans and horses race in a feat of gluteal endurance. Along the way, she meets evolutionary biologists who study how butts first developed; models whose measurements have defined jean sizing for millions of women; and the fitness gurus who created fads like "Buns of Steel." She also examines the central importance of race through figures like Sarah Bartmann, once known as the "Venus Hottentot," Josephine Baker, Jennifer Lopez, and other women of color whose butts have been idolized, envied, and despised. Part deep dive reportage, part personal journey, part cabinet of curiosities, *Butts* is an entertaining, illuminating, and thoughtful examination of why certain silhouettes come in and out of fashion—and how larger ideas about race, control, liberation, and power affect our most private feelings about ourselves and others. In much the same way that a cluttered home can stop you from living your best life, it can also sabotage your best efforts at controlling your weight. Most people who diet don't just go on one diet and succeed; they go on three or five or ten. And for most people, the diets fail because most diets are only about losing weight - they don't drill down into why you are carrying that weight around and why you want to lose it. In his years as a professional organizer, Walsh found time and time again that people hid their real problems behind their "stuff." Peter believes that the secret to understanding how you got here and how to fix it all starts with one simple question: "Are you living the life you imagined?" Weight loss is much simpler when you can focus not on the excess baggage of the kilos, but on how your weight is holding you back from being the person of your dreams. Does *This Clutter Make My Butt Look Fat?* will show you how to redefine your relationship to what you own and consume, and in so doing, redefine how you live your life. Once you understand the reasons behind the clutter and chaos in your home and your eating habits, you can take control of your kitchen, your pantry and your refrigerator to achieve a healthy balance. Often a guest on The Oprah Winfrey Show, Peter Walsh is also the author of the New York Times bestseller *It's All Too Much*. *Brazilian Butt Lift* has been described by many, but there is no definitive resource or book that details the procedure as performed by Brazilian Plastic Surgeons. The editors conducted a recent survey among the members of the Brazilian Society of Plastic Surgeons (SBPC) and have seen that there are many differences in approach, style, technique, and even materials used

between what is being done around the world and what is being done in Brazil. While addressing recent media attention and scares, this book features contributions from world renowned Brazilian and international Plastic Surgeons addressing the high morbidity and mortality recently reported and establish tried and true safety protocols. To increase the scope of the book, differing views of techniques and methods are also included, making this a truly global book covering the specific gluteal region. *Gluteal Fat Augmentation: Best Practices in Brazilian Butt Lift* will open with the history of the procedure, go through the anatomy and the ethnic aspects of the aesthetics of the gluteal region. The book features special chapters on gluteal fat augmentation and a wide variety of techniques to improve the gluteal contour. A wealth of images accompany the text to fully illustrate the different approaches and techniques of gluteal fat augmentation, reshaping, and contouring including the use of fillers, implants, lift, and correction of depressions and deformities of the region. Written for practicing plastic surgeons, this book is poised to become the go-to reference for cosmetic and reconstructive concerns surrounding the gluteal region. Because *Everything Looks Better with a Butt In* Brian Cook's debut collection of fun, offbeat illustrations, beers have rears, Tetris® becomes Butris and balloons bear backsides. Hot dog buns have buns of their own, and condiments are down-right cheeky. Shatter your assumptions about who and what can rock a rump because with a little imagination, anything is possible. Whether you're seeking a good chuckle, are into unconventional art or are simply looking to get to the bottom of an eccentric curiosity, you won't want to put this gem of a book down. A New York Times bestseller One of the preeminent linguists of our time examines the realms of language that are considered shocking and taboo in order to understand what imbues curse words with such power--and why we love them so much. Profanity has always been a deliciously vibrant part of our lexicon, an integral part of being human. In fact, our ability to curse comes from a different part of the brain than other parts of speech--the urgency with which we say "f&*k!" is instead related to the instinct that tells us to flee from danger. Language evolves with time, and so does what we consider profane or unspeakable. *Nine Nasty Words* is a rollicking examination of profanity, explored from every angle: historical, sociological, political, linguistic. In a particularly coarse moment, when the public discourse is shaped in part by once-shocking words, nothing