for about 15. The most popular loom is the Rainbow Loom, but other makes, such as Cra-Z-Loom and Fun Loom are also available. Bags of very brightly coloured rubber bands are also easily available, together with plastic connecting clips, charms and other embellishments. In the book, there will be 20 pieces of rubber band jewellery -- 10 made using just a crochet hook-like tool, and 20 using the loom -- including bracelets, earrings, necklaces, rings, bag charms and hand/foot accessories. Each project is accompanied by a beautiful full-colour photograph of the finished piece, clear step-by-step instructions, a list of the materials and tools needed. Two versions of each project are included, each made by following the same step-by-step instructions but by varying the colours of the rubber bands. Narrow bands woven in colorful patterns are a centuries-old part of Baltic craft tradition. The double slotted heddle makes patterned band weaving quicker to learn and easier to do, and this is the first book that offers beginners instructions for using it. The craft doesn't involve bulky equipment--all you need can be stored in a shoe box! Learn how to weave these beautiful bands step by step, from the simple 5 pattern threads to the more complex 7 and 9 patterns. Color photographs illustrate the instructions for learning to weave. More than 140 patterns are included, along with principles for planning your own unique designs for contemporary uses such as straps, belts, bracelets, and even handfasting bands.
