By the Wayside... there are events and places worth a stopover. This book offers an introduction to one of the grandest events of the summer in Aquitaine, and provides an insight into the historical context which the event presents and brings to life in its own unique way: the final battle in the Hundred Years' War, by the Dordogne river. It is the end of a war and the end of an era. The main focus of this book is an outline of the historical events and background which set the seal on the end of this era. In addition, the author provides an introduction to the performance in Castillon-la-Bataille for anyone on holiday in the South-West of

France or on the Atlantic coast. Includes suggestions for other places to visit in the area. Contents include: La bataille – the show English Guyenne The historic battle The end of knightly warfare Attractions near Castillon-la-Bataille A new heroine hits the urban fantasy scene in this spectacular series about an exorcist by New York Times bestselling author, Lilith Saintcrow. When things go bump in the night, I bump back. Hard. Every city has a hunter -- someone brave enough, tough enough, and fearless enough to take on the night side. Santa Luz is lucky. They've got Jill Kismet. With a hellbreed mark on her wrist and a lot of silverjacket ammo, she's fully trained and ready to take on the world. Except the world isn't the problem. The problem is hellbreed thinking they can run her town, and a clutch of nightmarish murders. It looks like a rogue Were is killing his way through Santa Luz, and he's got help. So does Jill--but help isn't what this new hunter needs. She needs a miracle. But miracles are in short supply. Better stick with more ammo... Welcome to the Night Shift... But the Devil has other ideas. The Prince wants Dante. And he wants her now. And Dante and her lover, Japhrimel, have no choice but to answer the Prince's summons. And to fulfill a seemingly simple task: become the Devil's Right Hand, hunt down four demons that have escaped from Hell, and earn His gratitude. It's a shame that nothing is ever easy when it comes to the Devil. Because of course, he doesn't tell Dante the whole truth: there is a rebellion brewing in Hell. And there is a good chance that Lucifer is about to be pushed off the throne. But Dante is getting really tired of being pushed around. And this time, she might be angry enough to take on the Devil himself... Dante Valentine Novels Working for the Devil Dead Man Rising Devil's Right Hand Saint City Sinners To

Kidnapping her lover. Their second? Thinking she wouldn't do something about it. The black-ops government agency known as Sigma has shattered the resistance, destroyed its infrastructure, and taken its best operative captive. It's about as bad as it can get, but Sigma's forgotten one thing: Rowan Price. Rowan is no longer a civilian in the shadow war. Her talents are fully trained, and she's become something she never dreamed of--a cool, clinical, lethal psionic operative. Working as Henderson's second-in-command, she's utterly focused on two things: repairing the Society's infrastructure and rescuing Justin Delgado. Yet under her shell of calm and gentleness, her rage is simmering . . . and it's about to break loose. Delgado knows he can't remember something important. He puts up with Sigma's beatings and questioning, the pain and the torture. Sigma keeps asking him the same question--where is Rowan Price? He doesn't know who this woman is or where she is, but if he can escape Sigma one more time, he's damn sure going to find out. Because Price, whoever she is, holds the key to his fractured memories and destroyed soul. But first, he has to get out. Then he'll find Rowan Price. Unfortunately, that may be the one thing Sigma's counting on.

"Exciting, great characters and one of the best books I've read this year."--Book Bag Reviews on The Iron Wyrms Affair "Saintcrow has a gift for making readers really care about her characters' emotional health, not just the story, and, oh, what a story it is."--USAToday.com on The Hedgewitch Queen Lilith Saintcrow lives in Vancouver, Washington, with her two children and assorted other strays. She has been writing since she was nine years old. Find her on the web at [lilithsaintcrow.com](http://lilithsaintcrow.com). How does power manifest itself in individuals? Why do people obey authority? And how does a family, if they are the source of such dominance, convey their superiority and maintain their command in a pre-modern world lacking speedy communications,

