A teen idol of the 1950s who virtually invented the singer/songwriter/heartthrob combination that still tops pop music today, Paul Anka rocketed to fame with a slew of hits—from "Diana" to "Put Your Head on my Shoulder"—that earned him a place touring with the major stars of his era, including Chuck Berry, Jerry Lee Lewis, and Buddy Holly. He wrote Holly's last hit, and just missed joining the rocker on his final, fatal plane flight. Anka also stepped in front of the camera in the teen beach-party movie era, scoring the movies and

romancing their starlets, including Annette Funicello. When the British invasion made his fans swoon for a new style of music and musician--Anka made sure he wasn't conquered. A rapier-canny businessman and image-builder who took his career into his own hands--just as he had from the very beginning, swiping his mother's car at fourteen to drive himself, underage, to his first gigs in Quebec--Anka toured the world until he could return home in triumph. A charter member of the Rat Pack, he wrote the theme music for The Tonight Show as well as his friend Frank Sinatra's anthem "My Way". By the 1970s, a multi-decade string of pop chart-toppers, including "Puppy Love" and "(You're) Having My Baby", cemented his status as an icon. My Way is bursting with rich, rollicking stories of the business and the people in Anka's life: Elizabeth Taylor, Dodi Fayed, Tom Jones, Michael Jackson, Adnan Khashoggi, Little Richard, Brooke Shields, Johnny Roselli, Sammy Davis, Jr., Brigitte Bardot, Barnum & Bailey Circus acrobats, and many more. Anka is forthcoming, funny and smart as a whip about the business he's been in for almost six decades. My Way moves from New York to Vegas, from the casino stage to backstages all over the world. It's the most entertaining autobiography of the year. Autobiography of a Recovering Skinhead is Frank Meeink's raw telling of his descent into America's Nazi underground and his ultimate triumph over drugs and hatred. Frank's violent childhood in South Philadelphia primed him to hate, while addiction made him easy prey for a small group of skinhead gang recruiters. By 16 he had become one of the most notorious skinhead gang leaders on the East Coast and by 18 he was doing hard time. Teamed up with African-American players in a prison football league, Frank learned to

question his hatred, and after being paroled he defected from the white supremacy movement and began speaking on behalf of the Anti-Defamation League. A story of fighting the demons of hatred and addiction, Frank's downfall and ultimate redemption has the power to open hearts and change lives. A Look over My Shoulder begins with President Nixon's attempt to embroil the Central Intelligence Agency, of which Richard Helms was then the director, in the Watergate cover-up. Helms then recalls his education in Switzerland and Germany and at Williams College; his early career as a foreign correspondent in Berlin, during which he once lunched with Hitler; and his return to newspaper work in the United States. Helms served on the German desk at OSS headquarters in London; subsequently, he was assigned to Allen Dulles's Berlin office in postwar Germany. On his return to Washington, Helms assumed responsibility for the OSS carryover operations in Germany, Austria, and Eastern Europe. He remained in this post until the Central Intelligence Agency was formed in 1947. At CIA, Helms served in many positions, ultimately becoming the organization's director from 1966 to 1973. He was appointed ambassador to Iran later that year and retired from government service in January 1977. It was often thought that Richard Helms, who served longer in the Central Intelligence Agency than anyone else, would never tell his story, but here it is—revealing, news-making, and with candid assessments of the controversies and triumphs of a remarkable career. “Neil Patrick Harris's Choose Your Own Autobiography is one of the best celeb memoirs I've ever read.”—The Phoenix News Seeking an exciting read that puts the “u” back in “aUtobiography”? Look no further than Neil Patrick Harris:

