The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim (the name of the copyright claimant as given in the application for registration, the copyright date, the copyright registration number, etc.). Lists news events, population figures, and miscellaneous data of an historic, economic, scientific and social nature. Lists institutions in the United States and its outlying areas that offer at least a 2-year program of college-level studies in residence or, if nonresident in nature, that are accredited or pre-accredited by an accrediting agency recognized for such purpose by the U.S. Commissioner of Education. With Explorer's Guides, expert authors and helpful icons make it easy to locate places of extra value, family-friendly activities, and excellent restaurants and lodgings. Regional and city maps help you get around and What's Where provides a quick reference on everything from tourist attractions to off-the-beaten-track sites. From America's most popular national parks to the sands of the Outer Banks to the cool peaks of the tallest mountains in the East, writer/photographer Jim Hargan covers everything worth seeing and doing in his home state. Explore wilderness areas on bicycle or by kayak, visit sleepy hamlets or lively downtowns, enjoy fine dining or country cooking on your quest for the authentic Tarheel experience. Some vols. include supplemental journals of "such proceedings of the sessions, as, during the time they were depending, were ordered to be kept secret, and respecting which the injunction of secrecy was afterwards taken off by the order of the House". Collection of the monthly climatological reports of the United States by state or region with monthly and annual National summaries. The Canadian Almanac & Directory contains sixteen directories in one - giving you all the facts and figures you will ever need about Canada. No other single source provides users with the quality and depth of up-to-date information for all types of research. This national directory and guide gives you access to statistics, images and over 100,000 names and addresses for everything from Airlines to Zoos-updated every year. Each section is a directory in itself, providing robust information on business and finance, communications, government, associations, arts and culture (museums, zoos, libraries, etc.), health, transportation, law, education, and more. Government information includes federal, provincial and territorial-and includes an easy-to-use quick index to find key information. A separate municipal government section includes every municipality in Canada, with full profiles of Canada's largest urban centers. A complete legal directory lists judges and judicial officials, court locations and law firms across the country. A wealth of general information, The Canadian Almanac & Directory also includes national statistics on population, employment, imports and exports, and more. National awards and honors are presented, along with forms of address, Commonwealth information and full color photos of Canadian symbols. Postal information, weights, measures, distances and other useful charts are also incorporated. Complete almanac information includes perpetual calendars, five-year holiday planners and astronomical information. Published continuously for over 160 years, The Canadian Almanac & Directory is the best single reference source for business executives, managers and assistants; government and public affairs executives; lawyers; marketing, sales and advertising executives; researchers, editors and journalists, and is a must for all Canadian libraries and universities Lists news events, population figures, and miscellaneous data of an historic, economic, scientific and social nature.
