Fans of Joanne Fluke and Victoria Laurie will enjoy this psychic cozy mystery series. After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic selfdefense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the 20th century. Bizarre military history: In 1979, a crack commando unit was established by the most gifted minds within the U.S. Army. Defying all known laws of physics and accepted military practice, they believed that a soldier could adopt the cloak of invisibility, pass cleanly through walls, and—perhaps most chillingly—kill goats just by staring at them. They were the First Earth Battalion, entrusted with defending America from all known adversaries. And they really weren't joking. What's more, they're back—and they're fighting the War on Terror. An uproarious exploration of American military paranoia: With investigations ranging from the mysterious "Goat Lab," to Uri Geller's covert psychic work with the CIA, to the increasingly bizarre role played by a succession of U.S. presidents, this might just be the funniest, most unsettling book you will ever read—if only because it is all true and is still happening today. Professional psychic Abigail Cooper is used to dealing with skeptics, but even she's ready to cry "uncle!" when she's forced to work with a true non-believer bent on proving her a fraud. Business has been frustratingly slow for Abby who needs any new commission she can get, even if it means agreeing to a job with the FBI that puts her at the center of an internal political struggle between two powerful agents, one of whom is the flinty lead investigator and

confirmed skeptic Brice Harrison. Abby's skills are continually tested – along with her patience – as she works to convince Harrison that she's not only the real deal, but can help him locate three college teens who've mysteriously disappeared. Abby's intuition tells her these are no random abductions—and foresees another victim being kidnapped. To get to the bottom of the case, she and Harrison will have to put their differences aside and work together to find the connection between the missing kids. And to do that, Abby will have to win Harrison over, while keeping her psychic eye wide open. Karis Booth uses her psychic powers to solve another murder, with help from her friend and neighbour Peggy. On a Sunday afternoon, a child's party is held at the café which Karis owns with her sister. Just before the party commences, Karis experiences a psychic vision in which she sees a shadowy figure tumble down the stairs in the café — apparently to their death. Concerned for the safety of their party guests, a watchful eye is kept on the stairs to make sure no one uses them. But that doesn't stop a man falling down them a short while later. The man - a clown called Dazzle - survives the tumble. As the party begins, Dazzle proceeds to insult one person after another. And not long after, Karis discovers his dead body in the kitchen. The police think he died as a result of a burglary gone wrong. But Karis knows Dazzle was murdered, and with help from her friend Peggy, they set out to prove it. Abby Cooper, Psychic Eye, is having a hard time getting over a gunshot wound from her last case—especially because she didn't see the shots coming. Out of work and second-guessing her abilities, she tries to get back in the saddle by helping her boyfriend Dutch with some of his FBI cases. And soon enough, her intuition returns—with a vengeance. Wedding bells are ringing for psychic Abigail Cooper. But her senses are tingling that her fiancé, Dutch, is in danger. And he's not the only one.... ON HER WEDDING DAY, ABBY'S A TICKING TIME BOMB. It's said to be good luck if it rains on your wedding day, but Abby sees something darker than storm clouds on the horizon. She's just had a disturbing premonition of her fiancé's murder. Her husband-to-be has been assigned to a case involving a series of bombings, and Abby's spirit guides warn her of imminent danger. FBI agent Dutch Rivers is keeping his cool, but Abby can't quell her anxiety. After another bombing at a local beauty salon, Abby vows to do everything in her power to keep Dutch safe and get him to the altar. But on the morning of the ceremony, she finds herself in a dire situation, with time running out.... In Victoria Laurie's latest Psychic Eye Mystery, Abby Cooper learns that following the money often leads to murder.... When Abby is sent to Los Angeles to help train FBI officers to use their intuition, she encounters a case that only she can solve: a series of bank robberies in which the thieves made off with loads of cash but left no clues. Abby's sixth sense leads her team to a tract of land recently cleared for development, where she gets a vision of four buried bodies. However, a site search turns up only ancient bones and pottery from an American Indian tribe, which is enough to delay construction for years. With a furious developer and dubious FBI agents on her back, Abby is losing credibility fast. But Abby's talent