This fascinating, detailed study of the techniques and effects of male chastity is a really comprehensive study of this very popular disciplined regime which can be used for pleasure or punishment, or both. Keeping the male deprived of satisfaction, often for long

periods, can give the woman GREAT satisfaction! When orgasm for the man is delayed - or completely denied - the focus is shifted from HAVING an orgasm (often involving anxiety) to NOT having an orgasm (involving humility, patience, and loving attention to the dominant female). This exciting new book looks at topics like choosing and fitting his device (metal or transparent plastic), asking permission to be released and then being made to wait longer, using edging techniques, causing the male embarrassment in front of others, having to sit down to urinate, learning not to question the Mistress'

decisions, and accepting hard corporal punishment when needed as part of the overall lifestyle of abstinence, denial and discipline. (See chapters list for much more.) Jade Greenaway (Mistress Jade) and Mark Maguire have both written numerous books on adult discipline and punishment as part of consensual, loving relationships - all still currently available - and here they collaborate on this comprehensive look at this rapidly "trending" topic. Mistress Jade says "Life nowadays is very stressful. You can achieve peace of mind by giving away control over your genitals and ejaculations. Yes,

the chastised male will certainly experience the most overwhelming frustration when prevented from having an orgasm for very long periods, but he can learn to please his woman rather than himself." Mark Maguire agrees. "The Mistress makes all decisions on behalf of the man, so the sub male is freed from all responsibility in that respect. However, there are severe consequences for any kind of disobedience as far as Jade and I are concerned. She uses a hard backed wooden hairbrush to spank me when necessary, and when I've deserved a bit more discipline, she has her favourite whippy, rattan cane which is always to hand. Wow

does that cane of hers STING!" Read right now about the intense bond of intimacy and respect that can grow out of an adult consensual chastity and discipline lifestyle in "Chastity, Control and Correction for Men" by Mark Maguire (with Mistress Jade). Includes all six 'Dominated Husband' novellas in one complete set: 1. Dominated and Punished, 2. Teased and Denied, 3. Caged and Controlled, 4. Humiliated and Cuckolded, 5. Feminized and Forced, 6. Filled by the Bull. The Dominated Husband follows Michael's descent into the depths of female domination as he is forced to wear a chastity cage and endure all kinds of perverse

delights and degradations at the hands of his increasingly dominant wife and her two lovers - a hot lesbian MILF and a demanding alpha-male black Bull. Including explicit scenes of tease and denial, forced feminization, CBT, forced and ruined orgasms, prostate play, CFNM, public sex, forced M/m gay encounters, SPH, lesbian sex, queening, pegging, over the knee spanking, golden showers, and much, much more, this is a novel that brings you all the taboo suffering and twisted pleasures of being a completely dominated husband. Looking beyond the familiar trappings of the cult of female chastity—such as hagiographies of widows and

chastity shrines--in late imperial China, this book explores the cult's political significance and practical ramifications in everyday life during the eighteenth century. In the first full-length study of the subject, Janet Theiss examines a vast number of laws, legal cases, regulations, and policies to illustrate the social and political processes through which female virtue was defined, enforced, and contested. Along the way, she provides rich details of social life and cultural practices among ordinary Chinese people through narratives of criminal cases of sexual assault, harassment, adultery, and domestic violence. John is a college student currently separated from his fiancée Laura, while she begins a hot

sexual affair with her roommate Christine. Though John is anxious to have Laura back, with Christine now a permanent fixture in Laura's life, the terms of the relationship are about to radically change. Either John agrees to be submissive in a menage a trois with two dominant females, or he's out. Eager to stay in Laura's good graces John agrees to anything, including public humiliation, panty wearing, and Laura's unique punishment for unauthorized masturbation: a locking chastity device. She tricks him into putting it on, not telling him that Christine has the keys. Later he learns from Christine that a key has

