This book provides accurate information on about 30 "alternative" or "nonconventional" religious movements, plus the anti-cult movement. The author describes life in a cult, and discusses violence in cults. This book is the second volume in the series, "Mary Protectress of the Faith." This book is a

"Primer" as it is meant to be a simple introduction and handbook to the Christian faith and the spirituality of the Immaculate Heart of Mary. It is meant to be an "Invitation" from God and Our Lady to you, dearest reader, to enter into the Divine Heart and Divine Will of Our Heavenly Father. The heavenly messages relied upon by the author may or may not be approved currently by the Catholic Church. However, the author believes in the genuine authenticity of the heavenly messages provided in this book, which has come about through much prayer to the Holy Spirit.

Although this book is written by a Catholic Christian, the intended audience is for all peoples of all faiths and non-believers. Series: Mary Protectress of the Faith, Volume 2

IMAGINE ONE DAY MASSES OF MEN /WOMEN/CHILDREN IN A MOMENT IN THE TWINKLING OF AN EYE SUDDENLY DISAPPEARING, AND THIS DISAPPEARANCE WILL NOT INVOLVE 'ALIEN ABDUCTIONS', NO NO NO, BUT IT WILL BE THAT PROPHESED PROPHECY UNFOLDING AS SPOKEN OF IN: 1ST CORINTHIANS 15/5

51Behold, I tell you a mystery: We shall not all sleep, but we shall all be changed - 52in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the

dead will be raised incorruptible, and we shall be changed. 53For this corruptible must put on incorruption, and this mortal must put on immortality. FOR BELIEVERS IN JESUS CHRIST THIS WILL BE LIKE 'A GRADUATION PARTY', BUT TO THOSE LEFT BEHIND' IT WILL BE A TIME OF GREAT SUFFERING /WOE/TRIBULATIONS THE LIKES THE BIBLE SAY'S HAS NEVER BEEN SEEN BEFORE. DESPITE HAVING ONE MORE OPPORTUNITY TO RECEIVE JESUS CHRIST INTO YOUR HEARTS DURING THIS TIME. THE COST OF NOT RECEIVING THAT MARK WILL COME WITH A GREAT PRICE BY BEING BEHEADED FOR THE WITNESS OF JESUS CHRIST. AHHHH, AND THE HORRORS OF BEING HUNTED BY THE ANTICHRIST WHO WILL BE SET ON FORCING YOU TO TAKE THE MARK, OR YOU/YOUR FAMILY RISK STARVING, BECAUSE WITHOUT THE MARK YOU CAN NEITHER BUY/SELL. HE WILL BE 'THE PERSONIFICATION' OF PURE EVIL. IMAGINE IN THE DAYS OF NOAH WHO PREACHED 120 YEARS 'THE RAIN IS COMING WHILE BUILDING THE ARK, AMID SUCH SKEPTICISM /MOCKERS / SCORNING BECAUSE THEY WERE LOCKED INTO THIS WORLD. OH, BUT ONE 'THE PROPHESED DAY CAME' UNTIL, AND THE RAIN BEGAN TO

FALL. 'IMAGINE THE PEOPLE BEGAN TO PANIC SAYING 'NOAH OPEN THE DOOR'. BUT GOD HAD CLOSED THE DOORS OF SAFETY ON NOAH, AND HIS FAMILY AND YOU KNOW THE REST. WILL YOU /YOUR FAMILY BE READY?. *The Christian Zombie Killers Handbook* delivers a fresh, relevant look at the doctrines of sin, grace, and salvation. Ben Forman was just an ordinary guy, a young professional starting his first job and falling in love with his girlfriend. Living in the outskirts of a southern city, he didn't think the zombie activity so common in the major cities would hit so close to home. But it was becoming clear that the mysterious infection reanimating the deceased was a growing epidemic across the country. The question was, would he stay alive or become the undead? In this one-of-kind approach to teaching about sin, grace, and salvation, *The Christian Zombie Killers Handbook* tracks the fictional life of Ben Forman and offers solid Bible teaching to help readers understand the gravity and consequences of life without God, of life as a zombie. Ephesians 2:4-5 says, "But because of his great love for us, God, who is rich in mercy, made us alive with Christ even when we were dead in our transgressions--it is by grace you have been saved." Without the