rarely leads her astray, and if the bodies aren't there yet, that means four deaths can still be stopped. She'll just have to dig a little deeper.... Clairvoyant private eye Abigail Cooper is excited to marry her beau, but planning the affair has never been her first love. So when Abby hears of a case involving a missing young mother, she's ready to escape the world of wedding details and engage in some serious psychic sleuthing. TROUBLE CAN COME IN THE BLINK OF AN EYE.... When a mysterious client approaches Abby about a young mother who's vanished, Abby is more than willing to get involved. After all, it's the perfect distraction from dealing with the headache of her sister, Cat—who has flown into town and turned Abby and Dutch's impending nuptials into Weddingpalooza. After Abby recruits her business partner and BFF, Candice, to assist, they meet with the parents of the missing woman. But the parents refuse to put their faith in a psychic. What's worse, the family suspects Abby has a connection to their daughter's husband—the man they believe to be responsible for her disappearance. With the family blind to the truth and a potential killer in her sights, Abby is determined to keep her eyes wide open.... The New York Times bestselling Psychic Eye Mystery series continues with P.I. Abby Cooper facing the ultimate locked room murder... Professional psychic and FBI consultant Abby Cooper has used her inner visions to get her out of many a scrape--and solve many a crime--but she's about to face a murder scene that will put all her powers to the test. Abby's husband Dutch has a side business providing security and building panic rooms for wealthy clients. One morning, one of Dutch's partners, Dave, goes missing on his way to meet a client. Abby's intuition tells her something terrible has happened to him. Then two of Dutch's clients are found brutally murdered...inside their brand new panic room, and most of the evidence points to Dave as the killer. With the authorities racing to find and arrest him, Abby's got to use all her intuitive prowess to get to Dave first, discover the real killer, and save her husband's business. This is one case where Abby is positive there's far more to this mystery than meets her inner eye... Enjoy this small town paranormal cozy mystery series with an amateur sleuth by author Ada Bell. Aly doesn't believe in psychics. Too bad she just had a vision. Future scientists don't have visions. Aly's got enough on her plate, with finishing her degree and taking care of her nephew and starting her new job at the antique store while drooling over the owner's gorgeous son. No visions. Alas, the universe doesn't care what Aly believes. When she turns 21, she starts to feel psychic impressions left on objects. A disorienting power for someone surrounded by antiques. Then cranky customer Earl is killed, and Aly's new boss Olive is the prime suspect. She's also the only person who can help Aly understand her unexpected superpowers. Who hated Earl enough to kill? Police would rather make a quick arrest than investigate, so it's up to Aly to clear Olive's name. Shady Grove is reeling from the first murder in decades, but no one seems to know anything. If Aly gets her hands on the right object, she might be able to see what happened. Can she learn to control her visions before the killer sets their sights on her? Welcome to Shady Grove: where science meets seances.

Mystic Pieces is the first book in the Shady Grove Psychic Mystery series, which is perfect for readers who like small towns, antiques, supernatural sleuths, and slightly nerdy STEM heroines. Okay, really nerdy heroines. Fans of Stella Bixby, Annabel Chase, Amy Boyles, Lily Harper Hart, and Samantha Silver will definitely all under this small town's spell. Praise for Mystic Pieces: "Mystic Pieces is a charming, humorous, and original mystery that weaves a tale of murder and self-discovery with heart, family, and psychic visions." - Reader's Favorite "This was a solid start to this paranormal cozy mystery series. I had fun reading this one. I liked the inclusion of Aly's psychic powers and how she tried to use them to help solve the mystery. It made sense how she got involved and how she went about figuring out who had done it. And I liked how natural and realistic instead forced some of the coincidences felt. The mystery kept me guessing, although the murderer wasn't too big of a surprise there were some nice twists along the way and I was never quite sure who the murderer was. I liked Aly as a main character and reading about her and her powers. I liked the side characters and how each had their own personality that made it easy to remember. All in all I really enjoyed this book and look forward to the next book in the series!" - Lola's Book Reviews "A cute and cozy introduction to the quirky and devoted characters, Mystic Pieces is the perfect first installment to the Shady Grove Psychic Mystery Series." - Literary Lioness