Choose Your Own Autobiography! In this entertaining and innovative memoir, Neil Patrick Harris shares intimate and hilarious stories about everything from his early days in LA, life on the *How I Met Your Mother* set, secrets from backstage at award shows, and family life with David, Harper, and Gideon. In a fresh spin on the typical celebrity narrative, he lets you, the reader, choose which path you want him to follow. All this plus magic tricks, cocktail recipes, embarrassing pictures from his time as a child actor, and even a closing song! This volume features in-depth, oral interviews with eleven incarcerated women, each of whom offers a narrative of her life and her reading experiences within prison walls. The women share powerful stories about their complex and diverse efforts to negotiate difficult relationships, exercise agency in restrictive circumstances, and find meaning and beauty in the midst of pain. Their shared emphases on abuse, poverty, addiction, and mental illness illuminate the pathways that lead many women to prison and suggest possibilities for addressing the profound social problems that fuel crime. Framing the narratives within an analytic introduction and reflective afterword, Megan Sweeney highlights the crucial intellectual work that the incarcerated women perform despite myriad restrictions on reading and education in U.S. prisons. These women use the limited reading materials available to them as sources of guidance and support and as tools for self-reflection and self-education. Through their creative engagements with books, the women learn to reframe their own life stories, situate their experiences in relation to broader social patterns, deepen their understanding of others, experiment with new ways of being, and maintain a sense of connection with their fellow citizens.

both sides of the prison fence. Autobiography of an African American man raised in Boston and educated at Harvard. Includes his business and civic activities in Boston and Harlem, his association with Lincoln Steffens and his experiences in the Spanish-American War. #1 NATIONAL BESTSELLER Far more than a superb memoir about the highest levels of professional tennis, Open is the engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors. But as he reveals in this searching autobiography, off the court he was often unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point detail—the highs and lows of his celebrated career. “In her long and extraordinary career, Cicely Tyson has not only succeeded as an actor, she has shaped the course of history.” –President Barack Obama, 2016 Presidential Medal of Freedom ceremony “Just as I Am is my truth. It is me, plain and unvarnished, with the glitter and garland set aside. In these pages, I am indeed Cicely, the actress who has been blessed to grace the stage and screen for six decades. Yet I am also the church girl who once rarely spoke a word. I am the teenager who sought solace in the verses of the old hymn for which this book is named. I am a daughter and a mother, a sister and a friend. I am an observer of human nature and the dreamer of

audacious dreams. I am a woman who has hurt as immeasurably as I have loved, a child of God divinely guided by his hand. And here in my ninth decade, I am a woman who, at long last, has something meaningful to say." —Cicely Tyson

An autobiography from prolific Welsh literary figure Meic Stephens. With color and black & white plates. NEW YORK TIMES BEST SELLER • An inspiring and intimate self-portrait of the champion of equality that encompasses her brilliant tennis career, unwavering activism, and an ongoing commitment to fairness and social justice. "A story about the personal strength, immense growth, and undeniable greatness of one woman who fearlessly stood up to a culture trying to break her down."—Serena Williams

In this spirited account, Billie Jean King details her life's journey to find her true self. She recounts her groundbreaking tennis career—six years as the top-ranked woman in the world, twenty Wimbledon championships, thirty-nine grand-slam titles, and her watershed defeat of Bobby Riggs in the famous "Battle of the Sexes." She poignantly recalls the cultural backdrop of those years and the profound impact on her worldview from the women's movement, the assassinations and anti-war protests of the 1960s, the civil rights movement, and, eventually, the LGBTQ+ rights movement. She describes the myriad challenges she's hurdled—entrenched sexism, an eating disorder, near financial peril after being outed—on her path to publicly and unequivocally acknowledging her sexual identity at the age of fifty-one. She talks about how her life today remains one of indefatigable service. She offers insights and advice on leadership, business, activism, sports, politics, marriage equality, parenting, sexuality, and love. And she shows how

living honestly and openly has had a transformative effect on her relationships and happiness. Hers is the story of a pathbreaking feminist, a world-class athlete, and an indomitable spirit whose impact has transcended even her spectacular achievements in sports. 'What do you think are the gifts of cancer?' Even now, all these years later, when I recall the question, a sense of shock still resonates. I thought of Julian's gruelling treatment regime, about how all seven of his children were coping seeing him so unwell, so reduced. Then, in the silence that followed, like the first sprouting of a tiny plant, I began to think about all the good things that Julian and I had experienced because of his illness; amid the strain and fear we had shared precious moments of love and kindness that might not have otherwise happened. I began to cry. 'Perhaps you could think of Julian's cancer in another way,' the counsellor suggested. 'Maybe it's like a little bird on your shoulder that's reminding you how to live.' Over a decade ago, award-winning journalist Lucy Palmer lost her beloved husband Julian, leaving her alone to raise their three young children on a farm south of Sydney. This beautifully written memoir tells the story of how Lucy and Julian fell in love with each other and with Papua New Guinea, and traces their family's return to Australia to face the daunting challenges of Julian's journey with cancer. Looking back with both sadness and joy, Lucy's honest and thoughtful account of finding hope and meaning where none seemed to be, will move and inspire all who read it. *A Bird on My Shoulder* offers us new and surprising ways to think about love and death, about the worst that can happen and what it can mean. Comedian and civil rights activist Dick Gregory's million-copy-plus bestselling memoir—now in trade paperback for the first time. "Powerful and ugly and beautiful...a moving story of a man who deeply wants a world without malice and hate and is doing something about it."—The New York Times