been hidden in his weekend bag all along. But now, the demanding Christine wants him to consciously choose to remain in chastity! John can't help wonder who's running the relationship, Laura or Christine? As the two femmes take charge, John is trained to serve their every whim, to call them mistress, and play their humiliating sexual games. When he fails to please this daunting duo, he suffers a variety of painful punishments from bondage to whipping to being sodomized with a strapon. Despite the rough demands of his new life, John finds his surrendering role strangely pleasing, and highly erotic. All misgivings aside, he's still in

love with Laura, and willing to slavishly serve both women in order to have her. But how long can this strange menage a trois survive? Will John ever have Laura to himself again? Is Christine really falling in love with him? Although John's journey into chastity has just begun, it's certain to take some curious twists as these two lovely, in charge females turn this wary college boy into their groveling slave. Chastity” Book 2 “Chastity Exposed” Book 3 “College BDSM Project” Book 1 “Submissive’s Chastity” Sometime in the morning I woke up with Jessica on top of me giving me a good morning kiss. 'Wakey wakey sleepy head!' she said with a huge smile. I grinned back, it was a nice way to be woken and she looked as gorgeous as ever in her red silk chemise. I started to get aroused but I was always going to lose the fight against the chastity belt. We had breakfast, she gave me some muesli and milk, and sat on my knee, her slim body next to mine. She forbade me to feed myself 'no you are my helpless little sissy princess'. It was

great, though I was reminded of my chastity belt all the time. No doubt this was why she did it. Even though she had always been attracted to the fact that I was rather a Tomboy, some would even call me a Butch. Jessica had this twisted side of her. She had always toyed with the idea of making me her submissive. Not only her submissive, but turning me into some sort of lipstick lesbian. Something that was contrary to everything I had always thought of myself as. But I would do anything for her, or so I had thought. The chastity belt was just the beginning. Dixon's study is an important one for scholars in medical history, art history, and women's studies because of its ambitious attempts to mold medical theory about female bodies and artists' representations of women and girls into a comprehensive picture of women's lives." -- Ann Ellis Hanson, review "This impeccably researched work traces 'hysteria' . . . into the modern period. . . . Dixon's work will be of great interest to scholars in the fields of medical history, art history, and women's studies." -- Katherine

Dauge-Roth, review"-- from amazon.com. The chastity belt is one of those objects people have commonly identified with the 'dark' Middle Ages. This book analyzes the origin of this myth and demonstrates how a convenient misconception, or contorted imagination, of an allegedly historical practice has led to profoundly flawed interpretations of control mechanisms used by jealous husbands. Here for

the first time, the Full Length Complete story of "His Fall From Power" is being published as a Beautiful Paperback.. Thomas McMillan was on Top of the World. Here is just one of the many Five Star Reviews this Novel has received: "The action in Mistress Benay's 'His Fall From Power' is well paced, often creative, and woman centered. Her style to me is measured and softly worded, rising to a crescendo, then deftly falling

back to build again. 'His Fall From Power' is right up there among erotica written for women, by women, but tops my two favorite authors of female erotica, Anne Rice and Pauline Reage as, here, the woman does not suffer for love, but she commands it, demands it, and revels in the devotions a well trained male can provide." A comprehensive treatment of chastity, originally written for college age students. Parents may find this is a great book for today's high schoolers to read as well. Frazier books contain \*plots\* and \*well-developed characters\* Winner of a 2015 Catholic Press Award: Books for Teens and Young Adults (First Place). In 2012, journalist Arleen

