symptom's Causes: both common and less-common, Evaluation: warning signs, when to see a doctor, what the doctor does, and testing, Treatment: a wide-array of options, and Key points: the most important information about the symptom. It also includes helpful tables and illustrations. Organized in a (2-color, 500 page) paperback format makes it easy for busy families to quickly find the information they need. Symptoms covered include: Back Pain, Cough, Fatigue, Fever, Headache, Heartburn, Itching, Joint Pain, Nausea, Swelling and many more.... Sarah Kramer is a vegan superstar; she was named "The

World's Coolest Vegan" by Herbivore Magazine, and her first three cookbooks have sold a combined total of over two hundred thousand copies. Vegan a Go-Go! represents a change of pace for Sarah: it is a cookbook and more for vegan travelers, many of whom are daunted by the idea of going on the road and being able to locate and/or prepare the kind of nutritious animal-free meals they enjoy at home. The new book includes 150 recipes, many of them new, and others that have been adapted from her earlier books. All of the recipes are easy to prepare with a minimum of ingredients and are guaranteed to deliver energy, nutrition, and great

flavor. The rest of the book contains information and advice pertinent to vegan travelers, from how to deconstruct a restaurant menu to what food items are best suited to carry around in your luggage or handbag. There's even a section on "How to Say 'I Am Vegan'" in numerous languages. The book is also designed with the traveler in mind: it is small enough to slip into one's pocket or purse, yet has a reinforced cover to ensure durability under the harshest conditions. Full of Sarah's high-energy wit and verve, Vegan a Go-Go! makes life for vegan travelers a lot less stressful and a lot more fun. The GO methodology of

The Council of Europe youth sector aims at

enabling young people across Europe to actively uphold, defend, promote and benefit from the Council of Europe's core values of human rights, democracy and the rule of law, notably by strengthening young people's access to rights, deepening youth knowledge and broadening youth participation. The activities of the European Youth Centres of Budapest and Strasbourg play a central role in the education and training of young 'multipliers' of Council of Europe values. The core of these activities is the programme of study sessions, week-long intercultural non-formal learning activities that are held in cooperation with

European youth organisations and networks. These activities bring to the Youth for Democracy programme of the Council of Europe the unique experiences, expectations and concerns of young people regarding contemporary issues and challenges that affect their access to rights and of participating in all spheres of society. The study sessions of the European Youth Centres have been trendsetters in European youth work and remain a benchmark for intercultural youth activities. This manual is published to support the quality of study sessions and other educational activities in the Youth for Democracy programme.

Preparing facilitators and developing their competences is one of the essential prerequisites for enabling exchanges of views and dialogical learning, preparing the participants to act as multipliers in their day-to-day lives, and ultimately contributing to the values and priorities of the Council of Europe and its youth sector. This Manual for Facilitators provides essential information, insights and practical tips in the planning and delivering of non-formal education intercultural activities while taking into account essential approaches of intercultural learning, human rights education and youth

participation. This manual is a contribution to the quality of intercultural non-formal education activities of youth organisations and at making those activities a truly learning experience for young people in the Council of Europe. Physical Preparation for Ice Hockey was published in December of 2016 as a general programming guide for players and coaches alike working with the hockey playing population. The goal was to explain the "why" behind our process; the same process we use to train hockey players at Donskov Strength and Conditioning. With time comes change, and although Physical Preparation for Ice Hockey set out to explain the

X's and O's of programming, several items were not covered in the original book. Most notably, the means, methods and current model we implement to train our high caliber hockey players. The goal of Physical Preparation for Ice Hockey II: The Gain, Go Grow Manual is to expand upon the first book and provide the reader with a unique insight into our current thought process for training high caliber hockey players. This book investigates critical thinking, the why behind program design, becoming a neo-generalist, creating a failure filter, navigating complex environments, maximizing adaptational gains,

and the practical application of the Gain, Go, Grow model used to train high caliber hockey players. This manual is a culmination of my experiences as a practitioner for the last 15 years. It serves as a temporary hypothesis; a manual for the coach to aid in designing the appropriate strength and conditioning protocol for high caliber hockey players and most importantly, the reasoning behind it. Excerpt from How to Make the Church Go: A Desk Manual for the Every Day Use of the Modern Minister Executive The idea back of this book is not to invent new tasks for the minister or to lay burdens upon men already

carrying too much weight. It is rather to discuss from an executive point of view many of the tasks of the ministry and to show the principles underlying executive success. Its viewpoint is psychological and practical. Psychological, for the success of an executive depends upon the ability to recognize the various reactions of the human mind and soul to speech and action, and practical, that the principles may be worked out in the average parish. Executive Duties Already on Minister The traditional division of the tasks of the minister was into two classes, the pulpit and the pastoral. But that day has long since passed. About the

Do you know someone struggling with depression, anxiety, fear, rage, relationship difficulties and/or self-destructive behaviors such as alcohol and drug abuse, eating disorders, cutting or even suicidal thoughts? Do you desire to help but don't know how? The Go in Peace Biblical Discipleship Curriculum will give you the answer. This one-of-a-kind curriculum is: \* Attention grabbing! It captures the interest of the

brokenhearted and pinpoints their need for help. \* Compassionate! It offers God's healing touch to all who are struggling, no matter what the issue may be-including such heartbreaking issues as, divorce, abuse, rape and post-abortion. \* Effective! It identifies the issues that are driving the self-destructive behaviors. \* Practical! It provides tangible, life-changing application of God's Word to bring hope to the hurting. \* Conceptual! Concept upon concept builds throughout the curriculum making the biblical truths taught within easy to grasp and apply. \* Biblical! One hundred percent based upon the Word of God. \* Easy to use!

