Third Person Oct 11 2021 Narrative strategies for vast fictional worlds across a variety of media, from World of Warcraft to The Wire. The ever-expanding capacities of computing offer new narrative possibilities for virtual worlds. Yet vast narratives—featuring an ongoing and intricately developed story, many characters, and multiple settings—did not originate with Massively Multiplayer Online Games. Thomas Mann's *Joseph and His Brothers*, J. R. R. Tolkien's *Lord of the*

Rings, Marvel's Spiderman, and the complex stories of such television shows as Dr. Who, The Sopranos, and Lost all present vast fictional worlds. Third Person explores strategies of vast narrative across a variety of media, including video games, television, literature, comic books, tabletop games, and digital . The contributors—media and television scholars, novelists, comic creators, game designers, and others—investigate such issues as continuity, canonicity, interactivity, fan fiction, technological innovation, and cross-media phenomena. Chapters examine a range of topics, including storytelling in a multiplayer environment; narrative techniques for a 3,000,000-page novel continuity (or the impossibility of it) in Doctor Who; managing multiple intertwined narratives in superhero comics; the spatial experience of the Final Fantasy role-playing games; World of Warcraft adventure texts created by designers and fans; and the serial storytelling of The Wire. Taken together, the multidisciplinary conversations in Third Person, along with Harrigan and Wardrip-Fruin's earlier collections First Person and Second Person, offer essential insights into how fictions are constructed and maintained in very different forms of media at the beginning of the twenty-first century.

Broke Millennial Takes On Investing July 28 2020 A guide to investing basics by the author of Broke Millennial, for anyone who feels like they aren't ready (or rich enough) to get into the market. Millennials want to learn how to start investing. The problem is most have no idea where to begin. There's a significant lack of information out there catering to the concerns of new millennial investors, such as: * Should I invest while paying down student loans? * How do I invest in a socially responsible way? * What about robo-advisors and apps--are any of them any good? * Where can I look online for investment advice? In this second book in the Broke Millennial series, Erin Lowry answers those questions and delivers all of the investment basics in one easy-to-digest package.

Tackling topics ranging from common terminology to how to handle your anxiety to retirement savings and even how to buy and sell a stock, this hands-on guide will help any investment newbie become a confident player in the market on their way building wealth.

Solo Leveling, Vol. 6 (novel) Oct 23 2022 "MAY ALL THAT YOU WISH TO PROTECT BURN TO ASHES..." Having witnessed the staggering power of the Shadow Monarch, Jinwoo can't wait to level up and reach those heights, and what better way to do so than to mobilize his army of soldiers against an S-rank dungeon's wall of giants? Saving a country abandoned by the rest of the world for its benefits—international renown, the expansion of his guild, an invitation to the most prestigious hunter conference in the world—but perhaps the most unexpected bonus is a run-in with another Monarch who brings not-so-welcome tidings. If he's to be believed, a war is coming that not even Jinwoo is strong enough to stop...

The Goblin's Secret Dec 01 2020 In order to succeed in World of Warcraft Classic, you will need a lot of gold. In addition to the thousands of gold you will spend on your spells, mounts, gear, enchantments, and respecs, you will also need to consistently purchase large quantities of consumables and utility items to stay competitive in serious raiding/PvP. Without enough gold, you will always be outclassed by players who do have enough. However, accumulating gold is very difficult in World of Warcraft. By the time The Burning Crusade was about to launch, World of Warcraft (WoW) had 8 million active subscribers with likely millions more accounts that were created but stopped subscribing at some point. Out of the millions of players who played the game, there was a single recorded instance of someone hitting the gold cap (~21

gold) on one character. This means it is more common for someone to be a billionaire in America (about 1 out of 600,000) than it is for someone to have 215,000 gold. This is why I have compiled the most comprehensive, optimal, and practical guide on gold making in World of Warcraft Classic. I played the original WoW through Wrath of the Lich King with a Hunter main and Druid alt and have played on 3 different vanilla WoW private servers where I have 25 level 60 characters and amassed hundreds of thousands of gold among them. My love of the game evolved past raiding and PvE and I became consumed by the economic PvP (competing against other goblins to earn more gold). With WoW Classic's release, I'm happy to finally share everything I have learned about making gold. This book will cover the most optimal and practical strategies for gold making while discarding the less optimal ones that are often repeated in popular guides. This book will also include resources such as a full list of level appropriate mobs to grind while leveling, a full list of the most lucrative twink items in the level 1 and 29 brackets, a full list of the most lucrative BoE limited supply vendors to camp, a step by step action plan for the launch of WoW and much much more.