salvation Jesus offers, we are all as good as dead. But as this book teaches in a winsome, cutting-edge, culturally relevant style, anyone can kill the zombie inside, escape the clutches of the undead, and come alive by the supernatural power of God's salvation. This handy topical concordance contains more than 300 subjects, all related to the end times and arranged alphabetically. Each topic is followed by several Scripture references—arranged by sub-topics for fast, accurate searches—that readers can look up in their own Bibles. All of the Bible's most important eschatological verses are included, referring to such things as... the rapture, tribulation, second coming, and millennium the antichrist, false prophet, and mark of the beast Israel' rebirth as a nation and the rebuilding of the Jewish temple the Ezekiel invasion, Armageddon, and the day of the Lord pre-, mid-, and post-tribulation end-times interpretations Bible students of all levels will find quick access to the essential information they need to see what the Scriptures have to say about the things to come. Manual on the Millennium is an examination of the viewpoints concerning the nature of the millennium and how they relate to the associated end-time events. The author argues for his own personal viewpoint, as well

as with the problems inherent in interpreting those events that are so popular with the dispensational pre-millennialist views. He provides a fresh examination of such subjects as the postponed kingdom, the restoration of Israel, rebuilding the temple, the Battle of Armageddon, the Antichrist, and the seventy weeks of Daniel. The author maintains that the arbitrary interpretation of the millennium of Revelation as a literal period of a thousand years as a whole does not fit the judgment teachings of the New Testament or the complete message of the return of Christ, in context with the rest of the Scriptures. The proper interpretation of the nature of the millennium is foundational to understanding the prophetic message of the New Testament. This work is designed to be a valuable resource and handbook for the study of end-time events for the serious Bible student. The Bible Expositor's Handbook provides a thorough introduction to the attitudes and practices required to deeply understand the message of the Old and New Testaments. Exhorting students of Scripture to approach the Bible with an attitude of humility and expectation, Greg Harris lays the groundwork for a Christ-centered interpretation that takes into account the redemptive story of the whole

Bible. Employing a literal-grammatical hermeneutic, Harris leads the reader through the process of observing, interpreting, and applying God's word. "History established the pattern through world floods, Egyptian plagues, tribulations of all kinds. God leads his people through life's disasters, not around them. First the Antichrist rejects the pretribulation rapture scenario that God will open an escape route so Christians will be spared persecution. Rather, in a complex chain of events Christ will gather the church out of the world only after seven years of intense suffering, when Christ returns to rule. In this close study of church history and debated Bible texts, Bob Gundry shows that the pretribulation rapture is a recent innovation. It is wishful thinking that came to grab the pre-millennial spotlight. But serious scholars are backing away. It just doesn't accord with what the Bible says. In First the Antichrist, Gundry lays out a more biblical (and accurate) picture. First the Antichrist is a much needed contribution to apocryphal and pre-millennial prophecy studies."--Midwest Book Review First Published in 1993. about CHOICES between good and evil. The first four seals on the scroll offer those choices. Unfortunately, the focus of other prophecy commentators is on the evil of what they think the four horsemen represent. They missed what the angel introducing them represents. Put the two together and you have the choice between good and evil.

Understanding prophecy and the scroll isn't a mystery. It just takes a desire to learn from YaHavah and the Bible. This little book is a booster to get you started. There are four basic questions that confront each of us: Who am I? Where did I come from? Why am I here? And where am I going when I die? Your eternal destiny will be determined by your "world view" in addressing these issues. And there are really only two world views: either everything - including you- is the result of some kind of cosmic accident, or this is all the result of a deliberate design by a Designer. This issue could not be more fundamental. It comes as a shock to many to discover that every major theme and doctrine in the Bible has its roots in this "Book of Beginnings": sovereign election, salvation, justification by faith, believer's security, separation, disciplinary chastisement, the Divine Incarnation, the "rapture" of the church, death and