Fifty-five years ago, in 1964, an incredibly honest and revealing memoir by one of the America's best-loved comedians and activists, Dick Gregory, was published. With a shocking title and breathtaking writing, Dick Gregory defined a genre and changed the way race was discussed in America. Telling stories that range from his hardscrabble childhood in St. Louis to his pioneering early days as a comedian to his indefatigable activism alongside Medgar Evers and Dr. Martin Luther King, Jr., Gregory's memoir riveted readers in the sixties. In the years and decades to come, the stories and lessons became more relevant than ever, and the book attained the status of a classic. The book has sold over a million copies and become core text about race relations and civil rights, continuing to inspire readers everywhere with Dick Gregory's incredible story about triumphing over racism and poverty to become an American legend. A wryly funny and surprisingly moving account of an extraordinary life lived almost entirely in the public eye. A teen idol at fifteen, an international icon and founder of the Brat Pack at twenty, and one of Hollywood's top stars to this day, Rob Lowe chronicles his experiences as a painfully misunderstood child actor in Ohio uprooted to the wi

counterculture of mid-seventies Malibu, where he embarked on his unrelenting pursuit of a career in Hollywood. The Outsiders placed Lowe at the birth of the modern youth movement in the entertainment industry. During his time on *The West Wing*, he witnessed the surreal nexus of show business and politics both on the set and in the actual White House. And in between are deft and humorous stories of the wild excesses that marked the eighties, leading to his quest for family and sobriety. Never mean-spirited or salacious, Lowe delivers unexpected glimpses into his successes, disappointments, relationships, and one-of-a-kind encounters with people who shaped our world over the last twenty-five years. Rob Lowe's New York Times bestselling autobiography, *Stories I Only Tell My Friends*, shares tales that are as entertaining as they are unforgettable.

IN THIS LUMINOUS MEMOIR, LEGENDARY SINGER AND ACTRESS NATALIE COLE TELLS A REMARKABLE STORY OF LIFE-THREATENING ILLNESS AND RECOVERY, AND THE STORY OF A DEATH THAT BROUGHT NEW LIFE. In 2009 Natalie Cole was on dialysis, her kidneys failing. Without a kidney transplant, her future was uncertain. Throughout Natalie's illness one of her biggest supporters was her beloved sister Cooke. But then Cooke herself became ill, with cancer. Astonishingly, as Cooke lay dying in a hospital, Natalie received a call that a kidney was available, but the surgery had to be performed immediately. Natalie couldn't leave her sister's side—but neither could she refuse the kidney that would save her own life. This is a story of sisters, Natalie and Cooke, but also of the sisters who made the transplant possible, Patty and Jessica. It was Jessica's death that gave new life to Natalie, even as Natalie experienced the

devastating loss of Cooke. Patty, too, suffered her own terrible loss, but when she met Natalie, she found that her sister's spirit still lived. Through the gift of life, Natalie and Patty became sisters in spirit. *Love Brought Me Back* is a story of loss and recovery, sorrow and joy, success and despair—and, finally, success again. It will touch you as few memoirs ever have. A NEW YORK TIMES NOTABLE BOOK

The long-awaited autobiography from Georgetown University's legendary coach, whose life on and off the basketball court threw America's unresolved struggle with racial justice into sharp relief. John Thompson was never just a basketball coach and *I Came As A Shadow* is categorically not just a basketball autobiography. After five decades at the center of race and sports in America, Thompson—the iconic NCAA champion, Black activist, and educator—was ready to make the private public at last, and he completed this autobiography shortly before his death in the historically tumultuous summer of 2020.