Abigail Cooper makes a living as a psychic, using her vision to stop others from making a killing on murder. Now, as the FBI's newest Civilian Profiler, she can add something else to her resume—spy. FROM PSYCHIC EYE TO PSYCHIC SPY The CIA and Air Force need Abby Cooper's help. The military has developed a software surveillance system able to lock onto any individual's unique aura. The problem is, the drone carrying the software has gone missing, and the implications to national security could be devastating. To get the drone back, Uncle Sam must recruit a special agent—a very special agent in the form of professional psychic, Abigail Cooper. With her fiancé Dutch Rivers by her side, Abby is eager to do her patriotic duty and stop the criminals before they set their diabolical plan into motion. But the deeper Abby gets involved in counter intelligence, the more she makes herself a prime target... Cat Cooper plans on emerging as the premier life coach in East Hampton by summertime. All she has to do is survive an offseason replete with desolate beaches, slow business, and murder . . . As the Hamptons drags through early spring, Cat's shot at becoming the toast of the town in time for Memorial Day is dwindling—and fast. The only client she can find has been housebound for decades and claims to be the victim of a devastating curse. Then there's the matter of Detective Shepherd's intense jealousy over Maks Grinkov, the handsome bad boy who approaches Cat with an unusual offer she can't stop thinking about. Havoc finally breaks loose when a string of murders rocks the coastal community, landing Maks on the hook as the culprit. With a storm approaching shore and no one to trust, Cat and her sharp-tongued best friend, Gilley, must solve a client's curse and a series of violent deaths before a killer sends them all sailing to their doom . . . When Catherine Cooper settles in the Hamptons on the heels of a nasty split from her long-time husband, the luxurious coastal community seems like the perfect place to get back on track in style. But as Cat soon discovers, starting fresh on the East End can be deadly . . . Cat Cooper never imagined selling off her in-demand marketing firm would mean going from the pinnacle of success to a walking hot mess. Gouged from an unexpected divorce, Cat suddenly finds herself struggling through a new career as a business-savvy life coach for the hopelessly adrift in East Hampton and contending with Heather Holland—a spiteful neighbor who will do anything to bully her out of town. But her second act may very well continue behind bars when Heather's dead body turns up next to a shattered punchbowl . . . and Cat's pinned as the murderer. But given Heather's mean girl reputation, any one of the guests at her invite-only luncheon could have committed the crime before planting Cat's punchbowl next to the body. Determined not to trade designer duds for an unflattering prison jumpsuit, Cat sides with her best friend Gilley to scour chic boutiques and oceanfront mansions in search of the criminal who framed her. With a stoic detective looking to get her in cuffs, it's up to Cat to catch the real killer and land on her feet once again . . . Abby Cooper's betting the house on her inner eye... It took a while for Abby Cooper's FBI agent boyfriend, Dutch Rivers, to accept her psychic gifts as the real deal. But these days he knows better than to question Abby's visions. So when his favorite cousin Chase is kidnapped in Vegas, they both catch the next flight to Sin City. Abby's inner eye insists that Chase is still alive, but nothing else about the case adds up—especially Dutch's reluctance to involve his own Bureau. On top of everything, Dutch is battling a mysterious illness, and Abby keeps having disturbing dreams that predict his death. Dutch wants Abby to promise that if the investigation goes south, she'll head home to safety. But when the chips are down, Abby won't fold without a fight... Detective Eve Dallas searches the darkest corners of Manhattan for an elusive killer with a passion for collecting souls in this novel in the #1 New York Times bestselling In Death series. On one of the city's hottest nights, New York Police Lieutenant Eve Dallas is sent to Central Park—and into a hellish new investigation. The victim is found on the rocks, just above the still, dark water of the lake. Around her neck is a single red ribbon. Her hands are posed, as if in prayer. But it is the eyes—removed with the precision of a surgeon—that have Dallas most alarmed. As more bodies turn up, each with the same defining scars, Eve is frantic for answers. Against her instincts, she accepts help from a psychic who offers one vision after another—each with shockingly accurate details of the murders. And when partner and friend Peabody is badly injured after escaping an attack, the stakes are raised. Are the eyes a symbol? A twisted religious ritual? A souvenir? With help from her husband, Roarke, Dallas must uncover the killer's motivation before another vision becomes another nightmare... A desperate woman hopes a psychic can help find her son in “this intricate, surprise-filled crime novel” from the CWA Gold Dagger Award–winning author (Publishers Weekly, starred review). Five footprints are the

