The Manners and Customs of the Police Mar 09 2022 The
handling of right and wrong, known in sociology as social
control or conflict management, covers everything from a brief
glance of disapproval to the horrific bombing of a city. This
book contains formulations that predict and explain the nature
of social control anywhere and everywhere, throughout the
world and across history. Provides a wealth of new sociological
theory on largely unexplored topics such as vengeance,
discipline, avoidance, pacification, negotiation, and toleration
Contains new concepts and typologies applicable to partisan
and nonpartisan forms of conflict management Offers new
theoretical perspectives on: Crime as self-help The broadening
liability of organizations Social control of the self The behavior
of third parties Partisanship as social gravitation Moralism as
social repulsion Black established his reputation as a sociologist
and gifted writer with his Academic Press classic The Behavior

of Law. The Social Structure of Right and Wrong uses the same theoretical approach, pursuing a radically sociological and uncompromisingly scientific approach to the phenomenon of morality.

Customs in Common Feb 08 2022 An epic and intimate firsthand account of a true American hero ' s daring journey into the heart of the Amazon forest in the nineteenth-century.

“ Meticulously researched, elegantly argued and deeply humane, ” Customs in Common describes the complex culture from which working class institutions emerged in England—a panoply of traditions and customs that the new

working class fought to preserve well into Victorian times (The New York Times Book Review). This remarkable sequel to E. P. Thompson ' s influential, landmark volume of social history, *The Making of the English Working Class*, investigates the gradual disappearance of a range of cultural customs against the backdrop of the great upheavals of the eighteenth century. As villagers were subjected to a legal system increasingly hostile to custom, they tried both to resist and to preserve tradition, becoming, as Thompson explains, “ rebellious, but rebellious in defence of custom. ” Although some historians have written of riotous peasants of England and Wales as if they were mainly a problem for magistrates and governments, for Thompson it is the rulers, landowners, and governments who were a problem for the people, whose exuberant culture preceded the formation of working-class institutions and consciousness. Essential reading for all those intrigued by English history, *Customs in Common* has a special relevance today, as traditional economies are being replaced by market economies throughout the world. The rich scholarship and depth of insight in Thompson ' s work offer many clues to understanding contemporary changes around the globe. “ By providing a fuller sense of the way of life capitalism destroyed, *Customs in Common* helps us understand why the resistance to it was so protracted and tenacious . . . [This] long-awaited collection . . . is a signal contribution . . . [from] the person most responsible for inspiring the revival of American labor history during the past

thirty years. ” —The Nation “ This book signals the return to historical writing of one of the most eloquent, powerful and independent voices of our time. At his best he is capable of a passionate, sardonic eloquence which is unequalled. ” —The Observer

Culture and Customs of Ukraine Feb 25 2021 Ukraine's tumultuous history has left it standing on unstable ground, wrought with the devastation of the 20th century's wars, famines, and other struggles. Today, life in Ukraine is moving forward, stepping out of the shadows of Communism and into a modern, urban, and multicultural light, finally gaining for itself a sense of national identity. Now a cultural hotspot that serves as a crossroads between Europe and Asia, Ukraine's traditions of yesterday are evolving into today's daily life and customs. High school and undergraduate students will have

the opportunity to delve into Ukraine's modern society by looking at its religious practices, language conflicts, gender issues, education policies, and media censorship struggles, as well as its cuisine, holidays, literature, music, and performing arts. A thorough and unique investigation of this young country, *Culture and Customs of Ukraine* is an absolute must-have for high school, public, and undergraduate library bookshelves. Coverage includes historical background, religions, language, gender, education, customs, holidays, and cuisine, media, literature, music, and Ukrainian theatre and cinema in the 20th century. A chronology, photos, and bibliography including print and nonprint sources supplement this work.

Culture and Customs of Colombia Aug 14 2022 This insider's account of Colombia's culture and customs helps the reader develop a balanced view of Colombian life today. Colombia has the longest-standing democratic political system in Latin America, but it is also one of the most violent nations in the world. The full gamut of its culture--both positive and negative--is revealed in this insightful book that is ideal for student research. The authors highlight the most notable aspects of contemporary Colombian culture including coffee production, Nobel Laureate Gabriel Garc í a M á rquez, painter Fernando Botero, vallenato music, and the notorious drug cartels. Colombia is one of the most diverse, regionalistic, and tradition-bound nations in Latin America. Culture and Customs of Colombia offers a thorough examination of those features of national life that make Colombia unique. The book begins by introducing the reader to Colombia's history, geography, and economy. Subsequent chapters discuss the profound importance of the formalities of Catholicism in daily and civic life, as well as the significance of traditional foods and clothing. Colombia's increasingly dynamic cultural scene is detailed in chapters on the performing arts and the plastic arts. The discussion of Colombian literature culminates in a special chapter devoted to the luminary Gabriel Garc í a

Márquez, known the world over for his magical novels, and whose influence and cultural participation in Colombian society are wide-ranging.

[Culture and Customs of Greece Nov 17 2022](#) The Parthenon. Plato, Socrates, and Aristotle. Homer's epic poems. Gods and goddesses lounging around, indulging in pleasures on Mount Olympus. All of these images bring to mind the traditional icons of Greece, the cradle of Western Civilization. But what do we know of modern Greece? The answer to that question and more can be found in this comprehensive look at contemporary Greek culture. This one-stop reference source is packed with illustrative descriptions of daily life in Greece in the 21st century. Ideal for high school students and even undergraduates interested in studying abroad, this extensive volume examines topics such as religion, social customs, leisure life, festivals, language, literature, performing arts, media, and modern art and architecture, among many other topics. Woven into the text are beautiful and accurate vignettes of Greek life, helping to illustrate how it is people live. A crossroads between Europe, Africa, and the

Middle East, Greece is fighting to hold on to the culture of yesterday, while still looking toward modernity. *Culture and Customs of Greece* is a must-have volume for all high school and public library shelves.

Culture and Customs of Jamaica Jan 15 2020 Provides an in depth survey of Jamaican people, history, land, religion, education, language, social customs, media and cinema, literature, music, and performing and visual arts.

relevant.

Culture and Customs of Vietnam Aug 22 2020 Vietnam is increasingly opening up to the West, and society is in flux between tradition and modernity, and capitalism and socialism. Americans have distanced themselves from the Vietnam War now, and Culture and Customs of Vietnam fills a need to learn about the country, which has also evolved. Readers will find that this is the only general book on Vietnamese culture in English written by specialists. McLeod and Nguyen, historians specializing in Vietnam engagingly show the various forces of Vietnamese culture in narrative chapters on the land, people, and language; history and institutions; thought and religion; literature; art and architecture; cuisine; family, marriage, gender, and youth culture; festivals and leisure activities, and performing arts. Culture and Customs of Vietnam is a comprehensive, one-stop source, providing the most useful and intriguing information for students and general readers. Some of the highlights include the discussion of the Chinese influence in writing, thought, and religion; eating habits; the changing family; and water puppetry. A chronology, glossary, and numerous photos complement the text.
