The Essentials preserves the structure of the main text but replaces the policy chapters with one brief chapter on the policymaking process. See the entry for Wilson/Dilulio, American Government: Institutions and Policies, Eleventh Edition, for more information. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. The Essentials Edition of AMERICAN GOVERNMENT: INSTITUTIONS AND POLICIES is a clear and approachable text for students trying to successfully understand American government. It sets the standard for examining current issues in American politics, focusing on the importance of American governmental institutions, the historical development of governmental procedures and policies as well as on who governs in the United States and to what ends. The sixteenth edition includes concise learning objectives, highlighted key concepts and opportunities for practical application of contemporary debates on policy dynamics. These features allow students to identify important issues in American politics, maximize comprehension and engage with the material in a meaningful way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Excerpt from The Essentials of American Government It is somewhat presumptuous to attempt to reduce American Government to its essential principles. The subject is difficult - more or less technical and quite beyond the compass of any one book. Therefore, in writing the present volume, the author cites many books in which the matter under immediate consideration is discussed at length. The rule of rules for the student of American government is Multum, not Multa. There is peril, if only the principle be considered, that what knowledge is gained will be an acquaintance with abstractions; if the example, or illustration alone is considered, the peril is of a memory of facts more or less temporary, or isolated. Government is essentially organic in nature and must be studied as an organism. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. Additional time is required for outside content and/or packaging with other components. *THE CHALLENGE OF DEMOCRACY: AMERICAN GOVERNMENT IN GLOBAL POLITICS, THE ESSENTIALS* introduces new co-author Debra Schildkraut to this stellar author team. This best-selling American government text is highly acclaimed for the non-ideological framework it uses to explore three themes: freedom, order, and equality as political values; the majoritarianism versus pluralism debate; and globalization's effect on American politics. Using an easy to follow approach, with chapters and subheadings numbered and organized by learning outcomes, and a new end of chapter "Assessing Your Understanding" section where students can test their knowledge, the ninth edition provides a solution for teaching and assessing course learning outcomes. Extensively updated, this condensed edition includes new examples, figures, data, and current discussions. The authors include balanced coverage of Obama's historical presidency and coverage and analysis of the 2012 presidential primary campaign and election. This ninth edition of *THE CHALLENGE OF DEMOCRACY, THE ESSENTIALS* is an abridged version of the twelfth edition of *THE CHALLENGE OF DEMOCRACY*. See "Features" for details. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. *AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS 2011-2012, International Edition* inspires students to join the exciting process of being active, informed citizens. Bardes, Shelley, and Schmidt provide an unbiased and concisely organized overview of this essential subject, updated with complete Election 2010 coverage and the latest on the economic downturn and recovery policy. The text's fundamental theme continues to be the importance of participating in active citizenship, emphasizing continual critical thinking about political issues, and encouraging students to become involved in the political process. With a keen understanding of the needs and interests of today's students, the authors incorporate abundant current examples, including

increased coverage of the impact of the Internet and other media, to stimulate learning and excitement. The text is redesigned for even greater reader appeal. *Real People. Real Stories. Real Politics.* Politics involves people, from many backgrounds, struggling to make their voices heard. Real people, telling their stories, reflect our ideals, choices, and collective experiences as a nation. In *American Government: Stories of a Nation*, author Scott Abernathy tunes in to these voices, showing how our diverse ideas shape the way we participate and behave, the laws we live by, and the challenges we face. Each chapter features real stories illustrating how the American political system is the product of strategies, calculations, and miscalculations of countless individuals. Students learn the nuts and bolts of political science through these compelling stories. Learning concepts in context is a tested learning technique that works to help ideas stick. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter. Just like the Full version, *The Essentials* edition is perfect for instructors who don't wish to cover the last three chapters on policy. Bardes/Shelley/Schmidt's *AMERICAN GOVERNMENT AND POLITICS TODAY, THE ESSENTIALS, 20th Edition*, equips you with the tools and knowledge you need to become an active, informed participant in the U.S. political process. Making politics personal, it focuses on how government impacts you -- now and in the future. Unbiased, concisely organized and updated with 2020 election analysis, it delivers thorough coverage in a streamlined, easy-to-read format. Emphasizing critical thinking about political issues, it encourages you to become involved in the political process. Current, compelling and thought-provoking examples offer insight into such pressing issues as the global COVID-19 pandemic, racial injustice, police brutality, economic inequality and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. "The main strength of this book is that it presents a 'human' side to American Government that challenges students to think critically while still presenting the 'teaching' side with objectives, self-tests, and chapter reviews." —Kathleen Barrett, University of West Georgia In the Second Edition of *American Government, Essentials Edition*, author Scott F. Abernathy tunes in to the voices of all Americans, showing how our diverse ideas shape the way we participate and behave, the laws we live by, and the challenges we face. From the Constitutional Convention to Ferguson, Missouri, each chapter features rich, personal narratives that illustrate how the American political system is the product