only sign that four-year-old Daniel Buck was ever here. They're all his mother has left. Every day, Anna Buck guards the little prints in the cement. Polishing them to a shine. Keeping them safe. Spiraling towards insanity. With little help or hope coming from the police or her husband, James, Anna is looking for any opportunity that may lead to finding her son. So when a woman tells her she's found a "shut eye"—a true psychic—Anna grasps at it. Maybe he can tell her what happened. But her meeting with the psychic is not at all what she suspected . . . Matching breathtaking suspense with a keen exploration of skepticism in the face of the unexplainable, *The Shut Eye* is a "very satisfying" crime thriller that will have readers "rushing to the final pages" (TheIndependent). "A standout." —Publishers Weekly, starred review

Celeste Newhaven is a psychic - a reluctant psychic. As owner/proprietress of Newhaven's Used Books in the northern California town of Crescent Bay, she believes she has found anonymity and a peaceful place to live, a place where she can be "normal." But, when she meets a young stripper named Minnie Mouse, dark visions, mystery, and a series of unsolved murders descend on Celeste with the force of a Pacific Southwester. Unable to maintain a clear conscience while keeping her knowledge secret, Celeste faces choices that lead her to R. Joe Gottelin, the handsome Chief of Police. Suza Lamber Bowser introduces the first of her Celeste Newhaven Psychic Eye Mystery Series with *The Case of the Sad-Eyed Stripper*. About the Author Suza Lambert Bowser is a filmmaker, writer, and an artist currently living in New Hampshire. Her films include: *A River of Skulls* (Lionsgate) and *FLEA* (GGG), available on Amazon, iTunes, Google Play, and the Microsoft Store. When his high school sweetheart is killed in a car accident, police sergeant Tom McGowan suspects foul play and hires Dr. Elizabeth Chase, a parapsychologist, to help him find the truth. In New York Times bestselling author Victoria Laurie's thirteenth *Psychic Eye Mystery*, Abby Cooper senses a convicted killer is innocent, but she'll need hard evidence to save the woman before it's too late... A ticked-off judge has tossed Abby in the slammer for contempt of court, and during her brief but unpleasant stay she learns the story of a condemned woman who is confronting a far more serious sentence. Skyler Miller has been found guilty of murder and faces the death penalty. Everyone believes she's guilty, including her own family and her ex-husband—everyone, that is, except Abby, whose finely honed intuition tells her this woman doesn't belong behind bars. With the help of her husband Dutch and her friend Candice, Abby launches into her own investigation to clear Skyler and find the real killer. But after a final appeal is denied and Skyler's attorney scrambles for a stay of execution, time is running short—and the list of suspects keeps growing. There's no margin for error as the life of an innocent woman hangs in the balance. . . . Professional psychic Abby Cooper has invested in a fixer-upper, hoping to make a killing in the real estate market. But a killing of another kind puts her plans awry, as the ghost of a murdered woman and some troublesome poltergeists lead her into a mystery that stretches all the way back to World War II. A museum is hosting an exhibit of supernatural artefacts in honour of the *Ghoul Getters'* new film. Unfortunately, Gilley - engaged with wedding plans - donated a dagger which keeps the demon Oruc locked in the lower realm. Before M.J. can recover the bewitched blade, there is a murder and a heist at the museum and the dagger is stolen. Now Oruc and other formerly vanquished demons are suddenly causing mayhem. The *Ghoul Getters* are in for a devil of a time, rounding them up before these paranormal party crashers turn Gilley's wedding bells to funeral knells. *THE IMPERFECT PSYCHIC: A DUBIOUS DEATH* is the debut novel in a charming new cozy mystery series by Ashley King. Charlotte Vale, 30, a psychic from New York City, has a dubious gift—her vision, not always accurate, often leaves her customers more confused than happy. When Charlotte, at a crossroads, gets a vision on what she should do next in life, she follows it, and it leads her to a quaint town upstate, her beloved cat and companion Oliver by her side. Quiet and peaceful, the town offers the exact escape she needed. And when her own vision leads her to a charming historic for sale, she spontaneously decides to buy it and follow her forever dream of running a bed and breakfast. But Charlotte is in way over her head. Desperate to keep it running, she is forced to rely on her psychic abilities once again, and decides to open a psychic booth once again. Everything finally seems to be