standing armies and formalised political jurisdiction? Here, Stuart Airlie expertly uses this idea of authority as a lens through which to explore one of the most famous dynasties in medieval Europe: the Carolingians. Ruling the Frankish realm from 751 to 888, the family of Charlemagne had to be ruthless in asserting their status and adept at creating a discourse of Carolingian legitimacy in order to sustain their supremacy. Through its nuanced analysis of authority, politics and family, *Making and Unmaking the Carolingians, 751-888* outlines the system which placed the Carolingian dynasty at the centre of the Frankish world. In doing so, Airlie sheds important new light on both the rise and fall of the Carolingian empire and the nature of power in medieval Europe more generally. As Queen of England, Eleanor has a new cast of enemies—including the king. Eleanor has more than fulfilled her duty as Queen of England—she has given her husband, Henry II, heirs to the throne and has proven herself as a mother and ruler. But Eleanor needs more than to be a bearer of children and a deputy; she needs command of the throne. As her children grow older, and her relationship with Henry suffers from scandal and infidelity, Eleanor realizes the power she seeks won't be given willingly. She must take it for herself. But even a queen must face the consequences of treason... In this long-anticipated second novel in the *Eleanor of Aquitaine* trilogy, bestselling author Elizabeth Chadwick evokes a royal marriage where love and hatred are intertwined, and the battle over power is fought not with swords, but deception. "Love is for peasants," Eleanor said. "We make alliances. And I intend to make a very good one." Beautiful and brilliant, Eleanor is the daughter of the duke of Aquitaine, whose glittering court is the twelfth-century birthplace of courtly love. For all of the duke's boasts that Eleanor has the brains of a man and the soul of a warrior, everyone knows that a girl of fifteen cannot possibly hold the richest dukedom in France. Everyone, that is, except for her dying father, who insists on leaving Eleanor his most valuable provinces—and making her prey to the first baron who rides in to kidnap her. In order to safeguard her lands and her life, Eleanor devises a scheme to marry the heir to the throne of France. But she must learn to be careful what she wishes for. Eleanor's alliance to Louis VII may be a dazzling one, but her husband is a cautious man, originally intended for the priesthood, whose wit and

courage do not always match Eleanor's own; and she ultimately finds herself seeking an even greater match with Henry II of England. Sweeping from the courts of Paris to the perils of the Crusades, Duchess of Aquitaine gloriously illuminates the life of one of the most powerful, resourceful, and fascinating women in all of history. "Marion Meade has told the story of Eleanor, wild, devious, from a thoroughly historical but different point of view: a woman's point of view."—Allene Talmey, *Vogue*. A historical novel of the legendary Eleanor of Aquitaine and the one person she loved more than power—her rival for the throne. At only nine, Princess Alais of France is sent to live in England until she is of age to wed Prince Richard, son of King Henry II and Queen Eleanor of Aquitaine. Alais is an innocent pawn on the chessboard of dynastic marriage, her betrothal intended to broker an uneasy truce between the nations. Estranged from her husband, Eleanor sees a kindred spirit in this determined young girl. She embraces Alais as a daughter, teaching the princess what it takes to be a woman of power in a world of men. But as Alais grows to maturity and develops ambitions of her own, Eleanor begins to see her as a threat—and their love for each other becomes overshadowed by their bitter rivalry, dark betrayals, conflicting passions, and a battle for revenge over the throne of England itself. The author of *The Queen's Pawn* delves into the early life of the legendary Eleanor of Aquitaine in her new historical novel. After her father's sudden death, fifteen-year-old Eleanor is quickly crowned Duchess of Aquitaine and betrothed to King Louis VII. When her new husband cannot pronounce her given name, Alienor becomes Eleanor, Queen of France. Although Louis is enamored of his bride, the newly crowned king is easily manipulated by the church and a God that Eleanor doesn't believe in. Now, if she can find the strength to fight for what she wants, Eleanor may finally find the passion she has longed for, and the means to fulfill her legacy as Queen. Eleanor of Aquitaine's extraordinary life seems more likely to be found in the pages of fiction. Proud daughter of a distinguished French dynasty, she married the king of France, Louis VII, then the king of England, Henry II, and gave birth to two sons who rose to take the English throne—Richard the Lionheart and John. Renowned for her beauty, hungry for power, headstrong, and unconventional, Eleanor traveled on crusades, acted as regent for Henry II and later for