resurrection, the priesthoods (both Aaronic and Melchizedekian), the antichrist, and even the Palestinian Covenant, which is being challenged by the continuing tensions throughout the world today, all have their roots in this critical foundational book of the Bible. Breakthroughs in the fields of physics, technology and biology led Chuck Missler to record this wonderful study in Genesis. With over 24 hours of teaching, this verse-by-verse study of the book of Genesis has been one of our most sought-after and best-selling series in the history of Koinonia House. The Oxford Handbook of Calvin and Calvinism offers a comprehensive assessment of John Calvin and the tradition of Calvinism as it evolved from the sixteenth century to today. Featuring contributions from scholars who present the latest research on a pluriform religious movement that became a global faith. The volume focuses on key aspects of Calvin's thought and its diverse reception in Europe, the transatlantic world, Africa, South America, and Asia. Calvin's theology was from the beginning open to a wide range of interpretations and was never a static body of ideas and practices. Over the course of his life his thought evolved and deepened while retaining unresolved tensions and questions

that created a legacy that was constantly evolving in different cultural contexts. Calvinism itself is an elusive term, bringing together Christian communities that claim a shared heritage but often possess radically distinct characters. The Handbook reveals fascinating patterns of continuity and change to demonstrate how the movement claimed the name of the Genevan reformer but was moulded by an extraordinary range of religious, intellectual and historical influences, from the Enlightenment and Darwinism to indigenous African beliefs and postmodernism. In its global contexts, Calvinism has been continuously reimagined and reinterpreted. This collection throws new light on the highly dynamic and fluid nature of a deeply influential form of Christianity. The 'Left Behind' series consist of novels that depict the rapture and apocalypse, with millions of copies in print. In 'Rapture Culture', Amy J. Frykholm explores this remarkable phenomenon, seeking to understand why American evangelicals find the idea of the rapture so compelling. The book draws on extensive interviews with readers of the novels. The Believer's Training Handbook is a complete teaching manual—designed to enable you to study

If used by those left behind after the Rapture of the Church, "The Curse of The Image" Handbook, will take the reader step by step through the events described in the Bible. It will reveal the plan that Satan has, to use the Image people have come to know as Christ, and how Satans plan will be implemented before the second coming of Christ. Scriptures are provided in order that one can check for validity. Not a subject widely discussed, the practice of the veneration of carved statues and pictures unwinds like a scarlet thread down through the ages of church history. Some Christians arent aware the practice is Idolatry. The writer gives examples with Scripture backup, to acquaint the reader with the wide-spread practice and how important it will be to know as much as we can about the Mark of The Beast. If you have children or other loved ones who are not saved, get them a copy of this book. It may be the only hope they

will have if they are left behind. There are years of prayer concerning this book. The writer knows this may be controversial. Her oldest son said of the writing, "Mom if you publish this book, the church world will crucify you." That may figuratively come to pass. However, the writer feels its necessary to bring this revelation to the attention of the public. Saint or Sinner this is the book for you, along with your Bible. The writer strongly encourages all who read the book to have a Bible at their side because, the Holy Bible is the last authority by which all are to be judged. The writer prays that the reader will read and research the subject, for there is much more to be brought to the attention of the masses concerning the Rapture of the church and the second coming of the Lord. In all this she has been diligent to pray and study for some twenty years on this subject. If one soul is snatched from the greedy hands of Satan, the writer feels she will have been successful in this endeavor. THIS IS NOT A WORK OF FICTION: Want to know the future? the future. The End times Bible Handbook is a guide to the Biblical record of the past and how the past has influenced near future events! The next prophetic event on God's calendar is the Rapture! Whatever year it happens, the Rapture will happen at the end of Rosh Hashanah, "at the sound of the last trump", at sundown. The Rapture is the evacuation of believers off of our planet before the Tribulation begins. 10 days after the Rapture (10 Days of Awe), on Yom Kippur, the Antichrist will guarantee the covenant of Rabin for 7 years. That is the day that they shall say... "Peace and safety; then sudden destruction cometh upon them". (1 Thessalonians 5:3) "Sudden" means "blindsided"! That is the beginning of 7 years of Satanic Genocide, Terror, War, Famine, pestilence, strange weather, earthquakes, volcanos, beheadings and 28 Judgments of God! Or you could just say Jihad. The Bible describes Islam as the Religion of the Antichrist that will rule the world for the last three and a half years of the Tribulation. The real Jesus will return at Armageddon to save the remnants of believers! And ... "whosoever calleth upon the name of the Lord shall be saved". (Joel 2:32) Just Faith! Whoa. Why is there so much confusion about how and when