Chockful of stories and moving beyond mere stats (three Final Fours, four-time national coach of the year, seven Big East championships, 97 percent graduation rate), Thompson's book drives us through his childhood under Jim Crow segregation to our current moment of racial reckoning. We experience riding shotgun with Celtics icon Red Auerbach and coaching NBA Hall of Famers like Patrick Ewing and Allen Iverson. What were the origins of the phrase "Hoya Paranoia"? You'll see.

And parting his veil of secrecy, Thompson brings us into his negotiation with a D.C. drug kingpin in his players' orbit in the 1980s, as well as behind the scenes of his years on the Nike board. Thompson's mother was a teacher who had to clean houses because of racism in the nation's capital. His father

could not read or write. Their son grew up to be a man with his own larger-than-life statue in a building that bears his family's name on a campus once kept afloat by the selling of 272 enslaved Black people. This is a great American story, and John Thompson's experience sheds light on many of the issues roiling our nation. In these pages, he proves himself to be the elder statesman whose final words college basketball and the country need to hear. *I Came As A Shadow* is not a swan song, but a bullhorn blast from one of America's most prominent sons. Hang on, it's a hell of a ride! From the band that lived by the motto "Anything worth doing was worth overdoing" -- Steven Tyler, Joe Perry, Tom Hamilton, Brad Whitford, and Joey Kramer -- comes a quarter century of rock godhood: the life, the music, the truth, the hell, the lost years, and the raunchy, unsafe sex. And, of course, the drugs. But after crashing in a suffocating cloud of cocaine, crystal meth, and heroin, Aerosmith rose up from the ashes to become clear and sober -- and reclaim their rightful title as World Champion Rockers. Learn how they did it in a book that is pure Aerosmith unbound: where they came from, what they are now, and what they will always be -- a great American band. This book takes a broad perspective and analyses the ways in which the British film industry has dealt with women and their creativity from 1930 to the present. The first part of the book deals comprehensively with different historical periods in British film culture, showing how the 'agency' of production company, director, distribution company or scriptwriter can bring about new patterns of female stereotyping. The second part looks at the input of women workers into the film process. It assesses the work of women in a variety of roles: directors such as

Wendy Toye and Sally Potter, producers such as Betty Box, scriptwriters such as Clemence Dane and Muriel Box, costume designers such as Shirley Russell and Jocelyn Rickards, and editors and art directors. This is a polemical book which is written in a lively and often confrontational manner. It uses fresh archival material and takes energetic issue with those explanatory models of film analysis which impose easy answers onto complex material. Buck, the embodiment of commercial aviation in America, recounts his thrilling life in flight in this exhilarating volume, hailed as "absolutely brilliant" by the former director of the Smithsonian Air and Space Museum. This is a comprehensive guide to popular music literature, first published in 1986. Its main focus is on American and British works, but it includes significant works from other countries, making it truly international in scope. Natalie Cole tells her uniquely insightful, deeply personal story. Her love of music and sense of adventure led her to risk a singing career of her own, even as unresolved grief helped drive her into heroin and cocaine addiction and homelessness. After a six-year struggle to get clean, she released her smash comeback album, *Unforgettable*, made Grammy history, and reintroduced her father's music to a new generation. Tackle the challenges of memoir writing and share your story. 'Cathy is the person who first told me to write about my mental health when I was nervous to do so. She is a great writer herself and this is brilliant.' - Matt Haig, author of *Reasons to Stay Alive* Why do we want to write and what stops us? How do we fight the world that no-one will care what we have to say? What can we do to overcome the obstacles in our way? Sunday Times bestselling author Cathy Rentzenbrink shows you how to tackle all this

and more in *Write It All Down*, a guide to putting your life on the page. Complete with a compendium of advice from amazing writers such as Dolly Alderton, Adam Kay and Candice Cary-Williams, this book is here to help you discover the pleasure and solace to be found in writing; the profound satisfaction of wrestling a story onto a page and seeing the events of your life transformed through the experience of writing a memoir. A tender and intimate memoir by one of the most remarkable, trailblazing, and tenacious women in music, the two-time Grammy Award-winning "premiere song stylist and songwriter of her generation" (Hilton Als), Rickie Lee Jones. This troubadour life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song. *Last Chance Texaco* is the first-ever no-holds-barred account of the life of two-time Grammy Award-winner Rickie Lee Jones in her own words. It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candor and lyricism, the "Duchess of Coolsville" (Time) takes us on a singular journey through her nomadic childhood, to her years as a teenage runaway, through her legendary love affair with Tom Waits and ultimately her longevity as the