Richard, incited rebellion, endured a fifteen-year imprisonment, and as an elderly widow still wielded political power with energy and enthusiasm. This gripping biography is the definitive account of the most important queen of the Middle Ages. Ralph Turner, a leading historian of the twelfth century, strips away the myths that have accumulated around Eleanor—the “black legend” of her sexual appetite, for example—and challenges the accounts that relegate her to the shadows of the kings she married and bore. Turner focuses on a wealth of primary sources, including a collection of Eleanor’s own documents not previously accessible to scholars, and portrays a woman who sought control of her own destiny in the face of forceful resistance. A queen of unparalleled appeal, Eleanor of Aquitaine retains her power to fascinate even 800 years after her death. Eleanor of Aquitaine was the wife of two kings, Louis VII of France and Henry II Plantagenet of England, and the mother of two others, Richard the Lionhearted and John Lackland. In her eventful, often stormy life, she not only influenced the course of events in the twelfth century but also encouraged remarkable advances in the literary and fine arts. In this book, experts in five disciplines—history, art history, music, French and English literature—evaluate the influence of Eleanor and her court on history and the arts. Elizabeth A. R. Brown views Eleanor as having played a significant role as parent and politician, but not as patron. Rebecca A. Baltzer takes a new look at the music of the period that was written by and for Eleanor, her court, and her family. Moshé Lazar reexamines her relationship to the courtly-love literature of the period. Eleanor S. Greenhill and Larry M. Ayres reassess her influence in the realm of art history. Rossell Hope Robbins traces the lines extending from the French courtly literature of Eleanor’s period down into fourteenth-century Chaucerian England. The essays reflect divergent but generally complementary assessments of this remarkable woman’s influence on her own era and on future times as well. This volume is the result of a symposium held at the University of Texas in 1973. Another night on the Nightside...An ancient evil looms over Santa Luz. Prostitutes are showing up dead and eviscerated. And Jill Kismet just might be able to get her revenge against an old enemy. There's just one problem. Someone wants Jill dead--again. And if they have to open up Hell itself to kill her, they will. Sometimes, even when

At a time when a woman's value was measured solely by her wealth and the number of

sons she bore, Eleanor was the high-spirited, stubborn, and intelligent heiress to the vast duchy of Aquitaine. Her leadership inspired the loyalty of her people, but she was continually doubted and silenced by the men who ruled beside her—the less wise but far more powerful men of the church and court who were unwilling to lose power to a woman, regardless of her rank or ability. Through marriages to two kings, two Crusades, and the births of ten children—including the future King Richard the Lionhearted—Eleanor solidified her place in history. In *Eleanor the Queen*, Norah Lofts brings to life a brave and complex woman who was centuries ahead of her time. Henry II was the first Plantagenet king, the founder of England's most successful and longest ruling dynasty. But Henry did not come to the throne alone. He had married Eleanor of Aquitaine, a formidable and powerful woman 10 years his elder. Eleanor had spent 15 years married to Louis VII of France before he divorced her, only to be angered when she married his young rival. Together, they were a medieval power couple who soon added the ultimate rank of King and Queen Consort to their list of titles. Over the decades, a wedge was driven between the king and Eleanor. Henry imprisoned his wife, fought his elder sons and pinned his hopes on his youngest, whose betrayal was the last straw. This book will chart the early lives of Henry and Eleanor before they became a European power couple, examine the impact of their union on contemporaries and European politics before exploring the birth of the Angevin Empire and the causes of the disintegration of that vast territory. "The dark romance of this story is spell-binding," --Fantasy Girl on Dark Watcher "I highly recommend this series for any fans of William Gibson, *Lost Girl* or the *Angel/Buffy*-verse." --Pajiba.com on *Saint City Sinners* Will she be the Society's salvation . . . or its downfall? The black-ops government agency called Sigma broke Justin Delgado, trained his psionic talent, and turned him into a killer. Then he escaped and joined the Society, an underground resistance movement of psions determined to use their talents to bring Sigma down. Competent, cold, and cruelly efficient, he's the best operative the Society has, a legend among the psions who fight a shadow war against an enemy that owns the courts, the press, and the police. Feared even by his own teammates, hunted by the government, and too damaged to feel anything but clinical rage, he is utterly alone--