the rapture will take place? What does the Bible say for certain about this event? When will the Tribulation occur, and who will face it? There is a lot of discussion among Christians about the rapture and the last days. Why all the different views? And how do those perspectives line up with Scripture? Tim LaHaye and Thomas Ice have assembled a team of longtime Bible prophecy experts who look carefully to God's Word for the answers. In this book, readers will discover what they can know for certain. And as they consider the things that still remain uncertain, they will gain a renewed trust that God knows what He is doing. His plan is perfect, and it will unfold in His timing. An easy-to-understand resource that provides much-needed clarification about the end times. It is intended to help those people who would call themselves "born-again" Christian believers and who, partly because of their personal spiritual experiences, have difficulty understanding or accepting the facts of mental illness or emotional disorders. Many have believed that somehow their newfound relationship with God should necessarily protect them from emotional illness, which is regarded as sin or a punishment for sin. Many have also believed that prayer, repentance, and Bible study, without human help, can cure all such problems. Very often they can, but not

always. Sometimes God uses human means to aid His healing process. - Preface. Revelation. One of my philosophies regarding the scriptures is that we must allow the scriptures to speak. We often come to the Bible with preconceived ideas and try to force the scriptures to say what we think they should say. This is unacceptable! The Watchman's Handbook was written after years of personal study and prayerful reflection for greater spiritual understanding. May the words of the handbook stir your heart and help you to gain a closer relationship with our loving God. When I was about five years old, my mother told me, "Someday, God is coming back. When He comes, He is going to take us up into the air to meet Him in the sky." Wow! That was quite a declaration to a small child. When I was out of doors, I would look up into the sky and think to myself, When is God coming back for us? I am almost seventy years old and I am still looking up. I hope you are watching for our Lord's return as well. Your old friend in Christ, Jack Binner

Thrilling, heartbreaking, and terrifying, Handbook for a Teenage Antichrist will take you to the dark places you never knew existed, and never wanted to. A wonderful companion book for avid Left Behind(readers, this complete guide covers the events, people, technologies, and meanings of names and numbers that have driven speculation and conversation since 1995. Christian Dispensationalism, the Taiping Revolution, cargo cults in Oceania, the Baha'i Faith, and the Raelian Movement would seem to have little in common. What they share, however, is a millennial orientation--the audacious human hope for a collective salvation, which may be heavenly or earthly or both. Although many religions feature a belief in personal salvation, millennial faiths are characterized by the expectation that salvation will be accomplished for an entire group by a superhuman agent, with or without human collaboration. The Oxford Handbook of Millennialism offers readers an in-depth look at both the theoretical underpinnings of the

study of millennialism and its many manifestations across history and cultures. While the term "millennialism" is drawn from Christianity, it is a category that is used to study religious expressions in diverse cultures, religious traditions, and historical periods. Sometimes, millennial expectations are expressed in peaceful ways. Other times, millennialists become involved in violence. The Oxford Handbook of Millennialism begins with a section that examines four primary types of millennialism. Chapters in the next section examine key issues such as charismatic leadership, use of scripture, prophetic failure, gender roles, children, tension with society, and violence. The rest of the book explores millennialism in a wide variety of places and times, from ancient Near Eastern movements to contemporary apocalyptic and new age movements, including the roles played by millennialism in national and international conflicts. This handbook will be a valuable resource for scholars of religious studies, sociology, psychology, history, and new religious movements. The church in the last days will not receive understanding of the consequences of worshiping the anti-Christ (the beast) or his image and of taking the mark of the beast. Many shall do so without

hesitation thinking that they are good Christians conforming to the world for the sake of survival instead of trusting in Christ. The consequences of this ignorance will be disastrous in the last days. Jesus will use the seal, trumpet and vial judgments to cleanse and purify the compromising church and shall present the church to his father holy and blameless in the end.
