It was only supposed to be one time. But that red-hot one night stand from the party? The sexy man in the suit who gave me more Os in a few hours than I've had in a year? Turns out my charming British stranger is keeping a little secret. He's as much of a whiz in the kitchen as he is in the bedroom and soon we'll be going head-to-head in NYC's biggest bake off. My one-time lover is now my enemy. I vow to loathe him for all eternity, though that would be easier if I wasn't dying to get naked with him again. But the more I learn more about my rival, the more I suspect he just might be everything I've wanted... If only I knew how to let him in... GOOD TO BE BAD is a sexy standalone romance in the Good Love series!

Can you imagine what it would be like not to have any memory of your first ten years of life?

Jake Howard knows how that feels. He's a successful psychiatrist and writer. He has an apparently adoring lover and the respect of his peers. But he also has a huge gap where his childhood memories should be. What's more, Jake is tormented by the worst kind of nightmares. Nightmares he's not even sure are his.

Tormented by dreams and visions that threaten his sanity, he must find their source in order to understand and banish them.

His hunt will take him to a run-down seaside town, to the place where he was raised and also forty years back in time, to what he must confront to release himself from the grip of the visions and also to discover the hidden memories.

However, he will discover things about himself he did not dare imagine. Things he really didn't want to know.

And he will also discover that not everyone is what they appear to be. Those revelations will expose a darkness and horror that no one should have to confront.

Sometimes a lie is preferable.

Some truth is best left undiscovered...

The steamy first book in The Pleasure Wars series by USA Today Bestselling Historical Romance Author Jess Michaels Amid all the lies and scandals that fuel Society's gossip mill, one truth has stood out: House Rothcastle and House Windbury have always hated each other. Lady Ava Windbury prays the feud will someday end, to no avail. One dreadful night, her brother accidentally causes the death of Christian Rothcastle's sister, a tragedy that leaves both men maimed. Consumed by grief, Christian makes a grim decision. He will kidnap Lady Ava so that her family will feel the pain of loss as keenly as he feels the loss of his own sister. But once he has Ava in his clutches, desire takes unexpected hold. Even more surprising, she willingly surrenders to his every sexual whim—after haggling over the terms of giving up her virginity. Too late, he realizes she is using her body for peace, not war. But just as their affair of revenge turns into an affair of the heart, the past rears its ugly head to take matters into its own hands... Length: Full Length Novel Heat Level: Naughty, naughty CW: Violent accident (on page), abuse (described) This book is the first book in The Pleasure Wars series. **Discontinuity in Nonlinear Physical Systems** explores recent developments in experimental research in this broad field, organized in four distinct sections. Part I introduces the reader to the fractional dynamics and Lie group analysis for nonlinear partial differential equations. Part II covers chaos and complexity in nonlinear Hamiltonian systems, important to understand the resonance interactions in nonlinear dynamical systems, such as Tsunami waves and wildfire propagations; as well as Lev flights in chaotic trajectories, dynamical system synchronization and DNA information complexity analysis. Part III examines chaos and periodic motions in discontinuous dynamical systems, extensively present in a range of systems, including piecewise linear systems, vibro-impact systems and drilling systems in engineering. And in Part IV, engineering and financial nonlinearity are discussed. The mechanism of shock wave with saddle-node bifurcation and rotating disk stability will be presented, and the financial nonlinear models will be discussed. **Clinical & internal medicine.** "Negotiation: Science and Practice" is a university-level textbook and lecture series designed to teach effective skills and techniques in negotiation. Intensely private radio personality Art Bell, who lives in the middle of the desert 65 miles west of Las Vegas--where he broadcasts his radio shows--finally comes forward with his fascinating autobiography. Mitchell is an alpha among alphas in the brutal Mountain Ridge Pack. He rules with equal parts fear and respect, but his pack is growing restless after decades without an heir to his proverbial throne. Only an alpha and an omega pair can sire another alpha to lead the pack, but Mitchell's not-so-secret shame is the fact that he hasn't been able to impregnate any of his female omegas. Unlike the other weaker packs, the Mountain Ridge wolves have always kept their omegas in line and at a safe distance through the infamous yet efficient Breeding Program. On the recommendation of an old rival turned tentative friend, Mitchell decides to try his hand--among other things--in a last-ditch effort at siring an heir with a rare male omega. When a transfer request for one of the only male omegas in the pack uncovers unspeakable abuse and corruption within the Breeding Program, the very future of the pack is thrown into question. -Angel's heart has turned to stone after a lifetime of abuse at the hands of the alpha shifters who oversee the Breeding Program in his pack unit. The only love he has left belongs to the three other omegas he shares his little corner of hell with. Angel will do whatever it takes to protect them, even if it means becoming the mate of the top alpha himself. Angel knows better than to believe the gruff Mitchell when he claims that he's not like the others. Despite his best attempts to steel himself against the strange bond that forms between them, Angel discovers that Mitchell is the most dangerous alpha of all because he wants the one thing Angel has sworn never to give--his heart. With war looming on the horizon, a pack in chaos and two hardened hearts melted by an unlikely spark of love, only one outcome is certain. The Mountain Ridge Pack will never be the same. Disclaimer: See inside cover for content warnings. This is the second book in The Mountain Shifters series. Reading His Unclaimed Omega may provide context, but this book can be read as a standalone.