until he meets Rowan. When Rowan Price stumbles across Delgado's team in an abandoned house, he is assigned to make contact with her, bring her in, and keep her alive--because Rowan is one of the most powerful psychics the resistance has ever encountered. If the government gets its hands on her, she could very well mean the downfall of the resistance, because nobody, not even Rowan, is quite sure how far her talents extend. The Society will welcome Rowan, if she can stay alive long enough to join them. Unfortunately, there's a traitor buried in the ranks. If the Society goes down, Rowan is at risk. God alone knows what Delgado will do to keep her safe, because Rowan is fast becoming the only thing in the world he cares about . . . Arquitaine Novels The Hedgewitch Queen The Bandit King Blood Call (coming August 2015) Acclaimed as the most beautiful woman of her time, Eleanor of Aquitaine (c.1122–1204) uniquely shaped 12th-century Europe. As the wife of two kings and the mother of three others, her beauty, grace, style, and intellect captivated a continent. At a time when men regarded women as little more than personal property to be owned and exploited, Eleanor threw off the shackles of male dominance and scribed an indelible mark on the history of France and England. As France's queen, Eleanor accompanied Louis VII on the Second Crusade to the Holy Land and championed a burgeoning feminist movement. After divorcing Louis, she married Henry II of England. Her marriage to Henry upset the balance of power in Europe and led to 300 years of warfare before its restoration. Perhaps best remembered as a symbol of courtly love, Eleanor of Aquitaine also continues to personify the proud image of emancipated womanhood.

Necromancer. Bounty hunter. Killer. Dante Valentine has been all three in her life. But in the beginning, she was a Necromancer for hire. And while she was choosy about her jobs, there were just some she couldn't turn down. Like when the Devil showed up at the door and offered her a deal. Her life - in exchange for the capture and elimination of a renegade demon. But how do you kill something that can't die? Dante Valentine, one of urban fantasy's hottest series, is compiled into one volume for the first time. Included in this omnibus edition are: Working for the Devil, Dead Man Rising, The Devil's Right Hand, Saint City Sinners, and To Hell and Back.

Arquitaine Novels The Hedgewitch Queen The Bandit King Blood Call (coming August 2015) The three daughters of Henry II and Eleanor of Aquitaine all undertook exogamous marriages which cemented dynastic alliances and furthered the political and diplomatic ambitions of their parents and their spouses. It might be expected that the choices made by

Matilda, Leonor, and Joanna with regard to religious patronage and dynastic commemoration would follow the customs and patterns of their marital families, yet in many cases these choices appear to have been strongly influenced by ties to their natal family. Their involvement in the burgeoning cult of Thomas Becket, their patronage of Fontevrault Abbey, the names they gave to their children, and the ways in which they were buried, suggests that all three women were able, to varying degrees, to transplant Angevin family customs to their marital lands. By examining the childhoods, marriages, and programmes of patronage and commemoration of Matilda, Leonor and Joanna, this monograph compares and contrasts the experiences of three high-profile twelfth-century royal women, and advances the hypothesis that there may have been stronger emotional ties within the Angevin dynasty than has previously been allowed for. In the twelfth century, as France and England compete for dominion, one woman's passions and ambitions will change history . . . "Aquitaine is mine. It will never belong to anyone else." With these words, fifteen-year-old Eleanor seals her fate. Aquitaine is under the French king's safekeeping, and Eleanor, the Duke of Aquitaine's eldest daughter, knows she must wed Prince Louis in order to insure the future of her beloved duchy. Fiercely independent, filled with untapped desire, the woman who would be queen must provide Louis VII, her monkish husband, with heirs. But it is young Henry of Anjou who catches Eleanor's eye—and sets fire to her heart. Ruled by a raging drive to succeed, Henry vows that he will not be cheated of his rightful place on the English throne. Yet the newly christened Duke of Normandy is thoroughly enraptured by the French queen. In Eleanor, Henry knows he has found a woman whose hunger for life and glory matches his own. So begins a passionate love that will span decades and change the course of history. The first three

