Susan deWit appears first in earlier editions. Print+CourseSmart "Thinking about thinking is more strenuous than physical labor. A physical task is always easier if you use the right tool. The concept also is true of mental labor. A critical thinking strategy provides a methodical, analytical approach to answering multiple-choice questions in nursing. You are encouraged to use the critical thinking strategies when practicing test taking in nursing"-- Kaplan's NCLEX-RN Content Review Guide provides comprehensive review of the essential content you need to ace the NCLEX-RN exam. The Best Review Covers all the must-know content required to pass the NCLEX-RN Content is organized in outline format and easy-access tables for efficient review Chapters follow the NCLEX's Client Need Categories so you know you have complete content coverage Kaplan's acclaimed Decision Tree and expert strategies help you master critical reasoning Used by thousands of students each year to succeed on the NCLEX-RN Expert Guidance Kaplan's expert nursing faculty reviews and updates content annually We invented test prep—Kaplan (www.kaptest.com) has been helping students for 80 years, and our proven strategies have helped legions of students achieve their dreams 2 Books in 1! - Q&A Course Review - NCLEX(R) prep Assure your mastery of maternal and newborn nursing knowledge while improving your critical-thinking and test-taking skills. An easy-to-follow format parallels the content of your course, topic by topic, resulting in maternal and newborn content made manageable. Over 1,250 multiple-choice and alternate-format questions help you build your confidence. Rationales for both correct and incorrect answers as well as test-taking tips help you critically analyze the question types. Plus, the two, 90-question exams on DavisPlus help you assess your progress. Thoroughly updated, the 2nd Edition offers an increased emphasis on alternate-item format questions, including fill-in-the-blank, select-all-that-apply, and ordered response. What students are saying about the Success Series: "Since I started using the Success books, my grade went up 10%. If I get a question wrong, reading all of the rationales really helps me understand why." - Kellie Borges, Student at Brockton Hospital School of Nursing, MA "I like having content and questions in one place. The test-taking tips are HUGE for me." - Maricica Koltun, Student at National University, CA What instructors are saying about the Success Series: "We have used your products for students to help increase critical thinking skills, prepare for NCLEX and course exams, and for review of nursing content. We recommend students purchase the Success Series and review the content and questions for remediation and to enhance nursing knowledge. The terminology at the beginning of each chapter provide key terms for the students to review before answering questions. The

books are all encompassing in regards to what students need to review across the curriculum. We love them!!" - Louise Outlaw, Instructor at Brown Mackie College, St.Louis An essential resource for any nursing student, this invaluable guide gives you the tools you need to overcome text anxiety and develop effective study habits. Key topics include time management, critical thinking, and problem solving, with tips to help you tackle any nursing test — from a routine quiz to the NCLEX® examination. You'll learn how to confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats, with chapters on the nursing process, prioritization methods, and safety strategies. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included. Coverage of detailed critical thinking methods offer valuable clues to help you analyze and uncover the correct answer option for all question types, including multiple-choice, true-or-false, and alternate item-format questions Chapters on specific question content, such as prioritization, pharmacology, management, and delegation, provide numerous examples to prepare you for higher cognitive level questions A fun, two-color design features cartoons and bold designs to help visual learners become better overall test-takers. Linda Silvestri's hallmark Pyramid Points in the margins highlight the most important concepts you need to learn for exam success. Refocused content emphasizes comprehensive test preparation to help you develop, refine, and apply the reasoning skills you need to succeed throughout nursing school and on the NCLEX® examination. A new chapter on reducing test anxiety offers simple strategies you can use to control test-induced stress and gain the confidence you need to pass exams. A new chapter on developing a structured study plan provides helpful tips for improving time management for more efficient exam preparation. The NCLEX-PN exam is not just about what you know—it's about how you think. Kaplan's NCLEX-PN Prep Plus uses expert critical thinking strategies and targeted sample questions to help you put your expertise into practice, apply the knowledge you've gained in real-life situations, and face the exam with confidence. In NCLEX-PN Prep Plus, Kaplan's all-star nursing faculty teaches you essential strategies and critical-thinking techniques you need to apply your knowledge. Proven Strategies. Realistic Practice. 9 critical thinking pathways to break down what exam questions are asking 6 end-of-chapter practice sets to help you put critical thinking principles into action 2 full-length practice tests to gauge your progress—one in the book, one online Detailed rationales for all answer choices, correct and incorrect Techniques for mastering the computer adaptive test format Expert Guidance In-depth content review, organized along the exam's "Client Needs" framework 60 minutes of video tutorials on the ins and outs of the NCLEX-PN Kaplan's learning engineers and expert psychometricians ensure our practice questions and study materials are true to the test We invented test prep—Kaplan (www.kaptest.com) has been helping students for 80 years, and our proven strategies have helped legions of students achieve their dreams With NCLEX-PN Prep Plus you can study on-the-go. Log in from anywhere to watch video tutorials, review strategies, and take your online practice test. 2 Books in 1! - Q&A Course Review - NCLEX(R) prep Assure your mastery of psychiatric mental health nursing knowledge while improving your critical-thinking and test-taking skills. Over 900 multiple-choice and alternate format questions, organized by specific disorders, make a difficult subject more manageable. Rationales for both correct and incorrect answers as well as test-taking tips help you critically analyze the question types. BONUS! Two, 75-question exams online at DavisPlus--look inside the book for your FREE Plus Code to gain access! Thoroughly updated and enhanced, the 2nd Edition of this AJN Book-of-the-Year offers an increased emphasis on alternate-item format questions, including fill-in-the-blank, select-all-that-apply, and ordered response. What students are saying... "The questions are very similar to our tests and this book explains it way better than the textbook." - Nancy, Bryan College of Health Sciences, NE Use this exceptional resource with your current textbook for additional practice questions. It's the ideal companion to Mary C. Townsend's psychiatric nursing texts--each title follows the same organization as Psychiatric/Mental Health Nursing Success, 2nd Edition for the ideal teaching and learning experience. Psychiatric Mental Health Nursing Concepts of Care in Evidence-Based Practice Essentials of Psychiatric Mental Health Nursing Concepts of Care in Evidence-Based Practice Nursing Diagnoses in Psychiatric Nursing Care Plans and Psychotropic Medications What instructors are saying about the Success Series: "We have used your products for students to help increase critical thinking skills, prepare for NCLEX and course exams, and for review of nursing content. We recommend students purchase the Success Series and review the content and questions for remediation and to enhance nursing knowledge. The terminology at the beginning of each chapter provide key terms for the students to review before answering questions. The books are all encompassing in regards to what students need to review across the curriculum. We love them!!" - Louise Outlaw, Instructor at Brown Mackie College, St.Louis Saunders 2020-2021 Strategies for Test Success - E-Book NCLEX-RNÆ EXCEL-Learn to think like a nurse on the exam. NCLEX-RNÆ EXCEL contains the single most effective preparatory tool for success on the exam: the unfolding case study review. Based on the successful NCLEX-RN EXCEL methodology used in the Drexel University program, this is the only review book to utilize the unfolding case study approach to help you master test content. This approach promotes interactive learning through case vignettes and simulation environments, providing a clear, conceptual basis for test content. The unfolding case studies closely mimic real-life situations in nursing, providing situational models that assist students to problem solve, actively engage, and use critical thinking techniques when taking the actual test. Unlike all competing books, this book helps you to contextualize the information you need to pass the test. This innovative methodology is more effective than just practice questions alone, and has resulted in exceedingly high success rates. Key features: A systematic review of content from the new client needs test plan and the updated 2010 test blueprint Skill development in assessment, planning, and evaluation of patient care Rapid Response Tips (RRT) to help master content quickly and easily Key knowledge required for the test built into engaging case vignettes Pharmacology and medication administration principles incorporated into each chapter Full explanations of test answers at the end of each chapter If you want to get past the drudgery of flashcards, endless practice questions, and test-taking tricks-if you want a deeper understanding of the test material-get NCLEX-RNÆ EXCEL. Print+CourseSmart Help alleviate your pre-test jitters with this essential nursing resource! Written by the most trusted experts in NCLEX® prep, Saunders 2020-2021 Strategies for Test Success, 6th Edition introduces tools for overcoming text anxiety and tactics for developing effective study habits. Essentially, it teaches you how to master the things that matter most on your nursing school exams: critical thinking, problem solving, and time management. This essential guide features over 1,200 practice questions and rationales to help you tackle anything from a routine quiz to the NCLEX. It also includes a wealth of proven tips and real-world hints to help you confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. Plus, additional questions on the Evolve website gives you even more preparation material! 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills Increased focus on critical thinking uses different strategies to help you develop clinical judgment skills, and the ability to question data, and client abnormalities. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX® exam. Practice questions coded for the beginning, intermediate, or experienced student, making this book a useful tool throughout your nursing school career. Clearly defined cognitive levels help if you are unfamiliar with this terminology and its significance. Coverage of Interprofessionalism discussed where appropriate throughout text. Priority concepts for each question help you to link your concept-based classes and NCLEX® prep. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Clinical Judgment Situations and Next Generation NCLEX® (NGN) practice questions included on Evolve site let you apply strategies from the text in a realistic electronic testing environment. Print+CourseSmart Pharmacology made manageable. Assure your mastery of pharmacology nursing knowledge while improving your critical-thinking and test-taking skills. Over 1,200 NCLEX®-style questions on medication administration provide the practice you need to build your confidence. Rationales for both correct and incorrect answers as well as Medication Memory Joggers for select questions. Print+CourseSmart Unfolding case scenarios make student learning easier by integrating basic and more advanced concepts of pediatric and family nursing

through use of all types of NCLEX-style questions, engaging eResources, and development of critical thinking skills, all of which combine to guide students to 'think like a nurse'!
