Car values fluctuate wildly, never more so than in our current economic environment. Pricing information is a must for collectors, restorers, buyers, sellers, insurance agents and a myriad of others who rely on reliable authoritative data. With well over 300,000 listings for domestic cars and light trucks, and various import vehicles manufactured between 1901 and 2012, this is the most thorough price

guide on the market. This invaluable reference is for the serious car collector as well as anyone who wants to know the value of a collector car they are looking to buy or sell. Prices in this must-have reference reflect the latest values, in up to six grades of condition, from the esteemed Old Cars Price Guide database. New information for the most recent model year will also be added to our new Old Car Report database. This all-new edition profiles more than 180 of the most popular models from 1990 to the present, including photos, descriptions, specifications, retail prices, safety recalls, trouble spots, and replacement costs. Features evaluations of cars, trucks, SUVs, and minivans. Plus shopping tips, checklists, and essential information that helps the buyer choose the right car -- the first time. Containing the most thorough and comprehensive used car information, this new 2003 edition of Complete Guide to Used Cars profiles more than 300 of the most popular cars, trucks, SUVs, and minivans from 1990-2002. Original. The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics. In Strategic Management: Theory and Practice,

Fourth Edition, John A. Parnell leads readers through detailed, accessible coverage of the strategic management field. Concise and easy to understand chapters address concepts sequentially, from external and internal analysis to strategy formulation, strategy execution, and strategic control. Rather than relegating case analysis to a chapter at the end of the book, Parnell aligns each chapter's key concepts with 25 case analysis steps. Current examples and high interest real-time cases, largely drawn from The Wall Street Journal and Financial Times, illustrate the key role of strategic management in the United States and around the world.