could be timelier. In this unique collection of black and white photography, acclaimed artist Gruenholtz has accomplished something very rare in male erotica. In the style of a classic fine-art photo documentarist, he captures the fascinating world of gay adult entertainment with virtuosity and sensitivity. His beautiful "behind-the-scenes" photographs, simultaneously frank and lyrical, constitute a compelling long-form portrait of Michael Lucas and his models over the course of an unprecedented year-long creative journey. Shot on location in New York, Fire Island, Puerto Vallarta and Barcelona. We just can't get enough of the funny stuff kids say. We share our own children's gems with friends and family. If we're smart, we write down these scraps of accidental poetry. And we turn them into books. Martin Bruckner is an artist and father who not only recorded the sayings of his daughter, Harper, but used each as the inspiration for a work of art. After posting them on social media, Bruckner became the artist that other parents sought out to transform their own children's funny words into artwork. Collected here are 100 mini-posters of pure delight, a marriage of the children's surprising wisdom and the artist's nimble style, plus the occasional backstory that amplifies both. Every parent will recognize the spirited declarations of personality—"I'm training to be a wolf." The endearing mangling of language—"Mommy, I don't need your mouth to talk to me right now." The creative mixing of metaphors—"I need a tissue to wipe my feelings." Those precious, heartbreaking outbursts without guile or filters—"I only love you at the toy store." Illustrated with sweetness and whimsy, each is a window into the irresistible innocence of childhood, even if the sentiment is "Dad, please wipe the bum of this beautiful princess." Wouldn't it be awesome to be a real princess forever? God invites us to be just that, and then gives us the perfect instruction manual for becoming His child and living like a courageous daughter of the King. This 13-chapter book is a great tool for "real talk" with teenage girls about becoming and living as God's princess. Caillou, like all children, needs to feel loved by his mother. But as a four-year-old, Caillou also has to discover the world around him. Caillou imitates the love he feels from his mother by reciting to his precious teddy bear a loving little verse his mother says to him all the time. A teen who's never even been kissed becomes her school's unofficial sex expert in Olivia Hinebaugh's fun, voice-y contemporary YA romance debut. Seventeen-

year-old Lacey Burke feels like the last person on the planet who should be doling out sex advice. For starters, she's never even kissed anyone, and she hates breaking the rules. Up until now, she's been a straight-A music geek that no one even notices. All she cares about is jamming out with her best friends, Theo and Evita. But then everything changes. When Lacey sees first-hand how much damage the abstinence-only sex-ed curriculum of her school can do, she decides to take a stand and starts doling out wisdom and contraception to anyone who seeks her out in the girls' restroom. Meanwhile, things with Theo have become complicated, and soon Lacey is not just keeping everyone else's secrets, but her own as well. From New York Times Bestselling author L.P. Dover comes a fantastical tale of intoxicating romance and gripping intrigue. Ancient prophecy claims that a princess of the Summer Court will save the Land of the Fae from an evil determined to destroy it. Yet few believe these words refer to the reigning princess, Calista. Calista herself isn't so sure. While her powers are phenomenal, she refuses to count on them alone, and secretly trains for battle with her handsome Guardian, Merrick. She thought she was ready. Prepared for anything. Then, she meets the seductively charming Prince Ryder of the Winter Court, who makes a fire of desire scorch through her veins. Unfortunately, there couldn't be a worst possible moment for her head to be clouded by passion. A dark enemy is closing in, hungry to claim Calista's body and soul. Were he to achieve his twisted agenda, he would steal her power and take her as his Dark Queen. Can the two men fighting for Calista's heart work together to protect her from a fate worse than death? Or will the call of destiny come with gut-wrenching sacrifice and heart-breaking loss? ****Steamy New Adult Fantasy Romance** *** The FOREVER FAE series Forever Fae Betrayals of Spring Summer of Frost Reign of Ice** This book will resonate with people looking to read: free ebook, free fantasy books, fae fantasy, fae royalty romance, enchanting, Land of the Fae, magical realms, fae prophecy, sexy fantasy fae, alpha fae prince, steamy fae books, dragon shifters, fae princess, dark fantasy fae romance, romantasy novels, magical creatures, dark magic, fae, magic, claiming, mate bond, feel-good romance, contemporary romance, romantic comedy, series, romantic comedy series, racy, sexy, heartwarming, heartwarming romance, family, love, love books, kissing books, emotional journey, contemporary, contemporary romance, romance series, long series, long romance series, sassy, captivating romance, hot, hot