Monster Hunter: World - Strategy Guide 26 2023 This guide features a full, beginning-to-end walkthrough written in an "ideal chronological order of events" format. Main quests are interspersed with side quests in the order in which they unlock, although some side quests and arena challenges may only be referenced instead of fully explained. These are typically quests that have you facing a monster you've already fought under similar circumstances that offer no unique reward for completion. For example, after completing most main quests you won't be able to attempt them again, but you'll usually unlock an identical side quest allowing

you to hunt the same monster in the same area with the same success/failure conditions. Monster strategies will be discussed in detail as you encounter them throughout the walkthrough, featuring elemental and status information and drop lists. The guide also features a fully detailed bestiary for those who just want information about specific monsters unaccompanied by a walkthrough. Trophy/achievement information can also be found in a separate trophy/achievement guide, although be warned: more trophies/achievements in Monster Hunter World are easier said than done. Other features of this guide include: -- Information on crafting/harvesting. -- Side quests that unlock mantles, ingredients and other useful features. -- Field Researcher quests including where to catch rare fish, how to capture small monsters, and how to locate Grimalkynes/Gajalaka. -- Grimalkyne/Gajalaka quests. How to upgrade the Ancient Tree/Harvest Box and how to unlock various fertilizers. -- How the Elder Melder works, melding different items and decorations. -- Where to find the Powerarmor and Armortalon, and how to upgrade them into the Powercharm and Armorcharm. -- Detailed information on how to unlock Tempered Monsters, the difference between Threat Level 1, 2 and 3 Tempered Monsters. -- Information on Feystones, including drop rates, the differences between the types (Mysterious, Gleaming, Worn and Warped). -- How to get Warrior's Streamstones and Hero's Streamstones.

Feb 03 2021 A deathbed confession ignites a globe-spanning race for answers in this page-turning thriller described as The Da Vinci Code meets The Bourne Identity. "They didn't have to kill him...He never drank from the altar of bones." Cryptic dying words from a murdered homeless woman in present-day San Francisco unlock a long-buried secret that alters history. Now, a pair of ruthless assassins are sent to cut the few living "loose ends." And a young, resourceful woman on the run encounters a determined man with his own connected past and vengeful agenda. Forced to partner for survival and answers, a fast-paced and complex game of cat and mouse ensues, whisking the duo from the winding streets of Paris to the faded palaces of Budapest to the frozen wastes of Mongolia...where destiny, passion, and further betrayal await them. Jam-packed with pulse-pounding action and featuring a high-profile assassination, a doomed Hollywood legend, and guardians of an ancient religious icon housing a secret others will kill to possess, The Altar of Bones is certain to leave readers stunned and breathless.

Gem Hunter's Guide Sep 10 2021

Narrative Design and Authorship in Bloodborne November 19 2019 In the vein of their cult-classic dark fantasy titles Demon's Souls (2009) and the Dark Souls franchise (2011, 2014, 2016), game developers FromSoftware released the bleak Gothic horror Bloodborne in 2015. Players are cast in the role of hunters in a hostile land, probing the shadowy city of Yharnam in search of "paleblood." The game achieved iconic status as both a horror and an action title for its rich lore and for the continuity of story elements through all aspects of game design. This first full-length study examines Bloodborne's themes of dangerous knowledge, fatal pride and its aesthetics in the context of other works on horror studies, horror and the Gothic. The book's three parts focus on game and narrative, the game's nightmarish world, and its mechanics.

Disgaea 5: Alliance of Vengeance - Strategy Guide January 4 2022 There are three major areas in the Disgaea universe, Celestia, which is home to the angels, the Human World, and the Netherworlds. The Netherworlds are split up into a bunch of different ones, each governed by an Overlord, who has their own set of rules. Those very same Netherworlds are now in danger of being destroyed or taken over by an evil army known as The Lost, which is being led by Void Dark. However, a ray of hope appears in the form of Killia, who seems to have a deep grudge against Void Dark. Can you really go through the rumored 10 billion Lost soldiers and exact revenge against Void? Let us guide you on the epic journey from Level 1 to Level 9999, as you shoot, punch and fry enemies with various skills in our Disgaea 5 comprehensive guide! - Detailed strategies on getting through the main story; - How to get through the postgame content, including beat the super optional boss; - Create and power up a character that can deal in excess of 10 billion damage; - Get the most out of the Item and Chara World
