Earth Science Simplified, The perfect earth science review book is a book that helps students as they study for the Earth Science Regents exam or other standardized Earth Science examinations. This review book is unique in two ways: It's written in point-by-point format so that there is no need to read through lengthy paragraphs to find the necessary information. Concept charts placed after each chapter clarify and organize the material. In addition: This book contains snapshots of reference table charts throughout the chapters, with explanations on how to use the charts. The entire Earth Science Reference Tables can be found at the back of the book. A number of practice Regents questions follow every chapter. Answers to these questions are located in the back of the book. Procedures for labs included in the performance test are explained. Now you can instantly improve your score on the New York Earth Science Regents Exam Ever wonder why learning comes so easily to some people? This remarkable book reveals a system that shows you how to learn faster, easier and without frustration. By mastering the hidden language of the exam, you will be poised to tackle the toughest of questions with ease. We've discovered that the key to success on the New York Earth Science Regents Exam lies with mastering the Insider's Language of the subject. People who score high on their exam have a strong working vocabulary in the subject tested. They know how to decode the exam vocabulary and use this as a model for test success. People with a strong Earth Science Insider's Language consistently: Perform better on the New York State Earth Science Regents Exam Learn faster and retain more information Feel more confident in their preparation Perform better in the classroom Gain more satisfaction in learning The New York Earth Science Regents Exam success guide focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long-term memory. The NYS Earth Science Regents Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on Earth Science Regents Exam. After nearly 20 years of teaching we discovered a startling fact: Most students didn't struggle

with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. We called this set of vocabulary the "Insider's Words." When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this "Insider's Language" to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today! "Unearthing the Reference Tables is an excellent and thorough guide to the reference tables with clearly explained step-by-step examples for each table. A great tool for the Earth Science Regents!" - Mrs. Tzippy Reich, highly-acclaimed author of Earth Science Simplified and Earth Science teacher; Brooklyn, NY "The students found your book very helpful for the regents. The diagrams and information were very clear and precise." - Y. Possick, principal; Monsey, NY "Unearthing the Reference Tables is an invaluable aid in deciphering the Earth Science Reference Tables - a key part in doing well on the New York State Earth Science Regents." - F. Lipson, Earth Science teacher; Monsey, NY "A real lifesaver for me! Your book made it possible for me to pass the Earth Science Regents." - B. K., student; Brooklyn, NY Did you know that about 35-50% of every Earth Science Regents is composed of questions entirely based on the Earth Science Reference Tables? And did you know that a raw score of approximately 50% on the Earth Science Regents converts to a scale score of 65%? (with at least 9/16 lab credits) If you know how to read every table on the Earth Science Reference Tables, that's terrific. But what if you don't? Gaining a clear understanding of the reference tables is crucial for the Earth Science Regents. The good news is that one of the best-kept secrets of the Earth Science regents is that the reference tables-based questions are the easiest part of the regents by far - if you know how to use the reference tables. That's where this book comes in. Unearthing the Reference Tables: A Clear & Simple Reference Tables Guide is a book that: Gives step-by-step instructions in clear and simple terms on how to easily decipher each one of the 28 charts on the Earth Science Reference Tables Highlights important information often asked on the Earth Science Regents Provides actual regents questions at the end of each section, along with answers and brief explanations "NY Regents GEOLOGY, EARTH, AND SPACE SCIENCES Study Guide" 600 questions and answers.