Whether you've disciplined for years or have no prior training in how to minister to those in need this curriculum holds the answers. Depression, anxiety, outbursts of anger are just a few of the consequences associated with deep heart hurts. Cherie Fresonke uses the story of the Sinful Woman in Luke chapter 7 as the foundation to help heal the brokenhearted in this powerful, life-changing curriculum. This Bible study teaches practical application of God's Word to help set the captives free. Those learning from the pages within will soon discover their fear replaced with strength, depression with joy, anxiety with faith, and rage with rest.

Best yet, they will discover what it means to go in peace! The Go in Peace Biblical Discipleship Curriculum is easy to use. Order the Go in Peace Leader's Manual (ISBN: 978-0983167846) for yourself and order the Go in Peace Student Workbook (ISBN: 978-0983167853) for the person you wish to disciple. Then simply read the text out loud from the Leader's Manual as the one you are discipling follows along in the Student Workbook. Every place the Leader's Manual has a bold/underlined word, the Student Workbook has a blank space. The curriculum was written in this manner to keep the student's attention. By

having to fill in the blank the student not only pays attention, but God can speak deeper to his or her heart as the blanks are filled in with thought provoking words. You can also order the book Go in Peace (ISBN: 978-0983167815) which is assigned throughout the curriculum as homework, however the homework is optional and is not necessary to complete the curriculum. But it does reinforces the Biblical concepts which are taught in the curriculum. Here are a few words that some have penned after going through the Go in Peace Biblical Discipleship Curriculum: "Amazing and life changing!" "Easy to understand and apply!" "Awesome

resource!" "Great discipleship tool!" "Highly recommended!" "God blessed my life through it!" "Go in Peace will expose you to yourself!" "I will never be the same again-praises to the Lord!" Note from Cherie about the Go in Peace Leader's Manual Men's Edition: I must say that I was surprised to hear from so many men how this curriculum ministered to them. All I can say is: Praise the Lord! As the original flowery cover portrays I never intended to target men as my readers. But obviously God had greater plans! Since my original intent was never to write to men, the pages within this book remains the same as the original Go in Peace Leader's Manual, only

the cover has been changed. As inspiration for the cover, the Lord kept bringing a sentence to mind that He had me write in the curriculum. "Why do we choose to stand in the prison cell when the door is wide open? Accept the gift . . . go in peace." There has been a strange event in the world. Millions of people have disappeared. There have been wrecks on the highway, people disappearing right out thin air, and parents waking up missing their children. Where'd Everybody Go? This book is about an event Christians call the Rapture, and the coming wrath God will pour out on

humanity after it. It will also give the reader, regardless if read before or after the Rapture, plans to build on to prepare for life before and during the Great Tribulation, when a man called the antichrist will rise to power and rule the earth. This book is for Christians, agnostics, atheists, or anyone else who has ever wondered about the end of the world as we know it. With continued uprisings and political uncertainty in the Middle East, do not let another day go by without getting prepared. The time is drawing near. David R. Wells is neither a preacher nor an educated theologian. He is a committed Christian who seeks only the

plain truth in Scripture and nothing else. He and his much-better half, Marlo, live in rural America, continually seeking God's will for their lives and the lives of their four children. This book is a handy tool the Spirit of the Lord told me to create for on-the-go people like me. This book will not be long but, I must advise you, these prayers are the ones that require a lifestyle that's committed to God daily with praying and fasting. These will not be surface or "cute" prayers. This is for Prayer Warriors. For any entrepreneur, small business manager, sole proprietor, or any person with a vision and an idea who has wanted to

compete and win in the connected economy, G. Liam Thompson has some good news: It's your turn now...and this time, it has nothing to do with spending a lot of money. Hockey has been a passion of mine since early childhood. I was born and raised in Canada and relocated to the United States in 1990. Hockey has been the fabric of our family tree. From youth hockey to having the opportunity to play at the minor professional level, I have enjoyed this great game and the life lessons it has instilled along the way. It was during my career in university where coaching became a passion. I loved the weight room, the preparation, and the process. It

was, and still is, a place of solace for me—a classroom. My love for strength and conditioning was born in the sweaty confines of the Miami (OH) strength and conditioning facility located in Oxford, Ohio, and run by then strength and conditioning coach Dan Dalrymple. Coach D instilled pride, work ethic, and belief in his athletes. Our two-thousand-square foot weight room was a place of preparation, competition, and embodied the team-first spirit. At that instant, I knew my calling was to serve as a coach. I owe much gratitude and appreciation to Coach D. He was a mentor to me! Thanks, Coach, your imprint has left an indelible

mark. Unofficial User Guide - Oculus Go is a whole new way to watch in VR. With crystal clear optics and state-of-the-art 3D graphics, the headset feels more like a personal theater.