Steelflower Chronicles. New in paperback - The powerful medieval couple who formed an empire beyond England, and whose children included Richard the Lionheart and King John. Henry II became King of England in 1154 after twenty years of civil war. He was the first Plantagenet king, the founder of England's most successful and longest-ruling dynasty. But Henry did not come to the throne alone. He had married Eleanor of Aquitaine, a feisty, formidable and powerful woman

ten years his senior. Eleanor had spent fifteen years married to Louis VII of France before he divorced her, only to be angered when she married his young rival. Together, they were a medieval power couple who soon added the ultimate rank of king and queen consort to their list of titles. With them, the Angevin Empire was born. Over the decades, a wedge was driven between the king, fiercely protective of his empire, and Eleanor, who felt restrained in her husband's shadow. Henry imprisoned his wife, fought his elder sons and pinned his hopes on his youngest, whose betrayal was the last straw. This book charts the early lives of Henry and Eleanor before they became a European power couple and examines the impact of their union on contemporaries and European politics. It explores the birth of the Angevin Empire that spread from Northumberland to the Mediterranean, and the causes of the disintegration of that vast territory, as well as the troublesome relationships between Henry and his sons, who dragged their father to the battlefield to defend his lands from their ambitious intriguing. The book is about two powerful queens and those two were forces of nature. Eleanor of Aquitaine was the wife of kings, the mother of kings, a duchess in her own right and a tool of no man. She was headstrong and independent in an age when women were essentially to be seen and not heard. Queen Victoria may have been a lonely child, but she was thrown into the spotlight before dawn one morning when her uncle passed away. For Queen Victoria you will find she lived life large. She loved deeply and mourned deeper. Her love for her Albert never left her to the day she died. Many rumors abound that there were other lovers and that she was drawn to many men. Some proven, some not. Inside you'll read about Eleanor of Aquitaine. Conflict Eleanor of Aquitaine. Penitent Crusade Eleanor of Aquitaine. A New Kingdom Eleanor of Aquitaine. Rebellion, Ransom and Retribution Queen Victoria. The birth that altered world history Queen Victoria. Now the thrown Queen Victoria. What happened during her reign Queen Victoria. Loves flame burns out And much more! Eleanor's life was as extraordinary as the times in which she lived, and in many ways, she was the most modern woman in medieval France. The book tells you about bright events of the lives of her husbands and sons who left a mark in the history of Europe. Queen Victoria's life and time changed the way history evolved, not just in

England, but around the world. She was raised in a world of prestige and unlimited wealth; never having to worry about anything that her heart desired. However, she did learn that money could not buy life nor keep death at bay when it came to her sweet Albert. Kaia Steelflower, assassin and thief, has picked the wrong pocket. For historical fiction readers, a tantalizing new novel from New York Times bestselling author Alison Weir about the passionate and notorious French queen, Eleanor of Aquitaine. Renowned for her highly acclaimed and bestselling British histories, Alison Weir has in recent years made a major impact on the fiction scene with her novels about Queen Elizabeth and Lady Jane Grey. In this latest offering, she imagines the world of Eleanor of Aquitaine, the beautiful twelfth-century woman who was Queen of France until she abandoned her royal husband for the younger man who would become King of England. In a relationship based on lust and a mutual desire for great power, Henry II and Eleanor took over the English throne in 1154, thus beginning one of the most influential reigns and tumultuous royal marriages in all of history. In this novel, Weir uses her extensive knowledge to paint a most vivid portrait of this fascinating woman. Vianne di Rocancheil is content to play the gawky provincial. As lady in waiting - and more importantly, friend - to the Princesse of Arquiteine, she is free to do largely as she pleases. Court is a dangerous place for the unwary, but Vianne treads its measured steps well. Unfortunately, the dance has changed. Treachery is afoot in the Court's gilded and velvet halls. A conspiracy is unleashed, with blood, death, and warfare close behind. The fate of Arquiteine now rests on the wits of a lady in waiting, and she must flee. If she reaches the mountains, she may be safe - and her beloved land with her. A life of dances, intrigues, and fashion has not prepared her for this. Nor has it prepared her for Tristan d'Arcenne, Captain of the King's Guard and player in the most dangerous games conspiracy can devise. But to save her land and avenge her Princesse, Vianne will become what she must, say what she should, and do whatever is required. A Queen can do no less. In this beautifully written biography, Alison Weir paints a vibrant portrait of a truly exceptional woman and provides new insights into her intimate world. Renowned in her time for being the most beautiful woman in Europe, the wife of two kings and mother of three, Eleanor of Aquitaine was one