Wild Swans meets Educated in this riveting true story spanning four generations 'Revelatory and remarkable' - TRENT DALTON 'Memorable and vivid' - RICHARD GLOVER 'Lands with a thump in your heart' - LISA MILLAR 'Heartbreaking and uplifting' - MEAGHAN WILSON ANASTASIOS 'An heroic saga' - MIKE MUNRO The dragon circles and swoops ... a tiger running alone in the night ... Mimi Kwa ignored the letter for days. When she finally opened it, the news was so shocking her hair turned grey. Why would a father sue his own daughter? The collision was over the estate of Mimi's beloved Aunt Theresa, but its seed had been sown long ago. In an attempt to understand how it had come to this, Mimi unspools her rich family history in House of Kwa. One of a wealthy silk merchant's 32 children, Mimi's father, Francis, was just a little boy when the Kwa family became caught up in the brutal and devastating Japanese occupation of Hong Kong during World War II. Years later, he was sent to study in Australia by his now independent and successful older sister Theresa. There he met and married Mimi's mother, a nineteen-year-old with an undiagnosed, chronic mental illness. Soon after, 'tiger' Mimi arrived, and her struggle with the past - and the dragon - began ... Riveting, colourful and often darkly humorous, House of Kwa is an epic family drama spanning four generations, and an unforgettable story about how one woman finds the courage to stand up for her freedom and independence, squaring off against the ghosts of the past and finally putting them to rest. Throughout, her inspiration is Francis's late older sister, the jet-setting, free-spirited Aunt Theresa, whose extraordinary life is a beacon of hope in the darkness. PRAISE FOR HOUSE OF KWA 'House of Kwa enchants and enthralls like the best kind of sweeping, dynastic fiction, but it rattles the bones and breaks the heart with the pure facts of Mimi Kwa's extraordinary story. Revelatory and remarkable storytelling.' Trent Dalton 'An astonishing true tale that leaps across centuries and cultures to land with a thump in your heart.' Lisa Millar 'A startling tale of the past, its terrible grip on the present, and the battle to set yourself free. Full of scenes that hover between tragedy and farce, House of Kwa is one of the most compelling stories you'll read this year. Memorable and vividly told, this is a book for anybody forced to survive their own parents.' Richard Glover 'From the back streets of China to war-torn Hong Kong to suburban Australia, this is an heroic saga that reveals just some of the stories behind the multi-cultural nation we are today.' Mike Munro AO 'This is a charming and compelling story, an insight into a deeply traditional Chinese family in times when China was undergoing internally and externally induced upheaval.' South China Morning Post 'A rich and riveting read which heralds a new chapter in Kwa's life as a writer. The spirited tiger, full of life and driven to achieve, has many stories to tell yet.' The Weekend Australian 'House of Kwa answers the question of how one should write about one's family with generosity and love - to read it is to experience Kwa's wonder at the strength and resilience of her family, as well as the intimacy of her relationships with them. Traversing the boundaries of a traditional memoir, House of Kwa is the biography of a family that explores the way our lives are shaped by the past we can and cannot remember. Kill Your Darlings 'A rare work of non-fiction which balances page turning prose with lyrical depth. Do yourself and everyone you know a favour and dive in!' Megan Rogers An utterly captivating, gripping and inspirational tale of one woman's triumph over adversity. In this extraordinary multi-generational memoir, Kwa fearlessly grapples with questions of love, loyalty, and the power of the human spirit. Intimate and revelatory, House of Kwa is the most heart-breaking and uplifting book I have read in years and announces the arrival of an exciting writer. Meaghan Wilson Anastasios 'If you're a fan of the book Educated by Tara Westover, as I am, and most readers I know are, then you have to read this.' Joan McKenzie, Joan's Picks, Whitcoulls 'Mimi's narrative about their family life is heart-breaking, hilarious, and often unbelievable.' Magic talk FM 'An exotic journey that takes readers through the contributions Chinese immigrants have made to multicultural Australia.' ABC Nightlife 'Kwa is an engaging storyteller.' Asian Review of Books 'Extraordinary - I couldn't put it down. Wonderfully written, this intriguing family story reads like a page-turning novel. The journey of the Kwa dynasty and its legacy is told in such rich, colourful detail, you feel like you are there. I loved it. Sue Smethurst 'I laughed, I grieved, I was intrigued. It took enormous strength to write this story of trauma, abuse, mental health, dislocation, racism and reinvention. Above all it is a story of love and kindness. It will resonate with so many people.' Kirsty Manning This iPad interactive book is an indispensable tool for pilots seeking the Airbus A320 type rating. This study guide offers an in-depth systems knowledge with pictures, videos and schematics not found in other publications. It is packed with detailed and useful information to prepare any candidate for command and responsibility of the A320 equipped with IAE or CFM engines. The bestselling autobiography of Casey Stoner, Australia's two-time MotoGP Champion. 