Then They Came For the Journalists

The student-run Eyewitness News has been committed to covering the Black Lives Matter protests in downtown Portland. It hasn't been easy. But now, white supremacy groups have EWN in their sights. They're coming for them. EWN has three rules: Stay safe. Get the story. Come back. It may not be possible to do all three. Foul language. Some sex. Lots of politics. Rather like the city itself.

(Volume 2, a boxed set of three Newsroom PDX suspense novels)

Includes Rage, Be the Change and In Control. This collection of personal narratives takes the pulse of the city of Indianapolis through the everyday experiences of its people. By listening to the voices of the individuals who make their home in the city, Urban Tapestry captures a part of the soul that animates this Midwestern community. The vignettes collected by writers, journalists, and folklorists present the view from the office and the front porch, the park bench and the kitchen table, the racetrack and the city street. They include reports from prominent leaders and tales from the homeless. The stories are organized into four groups: "Justice and Kindness and Giving to Kinsfolk," "The Place Where You Stand Is Holy," "Why Then Do We Deal Treacherously?" and "A New Life Has Come among You." Although they represent a diverse population, these are people who give voice to common concerns: race, education, crime, alienation,

and community. Urban Tapestry invites readers to meet the stranger and to understand the "other" as the face in the mirror. Harlequin Heartwarming brings you four new wholesome reads for one great price, available now! This Harlequin Heartwarming box set includes:

43,000 words From Cleo Coyle, the New York Times bestselling

author of Dead Cold Brew, comes a delicious new entry in the “fun and gripping” (Huffington Post) Coffeehouse Mysteries. When coffeehouse manager Clare Cosi awakens on a bench in Washington Square Park, she has no idea she's been missing for the past week, or that her friends and family have been frantic with worry. Now that she's back, everyone is overjoyed, including a handsome NYPD detective who claims to be her fiancé. But to Mike Quinn's crushing distress, Clare doesn't remember him, or much of anything about the last decade of her life. Clare's missing memory is tied to a crime she witnessed. An acquaintance of Clare's elegant employer—and fellow member of an exclusive Gotham circle known as “The Ladies Who Brunch”—invited Clare to her posh hotel to sample gourmet wedding cakes. The pair took a stroll after their indulgent tasting and, according to security camera footage, a masked figure snatched the hotel heiress at gunpoint with Clare looking on. Did the kidnapper take Clare, too? The camera went dark, just like Clare's memory. Soon authorities grow suspicious. Is Clare really a victim? Or merely acting like one? Evidence is mounting that she set the woman up. To clear her name, Clare must find a way to reclaim her memories and rescue the heiress before this high-stakes crime ends in tragedy. Otherwise, instead of walking down the aisle, Clare may find herself perp-walking to prison as an accomplice to kidnapping and murder. Christmas has never brought out the best in the MacDougal family. Still, year after year they gather together in the Blue Ridge Mountains to try to make the season merry and bright. They've never felt less like a family. Then, in the midst of a sibling shouting match, a mysterious stranger appears. He could be a criminal, a madman—or something far more unexpected.

Despite their fears and the growing danger in the dark woods around them, the MacDougals take a leap of faith. But when another stranger arrives on the mountainside, they don't know which of them to believe. One of these men can't be trusted. And one is about to bring Christmas into their hearts. Life gets complicated when love turns out to be nothing like you expected - and the woman you want is too close to touch. Matthew Phillips found the wild, impetuous, and knowledgeable Marylou Stern. The years Matt spent with Marylou were filled with parties, sex, excess, frivolity, live cows, kidnapped Jewish jewelers, and games that stretch the imagination. In this memoir, Phillips shares his story of how Marylou, a former model, dancer, and actress, transformed him from an eager, fresh-faced college grad into a sidelines player in chic New York society. Over the course of three years, Marylou taught Matt about New York City, high society, the difference between class and low class, how to make a genuine egg cream, how to milk a cow, why wanton sex is good for your health, why listening is more important than talking, that Sara Lee Vanilla Layer Cakes are the best reward, and that you must never put up with thieves. In Everything but Snakes, Phillips narrates how Marylou's undying sense of celebration kept him going and gave him a floor beneath his feet and, along the way, an upside-down roller-coaster ride. Sarcasm is the best defense of the narrator in this humorous story of a family & the unusual characters they attract.