going her way—when a shocking murder puts her right in the middle of the crime. Now Charlotte must solve the case—or lose her bed and breakfast, her clients, and her future. A page-turning cozy mystery, packed with mystery, a touch of the supernatural and humor—*THE IMPERFECT PSYCHIC* is an un-putdownable cozy that will keep you turning pages (and laughing out loud) late into the night. When her relationship with FBI agent Dutch Rivers skids to a halt, Abby Cooper is fully aware that a wedding isn't the best post-breakup scenario. But when a friend from the Mile High City finds herself short one bridesmaid, it doesn't take a professional psychic to see the opportunity for a much-needed getaway. High altitudes can be healing, and Abby reunites with friends—especially her childhood crush Duffy McGinnis, now town sheriff...not to mention tall, dark, and yummy. But Abby needs more than a shoulder to cry on. One bridesmaid after the next is mysteriously flying the coop, and Abby's intuition tells her their final destinations aren't pretty. With the wedding party falling apart and her gift of sight never quite so foggy, Abby has to save the date—and herself from becoming the next taffeta-clad target.... In New York Times bestselling author Victoria Laurie's newest Psychic Eye Mystery, Abby is after a serial killer who's simply fated for felonies. When three newbie agents at the Austin's FBI cold-case bureau resent having to work alongside a psychic consultant, Abby Cooper finds herself in hot water after they contact super-popular podcaster Mike Toscano--a former agent and huge skeptic of Abby's abilities. To prove that she's the real deal, Abby will have to solve Toscano's oldest--and coldest--case, and she'll have to do it on air with millions of Toscano's fans critiquing her every move. To make matters worse, the D.C. brass is threatening to shut down the Austin offices if Abby doesn't bring home a win. But helping to solve the unsolvable is what Abby does best, and she'll be bringing her A-game to Toscano's podcast. The only trouble is the killer could be listening... Life coach Cat Cooper and her best friend Gilley can't wait to take a long vacation from low-key East Hampton. There's just one more item left on their planning checklist: stopping a killer . . . With Gilley heartbroken over the collapse of his marriage, Cat has the perfect remedy—a three-week-long getaway to Italy. But before the duo can pack their bags and sip prosecco on the sunny riviera, they first must help a troubled client carve out a fresh start of her own. Wealthy Scarlet Rubi desperately seeks a greater purpose and immediate distance from her toxic descendants. The urgency of the situation isn't quite so clear until Scarlet takes healthy steps towards progress, only to turn up dead . . . The matriarch of a wealthy family has been murdered in her home after finding a new lease on life. Cat's suspicions deepen when she discovers Scarlet was set on cutting off her children and grandchildren, each one more money-hungry and dependent on financial support than the last. As Cat and Gilley investigate a slew of sketchy alibis and concrete motives from the corrupt Rubi clan while preparing to leave the East End for Europe, they soon realize the question isn't who had a deadly vendetta against Scarlet—it's who didn't? Once again Abby Cooper's abilities are in high demand. But this time she won't just be finding a deadly criminal—she'll be helping one. It's fall in Detroit, and psychic intuitive Abby Cooper is falling to pieces. She was about to nestle into her cozy, almost-renovated new house, and into the arms of FBI agent Dutch Rivers. Then, faster than you can say trick-or-treat, it all fell apart with one phone call. As a favor for a friend, Abby agrees to read tarot cards at a wedding, and finds herself predicting the future for some very shady guests. Word of her talents reaches a mob boss who wants her help in some business matters, and he doesn't take no for an answer. Now she's working for both sides of the law when the police seek out Abby's psychic intuition in order to shed some light on a masked man who's been attacking women, before he strikes again. With all of Dutch's time going to a big FBI case and his sultry new partner, Abby's on her own—leading her to wonder...why didn't I see this coming? Abby Cooper is a P.I., psychic intuitive. But her insight failed her when she didn't foresee the death of one of her clients-or that the lead investigator for the case is the gorgeous blind date she just met. Now, with the police suspicious of her abilities and a killer on the loose, Abby's future looks more uncertain than ever. Abby Cooper, Psychic Eye, is having a hard time getting over a gunshot wound from her last case-especially because she didn't see the shots coming. Out of work and second-guessing her abilities, she tries to get back in the saddle by helping her boyfriend Dutch with some of his FBI cases. And soon enough, her intuition returns-with a vengeance.