romance, forbidden love, sparks, loyalty, swoon, beach romance, books for summer, books for the beach, beach series, books for winter, love in bloom, wicked, dirty, fierce, alpha heroes, funny romance, laugh romance, modern romance, smart romance, something funny to read, love story, happily ever after, happy ending, dark romance, hot romance, romance for adults, contemporary romance, funny romance, funny romance new, swoonworthy, romance series, romance series, romance books, beach reads, new adult, small-town, funny, female, stories, sensual, sensual romance, alpha male, dominant male, hot guy, fun summer reads, love and friendship, new romance series, hot romance series, new beach read, free beach house book, free beach romance, free summer romance, free vacation romance, free summer book, steamy romance, romance series, family romance, big family, friend romance, friends to lovers, contemporary crush, love story, romance love, new adult romance, contemporary romance and sex, friendship. Did you know manatees swim using farts? Or that herrings communicate by passing gas? Butts are used for breathing, eating, swimming, talking, and even killing in the animal kingdom. Focusing on ten different animals and

their derrières, and offering fun facts about their origin, habitat, and "posterior power," this hilarious book captures the wonder of our ecosystem. Which animal has the coolest butt power? That's up to you to decide! Have you ever wondered why some video game characters wear trousers and others don't? Or pondered the connection between a character's toned, muscular derriere and their level of dexterity? What about the depth of a crack, the jiggle of a cheek? When it comes to video game character designs, one of the most overlooked aspects is the buttocks. Sure, we might appreciate a nice toned butt on a character or giggle at GIFs of farts from time to time, but how often do we stop to really think about the meaning of the butt? In *Things I Learned from Mario's Butt*, video game critic Laura Kate Dale brings backsides to the foreground, analysing dozens of posteriors and asking the important questions: Has Mario let himself go? Do Link's small buttocks hold him back? When he dies, is Pac-Man eaten by his own caboose? Wedged full of original artwork by Zack Flavin, and featuring interviews with game developers and guest butt reviews from gaming favourites such as Jim Sterling, Stuart Ashen, Brentalfloss and more, this book is a deep dive into why butts are downright integral to the games we play. So, crack it open and have a cheeky look inside at some of the most interesting bottoms the world of video games has to offer. A story that you and your butt will never forget! Join Zack on his epic journey across the Great Windy Desert and through the Brown Forest, to reclaim his runaway butt. Zack Freeman is ready to tell his story . . . the story of a brave young boy and his crazy runaway butt. The story of a crack butt-fighting unit called the B-team, a legendary Butt Hunter's formidable daughter, and some of the ugliest and meanest butts ever to roam the face of the Earth. A story of endurance that takes Zack on an epic journey across the Great Windy Desert, through the Brown Forest, and over the Sea of Butts before descending into the heart of an explosive buttcano to confront the biggest, ugliest, and meanest butt of them all! A second-chance love Back in college, Garland Warner developed feelings for her older brother's best friend, Ryker Dugrandpre. But she soon learned the attraction wasn't mutual when he left school and married someone else. In time, Garland moved on and even had a baby of her own. She and little Amya now have a great life together, just the two of them. Yet that may be about to change when a guilt-ridden nurse reveals that Amya might have been switched at birth with another infant girl—Ryker's. His wife died the same day she delivered little Kai, so Kai is all Ryker has left. Both Garland and Ryker want what is best—both for their biological child and the daughter of their hearts. The solution is as obvious as it is crazy—move in with each other and raise the girls as sisters. Ryker still thinks of the sensational beauty as his friend's kid sister, but the passionate glances and smoldering kisses they now share heat up the distance between them. Will they be able to let go of the past in order to finally build a bright future and family together? This novel features all the thrilling adventure readers will expect from the Marvel brand, backed up by the young-adult cred of #1 New York Times bestselling author Margaret Stohl. Uncover a new side of the Marvel Universe, accessible to old fans and new readers alike, as Stohl weaves an unforgettable story through the world of the Black Widow. Mom has a new friend who comes around a lot. Why do I have to like him? His name is Dan, just like the stinky kid at my school. It's not easy for a young boy or girl to handle a new friend in their parent's life. But when they all go on a road trip together, things begin to look a little better. When Caillou tells his father that he wants to marry his mother, his father tells Caillou a story about a prince to help him understand why this is impossible.
