Model Rules of Professional Conduct Nov 24 2022
The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its

practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Professional Judgment on Appeal Aug 21 2022

Professional Judgment on Appeal starts with the simple fact that the overwhelming majority of appeals, both civil and criminal, fail. Looking at this poor track record, the book focuses on the need for lawyers to sift the winning appeals from the losing appeals and advise clients accordingly. With a thematically tight focus on the tools of professional case evaluation, Wisotsky helps the lawyer to answer the ultimate question in every case: can this appeal succeed and on what grounds? This book is designed to aid all members of the legal

profession: lawyers, judges, students, and professors. It builds upon the basics taught in law school, but goes far beyond to fill notable gaps in the knowledge of most attorneys. The second edition updates the first edition from 2002 with current rules, statutes and cases. It also adds new chapters on Extraordinary Writs and Ethical Dimensions of Appellate Practice. "With a thematically tight focus on the tools of professional case evaluation, Wisotsky helps the lawyer to answer the ultimate question in every case: can this appeal succeed and on what grounds? This book is designed to aid all members of the legal profession: lawyers, judges,

students, and professors. It builds upon the basics taught in law school, but goes far beyond to fill notable gaps in the knowledge of most attorneys." -- The Law and Politics Book Review