Spenceley outed herself as a twenty-six-year-old virgin in a Tampa Bay Times op-ed that went viral. In Chastity Is for Lovers, Spenceley expands on that piece, advocating Catholic teaching on sex and marriage with candor and humor, and without judgment. In her debut book, seasoned journalist and self-professed "happy virgin" Arleen Spenceley offers a mature, funny, and relatable vision of Catholic teaching on chastity for young adults. Chastity Is for Lovers provides perspective on a variety of topics—the difference between chastity and abstinence, how virginity is an affirming and valuable life choice, how the word "purity" can be harmful

in ministry settings, how to date well, and why sexual self-control is the best form of marriage preparation—and gives single adults the best possible chance to find true love. She carefully avoids using language that shames readers and instead presents a view of chastity that is joyful and positive. "This little book, read prayerfully, by older teens and young adults. will be both an encouragement and a tremendous help to purity. In a world that has lost its moral compass to the point that even decent young men and women can easily lose their way, the author gives a clear and balanced explanation of what it means to be pure. The

principles on which he bases his treatise are rock solid, the examples enlightening, and the application to real life truly helpful without falling into the trap of being preachy or out of date. The chapter on the divine plan of reproduction is explicit but in an appropriate way. " - Fr. Gerard Beck, SSPX

St. John Bosco called purity 'the most beautiful of all virtues.' We might go further and call it a key to the restoration of Christendom. For from pure women will come true and noble-minded men, and only from such men—pure by definition—will come the restoration of all things in Christ." -Fr. Gerard Beck, SSPX  
There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this

lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase "male chastity" probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and

control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman,

and excellent for contemporary "tease and denial" games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key. ☐ Are you ready to enter a world of predatory Dommies, who turn husbands into obedient slaves to their wives? ☐ Volume II of The Femdom Syndicate turns up the heat as Amy and Michael continue to explore their Femdom cuckold adventure together. In *The Chastity Plot*, Lisabeth During tells the story of the rise, fall, and transformation of the ideal

of chastity. From its role in the practice of asceticism to its associations with sovereignty, violence, and the purity of nature, it has been loved, honored, and despised. Obsession with chastity has played a powerful and disturbing role in our moral imagination. It has enforced patriarchy's double standards, complicated sexual relations, and imbedded in Western culture a myth of gender that has been long contested by feminists. Still not yet fully understood, the chastity plot remains with us, and the metaphysics of purity continue to haunt literature, religion, and philosophy. Idealized and unattainable, sexual

renunciation has shaped social institutions, political power, ethical norms, and clerical abuses. It has led to destruction and passion to seductive fantasies that inspired saints and provoked libertines. As *During* shows, it should not be underestimated. Examining literature, religion, psychoanalysis, and cultural history from antiquity through the middle ages and into modernity, *During* provides a sweeping history of chastity and insight into its subversive potential. Instead of simply asking what chastity is, *During* considers what chastity can do, why we should care, and how it might provide a productive disruption, generating new

ways of thinking about sex, integrity, and freedom. "Are you nervous?" Olivia inquired. "It sounds like you are nervous." "Yes," Aaron admitted. "Hmmm," she purred, pleased with his reaction. "Spread your legs a bit farther apart." She pressed the tip of the riding crop against his inner thigh and held it there. "Are you nervous now?" He swallowed hard. "Y-yes," he stammered. She laughed, and with a satisfied smile on her face, she slid the riding crop slowly upward. "Now. I believe that I told you that I was going to whip you. Do you recall that?" "Yes, I do." "Right. I assume that when you thought about it, you

pictured it in your mind. You imagined it." "Yes, I did." "And so for the past couple of days it has been in your mind." "Yes," he replied, his fear becoming more apparent with every passing moment. "And when you were getting ready this evening, to come here? When you were taking a shower, shaving, strapping the harness on, getting dressed, you were thinking about it, weren't you? You were anticipating it." "Yes," he replied. "Good. I find anticipation to be quite ... delicious. And I so love the thought of you making yourself as attractive as possible, and coming here just so that you might present yourself to me to be whipped. Olivia is going to

enjoy having her way with Aaron, a man who wandered into her life, unsuspecting, and unprepared. She begins by giving him a cute nickname, "dickboy," which is just the start of her process of re-making his entire identity. By the time she is done, he will fully appreciate her authority to do with him as she pleases.