'If you never give up, anything can happen' - Casey Stoner Showing anything is possible when determination meets talent, two-time World MotoGP champion Casey Stoner shares his inspirational journey from Queensland toddler, with an extraordinary ability on a motorbike, to his decision to retire at twenty-seven with nothing left to prove. For the first time, he tells of his early family life, the development of his riding skills and why his parents decided to sell everything and travel from Australia to Europe to chase the dream and support his aim to become World Champion when he was only fourteen years old. As fearless with his opinions as he is on the racetrack, Casey includes all the highs and lows of his life so far: the real reason he left for Europe so young, his thoughts on racing as it stands today, the riders' hierarchy, the politics of racing, the importance of family, his battle with illness and why he decided to turn his back on a multimillion-dollar contract when he was still winning. And he will let us in on some of the new goals he has set for himself. Pushing the Limits is a unique and remarkable account of self-sacrifice and determination to succeed against the odds, the inspiring story of a young Australian who took on the world on his terms, his way. . . and won. Rather than follow in the footsteps of her family members, Juliette Belmont has made a career out of being in front of the cameras. When she finds herself in the middle of a scandal, she takes a friend's advice and escapes to a small town in northern New Hampshire. Once there, she has three items on her agenda: make some decisions regarding her life, avoid the media, and don't get involved with one of Avon's own, no matter how gorgeous she finds him. When Aaron Wright learns a member of the Sherbrooke family has rented out a cottage at his family's campground, he's less than pleased. People like Juliette live and play in a world far removed from his, something he learned firsthand seven years ago. Despite his attraction to her and his meddling sister, he keeps his distance. Everything changes when an ice storm leaves Juliette in the dark, and Aaron opens his house to her. Or it does until reality comes knocking, and Aaron must decide if he can live in Juliette's world. This is the first comprehensive study based on a detailed textual analysis of the classical works on war by Clausewitz, Sun Tzu, Mao Tse-tung, and to a lesser extent, Jomini and Machiavelli. Brushing stereotypes aside, the author takes a fresh look at what these strategic thinkers actually said—not what they are widely believed to have said. He finds that despite their apparent differences in terms of time, place, cultural background, and level of material/technological development, all had much more in common than previously supposed. In fact, the central conclusion of this book is that the logic of waging war and of strategic thinking is as universal and timeless as human nature itself. This third, revised and expanded edition includes five new chapters and some new charts and diagrams. Madison walked through the fallen snow, looking left and right. It had been Kaylee's idea to use the trail through the forest; she said no one would follow them. But Madison lost sight of Kaylee for a moment and when she found her again she wasn't alone... In the remote forests of Stillwater, Minnesota, you can scream for days and no one will hear you. So when the bodies of two fifteen-year-old girls are discovered frozen in the snow, Special Agent Nikki Hunt is sure the killer is local: someone knew where to hide the girls and thought they would never be found. Though Nikki hasn't been home in twenty years, she knows she must take over the case. The Sheriff's department in Stillwater has already made a mistake by connecting the girls' murders to those of a famous serial killer, refusing to consider the idea that the killer could be someone from town. Then another girl's body is found, a red silk ribbon tied in her hair, and Nikki realizes that the killer has a connection to her own dark past, and the reason she left Stillwater. Nikki is not the only person in town who wants those secrets to stay hidden. Will she be able to face her demons before another child is taken?