of strategies, calculations, and miscalculations of countless individuals. It focuses on real people, the actions they take, the struggles they face, and how their choices influence outcomes. The key concepts are memorable because they are tied to real politics, where students see political action and political choices shaping how institutions advance or impede the fulfillment of fundamental ideas. Participation is at the heart of this groundbreaking new text, with ample background on how and why to participate. Not only will all students see themselves reflected in the pages, but they will come to understand that they, too, are strategic players in American politics, with voices that matter. American Government, Essentials Edition, is identical to the full version of the text, minus the three policy chapters. Looking for the AP® Edition? Learn more about the brief text specifically tailored for the new AP® framework and exam. Contact your rep to learn more. AMERICA AT ODDS: ESSENTIALS takes the same irreverent and issues-oriented approach as the longer text of the same name, but in a briefer format. It addresses all of the major topics of an American government course, such as elections, Congress, and public policy. It looks at government and politics in this country as a series of conflicts that have led to

compromises. Each chapter includes a discussion of a significant political issue and presents both sides of that issue, exploring how Americans truly are "at odds" with each other politically. And, wired for today's student, *AMERICA AT ODDS: ESSENTIALS* incorporates the Internet and other multimedia extensively into the text and ancillary package. This book should be of interest to undergraduate courses in political science. *AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS, 2017-2018 Edition*, inspires students to join the exciting process of being active, informed citizens. Unbiased, concisely organized, and updated with Election 2016 coverage, the text's fundamental theme continues to be the importance of participating in active citizenship, emphasizing critical thinking about political issues and encouraging students to become involved in the political process. With a keen understanding of the needs and interests of today's students, the authors incorporate compelling and thought-provoking current examples to stimulate learning and excitement. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Guided by the belief that students must first understand how American government developed to fully understand the issues facing the United States in the 21st century, *American Government* offers the strongest coverage of history and current events of any brief college textbook devoted to the fundamentals of American politics. This 14-chapter best-selling book provides the historical context students need to understand American government and the most crucial and controversial issues affecting the nation, but in an abbreviated format. *Essentials of American Government* covers the core concepts students must learn, and it has been extensively revised to include the most current coverage of the 2006 midterm elections, the second George W. Bush administration, the Iraq War, and controversies related to the conduct of the war on terrorism. The new edition also emphasizes the extent to which shared American values shape and affect policy and influence key political conflicts. *AMERICAN GOVERNMENT AND POLITICS TODAY: THE ESSENTIALS, 2013-2014 EDITION* inspires readers to join the exciting process of being active, informed citizens. Unbiased, concisely organized, and updated with Election 2012 coverage and a new focus on learning outcomes, the text's fundamental theme continues to be the importance of participating in active citizenship, emphasizing continual critical thinking about political issues, and encouraging readers to become involved in the political process. With a keen understanding of the needs and interests of today's learners, the authors incorporate interesting and relevant current examples to stimulate learning and excitement. The text is completely redesigned for even greater reader appeal. Important Notice: Media content referenced within the product description or the product text may not be available

in the ebook version. Hailed as a stellar educational resource since 1917, Magruder's American Government teaches students the inner workings of the American political and legal system. Updated annually, Magruder's incorporates the most current and authoritative American government content to meet the changing needs of today's high school students and teachers. This built-in differentiation allows teachers to pick and choose among the resources that meet the needs of all students! AMERICAN

GOVERNMENT delivers a unique "perspectives" format within a traditional topic sequence. This short American Government paperback examines all the traditional topics in a non-traditional way, summarizing each topic with four differing viewpoints: liberal, conservative, populist, and libertarian. The result is a text that effectively explains inter-party differences and political complexities, avoiding the artificial liberal-conservative dichotomy presented in other texts. For description, see catalog entry for Wilson/Dilulio, *American Government: Institutions and Policies*, 9/e.