of the great heroines of the Middle Ages. At a time when women were regarded as little more than chattel, Eleanor managed to defy convention as she exercised power in the political sphere and crucial influence over her husbands and sons. Eleanor of Aquitaine lived a long life of many contrasts, of splendor and desolation, power and peril, and in this stunning narrative, Weir captures the woman—and the queen—in all her glory. With astonishing historic detail, mesmerizing pageantry, and irresistible accounts of royal scandal and intrigue, she recreates not only a remarkable personality but a magnificent past era. When the Devil needs a rogue demon killed, who does he call? The Player: Necromance-for-hire Dante Valentine is choosy about her jobs. Hot tempered and with nerves of steel, she can raise the dead like nobody's business. But one rainy Monday morning, everything goes straight to hell. The Score: The Devil hires Dante to eliminate a rogue demon: Vardimal Santino. In return, he will let her live. It's an offer she can't refuse. The Catch: How do you kill something that can't die? Dante Valentine Novels Working for the Devil Dead Man Rising Devil's Right Hand Saint City Sinners To Hell and Back Dante Valentine (omnibus) For more from Lilith Saintcrow, check out: Gallow and Ragged Trailer Park Fae Bannon and Clare The Iron Wyrn Affair The Red Plague Affair The Ripper Affair The Damnation Affair (e-only) Jill Kismet Novels Night Shift Hunter's Prayer Redemption Alley Flesh Circus Heaven's Spite Angel Town Jill Kismet (omnibus) A Romance of Arquitaine Novels The Hedgewitch Queen The Bandit King Blood Call (coming August 2015) New York Times bestselling author Elizabeth Chadwick brings Eleanor of Aquitaine to life with breathtaking historical detail in the first volume of this stunning new trilogy. Eleanor of Aquitaine, the legendary 12th century queen of France and later of England, is one of the most powerful and irrepressible women in medieval history, and her story of romance, scandal and political intrigue has fascinated readers for centuries. Young Eleanor (or Alienor as she was known) has everything to look forward to as the heiress to the wealthy Aquitaine. But when her beloved father William X suddenly dies, childhood is over. Sent to Paris and forced to marry Prince Louis VII of France, she barely adjusts before another death catapults them to King and Queen. At the age of just 13, Eleanor must leave everything behind and learn to navigate the

complex and vivacious French court. Faced with great scandals, trials, fraught relationships, and forbidden love at every turn, Eleanor finally sees what her future could hold if she could just seize the moment. The first in this highly anticipated trilogy, *The Summer Queen* follows Eleanor through the Second Crusade to the end of her marriage to Louis VII. The author's meticulous research (including delving into the Akashic records) portrays the Middle Ages and Eleanor with depth and vivid imagery unparalleled in historical fiction that will keep readers riveted and wanting more. In this new biography of Eleanor of Aquitaine, Boyd takes the reader to the heart of this extraordinary woman. He reveals her as a peculiarly 'modern' character - she refused to be a consenting victim of ethnic cleansing; and she promotes her vision of a continent wide dynasty.
