More and more people are realizing the value in handmade items, and they are learning that they can make these items themselves.Crochet is an excellent choice for a craft project. It is so easy that anyone can do it, but at the same time, it is complicated enough that no machine can mimic the movement. This means that every piece you see is handmade.Many people like to learn crochet, and they are happy with that, but then there are those that like to take it to the next level. They want to work on harder patterns with more elaborate designs, or they want to mimic the look of knit while still doing crochet. Book#3: **Easy Crochet For Beginners:Learn Fast How to Crochet 25 Amazing Crochet Patterns And Make Your Own Crochet Projects!** If you would like to learn crochet secrets fast & easy then you choose a right book! You can find a useful guide for you with pictures and instructions.After this book you could try to make your own crochet projects for you, your family and friends! Book#4: **Tunisian Crochet For Beginners:Learn To Crochet Popular Tunisian Crochet Stitches Step-by-step and Make Your Own 20 Beautiful Crochet Projects!** We all love our crochet projects. Countless beautiful projects keep spilling out of our crochet bags. When you know how to crochet, it seems as though there is no end to the ways you can express yourself.But there tends to be a bit of a minor drawback. When you crochet, you are limited to the row you are on, and the particular stitch you are on. It isn't like knitting, where you can drape all of your unused stitches on the hook behind you until you can get to them.Or is it? Welcome to the world of Tunisian crochet. This is a beautiful and elaborate manner of crochet that is almost like a hybrid between crochet and knitting. Stitch, Fabric & Thread Dec 25 2022 A beautiful sewing reference guide full of exercises designed to inspire great ideas and motivate readers of all skill levels to create. This inventive book is a treasure trove of over 40 inspiring practical exercises, a rich and creative exploration of fabric and stitch, and a fascinating all-round read. Elizabeth Healey's approach to sewing is that it should be fun, and not like a chore or an exam we need to excel in. Her aim is to simply encourage you to pick up a needle and thread and get sewing! The exercises draw inspiration from around the world: create corded works of art inspired by Milton Glaser's iconic Bob Dylan poster; craft bold embroidered African masks; layer up and cut away to make Mola applique; use bleach and fabric paint to create Aboriginal dreamtime lizards; create knotted works of art inspired by ancient Mayan counting systems; embroider varsity cross-stitch letters; or try out decorative Japanese book binding. Alternatively, try a host of other techniques such as quilting, printing, dyeing, couching tumbled crockery, creating pleats and puckers, and needle lace. Packed with stitch galleries and bursting with slow sewing ideas, the book also contains "behind the stitches" features: illuminating insights into sewing movements such as Boro textiles, Gee's Bend quilting, and Dorset buttons.