hardest working woman in rock and roll. Rickie Lee's stories are rich with the infamous characters of her early songs – "Chuck-E's in Love," "Weasel and the White Boys Cool," "Danny's All-Star Joint," and "Easy Money"— but long before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, a pimp with a heart of gold and tales of her fabled ancestors. In this tender and intimate memoir by one of the most remarkable, trailblazing, and tenacious women in music are never-before-told stories of the girl in the raspberry beret, a singer-songwriter whose music defied categorization and inspired American pop culture for decades. In this beautifully written and propulsive memoir, Huma Abedin—Hillary Clinton's famously private top aide and longtime adviser—emerges from the wings of American political history to take command of her own story. The daughter of Indian and Pakistani intellectuals and advocates who split their time between Saudi Arabia, the UK, and the United States, Abedin grew up in many worlds. *Both/And* grapples with family, legacy, identity, faith, marriage, and motherhood with wisdom and sophistication. Abedin launched full steam into a college internship in the office of the first lady in 1996, never imagining that her work at the White House would blossom into a career in public service, nor that the career would become an all-consuming way of life. Still in her twenties and thirties, she thrived in rooms with diplomats and sovereigns, entrepreneurs and artists, philanthropists and activists, and witnessed many crucial moments in 21st-century American history—Camp David for urgent efforts at Middle East peace in the waning months of the Clinton administration, Ground Zero in the days after the 9/11 attacks, the

inauguration of the first African American president of the United States, the convention floor when America nominated its first female presidential candidate. Abedin's relationship with Clinton has seen both women through extraordinary personal and professional highs, as well as unimaginable lows. Here, for the first time, is a deeply personal account of Hillary Clinton as mentor, confidante, and role model. Abedin cuts through caricature, rumor, and misinformation to reveal a crystal-clear portrait of Clinton as a brilliant and caring leader, steadfast friend, generous, funny, hardworking, and dedicated. *Both/And* is a candid and heartbreaking chronicle of Abedin's marriage to Anthony Weiner, what drew her to him, how much she wanted to believe in him, the devastation wrought by his betrayals—and their shared love for their son. It is also a timeless story of a young woman with aspirations and ideals coming into her own in high-pressure jobs, and a testament to the potential for women in leadership to blaze a path forward while supporting those who follow in their footsteps. *Both/And* describes Abedin's journey through the opportunities and obstacles, the trials and triumphs, of a full and complex life. Abedin's compassion and courage, her resilience and grace, her work ethic and mission are an inspiration to people of all ages. "This journey has led me through exhilarating milestones and devastating setbacks," said Abedin. "I have walked both with great pride and in overwhelming shame. It is a life I am—more than anything—enormously grateful for and a story I look forward to sharing." Traces the musical career of the jazz singer, from the formation of his jazz trio to his television show and describes his desire to battle segregation by playing to all audiences. Autobiographical writings have been a major

cultural genre from antiquity to the present time. General questions of the literary as, e.g., the relation between literature and reality, truth and fiction, the dependency of author, narrator, and figure, or issues of individual and cultural styles etc., can be studied preeminently in the autobiographical genre. Yet, the tradition of life-writing has, in the course of literary history, developed manifold types and forms. Especially in the globalized age, where the media and other technological / cultural factors contribute to a rapid transformation of lifestyles, autobiographical writing has maintained, even enhanced, its popularity and importance. By conceiving autobiography in a wide sense that includes memoirs, diaries, self-portraits and autofiction as well as media transformations of the genre, this three-volume handbook offers a comprehensive survey of theoretical approaches, systematic aspects, and historical developments in an international and interdisciplinary perspective. While autobiography is usually considered to be a European tradition, special emphasis is placed on the modes of self-representation in non-Western cultures and on inter- and transcultural perspectives of the genre. The individual contributions are closely interconnected by a system of cross-references. The handbook addresses scholars of cultural and literary studies, students as well as non-academic readers. The story of Ty, a crippled young Vietnamese orphan who was just surviving in a primitive Catholic mission - He was rescued from there by Andre, a Vietnamese who did voluntary work for the missions, and who went on to establish a large complex of orphanages in Vietnam.
